## **PROXY STATEMENT**

### **GENERAL OVERVIEW**

On April 10, 2007, Columbia entered into an asset purchase agreement with MFS (the “Asset Purchase Agreement”) to sell certain assets used in Columbia’s business of managing the Colonial Closed-End Funds to Massachusetts Financial Services Company (“MFS”) (such transaction, the “Sale”). Upon the closing of the Sale (the “Closing”), MFS will serve as investment adviser to the Fund.

The Closing is subject to certain terms and conditions, including, among others: (a) the approval by shareholders of each Colonial Closed-End Fund of a new investment advisory agreement with MFS, as set forth in Proposal 1; (b) the resignation of the current trustees of the Colonial Closed-End Funds and the election by shareholders of the Colonial Closed-End Funds of such of the nominees set forth in Proposal 4 as will create a new board of trustees for the Colonial Closed-End Funds at least 75% of whom are not “interested persons” (as such term is defined in the Investment Company Act of 1940, as amended (the “1940 Act”)) of the Colonial Closed-End Funds; (c) the obtaining of any necessary regulatory approvals by Columbia and MFS; and (d) certain other conditions. Although there can be no assurance that the Sale will close, if each of the terms and conditions is satisfied or waived, Columbia and MFS anticipate that the Closing will occur in the third quarter of 2007.

### **REASONS FOR THIS PROXY CONTEST**

Karpus is initiating this proxy contest because we believe that the Board has a duty to compensate shareholders for any risks that may be involved in the Approval of a New Investment Advisory Agreement. The premise of Karpus’ argument is its belief that shareholders should be afforded the opportunity by the Fund to receive fair value for their investment in the wake of the impending assignment to MFS. Given the situation, **Karpus feels that shareholders who do not wish to see their assets transferred to another investment manager should be afforded the opportunity to exit their investment at or near net asset value.** It is Karpus’ belief that Shareholders must be compensated for the unknown risks they are being asked to assume.

Overall, the Fund’s net asset performance is satisfactory, but the lack of effort by the Board of Trustees to address a widening discount to net asset value is problematic. Karpus has witnessed discount widening in the past when similar transactions have been proposed and carried through. Furthermore, Karpus does not know whether MFS will more or less effectively manage the Fund’s discount to net asset value than Colonial is currently. No one can predict the future and because of this simple fact, there is an undeniable unknown added risk for Fund shareholders.

**UNLESS SHAREHOLDERS PREVENT THE APPROVAL OF A NEW INVESTMENT ADVISORY AGREEMENT, AND VOTE AS OUTLINED ABOVE, SHAREHOLDERS WHO HAVE NO CONFIDENCE IN THE PROPOSED “TRANSACTION” WILL HAVE NO BETTER OPTION THAN TO SELL THEIR SHARES.**

**AS SHAREHOLDERS WE HAVE A VERY IMPORTANT AND POWERFUL VOICE IN OUR INVESTMENT - OUR VOTE. USE YOUR VOTE WISELY AND TELL THE FUND'S MANAGEMENT THAT YOU ARE NOT COMFORTABLE WITH THEIR DECISION TO ENTER INTO AN AGREEMENT WITH UNKNOWN RISKS WITHOUT COMPENSATION FOR THE ASSUMPTION OF THAT RISK.**

**USE YOUR VOICE AND HOLD YOUR FUND AND ITS BOARD OF TRUSTEES ACCOUNTABLE FOR EFFECTIVELY ADDRESSING OUR CONCERNS ABOUT UNKNOWN RISKS AND THE DISCOUNT THAT HAS WIDENED IN RECENT YEARS.**

***PROPOSAL 1: To vote AGAINST approving a new advisory agreement with Massachusetts Financial Services Company***

As discussed above, Columbia and MFS have entered into an Asset Purchase Agreement pursuant to which Columbia will sell certain assets used in its business of managing the Colonial Closed-End Funds to MFS. Accordingly, shareholders of the Fund are being asked to approve a new investment advisory agreement (a "New Advisory Agreement") between MFS and the Fund. Upon the Closing, the Investment advisory agreement currently in place between Columbia and the Fund (the "Current Advisory Agreement") will terminate, and the New Advisory Agreement between MFS and the Fund will take effect. The New Advisory Agreement requires approval of Fund shareholders. Karpus does not believe that it is in the shareholders' best interest to approve a new advisory agreement with MFS for the following reason.

