### PROPOSAL ONE: ELECTION OF DIRECTOR

### General

Our certificate of incorporation provides for a classified board of directors consisting of three classes of directors with staggered three-year terms, with each class consisting, as nearly as possible, of one-third of the total number of directors. Our Board currently consists of four members.

Our four member Board is currently divided into two Class I directors, one Class II director and one Class III director.

Class III, the class whose term of office expires at the Annual Meeting, currently consists of one director. The director elected to this class will serve for a term of three years, beginning on the date of the Annual Meeting and expiring at the 2014 annual meeting of stockholders or until his successor has been duly elected and qualified. The nominee listed below is currently a director.

The nominee for election has agreed to serve if elected, and management has no reason to believe that the nominee will be unavailable to serve. If the nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any substitute nominee who may be designated by our Board to fill the vacancy.

Directors are elected by a plurality of the votes cast on the election of directors, which means that the nominee will be elected if he receives more votes in favor of his election than votes against. Accordingly, an abstention or broker non-vote will have no effect on the outcome of this election. You may not cumulate votes in the election of directors.

Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominee named below.

### **Recommendation of our Board**

Our Board recommends that the stockholders vote FOR the election of the nominee listed above.

### BOARD COMMITTEES AND MEETINGS AND CORPORATE GOVERNANCE

### **Board Committees and Meetings**

Our Board held five meetings and acted by unanimous written consent twice during 2010. Each director attended or participated in 75% or more of the aggregate of (i) the total number of meetings of our Board and (ii) the total number of meetings held by all committees of our Board on which such director served during 2010. Our Board members are not required to attend our annual meetings of stockholders, and no directors attended our annual meeting in 2010. Our Board has an Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, a Compensation Committee and a Nominating Committee.

Audit Committee. The Audit Committee currently consists of three directors, Messrs. Ananda, Jones and Miller, and is primarily responsible for hiring our independent auditors, approving the services performed by our independent auditors and reviewing their reports regarding our accounting practices and systems of internal accounting controls. Mr. Jones serves as the chairman of the Audit Committee. The Audit Committee acts pursuant to a written charter adopted by our Board, which is available on our website at

http://investor.stamps.com/documentdisplay.cfm?DocumentID=1898. All members of the Audit Committee are non-employee directors and are independent pursuant to the rules of The NASDAQ Stock Market and Securities and Exchange Commission rules. In addition, our Board has determined that each of Messrs. Jones and Miller is an audit committee financial expert as defined by applicable Securities and Exchange Commission rules. Our Audit Committee held five meetings during 2010.

Compensation Committee. The Compensation Committee currently consists of two directors, Messrs. Ananda and Miller. The Compensation Committee is primarily responsible for reviewing and approving our general compensation policies and setting compensation levels for our executive officers. Our Compensation Committee also has the authority to administer our employee stock purchase plan and our stock incentive plan and to make option grants under our stock incentive plan. All members of the Compensation Committee are non-employee directors and are independent pursuant to the rules of The NASDAQ Stock Market. The Compensation Committee acts pursuant to a written charter adopted by our Board, which is available on our website at <a href="http://investor.stamps.com">http://investor.stamps.com</a>. The Compensation Committee will only delegate its authority to the extent consistent with our certificate of incorporation and bylaws and applicable laws, regulations and listing standards. No compensation consultant was engaged to provide advice or recommendations on our executive or director compensation for 2010. The Compensation Committee held one meeting and acted by unanimous written consent on eight separate occasions during 2010.

Nominating Committee. The current members of our Nominating Committee are Messrs. Ananda, Jones and Miller, each of whom qualifies as an independent director under the rules of The NASDAQ Stock Market. The Nominating Committee acts pursuant to a written charter adopted by our Board, which is available on our website at <a href="http://investor.stamps.com/documentdisplay.cfm?DocumentID=1894">http://investor.stamps.com/documentdisplay.cfm?DocumentID=1894</a>. The Nominating Committee held one meeting during 2010.

