Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS

This report contains forward looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. The Company's actual results could differ materially from those set forth on the forward looking statements as a result of the risks set forth in the Company's filings with the Securities and Exchange Commission, general economic conditions, and changes in the assumptions used in making such forward looking statements.

GENERAL

Crown Equity Holdings Inc. formerly known as Micro Bio-Medical Waste Systems, Inc. (the "Company") was incorporated on August 31, 1995 as "Visioneering Corporation" in Nevada, to engage in any lawful corporate undertaking, including, but not limited to, selected mergers and acquisitions.

In December, 2003, the Company entered into an Agreement with its majority shareholder, Crown Partners, Inc. ("Crown") to acquire Crown's wholly owned subsidiary, Sanitec Services of Hawaii, Inc. ("SSH"). The Company was obligated

Edgar Filing: MICRO BIO-MEDICAL WASTE SYSTEMS, INC. - Form 10QSB

to pay Crown the sum of \$550,000 and issue five percent of its common stock to Crown. As part of this transaction, the Company made a non-refundable deposit to Crown of \$45,521. From this deposit, Crown agreed to allow the Company to advance \$20,000 to SSH and to use the balance of the deposit to fund the Company's operations. The Company is obligated to repay this \$45,521 to Crown. The Company was unable to raise the funds necessary to complete this transaction and SSH was forced to cease operations. The Company is seeking other acquisition candidates. Additionally, the Company owes an additional \$53,000 to Crown for expenses Crown has paid on the Company's behalf.

The Company presently shares office space provided to it at no cost by a shareholder of the Company.

As of September 30, 2006, the Company had no employees.

The Company will attempt to carry out its plan of business and hopes to enter into a business combination with another entity. The Company cannot predict to what extent its lack of liquidity and capital resources will hinder its business plan prior to the consummation of a business combination.