Our Fund found it necessary and compelling to include what is referred to as a "lifeboat" provision in its original prospectus. For closed-end funds, "lifeboat" provisions are included to provide shareholders with an assurance that a Board will be active in managing a persistent discount of their fund. It is a provision designed to protect shareholders. The "lifeboat" our fund chose to incorporate into its prospectus states:

The Fund's Board of Trustees may from time to time consider submitting to the holders of the shares of beneficial interest of the Fund a proposal to convert the Fund to an open-end investment company.

The Board has not, to date, submitted such a proposal to shareholders. Neither has the Board undertaken other methods such as substantial tender offers, managed distribution policies, or other methods designed to address persistent fund discounts.

**Absent notification from the Board that they will take positive and proactive steps designed to address our Fund's discount, we do not believe that it is in our best interest, as Fund shareholders, to approve a new investment advisory agreement with MFS.**

***Required Vote***

As the Fund's proxy materials state, Approval of a New Advisory Agreement on behalf of the Fund requires the affirmative vote of a "majority of the outstanding voting securities" of the Fund, which for this purpose means the affirmative vote of the lesser of (i) more than 50% of the outstanding shares of the Fund or (ii) 67% or more of the shares of the Fund present at the Meeting if more than 50% of the outstanding shares of the Fund are present at the Meeting in person or represented by proxy. Holders of municipal auction rate cumulative preferred shares ("Preferred Shares") and holders of common shares of beneficial interest ("Common Shares") vote together as a single class on this Proposal 1.

***PROPOSAL 2: To vote FOR terminating the Fund's existing management agreement***

Columbia Management Advisors, LLC is the investment manager of our Fund. Two specific examples illustrate that Fund management is hopelessly conflicted with the Board and does not have shareholders' ultimate best interests in mind.

1. Despite the presence of a flattening yield curve environment, our Fund's management has chosen to continue to utilize a high level of leverage. In fact, due to an inherent conflict of interest, Fund management has no incentive to reduce leverage because it also collects fees based on the amount of leverage it employs. How can it be justified that the continued use of a high amount of leverage in a flattening yield curve environment is in shareholders best interests?
2. Our Board members are blatantly conflicted. Consider the following facts regarding the existing directors of our Fund:
  - a. **Average tenure:** over 13 years
  - b. **Average compensation:** over \$123,000
  - c. **Average number of directorships held with Colonial:** 84
  - d. **The trustees of our Fund own ZERO shares of CFX.** Karpus believes that shareholder value is greatly enhanced by linking a director's financial fate to the long-term success of a fund which they serve. What kind of message does this send to shareholders? Do the Fund trustees not believe in the long-term success of the Fund?
3. Past litigation against our Fund's manager also indicates that Fund Management does not always have shareholders' best interests in mind. As described in its last proxy statement, the Fund's manager has recently entered into settlement agreements with both the SEC and the New York State Attorney General (for more information regarding the settlements, a copy of the SEC Order is available on the SEC website at <http://www.sec.gov> and a copy of the New York State Attorney General Settlement is available as part of the Bank of America Corporation Form 8-K filing on February 10, 2005). How can it be justified that this conflict of interest is in shareholders best interests?

These two examples prove that it is clear that our investment manager's actions have been taken at the expense of shareholders. We do not wish to see the same conflicted fund management continue.

