PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

**ENERGY FOCUS, INC.
32000 AURORA ROAD
SOLON, OHIO 44139**

INFORMATION CONCERNING SOLICITATION AND VOTING OF PROXIES

General

The enclosed proxy is solicited on behalf of the Board of Directors of Energy Focus, Inc., a Delaware corporation (“Energy Focus” or the “Company”), for use at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held on September 30, 2008 at 1:00 P.M., local time, or at any adjournments or postponements thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the principal executive offices of Energy Focus, Inc., 32000 Aurora Road, Solon, Ohio.

This Proxy Statement and the accompanying form of proxy are first being mailed to shareholders on or about August 15, 2008. The cost of soliciting these proxies will be borne by the Company. Regular employees and directors of the Company may solicit proxies in person, by telephone, or by mail. No additional compensation will be given to employees or directors for such solicitation. The Company will request brokers and nominees who hold stock in their names to furnish proxy material to beneficial owners of the shares and will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding solicitation material to such beneficial owners.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use either by delivering to the Company, 32000 Aurora Road, Solon, Ohio, Attention: John M. Davenport, a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. If a proxy is properly signed and not revoked, the shares it represents will be voted in accordance with the instructions of the shareholder.

Record Date and Share Ownership

Only shareholders of record at the close of business on August 7, 2008 (the “Record Date”), will be entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. The Company had 14,832,130 shares of Common Stock, par value \$.0001 per share (“Common Stock”), issued and outstanding as of that date.

Voting

Each share of Common Stock held as of the Record Date entitles its holder to one vote on matters to be acted upon at the Annual Meeting, including the election of directors. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspectors of Election. Representatives of The Bank of New York will act as the Inspectors of Election. The Inspectors of Election will also determine whether or not a quorum is present. Except with respect to the election of directors and except in certain other specific circumstances, the affirmative vote of a majority of shares represented and voting at a duly held meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) is required under Delaware law for approval of proposals presented to shareholders. Withholding authority to vote on one or more nominees for election as directors will have the practical effect of voting against the election of such nominees for director, because withheld votes will be treated as votes cast under Delaware law. If shares are held in street name through a broker, bank or other nominee and beneficial owners do not provide instructions on how to vote, the broker or other nominee may have authority to vote

these shares on certain matters, including the election of directors. When a broker cannot vote on behalf of the beneficial owners pursuant to the rules of the NASDAQ Stock Exchange, the un-voted shares are commonly referred to as "broker non-votes." Broker non-votes on one or more matters are not considered votes cast for voting purposes (although broker non-votes are counted for purposes of establishing a quorum).

The shares represented by the proxies received, properly marked, dated, signed and not revoked will be voted at the Annual Meeting. Where such proxies specify a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications made. Any proxy in the enclosed form which is returned but is not marked will be voted **FOR** the election of the nine nominees for director listed in this Proxy Statement, **FOR** the ratification of the 2008 Incentive Stock Plan and as the proxy holders deem advisable on other matters that may properly come before the meeting. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter ("broker non-votes"), those shares will not be considered as voting with respect to that matter. Under Delaware law, a non-vote will have no effect on the outcome of any of the matters referred to in this Proxy Statement.

- 1 -

PROPOSAL NO. 1: ELECTION OF DIRECTORS**Nominees**

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nominees named below, regardless of whether any other names are placed in nomination by anyone other than one of the proxy holders. If the candidacy of any one or more of such nominees should, for any reason, be withdrawn, the proxy holders will vote in favor of the remainder of those nominated and for such substituted nominees, if any, as shall be designated by the Board of Directors, taking into account any recommendations of the Nominating and Corporate Governance Committee, or the number of directors to be elected at this time may be reduced by the Board of Directors. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

If a quorum is present and voting, the nominees receiving the highest number of votes will be elected as directors at the Annual Meeting to serve until the next annual meeting or until their respective successors are duly elected or appointed.

The Company's Bylaws provide that the number of directors of the Company shall be no less than five and no more than nine, with the exact number within such range to be fixed by the Board of Directors. The Board of Directors has determined each of the following directors to be an “independent director” as that term is defined by applicable listing standards of The NASDAQ Stock Market and SEC rules:

Laurence V. Goddard
Michael Kasper
Paul von Paumgarten
John B. Stuppin

It is with sincere sadness that the Company says farewell to Mr. Stuppin. Throughout his 15 years of serving on the Board, Mr. Stuppin made countless contributions to the Company. Energy Focus, Inc. sincerely appreciates Mr. Stuppin’s tremendous contributions and guidance throughout his tenure and we wish him the very best in his future endeavors.

Board Meetings and Committees; Annual Meeting Attendance

The Board of Directors held a total of twelve meetings during the fiscal year ended December 31, 2007. All directors attended at least 75% of the aggregate number of meetings of the Board of Directors and of the committees on which such directors serve. In 2007, Mr. Davenport represented the Board at the annual meeting. The Board of Directors has appointed a Compensation Committee, an Audit and Finance Committee and a Nominating and Corporate Governance Committee. The Compensation Committee of the Board of Directors, which currently consists of Messrs. Wolfson (Chairman), Kasper, and Von Paumgarten, held two meetings in 2007. The Compensation Committee’s primary functions are to discharge the responsibilities of the Board of Directors relating to compensation of the Company’s executive officers and to produce a report on executive compensation for inclusion in the Company’s annual proxy statement. Other specific duties and responsibilities of the Compensation Committee are to: review and recommend to the Board corporate goals and objectives relevant to compensation of the chief executive officer, evaluate his performance in light of such goals and objectives and set his compensation level based on this evaluation; develop and monitor compensation arrangements for executive officers of the Company, including review and approval of individual compensation; recommend to the Board guidelines for the review of the performance and establishment of compensation and benefit policies for all other employees; make recommendations regarding compensation plans and policies; administer the Company’s stock option plans and other compensation plans; and make recommendations to the Board regarding compensation of the Board of Directors.

The Audit and Finance Committee of the Board of Directors, which currently consists of Messrs. Kasper (Chairman), Goddard, and Stuppin, held four meetings in 2007. The Audit and Finance Committee’s primary functions are to assist the Board of Directors in its oversight of the integrity of the Company’s financial statements and other financial information, the Company’s compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company’s independent auditors and the performance of the Company’s internal audit function. Other specific duties and responsibilities of the Audit and Finance Committee are to: appoint, compensate, evaluate and, when appropriate, replace the Company’s independent auditors; review and pre-approve audit and permissible non-audit services; review the scope of the annual audit; monitor the independent auditors’ relationship with the Company; and meet with the independent auditors and management to discuss and review the Company’s financial statements, internal controls, and auditing, accounting and financial reporting processes.

Nominating and Corporate Governance Committee

The Company's Nominating and Corporate Governance Committee serves as the standing nominating committee of the Board of Directors, currently consisting of Messrs. von Paumgarten (Chairman), Kasper, and Wolfson. The Board has approved a charter for the Nominating and Corporate Governance Committee. *A copy of the charter is attached as Appendix A.*

The Board of Directors sets the size of the Board and nominates directors for election at each annual meeting of shareholders and elects new directors to fill vacancies when they arise. The Nominating and Corporate Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election. The Board of Directors has as an objective that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The Nominating and Corporate Governance Committee will select candidates for director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all shareholders. The Nominating and Corporate Governance Committee believes that nominees for director should have experience, such as experience in management or accounting and finance, or industry and technology knowledge, that may be useful to the Company and the Board, high personal and professional ethics, and the willingness and ability to devote sufficient time to effectively carry out his or her duties as a director. The Nominating and Corporate Governance Committee believes it appropriate for at least one, and, preferably, multiple, members of the Board to meet the criteria for an "audit committee financial expert" as defined by SEC rules, and for a majority of the members of the Board to meet the definition of "independent director" under the rules of The NASDAQ Stock Market. The Nominating and Corporate Governance Committee also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

Prior to each annual meeting of shareholders, the Nominating and Corporate Governance Committee identifies nominees first by evaluating the current directors whose term will expire at the annual meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a director, and the needs of the Board with respect to the particular talents and experience of its directors. In the event that a director does not wish to continue in service, the Nominating and Corporate Governance Committee determines not to re-nominate the Director, or a vacancy is created on the Board as a result of a resignation, an increase in the size of the board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board members, by any executive search firm engaged by the Committee and by shareholders. A shareholder who wishes to suggest a prospective nominee for the Board should notify the Secretary of the Company or any member of the Committee in writing, with any supporting material the shareholder considers appropriate, at the following address: Energy Focus, Inc., 32000 Aurora Road, Solon, Ohio 44139.

