Description of Securities of the Issuer Currently Held by the Reporting Persons

Series C Securities. Pursuant to the terms of a Securities Purchase Agreement, dated as of July 12, 2010, by and among the Issuer, the Master Fund and certain other investors set forth therein ("Series C Purchase Agreement"), the Master Fund acquired 5,525 Units consisting of (i) 5,525 shares of the Issuer's Series C Convertible Preferred Stock, par value \$0.01 per share (the "Series C Preferred Stock"), at a purchase price of \$50.00 per share, and (ii) warrants (the "Series C Warrants"; and, together with the Series C Preferred Stock, the "Series C Securities") to purchase 552,486 shares of Common Stock. The Series C Securities were sold to the Master Fund in consideration of the conversion of \$275,000 principal amount of promissory notes, plus accrued interest, previously acquired by the Master Fund in June 2010.

The Master Fund's Series C Preferred Stock is currently convertible into 552,486 shares of Common Stock (the per share conversion ratio determined by dividing the Series C Preferred Stock purchase price by the applicable conversion price, which is initially \$0.50). From July 12, 2010 until March 31, 2011, the conversion price of the Series C Preferred Stock is subject to full-ratchet price protection in the event the Issuer issues or sells, or is deemed to have issued or sold, subject to certain standard exceptions, any shares of its Common Stock for consideration per share less than the conversion price of the Series C Preferred Stock then in effect. In addition, the conversion price of the Series C Preferred Stock may be adjusted to reflect subdivisions or combinations of the Issuer's Common Stock. Holders of the Series C Preferred Stock have certain co-sale rights as further described in the Series C Preferred Stock Certificate of Designation. The holders of Series C Preferred Stock generally have the right to vote on any matter with the holders of Common Stock and the Company's Series A Preferred Stock. Holders of Series C Preferred Stock are entitled to vote such number of shares of Common Stock equal to the difference between (i) the number of shares of Common Stock into which such shares of Series C Preferred Stock could be converted into, and (ii) one (1) Share of Common Stock. The holders of Series C Preferred Stock are also entitled to certain protective provisions pursuant to which the majority of the Series C Preferred Stock have the right to approve certain actions as further described in the Series C Preferred Stock Certificate of Designation. The shares of Series C Preferred Stock are not entitled to receive any dividends.

Each Series C Warrant has an exercise price of \$0.50 per share. One-third of the Master Fund's Series C Warrants vested on the date of grant (July 12, 2010), with the remaining Series C Warrants vesting in equal amounts on each of the first and second anniversaries of the date of grant. Each tranche of Series C Warrants expires five years from the date of vesting. Until March 31, 2011, the exercise price of the Series C Warrants is subject to full-ratchet price protection in the event of the Issuer issues or sells, or is deemed to have issued or sold, subject to certain standard exceptions, any shares of its Common Stock for consideration per share less than the exercise price of the Series C Warrants then in effect. In addition, the number of shares of Common Stock subject to each Series C Warrant is subject to adjustment in the event of stock splits, dividends, distributions and similar adjustments to the Issuer's capital stock.

The Issuer, the Master Fund and the other investors entered into a Registration Rights Agreement in connection with shares of Common Stock underlying the Series C Securities.

Series D Securities. Pursuant to the terms of a Securities Purchase Agreement, dated as of September 29, 2010, by and among the Issuer, the Master Fund and certain other investors set forth therein ("Series D Purchase Agreement"), the Master Fund, on October 5, 2010, acquired 20,000 Units consisting of (i) 20,000 shares of the Issuer's Series D Convertible Preferred Stock, par value \$0.01 per share (the "Series D Preferred Stock"), at a purchase price of \$50.00 per share, and (ii) warrants (the "Series D Warrants"; and, together with the Series D Preferred Stock, the "Series D Securities") to purchase an aggregate of 2,000,000 shares of Common Stock. The Master Fund acquired the Series D Securities for \$1,000,000.

The Master Fund's Series D Preferred Stock is currently convertible into 2,000,000 shares of Common Stock (the per share conversion ratio determined by dividing the Series D Preferred Stock purchase price by the applicable conversion price, which is initially \$0.50). From September 29, 2010 until March 31, 2011, the conversion price of the Series D Preferred Stock is subject to full-ratchet price protection in the event the Issuer issues or sells, or is deemed to have issued or sold, subject to certain standard exceptions, any shares of its Common Stock for consideration per share less than the conversion price of the Series D Preferred Stock then in effect. In addition, the conversion price of the Series D Preferred Stock may be adjusted to reflect subdivisions or combinations of the Issuer's Common Stock. Holders of the Series D Preferred Stock have certain co-sale rights as further described in the Series D Preferred Stock Certificate of Designation. The holders of Series D Preferred Stock generally have the right to vote on any matter with the holders of Common Stock and the Issuer's Series A Preferred Stock and Series C Preferred Stock. Holders of Series D Preferred Stock are entitled to vote such number of shares of Common Stock equal to the difference between (i) the number of shares of Common Stock into which such shares of Series D Preferred Stock could be converted into, and (ii) one (1) Share of Common Stock. The holders of Series D Preferred Stock are also entitled to certain protective provisions pursuant to which the majority of the Series D Preferred Stock have the right to approve certain actions as further described in the Series D Preferred Stock Certificate of Designation. The shares of Series D Preferred Stock are not entitled to receive any dividends.