**Join us in telling our Board that you are not satisfied with a manager who has proven it does not have your best interests in mind. Vote FOR terminating the Fund's existing management agreement.**

***Required Vote***

Termination of the Fund's existing management agreement requires the affirmative vote of a "majority of the outstanding voting securities" of the Fund, which for this purpose means the affirmative vote of the lesser of (i) more than 50% of the outstanding shares of the Fund or (ii) 67% or more of the shares of the Fund present at the Meeting if more than 50% of the outstanding shares of the Fund are present at the Meeting in person or represented by proxy. Holders of municipal auction rate cumulative preferred shares ("Preferred Shares") and holders of common shares of beneficial interest ("Common Shares") vote together as a single class on this Proposal 2.

***PROPOSAL 3: To vote AGAINST approving an amended and restated declaration of Trust, contingent upon shareholder approval of a new advisory agreement for the Fund with Massachusetts Financial Services Company***

As discussed in proposals 1 and 2 above, shareholders have no incentive to approve an amended and restated Declaration of Trust for the Fund, contingent upon shareholder approval of a new advisory agreement for the Fund with Massachusetts Financial Services Company. The Board and Fund management have chosen to ignore issues concerning the enhancement of shareholder value and Karpus believes that shareholders have a unique opportunity to hold their Fund accountable until their concerns are addressed.

**Karpus therefore recommends that shareholders vote AGAINST approving an amended and restated Declaration of Trust.**

***Required Vote***

Approval of the Revised Declaration requires (i) the affirmative vote of at least  $[[66 \frac{2}{3}]]\%$  of the Common Shares and Preferred Shares of the Fund entitled to vote, voting together as a single class, and (ii) the affirmative vote of at least  $[[a \text{ majority}]]$  of the Preferred Shares outstanding on the Record Date. If the shareholders of the Fund fail to approve the Revised Declaration, or if the Sale does not close, the Current Declaration will remain in effect. The Sale may close even if the Revised Declaration is not approved by shareholders of the Fund.

**PROPOSAL 4: To vote FOR the election of each of the ten (10) Karpus nominees to the Board of Trustees to replace all current trustees of the Fund to be elected by the holders of beneficial interest (the “Common Shares”) and municipal auction rate cumulative preferred shares (the “Preferred Shares”) of the Fund, voting together as a single class, contingent upon shareholder approval of a new advisory agreement for the Fund with Massachusetts Financial Services Company.**

As was stated earlier, our Fund’s Trustees are blatantly conflicted. On average, they have served over 13 years, are paid over \$123,000 for their services, serve on an average of 84 Colonial fund boards and own no shares of the funds which they serve.

Consequently, at the Meeting, we intend to nominate the following persons for election as directors. Each nominee has consented to being named in this proxy statement and to serve as a director if elected. Unless noted, none of our nominees personally owns shares or has any arrangement or understanding with any person with respect to any future employment by the Fund or by any affiliate of the Fund. We do not know of any material conflicts of interest that would prevent any of us from acting in the best interest of the Fund. Please refer to the Fund’s proxy soliciting material for additional information concerning the election of directors.

The current trustees of the Fund are hopelessly conflicted. Consequently, we believe that the interests of shareholders would most efficiently and effectively be represented by trustees who are truly independent of both MFS and Colonial and who would seek to enhance shareholder value. **VOTE FOR THE KARPUS NOMINEES TO HAVE YOUR INVESTMENT INTERESTS BEST REPRESENTED.**

***Required Vote***

The affirmative vote of a plurality of the holders of Common Shares, voting together as a single class, present at the Meeting in person or represented by proxy, is required for the election of the Karpus nominees.

***PROPOSAL 5:***

***To vote FOR the election of each of the three (3) Karpus trustees to be elected by the holders of Common Shares and Preferred Shares of the Fund, voting together as a single class, so that the Karpus trustees will replace the existing trustees whose terms will expire this year and will hold office until the trustees elected pursuant to (4) above take office or until the end of their stated terms, whichever is earlier.***

As was stated earlier, our Fund’s Trustees are blatantly conflicted. On average, they have served over 13 years, are paid over \$123,000 for their services, serve on an average of 84 Colonial fund boards and own no shares of the funds which they serve.