Audit Committee

The Company's Audit and Finance Committee acts as the standing audit committee of the Board of Directors, and currently consists of Messrs. Kasper (Chairman), Goddard, and Stuppin. The Board of Directors has determined that Messrs. Goddard and Stuppin each is an "audit committee financial expert," as defined by SEC rules, and that each Committee member is an Independent Director. The Board has approved a charter for the Audit and Finance Committee. *A copy of the charter is attached as Appendix B.*

Compensation Committee

The Company has a standing Compensation Committee of the Board of Directors, currently consisting of Messrs. Wolfson (Chairman), Kasper, and Von Paumgarten. The Board has approved a charter for the Compensation Committee. *A copy of the charter is attached as Appendix C.*

The Compensation Committee reviews and recommends to the Board corporate goals and objectives relevant to compensation of the chief executive officer, evaluates his performance in light of such goals and objectives and sets his compensation level based on this evaluation; develops and monitors compensation arrangements for executive officers of the Company, including review and approval of individual compensation; recommends to the Board guidelines for the review of the performance and establishment of compensation and benefit policies for all other employees; makes recommendations regarding compensation plans and policies; administers the Company's stock option plans and other compensation plans; and makes recommendations to the Board regarding compensation of the Board of Directors. The authority of the Compensation Committee may be delegated to a subcommittee of the Compensation Committee, consisting of one or more Directors. The Chief Executive Officer may provide recommendations regarding compensation of other executive officers. The Compensation Committee is empowered to retain consultants for advice on compensation matters. The Compensation Committee did not retain any such consultants during the year 2007.

No director currently serving on the Compensation Committee is or has been an officer or employee of the Company or any of the Company's subsidiaries. No interlocking relationships exist between our Board of Directors or Compensation Committee and the board of directors or compensation committee of any other entity, nor has any interlocking relationship existed in the past.

Required Vote

The eight nominees receiving the highest number of votes at the Annual Meeting will be elected as directors of the Company.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** EACH OF THE NOMINEES LISTED ABOVE.

REPORT OF THE AUDIT AND FINANCE COMMITTEE

The Audit and Finance Committee oversees the Company's financial reporting process on behalf of the Board of Directors and is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. It is not the duty of the Audit and Finance Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible in their report for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

The Audit and Finance Committee reviewed and has discussed the audited financial statements contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2007 with the Company's management and its independent auditors. The Audit and Finance Committee met privately with the independent auditors and discussed issues deemed significant by the auditors, including those required by the Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), as amended. In addition, the Audit and Finance Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions with the Audit Committee) and discussed with the independent auditors their independence from the Company.

Based upon the reviews and discussions outlined above, the Audit and Finance Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2007, for filing with the Securities and Exchange Commission.

The foregoing report has been furnished by the Audit and Finance Committee of the Board of Directors of Energy Focus, Inc.

In addition, shares issuable pursuant to options and warrants which may be exercised within 60 days of June 30, 2008 are deemed to be issued and outstanding and have been treated as outstanding in calculating the percentage ownership of those individuals possessing such interest, but not for any other individuals. Thus, the number of shares considered to be outstanding for the purposes of this table may vary depending on the individuals' particular circumstances.

(3) Diker GP, LLC has filed with the Securities and Exchange Commission a Schedule 13G dated February 6, 2008, which reports the beneficial ownership in the aggregate of 1,127,780 shares. As reported in that Schedule, Diker GP, LLC and its affiliated entities have shared voting power for 1,127,780 shares and shared dispositive power for

1,127,780 shares.

(4) The Quercus Trust has filed with the Securities and Exchange Commission a Schedule 13D dated March 21, 2008, which reports the beneficial ownership in the aggregate of 4,245,541 shares. As reported in that Schedule, The Quercus Trust and its affiliated entities have shared voting power for 4,245,541 shares and shared dispositive power for 4,245,541 shares. The Quercus Trust is one of the 19 investors that participated in our March 14, 2008 private placement of shares of common stock and common share warrants. The terms of the warrant issued to each investor in that private placement, including The Quercus Trust, provide that the number of shares that may be acquired by any investor upon exercise of a warrant is limited to the extent necessary to ensure that, following the exercise, the total number of shares of common stock owned by the investor and persons who are beneficial owners through the investor do not exceed 19.99 % of the total number of our outstanding shares. Because of the 19.99% limit in the Trust's warrant, the table lists that percentage ownership for the Trust. Prior to that private placement, we amended our Rights Agreement dated October 25, 2006, with Mellon Shareowner Services, LLC, as Rights Agent, to allow The Quercus Trust, and persons who are beneficial owners through the Trust, to own up to 20% of our common stock without triggering the rights under the Rights Agreement. The general limit in the Agreement is 15%.

(5) Stiassni Capital Partners, L.P. has filed with the Securities and Exchange Commission a Schedule 13G dated April 7, 2008, which reports the beneficial ownership in the aggregate of 770,700 shares. (6) Welch & Forbes LLC has filed with the Securities and Exchange Commission a Form 13F Holdings Report dated January 10, 2008, which reports the beneficial ownership in the aggregate of 931,659 shares. EXECUTIVE COMPENSATION AND OTHER MATTERS

Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors has the responsibility for administering our executive compensation program. The Committee reviews and, as appropriate, makes recommendations to the full Board regarding the base salaries and annual cash bonuses for executive officers, and administers our 1994 Stock Option Plan and our 2004 Incentive Stock Plan, including the grant of stock options. Where appropriate, we have also entered into employment agreements with certain executive officers.

Compensation Philosophy and Objectives. Our principal executive compensation policy, which is endorsed by the Committee, is to provide a compensation program that will attract, motivate and retain persons of high quality and will support a long-standing internal culture of loyalty and dedication to the interests of the Company and our shareholders. In administering the executive compensation program, the Committee is mindful of the following principles and guidelines, which are supported by the full Board:

- Base salaries for executive officers should be competitive.
- A sufficient portion of annual compensation should be at risk in order to align the interests of executives with those of our shareholders.
- The variable part of annual compensation should reflect both individual and corporate performance.
- As a person's level of responsibility increases, a greater portion of total compensation should be at risk and include more stock-based compensation to provide executives long-term incentives and help to align further the interests of executives and shareholders in the enhancement of shareholder value.

Our executive officers' compensation currently has three primary components: base salary, annual cash bonuses and stock-based awards granted pursuant to our 2004 plan. In addition, executive officers receive certain benefits that are specifically provided for in their employment agreements or are generally available to all salaried employees. We do not have any defined benefit pension plans, nonqualified deferred compensation arrangements or supplemental retirement plans for our executive officers.

For each executive officer, the Committee determines the appropriate level for each compensation component based in part, but not exclusively, on its view of competitive market factors, internal equity and consistency, and other considerations deemed relevant, such as rewarding extraordinary performance. Our Chief Executive Officer provides the Committee with recommendations for executive officers other than himself, which the Committee reviews and approves as submitted or with revisions, if any. The Committee has not adopted any formal or informal policies or guidelines for allocating compensation between long-term and currently paid compensation, between cash and non-cash compensation, or among different forms of non-cash compensation, and has not sought to formally benchmark our compensation against that of our peers.

In 2007, Mr. Buelow received a salary increase of 31%, Mr. Hilliard an increase of 13%, and Messrs. Davenport and Berchtold did not receive an increase. In determining these increases, the primary factors considered were the performance of the Company, increases in the cost-of-living, the officers' individual performances, changes in their duties and responsibilities, and period of time since their last review.

Base Salary. Base salaries for executive officers are based on a review of salaries for similar positions requiring similar qualifications in similar industries. In determining executive officer salaries, the Compensation Committee has approved the use by management of information from salary surveys.

