GENERAL

This Proxy Statement is furnished to stockholders of Kentucky First Federal Bancorp (“Kentucky First” or the “Company”) in connection with the solicitation by the Board of Directors of the Company of proxies to be used at the Annual Meeting of Stockholders (the “Annual Meeting”) which will be held at First Federal Center on the campus of Hazard Community and Technical College located at One Community College Drive, Hazard, Kentucky on Thursday, November 10, 2011, at 3:30 p.m., Eastern time, and at any adjournment thereof. The accompanying Notice of Annual Meeting and proxy card and this Proxy Statement are being first mailed to stockholders on or about October 10, 2011.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS  
FOR THE 2011 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON  
NOVEMBER 10, 2011

This Proxy Statement and the Company’s 2011 Annual Report on Form 10-K and Annual Report to Shareholders are available electronically at <https://materials.proxyvote.com/491292>

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked by written notice to Deborah C. Bersaglia, Secretary of the Company, at the address shown above, by filing a later-dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting or by attending the Annual Meeting and voting in person. The presence of a stockholder at the Annual Meeting will not in itself revoke such stockholder’s proxy.

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted “FOR” the nominees for director set forth below and “FOR” the ratification of the appointment of Crowe Horwath LLP as the Company’s independent public accountants for the year ending June 30, 2012. The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, and matters incident to the conduct of the Annual Meeting. If any other business is presented at the Annual Meeting, proxies will be voted by those named therein in accordance with the determination of a majority of the Board of Directors. Proxies marked as abstentions will not be counted as votes cast. Shares held in “street name” which have been designated by brokers on proxies as not voted (“broker non-votes”) will not be counted as votes cast. Proxies marked as abstentions or as broker non-votes, however, will be treated as shares present for purposes of determining whether a quorum is present.

## VOTING SECURITIES AND SECURITY OWNERSHIP

The securities entitled to vote at the Annual Meeting consist of the Company's common stock, par value \$0.01 per share (the "Common Stock"). Stockholders of record as of the close of business on September 30, 2011 (the "Record Date") are entitled to one vote for each share of Common Stock then held. As of the Record Date, there were 7,740,703 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of shares of Common Stock outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting. Because First Federal MHC owns in excess of 50% of the outstanding shares of Kentucky First Common Stock, the votes it casts will insure the presence of a quorum. Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports with respect to such ownership pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The following table sets forth information regarding the shares of Common Stock beneficially owned as of the Record Date by persons who beneficially own more than 5% of the Common Stock, each of the Company's directors, the executive officers of the Company named in the Summary Compensation Table set forth under "Executive Compensation – Summary Compensation Table," and all of the Company's directors and executive officers as a group.

## PROPOSAL I — ELECTION OF DIRECTORS

### General

The Company's Board of Directors consists of six members, all of whom are independent under the listing standards of the Nasdaq Stock Market, except Tony D. Whitaker and Don D. Jennings. If elected, nominee William D. Gorman, Jr. will also be considered independent. In determining the independence of its directors and its nominee for director, the Board considered transactions, relationships and arrangements between the Company and its directors that are not required to be disclosed in this proxy statement under the heading "Transactions with Related Persons. These include loans and lines of credit made by the banks in the ordinary course of business, which are made in compliance with federal lending regulations regarding loans to insiders and approved by the appropriate bank board of directors.

In determining that Director Stephen G. Barker is independent, the Board of Directors considered that he had been paid \$38,485 in legal fees for services provided to First Federal of Hazard during the year ended June 30, 2011. The Company's Bylaws require that directors be divided into three classes, as nearly equal in number as possible, with approximately one-third of the directors elected each year. At the Annual Meeting, two directors will be elected for a term expiring at the 2014 annual meeting. The Nominating and Corporate Governance Committee of the Board of Directors has nominated Walter G. Ecton, Jr. and Don D. Jennings, to each serve as a director for a three-year period. Both Mr. Ecton and Mr. Jennings are currently members of the Board. On August 11, 2011, the Board of Directors voted to amend the by-laws of the company whereby the size of the board would be increased from six directors to seven directors. On October 12, 2010, the Board had voted to reduce the size of the board in response to the sudden death of a director. The Nominating and Corporate Governance Committee of the Board of Directors has nominated William D. Gorman, Jr., to fill this seat as a director for a two-year period. Pursuant to the Company's Bylaws, there is no cumulative voting for the election of directors. As a result, directors are elected by a plurality of the votes present in person or by proxy at a meeting at which a quorum is present. This means that the nominees receiving the greatest number of votes will be elected. In the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election.