CFX has indicated in its proxy materials that if the Sale closes, the existing trustees and officers have indicated that they will resign effective upon the Closing. If the Sale does not close for any reason, the current trustees of the Fund have indicated that they would not resign. Consequently, the Board has recommended that shareholders re-elect those current trustees whose terms expire at the Meeting.

Although we do not believe it is appropriate for the Fund to have a contingency plan for director elections, Karpus does not believe that the current Board of Trustees has acted or will in the future act in shareholders’ best interest and is consequently proposing nominees set forth in this Proposal 5 as listed below. Each nominee has consented to being named in this proxy statement and to serve as a director if elected. Unless noted, none of our nominees personally owns shares or has any arrangement or understanding with any person with respect to any future employment by the Fund or by any affiliate of the Fund. We do not know of any material conflicts of interest that would prevent any of us from acting in the best interest of the Fund. Please refer to the Fund’s proxy soliciting material for additional information concerning the election of directors.

**IF YOU WANT BOARD MEMBERS WHO ARE CONCERNED WITH SHAREHOLDER VALUE AND NOT IN PRESERVING THE STATUS QUO FOR COLONIAL, VOTE FOR THE KARPUS NOMINEES LISTED ABOVE.**

***OTHER MATTERS TO COME BEFORE THE MEETING***

Except as set forth in this Proxy Statement, Karpus is not aware of any matters affecting the Fund to be brought before the Meeting. Should other matters properly be brought before the Meeting that Karpus is unaware of a reasonable time before this solicitation, the attached GREEN proxy card, when duly executed, will give the proxies named therein discretionary authority to vote on all such matters and on all matters incident to the conduct of the Meeting. Such discretionary authority will include the ability to vote shares on any proposal to adjourn the Meeting. Execution and delivery of a proxy by a record holder of shares of common stock or preferred stock (if applicable) will be presumed to be a proxy with respect to all shares held by such record holder unless the proxy specifies otherwise.

**VOTING PROCEDURES**

**Voting and Revocation of Proxies**

For the proxy solicited hereby to be voted, the enclosed GREEN proxy card must be signed, dated and returned to:

Karpus Management, Inc.

c/o Regan & Associates, Inc.  
505 Eight Avenue, Floor 12A  
New York, New York 10018

in the enclosed envelope, in time to be voted at the Meeting. If you wish to vote in accordance with our recommendations, you must submit the enclosed GREEN proxy card and must NOT subsequently submit the Fund's proxy card. **IF YOU HAVE ALREADY RETURNED THE FUND'S PROXY CARD, YOU HAVE THE RIGHT TO REVOKE IT AND ALL MATTERS COVERED THEREBY AND MAY DO SO BY SUBSEQUENTLY SIGNING, DATING AND MAILING THE ENCLOSED GREEN PROXY CARD. ONLY YOUR LATEST DATED PROXY WILL COUNT AT THE MEETING.** Execution of a GREEN proxy card will not affect your right to attend the Meeting and to vote in person.

12

---

Any proxy may be revoked as to all matters covered thereby at any time prior to the time a vote is taken by: (i) submitting to the Fund or to us a later dated written revocation or duly executed proxy; or (ii) attending and voting at the Meeting in person (mere attendance at the Meeting will not in and of itself constitute a revocation).

Although a revocation of a proxy solicited by the Fund will be effective only if delivered to the Fund, we request that either the original or a copy of all revocations be mailed to Karpus Management, Inc., c/o Regan & Associates, Inc., 505 Eight Avenue, Floor 12A, New York, New York 10018, so that we will be aware of all revocations and can more accurately determine if and when the requisite proxies have been received.