The Committee determines levels of the executive officers' base salaries so as to be competitive with amounts paid to executives performing similar functions in comparable-size, non-durable manufacturing companies. The amount of each executive's annual increase in base salary, if any, is based on a number of largely subjective factors, including changes in the individual's duties and responsibilities, the personal performance of such executive officer, the performance of the Company, cost-of-living increases, and such other factors as the Committee deems appropriate, including the individual's overall mix between fixed and variable compensation and between cash and stock-based compensation.

The Chief Executive Officer annually assesses the performance of all other executive officers and recommends salary increases to the Compensation Committee based on a number of factors such as performance evaluations, comparative data and other relevant factors. The Compensation Committee then reviews the Chief Executive Officer's recommendations, considers the performance and condition of the Company, and approves the increases for any other officer of the company.

Bonus Incentive Plan. The Compensation Committee administers an incentive plan to provide additional compensation to executives who meet established performance goals. In consultation with the Chief Executive Officer, the Compensation Committee annually determines the total amount of cash bonuses available for executive officers and certain other management employees. The target bonuses for executive officers are set by the Compensation Committee. Awards are weighted so that higher awards are received when the Company's performance reaches maximum targets, smaller awards are received when the Company's performance reaches minimum targets and no awards are made when the Company does not meet minimum performance targets. After the total eligible bonus pool is determined, annual incentives are paid to executive officers based on their individual performance as determined by the Chief Executive Officer.

For fiscal 2007, awards under this bonus plan were contingent upon the Company's attainment of operating profit targets set by the Compensation Committee in consultation with the Chief Executive Officer. The Company's performance in 2007 was not on target and no bonuses were paid under this bonus incentive plan. Consistent with the Company's objective of aligning compensation with performance, the Compensation Committee anticipates that future bonus payments will continue to be based on specific targets and performance.

Discretionary Bonuses. In addition to bonuses under the incentive plan, each of our executive officers is eligible to receive annual cash bonuses based on determinations made by the Committee in its discretion. Except in the case of Mr. Davenport, the Company has not historically adopted a formal or informal annual bonus plan with preset criteria and targets. Rather, the determination to pay a cash bonus, if any, is made after the year-end based on the Committee's subjective judgment with respect to the past performance of the individual or on the individual's attainment of quantified performance goals during the year. The bonus may be based on the specific accomplishments of the individual or on the overall success of the Company, or both. The only discretionary cash bonus for individual performance and accomplishments awarded to an executive officer during 2007 was awarded to Mr. Buelow for 2006, paid in 2007.

However, for 2008, the Committee has adopted a plan pursuant to which target bonuses of 20% of base salary for executive officers, other than Mr. Davenport, will be based on combination of set criteria for the Company, as well as individual goals. No bonuses will be payable under the plan unless the Company's goal of positive cash flow, as determined by the Committee, is achieved. If this goal is achieved, each participant will receive a portion of their targeted bonus. The remainder of their respective targets will be awarded based upon personal performance against expectations.

In the case of Mr. Davenport, his employment agreement provides for an objective annual cash bonus based on our planned profit and EFO revenue growth. Mr. Davenport's bonus for 2008 will be determined in the same manner as the other executive officers, with a target bonus of 50% of base salary.

Stock Options. The Compensation Committee believes that employee equity ownership provides significant motivation to executive officers to maximize value for the Company's shareholders and, therefore, periodically grants stock options under the Company's 2004 Stock Incentive Plan at the then current market price. The Compensation Committee administers the Company's 1994 Stock Option Plan and 2004 Stock Incentive Plan. Stock options will only have value if the Company's stock price increases over the exercise price.

The Compensation Committee grants options to executive officers after consideration of recommendations from the Chief Executive Officer. Recommendations for options are based upon the relative position, responsibilities, and previous and expected contributions of each officer, previous option grants to such officers and customary levels of option grants for the respective position in other comparable companies. Options generally vest over a four-year period at a rate of 25% per year.

In 2001, executive officers were granted options under a Time Accelerated Restricted Stock Award Plan (“TARSAP”) within the 1994 Stock Option Plan with a seven year vesting period. The vesting of these options could have been accelerated upon achievement of the Company and individual objectives during the fiscal year 2007. As a result of not achieving these objectives in 2007, the TARSAP options have not qualified for accelerated vesting, but roll forward to a future year whereupon the vesting may be accelerated if the objectives for that future year are met.

The Committee also administers our 2004 Incentive Stock Plan to provide stock-based incentives to our key employees, including executive officers. Grants of stock options are based on each individual’s position within the Company, level of responsibility, past performance, and expectation of future performance. In determining the number of stock-based awards to be granted to each executive officer, the Committee also considers the number of stock-based awards made in prior years to the executive officer. The Committee also may grant stock options in connection with promotions and new hires.

Under his employment agreement, certain grants of stock-based awards to Mr. Davenport are to be made on or soon after the date that earnings for the preceding calendar year are released. In 2007, Mr. Davenport was entitled to a stock option bonus of 50,000 shares if EFO revenues at least doubled and a bonus of 100,000 shares if EFO revenues tripled. Pursuant to this agreement, Mr. Davenport was awarded an option to purchase 50,000 shares in April 2007. On May 6, 2008 the Board granted 100,000 shares to Mr. Davenport under the 2004 Incentive Stock Plan.

Our stock-based compensation policies have been impacted by the implementation of SFAS 123(R). Generally, SFAS 123(R) requires all stock-based payments to employees, including grants of employee stock options, to be expensed based on their fair values over the vesting period.

Section 162(m). Section 162(m) of the Internal Revenue Code and related Treasury Department regulations limits the Company's ability to deduct certain compensation in excess of \$1,000,000 paid to the Company's chief executive officer and each of the four other most highly compensated executive officers. The Company's 1994 Stock Option Plan and 2004 Stock Incentive Plan are structured to permit awards under the plan to qualify as performance-based compensation and to maximize the tax deductibility of the awards so long as the options are granted by a committee whose members are non-employee directors. The Company expects that the Compensation Committee will be comprised of non-employee directors, and that, to the extent the Compensation Committee is not so constituted for any period of time, the options granted during such period will not be likely to result in compensation exceeding \$1,000,000 in any year. The Compensation Committee does not believe that other components of the Company's compensation will be likely to exceed \$1,000,000 for any executive officer in the foreseeable future and therefore has concluded that no further action with respect to qualifying such compensation for deductibility is necessary at this time. In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for deductibility of such compensation. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws as practicable.

Stock Options. The stock options that we granted to our Named Executive Officers in 2007 were granted under our 2004 Incentive Stock Plan. The options vest over four years at the rate of 25% of the shares covered by the option on each anniversary of the grant date. Stock options are not transferable other than by will or the laws of descent and distribution.

Employment Agreements

On July 1, 2005, we entered into an employment agreement with Mr. Davenport. Under the agreement, Mr. Davenport receives a base salary of \$250,000 per year. He is eligible to receive a minimum bonus of 25% of his base salary if the Company achieves the operating income plan established for each year; or up to a maximum bonus of 50% of his base salary if the Company exceeds the operating income plan. Each year the operating income plan is negotiated between Mr. Davenport and the Board of Directors. Under the agreement, on July 1, 2005, Mr. Davenport received an option to purchase 200,000 shares of our common stock at an exercise price equal to the closing price of the Registrant's common stock on the date of grant, which vests over four years at the rate of 25% of the shares on each anniversary of the grant date. Mr. Davenport is eligible to receive additional options to purchase from 50,000 shares up to 100,000 shares of our common stock and are made on or soon after the date the earnings for the preceding calendar year are released. Pursuant to this agreement, Mr. Davenport was awarded options to purchase 50,000 shares in April 2007.

On September 13, 2005, we entered into a Management Continuity Agreement with Roger Buelow. Under the agreement, he is entitled to receive severance payments in the event his employment with us is terminated without cause, or if he terminates his employment following a material reduction in his responsibilities inconsistent with his position and past responsibilities under certain other conditions, including following a change in control as defined in the agreement. In the event Mr. Buelow will receive severance payments for a period of months equal to the total number of years he was employed with the Company. The amount of his monthly severance payment will equal the total monthly salary he was receiving immediately prior to the termination of his employment plus the average commission or other contingent compensation received during the preceding twelve months, excluding equity compensation.