It is intended that the persons named in the proxies solicited by the Board of Directors will vote for the election of the named nominees. If a nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend or the size of the Board may be reduced to eliminate the vacancy. At this time, the Board knows of no reason why a nominee might be unavailable to serve.

The following table sets forth, for each nominee for director and continuing director of the Company, his age, the year he first became a director of the Company, First Federal Savings and Loan Association of Hazard ("First Federal of Hazard") or First Federal Savings Bank of Frankfort ("First Federal of Frankfort") and the expiration of his term as a director. All such persons, except for William D. Gorman, Jr., were appointed as directors of the Company in March 2005 upon the formation and organization of the Company. Directors Barker, Ecton, and Whitaker, and Nominee Gorman, also serve on the Board of Directors of the Company's wholly owned subsidiary, First Federal of Hazard. Directors Harrod and Regan also serve on the Board of Directors of the Company's wholly owned subsidiary, Frankfort First Bancorp, Inc. ("Frankfort First"), and Frankfort First's wholly owned subsidiary, First Federal of Frankfort. Director Jennings also serves on the Board of Directors of First Federal of Frankfort.

Gorman, who served as a director of First Federal Savings & Loan of Hazard and Kentucky First Federal Bancorp. Mr. Gorman is President and Chief Executive Officer of Hazard Insurance Agency. Mr. Gorman is a graduate of the University of Kentucky. He has served as Vice President and General Manager of WKYH-TV in Hazard. He was the founder of radio station WYZQ, now WQXY in Hazard. He has served on the Hazard-Perry County Tourism Commission and on the Board of Directors of both Kentucky Education Television and Hazard Appalachian Regional Hospital.

Mr. Gorman's many years as an important part of the business and civic communities of Hazard and Perry County, as well as his past service to First Federal of Hazard, make him an excellent candidate for the board.

Stephen G. Barker has been a director of Kentucky First since its inception in March 2005. Mr. Barker is the Executive Vice President and General Counsel for Kentucky River Properties LLC, which owns significant land, mineral, oil and gas and timber resources in Kentucky. Kentucky River's lessees include several nationally known publicly traded resource producers. Mr. Barker has been employed by Kentucky River Coal Corporation and Kentucky River Properties LLC since 1985, and has served as Assistant General Counsel and Assistant Secretary. Mr. Barker is a Director and a member of the Executive Committee of the National Council of Coal Lessors in Washington, D.C. Mr. Barker has been in the private practice of law in Hazard since 1980 and has provided legal representation to First Federal since 1982. Mr. Barker also served as Master Commissioner for the Perry Circuit Court and is a member and past President of the Perry County Bar Association. He is a member of the Kentucky Bar Association and the American Bar Association and is admitted to practice before the Kentucky Supreme Court and the U.S. District Court for the Eastern District of Kentucky. Prior to obtaining his Juris Doctorate from the University of Kentucky College of Law, Mr. Barker received a Bachelor of Science in Forestry from the University of Kentucky and was a forester and served as District Conservationist with the United States Department of Agriculture Soil Conservation Service in eastern Kentucky. Mr. Barker continues to serve as a District Supervisor and Secretary and Treasurer of the Perry County Conservation District. He is a member of the Society of American Foresters. Mr. Barker is a private pilot and a member of the Aircraft Owners and Pilots Association and is Chairman of the Hazard Perry County Airport Board which manages the Wendell H. Ford Regional Airport near Hazard.