**UNLESS THE BOARD AGREES TO SUPPORT OPEN-ENDING, A SELF-TENDER OFFER, OR SOME OTHER SUBSTANTIVE ACTION TO ADDRESS THE DISCOUNT, WE WILL NOT ATTEND THE MEETING, WE WILL NOT VOTE YOUR SHARES, AND YOUR SHARES WILL NOT BE COUNTED TOWARD A QUORUM. IF YOU UNCONDITIONALLY WANT YOUR SHARES TO BE REPRESENTED AT THE MEETING, YOU SHOULD NOT GIVE US YOUR PROXY. BY YOUR VOTING OF THIS CONTESTED PROXY CARD, YOU ARE INDICATING YOUR WILLINGNESS TO ACHIEVE THE SAME GOALS AS THE OPPOSING SOLICITATION REPRESENTED BY THE VIEWPOINTS EXPRESSED IN THIS PROXY STATEMENT. ANY SUPPRESSION OF YOUR VOTE WILL BE DONE FOR THE SOLE PURPOSE OF THE ATTAINMENT OF THE OBJECTIVES STATED HEREIN.**

Shares represented by a GREEN proxy card where no specification has been made will be voted:

1. **AGAINST approving a new advisory agreement with Massachusetts Financial Services Company;**
2. **FOR terminating the Fund's existing management agreement;**
3. **AGAINST approving an amended and restated Declaration of Trust, contingent upon shareholder approval of a new advisory agreement for the Fund with Massachusetts Financial Services Company;**
4. **FOR the election of each of the ten (10) Karpus nominees to the Board of Trustees to replace all current trustees of the Fund to be elected by the holders of beneficial interest (the "Common Shares") and municipal auction rate cumulative preferred shares (the "Preferred Shares") of the Fund, voting together as a single class, contingent upon shareholder approval of a new advisory agreement for the Fund with Massachusetts Financial Services Company; and**

**5. FOR the election of each of the three (3) Karpus trustees to be elected by the holders of Common Shares and Preferred Shares of the Fund, voting together as a single class, so that the Karpus trustees will replace the existing trustees whose terms will expire this year and will hold office until the trustees elected pursuant to (4) above take office or until the end of their stated terms, whichever is earlier.**

**And to transact such other business as may properly come before the Meeting and any adjournments or postponements thereof.**

If any of your shares were held in the name of the brokerage firm, bank nominee, or other institution on the Record Date, only that institution can vote your shares and only upon receipt of your specific instructions. Accordingly, please promptly contact the person responsible for your account at such institution and instruct that person to execute and return the GREEN proxy card on your behalf. You should also promptly sign, date, and mail the voting instructions form (or GREEN proxy card) that your broker or banker sends you. Please do this for each account you maintain to ensure that all of your shares are voted. If any of your shares were held in the name of a brokerage firm, bank, bank nominee, or other institution on the Record Date, to revoke your proxy you will need to give appropriate instructions to such institution. **IF YOU DO NOT GIVE INSTRUCTIONS TO YOUR BROKER OR OTHER NOMINEE, YOUR SHARES WILL NOT BE VOTED.**

Only holders of record as of the close of business on the Record Date will be entitled to vote at the Meeting. If you were a stockholder of record on the Record Date, you will retain your voting rights for the Meeting even if you sell shares after the Record Date. Accordingly, it is important that you vote the shares you owned on the Record Date or grant a proxy to vote such shares, even if you sell some or all of your shares after the Record Date.

Based on publicly available information, the shares of Common Stock are the only shares of capital stock of the Fund entitled to notice of, and to vote at, the Meeting. According to the Fund's proxy statement, there are 4,252,858.667 shares of common stock and 1,492 shares of preferred stock, or 4,254,350.667 total shares outstanding. Every holder of shares of Common Stock or preferred shares is entitled to one (1) vote for each share of Common or preferred stock held.