Potential Payments Upon Termination or Change of Control

Regardless of the manner in which one of our Named Executive Officer's employment terminates, including death, disability or termination for cause, the Officer is entitled to receive amounts earned during his term of employment. Such amounts include:

- salary through the date of termination;
- stock-based compensation which has vested; and
- unused vacation pay.

The following table summarizes the estimated severance payments to be made under Mr. Davenport's employment agreement and Mr. Buelow's Management Continuity Agreement at, following, or in connection with a termination of employment due to voluntary resignation, involuntary termination not for cause, death or disability or change in control:

Employee	Voluntary Termination without Change in Control (\$)	Involuntary Termination without Change in Control (\$)	Death or Disability (\$)	Termination with Change in Control (\$)

Accelerated Vesting of Stock-Based Awards (2)	—	—	—	64,621
Roger Buelow				
Severance(1)	—	116,667	—	116,667

(1) The estimated severance payments are based on base salaries at December 31, 2007.

(2) The estimated value of accelerated vesting of stock-based awards is based on the non-vested options held by Mr. Davenport on December 31, 2007 and the closing per share market price of our common stock on that date.

DIRECTOR COMPENSATION

We use a combination of cash and stock-based awards to attract and retain qualified candidates to serve on our Board. In setting director compensation, we consider the significant amount of time that our directors expend in fulfilling their duties, as well as the skill level required by us.

The following table sets forth the annual cash compensation for directors who are not also employees:

Annual Retainer	\$ 12,000
Additional Annual Retainers:	
Board Chairman	\$ 28,000
Governance Committee Chairman	\$ 8,000
Audit Committee Chairman	\$ 8,000
Compensation Committee Chairman	\$ 3,000

Under the terms of the Company's 2004 Stock Incentive Plan, each newly appointed non-employee director receives an option to purchase 10,000 shares of Common Stock at an exercise price of 100% of the fair market value of the stock on the date of grant, which option vests in twelve equal monthly installments following the date of grant. In addition, following each annual meeting of the Company's shareholders, each non-employee director who will continue to serve as a member of the Board of Directors automatically receives an option to purchase 7,000 shares of Common Stock at an exercise price of 100% of the fair market value of the stock on the date of grant, which option vests in twelve equal monthly installments following the date of grant. The Chairman of the Board, the Chairman of the Audit Committee, and the Chairman of the Governance Committee are to receive an additional option to purchase 3,000 shares under the same terms.

The following table summarizes the compensation paid to non-employee directors during 2007:

The method and assumptions used to determine the amount of expense recognized for options is set forth in Note 9 to our Consolidated Financial Statements in our 2007 Annual Report on Form 10-K. In 2007, each non-employee director received the following number of shares under our 2004 Incentive Stock Plan: Mr. Stuppin, 10,000; Mr. Casentini, 10,000; Mr. Kasper, 10,000; Mr. Wolfson, 7,000, and Mr. von Paumgarten, 7,000.

CERTAIN TRANSACTIONS

The Company entered into a consulting agreement with Jeffrey H. Brite, then member of its Board of Directors, effective November 1, 2004. This agreement ended upon the effective date of Mr. Brite's resignation as a member of the Board of Directors effective March 7, 2007. As a consultant under this agreement, Mr. Brite assisted the Company's President and Vice President of Sales in identifying, contacting and making introductions to key building project personnel in a position to facilitate the purchase of the Company's products. No expenses were recorded during the three months ended March 31, 2008, nor were any payments made to Mr. Brite. Payments in 2007 to Mr. Brite totaled \$13,690.

In return, the Company compensated Gensler with a one-time cash payment in 2005 of \$60,750 for services delivered in advance of the completion of the negotiation of the consulting agreement, \$50,000 annual cash payments in quarterly installments of \$12,500 in arrears for each of the calendar years 2005, 2006 and part of 2007, and a one-time option award to acquire up to 75,000 shares of the Company's common stock at a per share exercise price of \$6.57. The Company paid Gensler \$37,500 in 2007.

common stock. This agreement was terminated on June 30, 2007. Mr. Ruckert was paid \$76,000 during 2007 under this agreement.

On October 19, 2007, the Company entered into a management agreement with Barry R. Greenwald, and named him the General Manager of its Pool and Spa Division, a non-officer position. Under this agreement, the Company must pay Mr. Greenwald nonrefundable amounts totaling \$308,996 of additional compensation, of which \$77,249 was paid on November 1, 2007. Upon Mr. Greenwald's termination on January 17, 2008, the Company incurred an expense of \$231,746, of which \$77,249 was paid on March 14, 2008. The balance of \$154,498 will be paid in 36 monthly installments commencing on January 1, 2009, subject to certain conditions being met by Mr. Greenwald. In the event those conditions are not met by Mr. Greenwald, the remaining payments due Mr. Greenwald will be forfeited.

On September 14, 2007 the Company entered into a consulting agreement with Joseph G. Kaveski, our present Chief Executive Officer, for assistance with developing and helping implement strategy and strategic initiatives. From September 2007 through March 2008, the Company paid him \$14,000 per month in consulting fees. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers, directors, and persons who own more than 10% of a registered class of the Company's equity securities to file certain reports regarding ownership of, and transactions in, the Company's securities with the Securities and Exchange Commission (the "SEC"). Such officers, directors and 10% stockholders are also required by SEC rules to furnish the Company with copies of all those reports that they file.

Based solely on its review of such reports filed with the SEC and written representations from the reporting persons, the Company believes that all filing requirements applicable to the Company's executive officers, directors and more than 10% stockholders were complied with for 2007.

PROPOSAL 2: APPROVAL OF THE 2008 INCENTIVE STOCK PLAN

General

In view of the expiration of the 2004 Incentive Stock Plan (the "2004 Plan") in the foreseeable future because no more shares will be available for grant under it, the Board of Directors adopted the 2008 Incentive Stock Plan (the "2008 Plan") on May 6, 2008, subject to shareholder approval. If shareholders approve the 2008 Plan, no further awards will be granted under the 2004 Plan. The 2008 Plan became effective on May 6, 2008, subject to shareholder approval.

The purpose of the 2008 Plan is to enable the Company to attract and retain top quality employees, officers, directors and consultants and to provide employees, officers, directors and consultants with an incentive to enhance shareholder returns. The Board of Directors believes that the granting of equity compensation awards is necessary to attract the highest quality personnel as well as to reward and thereby retain existing key personnel. Moreover, the attraction and retention of such personnel is essential to the Company's continued progress, which ultimately is in the interests of its shareholders. Finally, the Board of Directors believes that stock options and other equity based incentives are an important part of the compensation package the Company offers to its employees and directors.

Set forth below is a summary of the 2008 Plan, which is qualified in its entirety by the specific language of the 2008 Plan. A copy of the 2008 Plan presented for shareholder approval is included at the end of this Proxy Statement as Appendix D. Shareholders are urged to read the complete text of the 2008 Plan.

Brief Description of the 2008 Plan

The 2008 Plan provides for the grant of stock options, restricted share awards, and stock appreciation rights to directors, officers, employees and consultants of the Company and its subsidiaries. The 2008 Plan may be administered by the Board of Directors or a committee of the Board of Directors (in either case, referred to in this Proposal as the "Committee"), which has complete discretion to select the participants and to establish the terms and conditions of each option award, subject to the provisions of the 2008 Plan. Options granted under the 2008 Plan may be "incentive stock options" as defined in Section 422A of the Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified options.

Shares Subject to the 2008 Plan

A total of 1,000,000 shares of Common Stock have been reserved for issuance under the 2008 Plan. If any option granted under the 2008 Plan expires or terminates for any reason without having been exercised in full, then the unpurchased shares subject to that option will once again be available for additional awards. If the 2008 Plan is approved, no additional option grants will be made under the 2004 Plan. Options outstanding under the 2004 Plan will remain outstanding until exercised or until they terminate or expire by their terms. If any outstanding option under the

2004 Plan expires or terminates for any reason without having been exercised in full, then the unpurchased shares subject to that option will be available for additional awards under the 2008 Plan.