Mr. Barker's long service to First Federal of Hazard represents a valuable level of expertise and commitment, along with his extensive knowledge of real estate derived from his legal career make him an exceptional member of the board.

Tony D. Whitaker has served as Chairman of the Board and Chief Executive Officer of Kentucky First since its inception in March 2005. Since 1997, he has served as President and Chief Executive Officer of First Federal of Hazard. He has also served First Federal of Hazard as a director since 1993. Mr. Whitaker was President of First Federal Savings Bank in Richmond, Kentucky from 1980 until 1994. From 1994 until 1996, Mr. Whitaker was the President of the central Kentucky region and served on the Board of Great Financial Bank, a \$3 billion savings and loan holding company located in Louisville, Kentucky. Mr. Whitaker served as a director of the Federal Home Loan Bank of Cincinnati from 1991 to 1997, including a term as Vice-Chairman. He served on the Board of America's Community Bankers, a national banking trade group, from 2001 to 2007. Mr. Whitaker has served on the Board of Directors of Pentegra Group, Inc., a financial services company specializing in retirement benefits, since 2002. He is currently that board's Chairman. He also currently serves as Chairman of the Kentucky Bankers Association.

Based on his level of experience and the breadth of his career, Mr. Whitaker has few peers among bankers still actively working. His expertise in the Kentucky thrift community is incomparable. He is both the architect and ongoing leader of Kentucky First Federal and as such provides extremely valuable service to our board.

David R. Harrod has been a director of Kentucky First since its inception in March 2005. He has served as a Director of First Federal of Frankfort since 2003. He also previously served as Director and Chairman of the Audit Committee of Frankfort First. He currently serves as a Director and Treasurer of the Franklin County Industrial Development Authority. Mr. Harrod is a certified public accountant and is a principal of Harrod and Associates, P.S.C., a Frankfort, Kentucky-based accounting firm.

Mr. Harrod's financial expertise is a necessary component of the board. His career in public accounting, which has included audit work for a publicly-traded financial institution, affords him an exceptional level of knowledge that is highly appropriate as he chairs the Company's audit committee and, as such, is the liaison between the board and the independent public accountants.

Herman D. Regan, Jr. has been a director of Kentucky First since its inception in March 2005. He has served as a Director of First Federal of Frankfort since 1988. Mr. Regan served as Chairman of the Board and President of Kenviron, Inc., a civil and environmental engineering consulting firm, from 1975 until his retirement in August, 1994.

Mr. Regan's long history in the Frankfort business community allows him to provide valuable insight to the Board. His experience as a director of First Federal of Frankfort and with Frankfort First Bancorp (a public company from 1995 through 2005) illustrates a high level of knowledge and dedication. After completing a B.S. degree in Civil Engineering at the University of Kentucky and a Masters degree in Sanitary Engineering at the University of North Carolina, Mr. Regan went on to a distinguished career in environmental engineering which climaxed in his receipt of the Kentucky Environmental Quality Commission's prestigious Lifetime Achievement Award, which stated that Mr. Regan's career is "a stellar example of dedication to cleaner air and water quality for future Kentuckians." Mr. Regan has also served on the board of Baptist Health Care, Inc., in Louisville and of Central Baptist Hospital in Lexington.

- As to the shareholder making the recommendation, the name and address, as he or she appears on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of the Company's common stock, the shareholder should submit his or her name and address, along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
- A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In its deliberations, the Nominating/Corporate Governance Committee considers a candidate's personal and professional integrity, knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the banks' market areas. Any nominee for director made by the Nominating/Corporate Governance Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies in the Board, the Nominating/Corporate Governance Committee solicits the Company's then current directors for the names of potential qualified candidates. Moreover, the Nominating/Corporate Governance Committee may ask its directors to pursue their own business contacts for the names of potentially qualified candidates. The Nominating/Corporate Governance Committee would then consider the potential pool of director candidates, select a candidate based on the candidate's qualifications and the Board's needs, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. In the event a stockholder has submitted a proposed nominee, the Nominating/Corporate Governance Committee would consider the proposed nominee in the same manner in which the Nominating/Corporate Governance Committee would evaluate nominees for director recommended by directors.