The responsibilities of the Nominating Committee include (i) screening and recommending to our Board qualified candidates for election or appointment to our Board; (ii) recommending the number of members that shall serve on our Board; (iii) evaluating and reviewing the independence of existing and prospective directors; and (iv) reviewing and reporting on additional corporate governance matters as directed by our Board.

Our Nominating Committee manages the process for evaluating current Board members at the time they are considered for re-nomination. After considering the appropriate skills and characteristics required on our Board, the current makeup of our Board, the results of the evaluations, and the wishes of our Board members to be re-nominated, our Nominating Committee recommends to our Board whether those individuals should be re-nominated. Our Nominating Committee also periodically reviews with our Board whether it believes our Board would benefit from adding a new member(s), and if so, the appropriate skills and characteristics required for the new member(s). If our Board determines that a new member would be beneficial, our Nominating Committee solicits and receives recommendations for candidates and manages the process for evaluating candidates. All potential candidates, regardless of their source (including candidates recommended by stockholders), are reviewed under the same process. Our Nominating Committee screens the available information about the potential candidates. Based on the results of the initial screening, interviews with viable candidates are scheduled with Nominating Committee members, other members of our Board and senior members of management. Upon completion of these interviews and other due diligence, our Nominating Committee may recommend to our Board the election or nomination of a candidate.

We expect that candidates for independent directors will typically be found through recommendations from current directors. Our stockholders may also recommend director candidates by sending the candidate s name, age, resume, amount of our stock beneficially owned and other information required in solicitations of proxies for the election of directors, to the Nominating Committee under the provisions set forth below for communication with our Board. To be timely, a recommendation must be delivered to or mailed and received

not less than one-hundred twenty (120) days prior to our annual meeting at which directors are to be elected. No such suggestions from our stockholders were received in time for the Annual Meeting.

The Nominating Committee has no predefined minimum criteria for selecting director nominees, although it believes that all directors should share qualities such as business experience, excellent decision-making ability, good judgment, personal integrity and reputation. In any given search, the Nominating Committee may also define particular characteristics for candidates to balance the overall skills and characteristics of our Boards and our perceived needs. However, during any search, the Nominating Committee reserves the right to modify its stated search criteria for exceptional candidates. Although the Nominating Committee does not have a formal policy with respect to diversity, the Nominating Committee endeavors to seek nominees representing diverse experience in policy-making positions in business and technology, and in areas that are relevant to our activities.

### Compensation Committee Interlocks and Insider Participation.

The Compensation Committee currently consists of two directors, Messrs. Ananda and Miller. Neither of these individuals was one of our officers or employees during 2010 or had any relationship with us requiring disclosure under Item 404 of Regulation S-K. None of our current executive officers has ever served as a member of the board of directors or the compensation committee of any other entity that has or has had one or more executive officers serving as a member of our Board or Compensation Committee.

### **Contacting the Board**

Any stockholder who desires to contact our Board may do so by writing to the following address: Board of Directors, c/o Legal Department, Stamps.com Inc., 12959 Coral Tree Place, Los Angeles, CA 90066-7020. Communications received are distributed to an independent Board member, as well as other members as appropriate, of our Board depending on the facts and circumstances outlined in the communication received.

### **Director Independence**

Our Board has determined that, except for Mr. McBride, each of our directors qualifies as an independent director under the rules of The NASDAQ Stock Market. Mr. McBride is not independent because he serves as our chief executive officer.

### **Board Leadership Structure and Role in Risk Oversight**

Our Board does not have a Chairman and does not have a lead independent director, as all members of our Board take an active role in evaluating our risks and strategic direction. Each committee of our Board is responsible for evaluating certain risks and overseeing the management of such risks. The Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. The Audit Committee oversees the process by which our senior management and the relevant departments assess and manage our exposure to, and management of, financial risks as well as potential conflicts of interest. The Nominating Committee manages risks associated with the independence of our Board. Our entire Board is regularly informed about these risks and oversees the management of these risks and regularly reviews information regarding our operations and finances as well as our strategic direction. Our Board s role in risk oversight has not affected our Board s determination that its leadership structure is most appropriate for our company.