Administration

The 2008 Plan will be administered by the Compensation Committee. Subject to the provisions of the 2008 Plan, the Committee may determine the persons to whom options are to be granted, the number of shares to be covered by each option, whether an option is to be an incentive stock option or a non-statutory stock option, the timing, terms of exercisability, and vesting of each option, including the effect thereon of an optionee's termination of service, the exercise price of and the type of consideration to be paid to the Company upon the exercise of each option, the duration of each option, and all other terms and conditions of the options. The Committee may interpret the 2008 Plan and options granted thereunder, and all determinations of the Committee may be final and binding on all persons having an interest in the 2008 Plan or any option. The Committee may re-price options with the consent of the optionees.

- 16 -

Eligibility

Options may only be granted under the 2008 Plan to employees, directors, and consultants of the Company, or a parent or a subsidiary of the Company. As of December 31, 2007, the Company had 102 full-time employees, including five executive officers. While any person eligible under the 2008 Plan may be granted a non-statutory option, only employees may be granted incentive stock options

Non-Employee Director Options

The 2008 Plan provides for the annual automatic grant of an additional option to purchase 7,000 shares of Common Stock on the first business day following each regular annual shareholders meeting to each non-employee director who will continue serving on the Board of Directors, provided that he or she has served as a director for at least three months. These options become exercisable in 12 equal monthly installments. In addition to the option to purchase 7,000 shares of Common Stock, the Chairman of the Board, the Chairperson of Audit and Finance Committee, and the Chairperson of the Nominating and Governance Committee of the Board of Directors will receive an additional option to purchase 3,000 shares of Common Stock on the first business day following each regular annual shareholders meeting, provided that he or she has served as a director for at least three months. These options also become exercisable in 12 equal monthly installments.

Restricted Share Awards

The terms of any restricted share award under the 2008 Plan will be set forth in a restricted share agreement to be entered into between Energy Focus and each grantee. The Committee will determine the terms and conditions of any restricted share agreements, which need not be identical. Shares may be awarded under the 2008 Plan in consideration of services rendered prior to the award, without a cash payment by the grantee.

Terms and Conditions of Options

Options granted under the 2008 Plan may not be exercised more than 10 years after the date of grant. Shares subject to cancelled or terminated options will be reserved for subsequently granted options. The number of options outstanding and the exercise price thereof will be subject to adjustment in the case of certain transactions such as mergers, recapitalizations, stock splits or stock dividends. The 2008 Plan will be effective for 10 years, unless sooner terminated or suspended.

Each option granted under the 2008 Plan will be evidenced by a written agreement between the Company and the optionee specifying the number of shares subject to the option and the other terms and conditions of the option, consistent with the requirements of the Plan. The exercise price of each option granted under the 2008 Plan must equal at least the fair market value of a share of common stock on the date of grant. For as long as the shares are listed for trading on the NASDAQ Stock Market the fair market value of a share on the date of grant shall be the closing Market price on that date.

Options granted under the 2008 Plan will become exercisable at such times and in such installments as the Committee shall provide in the terms of each individual stock option grant and agreement. The Committee must also provide in the terms of each stock option grant and agreement when the option expires and becomes un-exercisable, and may also provide the option expires immediately upon termination of employment for any reason. Unless otherwise provided in the applicable stock option grant and agreement, upon termination of employment of an optionee, all options that were then exercisable terminate three months following termination of employment, or one year in the case of termination by reason of death or disability. Any options which were not exercisable on the date of such termination immediately terminate upon termination of employment.

Amendments to the 2008 Plan

The Committee may at any time amend, alter, suspend or terminate the 2008 Plan. No amendment, alteration, suspension or termination of the Plan will impair the rights of any optionee, unless mutually agreed otherwise between the optionee and the Committee, which agreement must be in writing and signed by the Company and the optionee. Termination of the 2008 Plan will not affect the Committee's ability to exercise the powers granted to it under the 2008 Plan with respect to options granted under the 2008 Plan prior to the date of such termination.

Certain Federal Income Tax Consequences

Incentive stock options granted under the 2008 Plan will be afforded favorable federal income tax treatment under the Code. If an option is treated as an incentive stock option, the optionee will recognize no income upon grant or exercise of the option unless the alternative minimum tax rules apply. Upon an optionee's sale of the shares (assuming that the sale occurs more than two years after grant of the option and more than one year after exercise of the option), any gain will be taxed to the optionee as long-term capital gain. If the optionee disposes of the shares prior to the expiration of either of the above holding periods, then the optionee will recognize ordinary income in an amount generally measured as the difference between the exercise price and the lower of the fair market value of the shares at the exercise date or the sale price of the shares. Any gain recognized on such a premature sale of the shares in excess of the amount treated as ordinary income will be characterized as capital gain.

All other options granted under the 2008 Plan will be non-statutory stock options and will not qualify for any special tax benefits to the optionee. An optionee will not recognize any taxable income at the time he or she is granted a non-statutory stock option. However, upon exercise of the non-statutory stock option, the optionee will recognize ordinary income for federal income tax purposes in an amount generally measured as the excess of the then fair market value of each share over its exercise price. Upon an optionee's resale of such shares, any difference between the sale price and the fair market value of such shares on the date of exercise will be treated as capital gain or loss and will generally qualify for long term capital gain or loss treatment if the shares have been held for more than one year. The Code provides for reduced tax rates for long term capital gains based on the taxpayer's income and the length of the taxpayer's holding period.

The recipient of a restricted share award will generally recognize ordinary compensation income when such shares are no longer subject to a substantial risk of forfeiture, based on the excess of the value of the shares at that time over the price, if any, paid for such shares. However, if the recipient makes a timely election under the Code to be subject to tax upon the receipt of the shares, the recipient will recognize ordinary compensation income at that time equal to the fair market value of the shares over the price paid, if any, and no further ordinary compensation income will be recognized when the shares vest.

In the case of an exercise of a stock appreciation right or an award of stock units, the recipient will generally recognize ordinary income in an amount equal to any cash received and the fair market value of any shares received on the date of payment or delivery. The Company is generally entitled to a deduction for federal income tax purposes equal to the amount of ordinary compensation income recognized by the recipient of an award at the time such income is recognized.

The foregoing does not purport to be a complete summary of the federal income tax considerations that may be relevant to holders of options or restricted shares. It also does not reflect provisions of the income tax laws of any municipality, state or foreign country in which an optionee may reside, nor does it reflect the tax consequences of an optionee's death.

CHARTER OF THE ENERGY FOCUS, INC. AUDIT AND FINANCE COMMITTEE

PURPOSE

The purpose of the Audit and Finance Committee (the “Committee”) of the Board of Directors of the Corporation is to:

1. assist Board oversight of (a) the integrity of the Corporation’s financial statements, (b) the Corporation’s compliance with legal and regulatory requirements, (c) the independent auditor’s qualifications and independence, and (d) the performance of the Corporation’s internal audit function and independent auditors;
2. be directly responsible, in its capacity as a committee of the Board of Directors, for the appointment, compensation, and oversight of the work of any public accounting firm employed by the Corporation for the purpose of preparing or issuing an audit report or related work;
3. prepare the report that Securities and Exchange Commission (SEC) rules require be included in the Corporation’s annual proxy statement; and
4. perform such other duties and responsibilities enumerated in and consistent with this Charter.

The Committee’s function is one of oversight, recognizing that the Corporation’s management is responsible for preparing the Corporation’s financial statements, and the independent auditor is responsible for auditing those statements. In adopting this Charter, the Board of Directors acknowledges that the Committee members are not employees of the Corporation and are not providing any expert or special assurance as to the Corporation’s financial statements or any professional certification as to the external auditor’s work or auditing standards. Each member of the Committee shall be entitled to rely on the integrity of those persons and organizations within and outside the Corporation that provide information to the Committee and the accuracy and completeness of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary.

MEMBERSHIP AND PROCEDURES

Membership and Appointment

The Committee shall comprise not fewer than three members of the Board of Directors, as shall be appointed from time to time by the Board of Directors based on recommendations from the Nominating and Governance Committee Chairperson.

A chairperson of the Committee (the “Chairperson”) may be designated by the Board of Directors. In the absence of such designation, the members of the Committee may designate the Chairperson by majority vote of the full Committee membership. The Chairperson shall determine the agenda, the frequency and the length of meetings and shall have unlimited access to management, employees and information.

Independence and Qualifications

Each member of the Committee shall also meet

any additional independence or experience requirements as may be established from time to time by the Nasdaq and SEC.