The Nominating Committee seeks to create a Board that is strong in its collective knowledge and has a diversity of skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business operations, business judgment, industry knowledge and corporate governance. Accordingly, the Board of Directors will consider the following criteria in selecting nominees: financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its stockholders; independence; and any other factors the Board of Directors deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating/Corporate Governance Committee will consider and review an existing director's Board and committee attendance and performance, length of Board service, experience, skills and contributions that the existing director brings to the Board and independence.

**Board Leadership Structure and Board's Role in Risk Oversight.** The Chief Executive Officer also serves as Chairman of the Board, due in part to the Chief Executive's long-standing tenure with the Company, which provides unique and intimate knowledge regarding the history, strategy, business and operations of the Company and the Bank. The Board of Directors has not designated a lead independent director.

The Company's Board of Directors endorses the view that one of its primary functions is to protect stockholders' interests by providing independent oversight of management, including the Chief Executive Officer. However, the Board does not believe that mandating a particular structure, such as a separate Chairman and Chief Executive Officer or designating a lead independent director, is necessary to achieve effective oversight. The Board of the Company is currently comprised of six directors, four of whom are independent directors under the listing standards of the Nasdaq Stock Market. The Chairman of the Board has no greater nor lesser vote on matters considered by the Board than any other director, and the Chairman does not vote on any related party transaction. All directors of the Company,

including the Chairman, are bound by fiduciary obligations, imposed by law, to serve the best interests of the stockholders. Accordingly, separating the offices of Chairman and Chief Executive Officer would not serve to enhance or diminish the fiduciary duties of any director of the Company.

To further strengthen the regular oversight of the full Board, all various committees of the Board are comprised of independent directors. The Compensation Committee of the Board consists solely of independent directors. The Compensation Committee reviews and evaluates the performance of all executive officers of the Company, including the Chief Executive Officer and reports to the Board. In addition, the Audit Committee, which is comprised solely of independent directors, oversees the Company's financial practices, regulatory compliance, accounting procedures and financial reporting functions. In the opinion of the Board of Directors, an independent chairman or the designation of a lead independent director does not add any value to this already effective process.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Board Policies Regarding Communications with the Board of Directors and Attendance at Annual Meetings. The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to Secretary, Kentucky First Federal Bancorp, P.O. Box 1069, Hazard, Kentucky 41702-1069. All communications that relate to matters that are within the scope of the responsibilities of the Board and its Committees are to be presented to the Board no later than its next regularly scheduled meeting. Communications that relate to matters that are within the responsibility of one of the Board Committees are also to be forwarded to the Chair of the appropriate Committee. Communications that relate to ordinary business matters that are not within the scope of the Board's responsibilities, such as customer complaints, are to be sent to the appropriate officer. Solicitations, junk mail and obviously frivolous or inappropriate communications are not to be forwarded, but will be made available to any director who wishes to review them.

Directors are expected to prepare themselves for and to attend all Board meetings, the Annual Meeting of Stockholders and the meetings of the Committees on which they serve, with the understanding that on occasion a director may be unable to attend a meeting. All directors attended the Company's 2010 annual meeting of stockholders held on November 11, 2010.

## Employment Agreements

The Company and First Federal of Hazard entered into separate employment agreements with Tony D. Whitaker, Chairman of the Board of Kentucky First and President and Chief Executive Officer of First Federal of Hazard. The Company and First Federal of Frankfort entered into separate employment agreements with Don D. Jennings, President and Chief Operating Officer of Kentucky First and Vice Chairman and Chief Executive Officer of First Federal of Frankfort and with R. Clay Hulette, Vice President and Chief Financial Officer of Kentucky First Federal Bancorp and President of First Federal of Frankfort. Such employment agreements are referred to herein as the "Agreements." The Agreements provide for three-year terms, expiring on August 15, 2014, renewable on an annual basis for an additional year upon review and extension by the respective Boards of Directors of Kentucky First, First Federal of Hazard and First Federal of Frankfort. The Agreements establish a base salary of \$164,400, \$132,500 and \$122,500 for Messrs. Whitaker, Jennings, and Hulette, respectively. In addition to establishing a base salary, the Agreements provide for, among other things, participation in stock-based and other benefit plans, as well as certain fringe benefits.