## **VOTING RIGHTS**

Shareholders of the Fund at the close of business on the Record Date will be entitled to be present and to give voting instructions at the Meeting with respect to their shares owned as of the Record Date. Shareholders of the Fund will be entitled to cast one vote on each Proposal and on each other matter on which they are entitled to vote at the Meeting for each share owned on the Record Date. Shareholders of common shares of the Fund will also be entitled to cast a proportionate fractional vote on each Proposal and on each other matter on which they are entitled to vote at the Meeting for each fractional common share owned on the Record Date. As of the Record Date, the Fund had 4,252,858.6670 common shares, 1,492 preferred shares and 4,254,350.6670 total shares outstanding, which in each case equals the number of votes to which the shareholders of such class of the Fund are entitled.

Votes cast in person or by proxy at the Meeting will be counted by persons appointed by the Fund as tellers for the Meeting (the “Tellers”). Fifty percent (50%) of the shares of the Fund outstanding on the Record Date and entitled to vote, present at the Meeting in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of the Fund.

If a quorum for the Fund is not present at the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting as to the Fund to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of the shares of the Fund present at the Meeting in person or represented by proxy. If an adjournment is proposed for the Fund, the persons named as proxies will vote all proxies that they are entitled to vote FOR such an adjournment and will vote any proxies that they are required to vote AGAINST such an adjournment. The Meeting may also be postponed by the Board.

“Broker non-votes” occur when a broker has not received voting instructions from the beneficial owner of the shares and either declines to exercise its discretionary voting authority or is barred from doing so because the proposal is contested. Broker non-votes cannot be voted on matters submitted to a vote without direction of the beneficial owner.

If any of your shares were held in the name of the brokerage firm, bank nominee, or other institution on the Record Date, only that institution can vote your shares and only upon receipt of your specific instructions. Accordingly, please promptly contact the person responsible for your account at such institution and instruct that person to execute and return the GREEN proxy card on your behalf. You should also promptly sign, date, and mail the voting instructions form (or GREEN proxy card) that your broker or banker sends you. Please do this for each account you maintain to ensure that all of your shares are voted. If any of your shares were held in the name of a brokerage firm, bank, bank nominee, or other institution on the Record Date, to revoke your proxy you will need to give appropriate instructions to such institution. **IF YOU DO NOT GIVE INSTRUCTIONS TO YOUR BROKER OR OTHER NOMINEE, YOUR SHARES WILL NOT BE VOTED.**

## **SOLICITATION OF PROXIES**

In connection with our solicitation of proxies for use at the Meeting, proxies may be solicited by mail, courier service, advertisement, telephone, telecopier, or other electronic means, and in person. Solicitations may be made in the manner set forth in the Proxy Statement, by certain of the officers or employees of KIM, none of whom will receive additional compensation for such solicitations. We may request banks, brokerage firms, and other custodians, nominees, and fiduciaries to forward all of the solicitation material to the beneficial owners of the shares of the Common and Preferred Stock that they hold of record.

We have retained Regan & Associates, Inc. for solicitation and advisory services in connection with the solicitation of proxies. KIM will pay a fee to be mutually agreed upon between KIM and Regan & Associates, Inc. based on the services provided.

All expenses associated with any solicitation of proxies by KIM in connection with the Meeting will be borne directly by KIM. While there is no guarantee of receipt, if successful KIM intends to seek reimbursement from Colonial and the Advisor should the proposals be approved. We estimate that the costs incidental to our solicitation of proxies, including expenditures for advertising, printing, postage, legal and related expenses, will be approximately \$\_\_\_\_\_. KIM estimates that its costs incurred to date are approximately \$\_\_\_\_\_. KIM intends to deliver a proxy statement and form of proxy to holders of at least the percentage of the Fund's voting shares required under applicable law to defeat the proposal to approve the new management agreement.

The fact that the Fund receives a shareholder proposal in a timely manner does not ensure inclusion of the proposal in the proxy materials since there are other requirements in the proxy rules relating to such inclusion.

If a shareholder who wishes to submit a proposal fails to timely notify the Fund, the persons named as proxies for the meeting will have discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting.