Any such subcommittee to the extent provided in the resolutions of the Committee, and to the extent not limited by applicable law or listing standard, shall have the power and authority of the Committee to grant pre-approvals of auditing and non-audit services by the independent auditor. the independent auditor's internal quality-control procedures;

any material issues raised by the most recent internal quality control review or peer review of the independent auditor's firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditor's firm, and the steps taken to deal with those issues; and

all relationships between the independent auditor and the Corporation, in order to assess the auditor's independence.
5. The Committee shall review the report by the independent auditor, which is required by Section 10A of the Securities Exchange Act of 1934, concerning all critical accounting policies and practices to be used;

alternative treatments of financial information within GAAP that have been discussed with management officials, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and

any other material written communications between the independent auditor and the Corporation's management.
6. The Committee shall discuss the annual audited financial statements and quarterly financial statements with management, the internal auditor and the independent auditor, including the Corporation's disclosures under the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Corporation's reports filed with the SEC.

8. Based on its review and discussions with management, the internal auditors and the independent auditor, the Committee shall recommend to the Board of Directors whether the Corporation's financial statements should be included in the Corporation's Annual Report on Form 10-K (or the annual report to stockholders if distributed prior to the filing of the Form 10-K).

(d) *Attribution Rules.* For purposes of Section 4(c) above, in determining stock ownership, an Employee shall be deemed to own the stock owned, directly or indirectly, by or for such Employee's brothers, sisters, spouse, ancestors and lineal descendants. If SARs are exercised, then only the number of Shares (if any) actually issued in settlement of such SARs shall reduce the number available in Section 5(a) and the balance shall again become available for Awards under the Plan.

SECTION 6. RESTRICTED SHARES.

(a) *Restricted Stock Agreement.* Each grant of Restricted Shares under the Plan shall be evidenced by a Restricted Stock Agreement between the recipient and the Company. Such Restricted Shares shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Restricted Stock Agreements entered into under the Plan need not be identical.

(b) *Payment for Awards.* Subject to the following sentence, Restricted Shares may be sold or awarded under the Plan for such consideration as the Committee may determine, including (without limitation) cash, cash equivalents, full-recourse promissory notes, past services and future services. To the extent that an Award consists of newly issued Restricted Shares, the Award recipient shall furnish consideration with a value not less than the par value of such Restricted Shares in the form of cash, cash equivalents, or past services rendered to the Company (or a Parent or Subsidiary), as the Committee may determine.

(c) *Vesting.* Each Award of Restricted Shares may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Restricted Stock Agreement. The Committee may determine, at the time of granting Restricted Shares of thereafter, that all or part of such Restricted Shares shall become vested in the event that a Change in Control occurs with respect to the Company.

(d) *Voting and Dividend Rights.* The holders of Restricted Shares awarded under the Plan shall have the same voting, dividend and other rights as the Company's other stockholders. A Restricted Stock Agreement, however, may require that the holders of Restricted Shares invest any cash dividends received in additional Restricted Shares. Such additional Restricted Shares shall be subject to the same conditions and restrictions as the Award with respect to which the dividends were paid.

(e) Restrictions on Transfer of Shares. Restricted Shares shall be subject to such rights of repurchase, rights of first refusal or other restrictions as the Committee may determine. Such restrictions shall be set forth in the applicable Restricted Stock Agreement and shall apply in addition to any general restrictions that may apply to all holders of Shares.

SECTION 7. TERMS AND CONDITIONS OF OPTIONS.

(a) Stock Option Agreement. Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Company. Such Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Committee deems appropriate for inclusion in a Stock Option Agreement. The Stock Option Agreement shall specify whether the Option is an ISO or an NSO. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical. Options may be granted in consideration of a reduction in the Optionee's other compensation.

(b) Number of Shares. Each Stock Option Agreement shall specify the number of Shares that are subject to the Option and shall provide for the adjustment of such number in accordance with Section 11.

(c) *Exercise Price.* Each Stock Option Agreement shall specify the Exercise Price. The Exercise Price of an ISO and of an NSO shall not be less than 100% of the Fair Market Value of a Share on the date of grant, except as otherwise provided in Section 4(c). The Exercise Price shall be payable in one of the forms described in Section 8.

(d) *Withholding Taxes.* As a condition to the exercise of an Option, the Optionee shall make such arrangements as the Committee may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such exercise. The Optionee shall also make such arrangements as the Committee may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with the disposition of Shares acquired by exercising an Option.

(e) *Exercisability and Term.* Each Stock Option Agreement shall specify the date when all or any installment of the Option is to become exercisable. The Stock Option Agreement shall also specify the term of the Option; provided that the term of an ISO shall in no event exceed 10 years from the date of grant (five years for Employees described in Section 4(c)). A Stock Option Agreement may provide for accelerated exercisability in the event of the Optionee's death, disability, or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's Service. Options may be awarded in combination with SARs, and such an Award may provide that the Options will not be exercisable unless the related SARs are forfeited. Subject to the foregoing in this Section 7(e), the Committee at its sole discretion shall determine when all or any installment of an Option is to become exercisable and when an Option is to expire.

(f) *Exercise of Options Upon Termination of Service.* The Optionee may exercise his or her Option during the three (3) month period following termination of the Optionee's Service with the Company and its Subsidiaries (or such other period of time, not to exceed 12 months, as determined by the Committee at the time of granting the Option or thereafter). Subject to the foregoing, each Stock Option Agreement shall set forth the extent to which the Optionee shall have the right to exercise the Option following termination of the Optionee's Service, and the right to exercise the Option of any executors or administrators of the Optionee's estate or any person who has acquired such Option(s) directly from the Optionee by bequest or inheritance. Such provisions shall be determined in the sole discretion of the Committee, need not be uniform among all Options issued pursuant to the Plan, and may reflect distinctions based on the reason for termination of Service.

(g) *Effect of Change in Control.* The Committee may determine, at the time of granting an Option or thereafter, that such Option shall become exercisable as to all or part of the Shares subject to such Option in the event that a Change in Control occurs with respect to the Company.

(h) *Leaves of Absence.* An Employee's Service shall cease when such Employee ceases to be actively employed by, or a Consultant to, the Company (or any subsidiary) as determined in the sole discretion of the Board of Directors. For purposes of Options, Service does not terminate when an Employee goes on a bona fide leave of absence, that was approved by the Company in writing, if the terms of the leave provide for continued service crediting, or when continued service crediting is required by applicable law. However, for purposes of determining whether an Option is entitled to ISO status, an Employee's Service will be treated as terminating 90 days after such Employee went on leave, unless such Employee's right to return to active work is guaranteed by law or by a contract. Service terminates in any event when the approved leave ends, unless such Employee immediately returns to active work. The Company determines which leaves count toward Service, and when Service terminates for all purposes under the Plan.

(i) *No Rights as a Stockholder.* An Optionee, or a transferee of an Optionee, shall have no rights as a stockholder with respect to any Shares covered by his Option until the date of the issuance of a stock certificate for such Shares. No adjustments shall be made, except as provided in Section 11.

(j) *Modification, Extension and Renewal of Options.* Within the limitations of the Plan, the Committee may modify, extend or renew outstanding options or may accept the cancellation of outstanding options (to the extent not

previously exercised), whether or not granted hereunder, in return for the grant of new Options for the same or a different number of Shares and at the same or a different exercise price, or in return for the grant of the same or a different number of Shares. The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, adversely affect his or her rights or obligations under such Option.

(k) Restrictions on Transfer of Shares. Any Shares issued upon exercise of an Option shall be subject to such special forfeiture conditions, rights of repurchase, rights of first refusal and other transfer restrictions as the Committee may determine. Such restrictions shall be set forth in the applicable Stock Option Agreement and shall apply in addition to any general restrictions that may apply to all holders of Shares.

SECTION 8. PAYMENT FOR SHARES.

(a) General Rule. The entire Exercise Price or Purchase Price of Shares issued under the Plan shall be payable in lawful money of the United States of America at the time when such Shares are purchased, except as provided in Section 8(b) through Section 8(g) below.

(b) Surrender of Stock. To the extent that a Stock Option Agreement so provides, payment may be made all or in part by surrendering, or attesting to the ownership of, Shares which have already been owned by the Optionee or his representative. Such Shares shall be valued at their Fair Market Value on the date when the new Shares are purchased under the Plan. The Optionee shall not surrender, or attest to the ownership of, Shares in payment of the Exercise Price if such action would cause the Company to recognize compensation expense (or additional compensation expense) with respect to the Option for financial reporting purposes.