The Agreements also provide that Kentucky First, First Federal of Hazard and First Federal of Frankfort may terminate the employment of Messrs. Whitaker, Jennings, or Hulette for cause, as defined in the Agreements, at any time. No compensation or benefits are payable upon termination of either officer for cause. Each of the officers may also voluntarily terminate his employment by providing 90 days prior written notice. Upon voluntary termination, the officer receives only compensation and vested benefits through the termination date.

The Agreements terminate upon the officer's death, and his estate receives any compensation due through the last day of the calendar month of death. The Agreements also allow the appropriate boards to terminate the employment of Messrs. Whitaker, Jennings, or Hulette due to disability, as defined in the Agreements. A disabled executive receives any compensation and benefits provided for under the agreement for any period prior to termination during which the executive was unable to work due to disability. Messrs. Whitaker, Jennings, and Hulette also may receive disability benefits under First Federal of Hazard's or First Federal of Frankfort's long-term disability plan(s) without reduction for any payments made under the Agreement. During a period of disability, to the extent reasonably capable of doing so, Messrs. Whitaker and Jennings agree to provide assistance and undertake reasonable assignments for the employers.

The Agreements also require Messrs. Whitaker, Jennings, and Hulette to agree not to compete with Kentucky First, First Federal of Hazard or First Federal of Frankfort for one year following a termination of employment, other than in connection with a change in control. Kentucky First, First Federal of Hazard or First Federal of Frankfort will pay or reimburse Messrs. Whitaker, Jennings, and Hulette for all reasonable costs and legal fees paid or incurred by him in any dispute or question of interpretation regarding the Agreements, if the executive is successful on the merits in a legal judgment, arbitration proceeding or settlement. The Agreements also provide Messrs. Whitaker, Jennings, and Hulette with indemnification to the fullest extent legally allowable.

Under the Agreements, if either Kentucky First, First Federal of Hazard or First Federal of Frankfort terminates the employment of Messrs. Whitaker, Jennings, or Hulette without cause, or if Messrs. Whitaker, Jennings, or Hulette resigns under specified circumstances that constitute constructive termination, he receives his base salary and continued employee benefits for the remaining term of the Agreement, as well as continued health, life and disability coverage under the same terms such coverage is provided to other senior executives, or comparable individual coverage.

Under the Agreements, if, within one year after a change in control (as defined in the Agreements), any of Messrs. Whitaker, Jennings, or Hulette voluntarily terminate his employment under circumstances discussed in the Agreement, or involuntarily terminates employment, the executive receives a cash payment equal to three times his average annual compensation over the five most recently completed calendar years preceding the change in

control. He also receives continued employee benefits and health, life and disability insurance coverage for thirty-six months following termination of employment.

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's "base amount" are deemed to be "excess parachute payments" if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of their base amount, and the employer is not entitled to deduct any parachute payments over the base amount. The Agreements limit payments made to Messrs. Whitaker and Jennings in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G.

#### Equity Grants

The Company granted each of the named executive officers equity awards of restricted stock and stock options in 2006. Upon a change in control, all outstanding stock options become immediately exercisable and the restrictions on restricted stock immediately lapse. As of June 30, 2011, Messrs. Whitaker, Jennings and Hulette had no unvested shares or options.

#### Outstanding Equity Awards at Fiscal Year End

The following table provides certain information with respect to the number of shares of Company common stock represented by outstanding stock options held by the named executive officers as of June 30, 2011.