### **Code of Ethics**

We have adopted a written code of business and ethical conduct (our Code of Ethics ) that applies to our principal executive officer, principal financial officer, and principal accounting officer. Our Code of Ethics, which also applies to our directors and all of our officers and employees, can be found on our web site, at <a href="http://investor.stamps.com/documentdisplay.cfm?DocumentID=1897">http://investor.stamps.com/documentdisplay.cfm?DocumentID=1897</a>. Upon request to our secretary, we will provide a copy of our Code of Ethics to any person without charge.

### **DIRECTOR COMPENSATION**

### **Summary of Compensation**

Our Board independently reviewed compensation levels of other company boards in April 2010 and established Board service compensation level at approximately the average level of 44 comparable publicly traded companies (as set forth on Annex B) with revenue less than \$150 million. Our Board expects to review its compensation as needed or as proposed by any director, but in any event at least every four years. Although our executive officers may provide background data in connection with this process, they are generally not involved in the decision on Board compensation except to the extent that Mr. McBride, our chief executive officer, is involved as a member of our Board

The following summarizes our non-employee director compensation. Directors who are also our employees do not receive any additional compensation for Board service.

Cash Compensation. Effective May 1, 2010, each of our non-employee directors received an annual retainer of \$25,000, \$1,400 for each Board meeting attended and \$700 for each Board Audit or Compensation Committee meeting attended. Additional annual retainers were paid for service on our Audit Committee or Compensation Committee as follows: the chairman of the Audit Committee received an additional \$15,000; other members of the Audit Committee received an additional \$5,000; the chairman of the Compensation Committee received an additional \$8,000; and other members of the Compensation Committee received an additional \$4,000. Prior to May 1, 2010, each of our non-employee directors received \$1,100 for each Board meeting attended and \$700 for each Board Audit or Compensation Committee meeting attended. Directors are also reimbursed for all reasonable expenses incurred by them in attending Board and committee meetings.

Option Grants. Under the automatic option grant program in effect under our stock incentive plan, each individual who joins our Board as a non-employee director and has not previously been one of our employees automatically receives, at the time of his or her initial election or appointment, an option to purchase 5,000 shares of our common stock. In addition, on the date of each annual meeting of stockholders, each individual who is to continue to serve as a non-employee Board member, whether or not that individual is standing for re-election at that particular annual meeting, automatically receives an option to purchase 5,000 shares of our common stock. Each grant under our automatic option grant program has an exercise price per share equal to the fair market value per share of our common stock on the grant date, and will have a maximum term of ten years, subject to earlier termination should the optionee cease to serve as a director. All non-employee directors received automatic option grants on June 16, 2010 for 5,000 shares each of our common stock at an exercise price per share of \$10.55, the fair market value per share of our common stock on the grant date.

### **Director Compensation Table**

The following table contains information with respect to the compensation of our non-employee directors for 2010:

	Fees Earned or	: Option	Total (\$)
Name	Paid in Cash (\$) <sup>(1)</sup>	Awards (\$) <sup>(2)(3)</sup>	
Mohan Ananda	81,850	22,900	104,750
G. Bradford Jones	85,350	22,900	106,250

Lloyd I. Miller 85,850 22,900 108,750

On October 28, 2010, our Board approved a one-time special \$2.00 per share dividend to all of our stockholders. In order to prevent that dividend from diluting or enlarging the rights of the holders (including members of the Board) of outstanding stock options and purchase rights under certain of our equity plans, in compliance with those plans, our Board approved a reduction in the exercise or purchase price of affected options and rights in a manner that was both value neutral and that would not result in any additional stock-based compensation expense. To the extent that the exercise price could not be adjusted in this manner without adverse tax consequences from Section 409A of the Internal Revenue Code for certain option grants, our Board approved value-neutral cash payments which compensated option holders for lost economic value in those option grants. The cash payments were expensed as

compensation. Those value-neutral cash payments were \$37,550 to each of Mr. Ananda, Mr. Jones and Mr. Miller. Although under Securities and Exchange Commission rules these payments are required to be disclosed as part of our directors total compensation for 2010, we do not believe they should be considered as actual compensation awarded for 2010, as the only reason for these payments was to compensate holders of options (including our directors) for lost economic value resulting from the special dividend that could not otherwise be done without adverse tax consequences.