(c) *Services Rendered.* At the discretion of the Committee, Shares may be awarded under the Plan in consideration of services rendered to the Company or a Subsidiary prior to the award. If Shares are awarded without the payment of a Purchase Price in cash, the Committee shall make a determination (at the time of the award) of the value of the services rendered by the Offeree and the sufficiency of the consideration to meet the requirements of Section 6(b).

(d) *Cashless Exercise.* To the extent that a Stock Option Agreement so provides, payment may be made all or in part by delivery (on a form prescribed by the Committee) of an irrevocable direction to a securities broker to sell Shares and to deliver all or part of the sale proceeds to the Company in payment of the aggregate Exercise Price.

(e) *Exercise/Pledge.* To the extent that a Stock Option Agreement so provides, payment may be made all or in part by delivery (on a form prescribed by the Committee) of an irrevocable direction to a securities broker or lender to pledge Shares, as security for a loan, and to deliver all or part of the loan proceeds to the Company in payment of the aggregate Exercise Price.

(f) *Promissory Note.* To the extent that a Stock Option Agreement or Restricted Stock Agreement so provides, payment may be made all or in part by delivering (on a form prescribed by the Company) a full-recourse promissory note. However, the par value of the Common Shares being purchased under the Plan, if newly issued, shall be paid in cash or cash equivalents.

(g) *Other Forms of Payment.* To the extent that a Stock Option Agreement or Restricted Stock Agreement so provides, payment may be made in any other form that is consistent with applicable laws, regulations and rules.

(h) *Limitations under Applicable Law.* Notwithstanding anything herein or in a Stock Option Agreement or Restricted Stock Agreement to the contrary, payment may not be made in any form that is unlawful, as determined by the Committee in its sole discretion.

SECTION 9. STOCK APPRECIATION RIGHTS.

(a) *SAR Agreement.* Each grant of a SAR under the Plan shall be evidenced by a SAR Agreement between the Optionee and the Company. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various SAR Agreements entered into under the Plan need not be identical. SARs may be granted in consideration of a reduction in the Optionee's other compensation.

(b) *Number of Shares.* Each SAR Agreement shall specify the number of Shares to which the SAR pertains and shall provide for the adjustment of such number in accordance with Section 11.

(c) *Exercise Price.* Each SAR Agreement shall specify the Exercise Price. A SAR Agreement may specify an Exercise Price that varies in accordance with a predetermined formula while the SAR is outstanding.

(d) *Exercisability and Term.* Each SAR Agreement shall specify the date when all or any installment of the SAR is to become exercisable. The SAR Agreement shall also specify the term of the SAR. A SAR Agreement may provide for accelerated exercisability in the event of the Optionee's death, disability or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's service. SARs may be awarded in combination with Options, and such an Award may provide that the SARs will not be exercisable unless the related Options are forfeited. A SAR may be included in an ISO only at the time of grant but may be included in an NSO at the time of grant or thereafter. A SAR granted under the Plan may provide that it will be exercisable only in the event of a Change in Control.

(e) *Effect of Change in Control.* The Committee may determine, at the time of granting a SAR or thereafter, that such SAR shall become fully exercisable as to all Common Shares subject to such SAR in the event that a Change in Control occurs with respect to the Company.

(f) *Exercise of SARs.* Upon exercise of a SAR, the Optionee (or any person having the right to exercise the SAR after his or her death) shall receive from the Company (a) Shares, (b) cash or (c) a combination of Shares and cash, as the Committee shall determine. The amount of cash and/or the Fair Market Value of Shares received upon exercise of SARs shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the Shares subject to the SARs exceeds the Exercise Price.

(g) *Modification or Assumption of SARs.* Within the limitations of the Plan, the Committee may modify, extend or assume outstanding SARs or may accept the cancellation of outstanding SARs (whether granted by the Company or by another issuer) in return for the grant of new SARs for the same or a different number of shares and at the same or a different exercise price. The foregoing notwithstanding, no modification of a SAR shall, without the consent of the holder, may alter or impair his or her rights or obligations under such SAR.

SECTION 10. STOCK UNITS.

(a) *Stock Unit Agreement.* Each grant of Stock Units under the Plan shall be evidenced by a Stock Unit Agreement between the recipient and the Company. Such Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Stock Unit Agreements entered into under the Plan need not be identical. Stock Units may be granted in consideration of a reduction in the recipient's other compensation.

(b) *Payment for Awards.* To the extent that an Award is granted in the form of Stock Units, no cash consideration shall be required of the Award recipients.

(c) *Vesting Conditions.* Each Award of Stock Units may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Stock Unit Agreement. A Stock Unit Agreement may provide for accelerated vesting in the event of the Participant's death, disability or retirement or other events. The Committee may determine, at the time of granting Stock Units or thereafter, that all or part of such Stock Units shall become vested in the event that a Change in Control occurs with respect to the Company.

(d) *Voting and Dividend Rights.* The holders of Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend equivalents. Such right entitles the holder to be credited with an amount equal to all cash dividends paid on one Share while the

Stock Unit is outstanding. Dividend equivalents may be converted into additional Stock Units. Settlement of dividend equivalents may be made in the form of cash, in the form of Shares, or in a combination of both. Prior to distribution, any dividend equivalents which are not paid shall be subject to the same conditions and restrictions (including without limitation, any forfeiture conditions) as the Stock Units to which they attach.

(e) *Form and Time of Settlement of Stock Units.* Settlement of vested Stock Units may be made in the form of (a) cash, (b) Shares or (c) any combination of both, as determined by the Committee. The actual number of Stock Units eligible for settlement may be larger or smaller than the number included in the original Award, based on predetermined performance factors. Methods of converting Stock Units into cash may include (without limitation) a method based on the average Fair Market Value of Shares over a series of trading days. Vested Stock Units may be settled in a lump sum or in installments. The distribution may occur or commence when all vesting conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred to any later date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until an Award of Stock Units is settled, the number of such Stock Units shall be subject to adjustment pursuant to Section 11.

(f) *Death of Recipient.* Any Stock Units Award that becomes payable after the recipient's death shall be distributed to the recipient's beneficiary or beneficiaries. Each recipient of a Stock Units Award under the Plan shall designate one or more beneficiaries for this purpose by filing the prescribed form with the Company. A beneficiary designation may be changed by filing the prescribed form with the Company at any time before the Award recipient's death. If no beneficiary was designated or if no designated beneficiary survives the Award recipient, then any Stock Units Award that becomes payable after the recipient's death shall be distributed to the recipient's estate.

(g) *Creditors' Rights.* A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Stock Unit Agreement.

SECTION 11. ADJUSTMENT OF SHARES.

(a) *Adjustments.* In the event of a subdivision of the outstanding Stock, a declaration of a dividend payable in Shares, a declaration of a dividend payable in a form other than Shares in an amount that has a material effect on the price of Shares, a combination or consolidation of the outstanding Stock (by reclassification or otherwise) into a lesser number of Shares, a recapitalization, a spin-off or a similar occurrence, the Committee shall make such adjustments as it, in its sole discretion, deems appropriate in one or more of:

(i) The number of Options, SARs, Restricted Shares and Stock Units available for future Awards under Section 5;

- (ii) The limitations set forth in Section 5(a) and (b);
- (iii) The number of NSOs to be granted to Outside Directors under Section 4(b);
- (iv) The number of Shares covered by each outstanding Option and SAR;
- (v) The Exercise Price under each outstanding Option and SAR; or
- (vi) The number of Stock Units included in any prior Award which has not yet been settled.

Except as provided in this Section 11, a Participant shall have no rights by reason of any issue by the Company of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class.

(b) Dissolution or Liquidation. To the extent not previously exercised or settled, Options, SARs and Stock Units shall terminate immediately prior to the dissolution or liquidation of the Company.