#### Option Awards

Name	Number of Securities Underlying Unexercised Options (#) Exercisable	Number of Securities Underlying Unexercised Options (#) Unexercisable	Option Exercise Price (\$)	Option Expiration Date
Tony D. Whitaker	105,000	0	\$ 10.10	12/13/2015
R. Clay Hulette	52,000	0	10.10	12/13/2015
Don D. Jennings	52,000	0	10.10	12/13/2015

Retirement Plan. First Federal of Hazard employees, including Mr. Whitaker, participate in the Financial Institution Retirement Plan (the "Retirement Plan") to provide retirement benefits for eligible employees. Messrs. Jennings and Hulette participate in a similar plan for First Federal of Frankfort employees. Employees are eligible to participate in the Retirement Plan after the completion of one year of employment and attainment of age 21. The formula for normal retirement benefits payable annually is 2%, under the First Federal of Hazard Retirement Plan, and 1.25%, under the First Federal of Frankfort Retirement Plan, of the average of the participant's highest five years of compensation multiplied by the participant's years of service. Participants in the First Federal of Hazard Retirement Plan may also receive a reduced early retirement benefit under the Retirement Plan upon attainment of age 45 and satisfaction of the Retirement Plan's vesting requirements. Participants generally have no vested interest in Retirement Benefits prior to their completion of five years of service. Following the completion of five years of vesting service, or upon attainment of age 65, death or termination of employment due to disability, participants automatically become 100% vested in their accrued benefit under the Retirement Plan. The amounts of benefits paid under the Retirement Plan are not reduced for any social security benefit payable to participants. Benefits under the First Federal of Frankfort Retirement Plan may be paid in a lump sum, while the First Federal of Hazard Retirement Plan does not allow for a lump sum payment of accrued benefits; however, Mr. Whitaker may elect to be paid in a lump sum as a

result of previous participation in a comparable plan at another financial institution.

The present value of accumulated benefits for the First Federal of Hazard Retirement Plan is calculated using the accrued benefit multiplied by a present value factor based on an assumed age 65 retirement date, the 1994 Group Annuity Mortality table projected five years and an interest rate of 5.00% for 50% of the benefit and 7.75% for 50% of the benefit, discounted to current age at an assumed interest rate of 7.75%.

Supplemental Executive Retirement Plan. First Federal of Hazard has implemented a supplemental executive retirement plan (“SERP”) to provide for supplemental retirement benefits with respect to the employee stock ownership plan (“ESOP”) and retirement plan. The SERP provides participating executives with benefits otherwise limited by certain provisions of the Internal Revenue Code or the terms of the ESOP loan. Specifically, the SERP will provide benefits to designated officers that cannot be provided under the pension plan or the ESOP as a result of limitations imposed by the Internal Revenue Code, but that would have been provided under such plans, but for these Internal Revenue Code limitations. In addition to providing for benefits lost under tax-qualified plans as a result of the Internal Revenue Code limitations, the SERP will also provide supplemental benefits upon a change of control prior to the scheduled repayment of the ESOP loan. Generally, upon a change in control, the SERP will provide participants with a benefit equal to what they would have received under the ESOP, had they remained employed throughout the term of the loan, less the benefits actually provided under the ESOP on the participant’s behalf. A participant’s benefits generally become payable upon a change in control of Kentucky First or its subsidiaries. The Board has designated Tony D. Whitaker as a participant in the SERP.

First Federal of Hazard may utilize a grantor trust in connection with the SERP, in order to set aside funds that ultimately may be used to pay benefits under the SERP. The assets of the grantor trust will remain subject to the claims of general creditors in the event of insolvency, until paid to a participant according to the terms of the SERP. No amounts have been accrued to date under the SERP for Mr. Whitaker.

#### DIRECTOR COMPENSATION

The following table provides the compensation received by individuals who served as non-employee directors of the Company during the 2010 fiscal year. This table excludes perquisites, which did not exceed \$10,000 in the aggregate for each director.