The amounts in this column represent the aggregate grant date fair value of option awards granted in 2009, calculated in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation Stock Compensation (ASC 718). See Note 2 of our Notes to Consolidated Financial

- (2) Statements in our annual report on Form 10-K filed with the Securities and Exchange Commission on March 15, 2011 for a discussion of assumptions we made in determining the amounts included in this column. For each director, the aggregate grant date fair value in this column is equal to the individual grant date fair value of the options to purchase 5,000 shares of common stock granted on June 16, 2010, as directors received only one grant of options during 2010.
- (3) As of December 31, 2010, Mohan Ananda and G. Bradford Jones each held options to purchase 36,250 shares of our common stock and Lloyd I. Miller held options to purchase 35,000 shares of our common stock.

### PROPOSAL TWO: ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required pursuant to Section 14A of the Securities Exchange Act of 1934, we are giving our stockholders the opportunity to vote, on an advisory basis, to approve our executive compensation. This proposal, commonly known as a say-on-pay proposal, gives our stockholders the opportunity to express their views on our named executive officers compensation.

As described in detail under the heading Executive Compensation Compensation Discussion and Analysis, our executive compensation structure is designed to attract executives who have the skills and experience necessary to achieve our corporate goals, to align management s interests with those of long-term stockholders, and to attract and retain executive management talent by providing overall compensation that is comparable to what is available through other employment opportunities for those individuals. We believe our total compensation is designed to reflect the value created for stockholders while supporting our strategic goals. Please read the Executive Compensation section, including Compensation Discussion and Analysis, for additional details about our executive compensation programs, including information about the fiscal 2010 compensation of our named executive officers.

We will ask our stockholders to vote FOR the following resolution at the Annual Meeting:

RESOLVED, that the stockholders of Stamps.com Inc. hereby approve, on an advisory basis, the compensation of the named executive officers, as disclosed in Stamps.com Inc. s Proxy Statement for the 2011 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosures.

This vote is advisory, and therefore not binding on us, our Board or our Compensation Committee. However, our Board and Compensation Committee value the opinions that our stockholders express in their votes and will consider the outcome of this vote when considering future executive compensation arrangements as they deem appropriate.

Abstentions and broker non-votes will result in the above resolution receiving fewer votes.

Unless otherwise instructed, the proxies will vote for the above resolution.

### **Recommendation of our Board**

Our Board recommends that you vote FOR approval of the Advisory Vote on Executive Compensation.

## PROPOSAL THREE: ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required pursuant to Section 14A of the Securities Exchange Act of 1934 we are also giving our stockholders the opportunity to indicate how frequently we should seek an advisory vote on our executive compensation. By voting on this proposal, stockholders may indicate whether they would prefer the advisory vote on executive compensation to occur once every one, two, or three years.

After careful consideration, our Board has determined that an advisory vote every three years on executive compensation is the most appropriate alternative for us, and recommends that you vote for a three-year interval for the advisory vote on executive compensation.

In formulating its recommendation, our Board considered that an advisory vote on executive compensation every three years will give our stockholders the opportunity to more fully assess the success or failure of our long-term compensation strategies and the related business outcomes with the hindsight of three years of corporate performance and will allow sufficient time for our Board to review and respond to stockholders views on executive compensation and implement changes, if necessary.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, or three years or by abstaining from a vote when you vote in response to the resolution set forth below. You are not voting to approve or disapprove the Board s recommendation on this item.

RESOLVED, that a non-binding advisory vote of the stockholders of Stamps.com Inc. to approve the company s executive compensation, as disclosed pursuant to Item 402 of Regulation S-K (which disclosure includes the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure) shall be held at an annual meeting of stockholders, beginning with the 2011 Annual Meeting of Stockholders, (i) every year, (ii) every 2 years, or (iii) every 3 years.

This vote is advisory, and therefore not binding on us or our Board. Our Board values the opinions that our stockholders express in their votes and will consider t