Each Series D Warrant has an exercise price of \$0.50 per share. One-third of the Master Fund's Series D Warrants vested on the date of grant (October 5, 2010), with the remaining Series D Warrants vesting in equal amounts on each of the first and second anniversaries of the date of grant. Each tranche of Series D Warrants expires five years from the date of vesting. Until March 31, 2011, the exercise price of the Series D Warrants is subject to full-ratchet price protection in the event of the Issuer issues or sells, or is deemed to have issued or sold, subject to certain standard exceptions, any shares of its Common Stock for consideration per share less than the exercise price of the Series D Warrants then in effect. In addition, the number of shares of Common Stock subject to each Series D Warrant is subject to adjustment in the event of stock splits, dividends, distributions and similar adjustments to the Issuer's capital stock.

The Issuer, the Master Fund and the other investors entered into a Registration Rights Agreement in connection with shares of Common Stock underlying the Series D Securities.

Waiver by Series C Holders. On September 21, 2010, in connection with the issuance of the Series D Securities, the Master Fund waived certain rights under the Series C Purchase Agreement in consideration of being issued Series C Warrants to purchase 40,500 shares of Common Stock. One-third of these Warrants vested on the date of grant (October 5, 2010), with the remaining vesting in equal amounts on each of the first and second anniversaries of the date of grant.

Board Membership

In connection with the Series D Purchase Agreement, on October 5, 2010, Mr. Paul J. Coviello was appointed to the Issuer's Board of Directors as a Class I Director.

WAIVER AND AGREEMENT

WAIVER AND AGREEMENT (“Agreement”) dated as of September 21, 2010 by and between National Holdings Corporation (the “Company”) and the holders of the Company’s Series C Preferred Stock (each a “Holder” and collectively the “Holders”).

RECITALS:

WHEREAS, the Holders and the Company are parties to a Securities Purchase Agreement dated as of July 12, 2010 (the “SPA”) pursuant to which the Holders acquired an aggregate of 34,167 shares of a newly created class of Series C Preferred Stock (the “Series C Preferred Stock”) convertible into shares of the Company’s common stock, \$0.02 par value per share (the “Common Stock”) and (b) warrants exercisable for up to 3,416,692 shares of Common Stock (the “Unit Warrant”); and

WHEREAS, pursuant to the unanimous decision of the Board of Directors (“Board”) of the Company on September 21, 2010, the Board has authorized (A) the creation of (i) an aggregate of 100,000 shares of a newly created class of Series D Preferred Stock (the “Series D Preferred Stock”) which shall rank pari passu with the Series C Preferred Stock and (ii) warrants exercisable for up to 10,000,000 shares of Common Stock (the “Series D Warrants” and with the Series D Preferred Stock, the “Series D Units”) on the same terms and conditions of the Unit Warrants and (B) the offer and sale of up to \$5 million of either Series D Units and/or a combination of Series D Units, Common Stock and common stock warrants (the “Subsequent Financing”); and

WHEREAS, pursuant to Section 7.11 of the SPA, Section 5.6 of that certain note purchase agreement as of dated June 4, 2010 between the Company and the Holders (“NPA”) remains in effect, to wit, that the Company has agreed that the Board shall not be increased beyond nine (9) members before March 31, 2010 (the “Board Restriction”); and

WHEREAS, under Section 7.12 of the SPA, the Subsequent Financing would constitute a “Triggering Transaction” which would invoke the “Co-Sale Rights,” as such terms are defined in, and granted under, such Section 7.12; and

WHEREAS, Section 7.13 of the SPA provides that the SPA “may be amended or terminated and the observance of any term of this Agreement may be waived with respect to all parties to [the SPA] (either generally or in a particular instance and either retroactively or prospectively), with the written consent of the Company and the holders of at least 50% of the aggregate amount of Units then held by all [Holders].”

NOW THEREFORE, the parties hereto agree as follows, as follows:

1. Waiver and Amendment of Certain Rights and Provisions under the SPA.

(a) The Holder hereby irrevocably waives the provisions of Section 7.12 of the SPA with respect to the Co-Sale Rights triggered by the Subsequent Financing.

(b) The Holder hereby irrevocably waives the provisions of Section 7.11 of SPA that incorporates Section 5.6 of the NPA to the extent that the holders of the Series D Preferred Stock are granted the right to designate up to two (2) directors to the Board.

2. No Other Waiver. Anything contained herein to the contrary notwithstanding, the parties hereto expressly acknowledge and agree that the waivers granted by each Holder pursuant to Section 1 hereof are on a one-time basis, relate only to the transactions contemplated set forth herein and are not and should not be deemed to be a waiver of any other rights under the SPA, all of which are expressly reserved.

3. Warrant Issuance. In consideration for, and as a material inducement to, the Holder's agreement to the waivers and amendments set forth herein, on the date of the first closing of the Subsequent Financing, the Company shall issue to each Holder a common stock purchase warrant identical to the Unit Warrants for that number of shares of Common Stock equal to the product of (A) a fraction, (i) the numerator of which is the number of shares of Series C Preferred Stock held by each Holder who enters into this Agreement and (ii) the denominator of which is the number of shares of Series C Preferred Stock held by all Holders who have entered into this Agreement and (B) 250,000.