(c) *Reorganizations.* In the event that the Company is a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement shall provide for:

(i) The continuation of the outstanding Awards by the Company, if the Company is a surviving corporation;

(ii) The assumption of the outstanding Awards by the surviving corporation or its parent or subsidiary;

(iii) The substitution by the surviving corporation or its parent or subsidiary of its own awards for the outstanding Awards;

(iv) Full exercisability or vesting and accelerated expiration of the outstanding Awards; or

(v) Settlement of the full value of the outstanding Awards in cash or cash equivalents followed by cancellation of such Awards.

(d) *Reservation of Rights.* Except as provided in this Section 11, an Optionee or Offeree shall have no rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend or any other increase or decrease in the number of shares of stock of any class. Any issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or Exercise Price of Shares subject to an Option. The grant of an Option pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, to merge or consolidate or to dissolve, liquidate, sell or transfer all or any part of its business or assets.

SECTION 12. DEFERRAL OF AWARDS.

The Committee (in its sole discretion) may permit or require a Participant to:

(a) Have cash that otherwise would be paid to such Participant as a result of the exercise of a SAR or the settlement of Stock Units credited to a deferred compensation account established for such Participant by the Committee as an entry on the Company's books;

(b) Have Shares that otherwise would be delivered to such Participant as a result of the exercise of an Option or SAR converted into an equal number of Stock Units; or

(c) Have Shares that otherwise would be delivered to such Participant as a result of the exercise of an Option or SAR or the settlement of Stock Units converted into amounts credited to a deferred compensation account established for such Participant by the Committee as an entry on the Company's books. Such amounts shall be determined by reference to the Fair Market Value of such Shares as of the date when they otherwise would have been delivered to such Participant.

A deferred compensation account established under this Section 12 may be credited with interest or other forms of investment return, as determined by the Committee. A Participant for whom such an account is established shall have no rights other than those of a general creditor of the Company. Such an account shall represent an unfunded and unsecured obligation of the Company and shall be subject to the terms and conditions of the applicable agreement between such Participant and the Company. If the deferral or conversion of Awards is permitted or required, the Committee (in its sole discretion) may establish rules, procedures and forms pertaining to such Awards, including (without limitation) the settlement of deferred compensation accounts established under this Section 12.

SECTION 13. AWARDS UNDER OTHER PLANS.

The Company may grant awards under other plans or programs. Such awards may be settled in the form of Shares issued under this Plan. Such Shares shall be treated for all purposes under the Plan like Shares issued in settlement of Stock Units and shall, when issued, reduce the number of Shares available under Section 5.

SECTION 14. PAYMENT OF DIRECTOR'S FEES IN SECURITIES.

(a) *Effective Date.* No provision of this Section 14 shall be effective unless and until the Board has determined to implement such provision.

(b) *Elections to Receive NSOs, Restricted Shares or Stock Units.* An Outside Director may elect to receive his or her annual retainer payments and/or meeting fees from the Company in the form of cash, NSOs, Restricted Shares or Stock Units, or a combination thereof, as determined by the Board. Such NSOs, Restricted Shares and Stock Units shall be issued under the Plan. An election under this Section 14 shall be filed with the Company on the prescribed form.

(c) *Number and Terms of NSOs, Restricted Shares or Stock Units.* The number of NSOs, Restricted Shares or Stock Units to be granted to Outside Directors in lieu of annual retainers and meeting fees that would otherwise be paid in cash shall be calculated in a manner determined by the Board. The terms of such NSOs, Restricted Shares or Stock Units shall also be determined by the Board.

SECTION 15. LEGAL AND REGULATORY REQUIREMENTS.

Shares shall not be issued under the Plan unless the issuance and delivery of such Shares complies with (or is exempt from) all applicable requirements of law, including (without limitation) the Securities Act of 1933, as amended, the rules and regulations promulgated thereunder, state securities laws and regulations and the regulations of any stock exchange on which the Company's securities may then be listed, and the Company has obtained the approval or favorable ruling from any governmental agency which the Company determines is necessary or advisable.

SECTION 16. WITHHOLDING TAXES.

(a) *General.* To the extent required by applicable federal, state, local or foreign law, a Participant or his or her successor shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Company shall not be required to issue any Shares or make any cash payment under the Plan until such obligations are satisfied.

(b) *Share Withholding.* The Committee may permit a Participant to satisfy all or part of his or her withholding or income tax obligations by having the Company withhold all or a portion of any Shares that otherwise would be issued to him or her or by surrendering all or a portion of any Shares that he or she previously acquired. Such Shares shall be valued at their Fair Market Value on the date when taxes otherwise would be withheld in cash. In no event may a Participant have Shares withheld that would otherwise be issued to him or her in excess of the number necessary to satisfy the legally required minimum tax withholding.

SECTION 17. LIMITATION ON PARACHUTE PAYMENTS.

(a) *Scope of Limitation.* This Section 17 shall apply to an Award only if the independent auditors most recently selected by the Board (the "Auditors") determine that the after-tax value of such Award to the Optionee or Offeree, taking into account the effect of all federal, state and local income taxes, employment taxes and excise taxes applicable to the Optionee or Offeree (including the excise tax under section 4999 of the Code), will be greater after the application of this Section 17 than it was before application of this Section 17.

(b) *Basic Rule.* In the event that the Auditors determine that any payment or transfer by the Company under the Plan to or for the benefit of a Participant (a "Payment") would be nondeductible by the Company for federal income tax purposes because of the provisions concerning "excess parachute payments" in Section 280G of the Code, then the aggregate present value of all Payments shall be reduced (but not below zero) to the Reduced Amount. For purposes of this Section 17, the "Reduced Amount" shall be the amount, expressed as a present value, which maximizes the aggregate present value of the Payments without causing any Payment to be nondeductible by the Company because of Section 280G of the Code.

(c) *Reduction of Payments.* If the Auditors determine that any Payment would be nondeductible by the Company because of Section 280G of the Code, then the Company shall promptly give the Participant notice to that effect and a copy of the detailed calculation thereof and of the Reduced Amount, and the Participant may then elect, in his or her sole discretion, which and how much of the Payments shall be eliminated or reduced (as long as after such election the aggregate present value of the Payments equals the Reduced Amount) and shall advise the Company in writing of his or her election within 10 days of receipt of notice. If no such election is made by the Participant within such 10-day period, then the Company may elect which and how much of the Payments shall be eliminated or reduced (as long as after such election the aggregate present value of the Payments equals the Reduced Amount) and shall notify the Participant promptly of such election. For purposes of this Section 17, present value shall be determined in accordance with Section 280G(d)(4) of the Code. All determinations made by the Auditors under this Section 17 shall be binding upon the Company and the Participant and shall be made within 60 days of the date when a Payment becomes payable or transferable. As promptly as practicable following such determination and the elections hereunder, the Company

shall pay or transfer to or for the benefit of the Participant such amounts as are then due to him or her under the Plan and shall promptly pay or transfer to or for the benefit of the Participant in the future such amounts as become due to him or her under the Plan.

(d) Related Corporations. For purposes of this Section 17, the term “Company” shall include affiliated corporations to the extent determined by the Auditors in accordance with Section 280G(d)(5) of the Code.

SECTION 18. NO EMPLOYMENT RIGHTS.

No provision of the Plan, nor any right or Option granted under the Plan, shall be construed to give any person any right to become, to be treated as, or to remain an Employee. The Company and its Subsidiaries reserve the right to terminate any person’s Service at any time and for any reason, with or without notice.

SECTION 19. DURATION AND AMENDMENTS.

(a) Term of the Plan. The Plan, as set forth herein, shall terminate automatically ten (10) years after its adoption by the Board. The Plan may be terminated on any earlier date pursuant to Subsection (b) below.

(b) Right to Amend or Terminate the Plan. The Board of Directors may amend the Plan at any time and from time to time. Rights and obligations under any Option granted before amendment of the Plan shall not be materially impaired by such amendment, except with consent of the person to whom the Option was granted. An amendment of the Plan shall be subject to the approval of the Company’s stockholders only to the extent required by applicable laws, regulations or rules.

(c) Effect of Amendment or Termination. No Shares shall be issued or sold under the Plan after the termination thereof, except upon exercise of an Option granted prior to such termination. The termination of the Plan, or any amendment thereof, shall not affect any Share previously issued or any Option previously granted under the Plan.

SECTION 20. EXECUTION.

To record the adoption of the Plan by the Board of Directors on May 8, 2008, the Company has caused its authorized officer to execute the same.