Name	Fees			Total (\$)
	Earned or Paid in Cash (\$)	Option Awards (\$) (1)	All Other Compensation (\$) (2)	
Stephen G. Barker	\$ 14,800	\$ 0	\$ 336	\$ 15,136
Walter G. Ecton, Jr.	14,800	0	336	15,136
David R. Harrod	12,600	0	336	12,936
Herman D. Regan, Jr.	12,600	0	336	12,936

(1) There were no grants of options during the 2011 fiscal year. At June 30, 2011 each director had the following options all with an exercise price of \$10.10:

Director Barker 21,000 vested  
 Director Ecton 21,000 vested  
 Director Harrod 21,000 vested  
 Director Regan 21,000 vested

(2) The amounts reported in the “All Other Compensation” column for the year ended June 30, 2011 consist of dividends on restricted stock.

Fees. Each nonemployee director of the Company receives a quarterly retainer of \$900, and each member of the Kentucky First Audit Committee receives \$900 per meeting attended on a date on which there is not also a meeting of the full Board of Directors. Officers of Kentucky First who are directors are not compensated for their service as directors. Directors who also serve as directors of First Federal of Hazard receive \$10,800 annually plus \$400 for serving on the investment committee. Directors who also serve as directors of First Federal of Frankfort receive

\$9,000 annually plus \$100 for certain committee meetings. Officers of either Bank who are also directors are not compensated for their service as directors.

## TRANSACTIONS WITH RELATED PERSONS

First Federal of Hazard and First Federal of Frankfort both offer loans to their directors and executive officers. These loans were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. Under current law, the Banks' loans to directors and executive officers are required to be made on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons who are not related to the lender and must not involve more than the normal risk of repayment or present other unfavorable features. Furthermore, all loans to such persons must be approved in advance by a disinterested majority of the Company's Board of Directors. At June 30, 2011, loans to directors, executive officers, and the nominee for the board and their affiliates totaled \$865,000, or 1.5% of the Company's stockholders' equity, at that date. Any transaction with a director, nominee for director, executive officer or 5% shareholder or with a family member of any such person must be approved in advance by the Audit Committee of the Board of Directors.

## REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors (the "Audit Committee") has:

1. Reviewed and discussed with management the audited financial statements for the fiscal year ended June 30, 2011.
2. Discussed with the Company's independent accountants the matters required to be discussed by Statement of Accounting Standards No. 61, as amended (AICPA Professional Standards Vol. 1 AU Section 380) as adapted by the Public Company Accounting Oversight Board in Rule 3200T; and
3. Received the written disclosures and the letter from the Company's independent auditors required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with the independent accountant the independent accountant's independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 30, 2011 be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2011.

The Audit Committee has reviewed the nonaudit services currently provided by the Company's independent accountants and has considered whether the provision of such services is compatible with maintaining the independence of the Company's independent accountants.

## RELATIONSHIP WITH INDEPENDENT AUDITORS

Crowe Horwath LLP (“Crowe Horwath”) served as the Company’s independent accountants to audit the Company’s consolidated financial statements for the fiscal years ended June 30, 2011 and 2010.

Crowe Horwath's reports on the Company's consolidated financial statements for the fiscal years ended June 30, 2011 and 2010 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the Company’s two most recent fiscal year ends (the fiscal years ended June 30, 2011 and 2010) and through September 28, 2011, there were no disagreements with Crowe Horwath on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Crowe Horwath, would have caused Crowe Horwath to make reference to the subject matter of the disagreements in their reports on the Company’s consolidated financial statements for such years. During the Company’s two most recent fiscal year ends (the fiscal years ended June 30, 2011 and 2010) and the subsequent interim period from July 1, 2011 through September 28, 2011, there were no “reportable events” as defined in Item 304(a)(1)(v) of Regulation S-K.

## PROPOSAL II — RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee of the Board of Directors has approved the Company’s arrangements with Crowe Horwath LLP to be the Company’s independent accountants for the 2012 fiscal year, subject to ratification by the Company’s stockholders. There are no plans for a representative of Crowe Horwath LLP to be present at the 2011 Annual Meeting.

The appointment of the auditors must be approved by a majority of the votes cast by the stockholders of the Company at the Meeting. The Board of Directors recommends that shareholders vote “FOR” the ratification of the appointment of the auditors. In voting to ratify the appointment of the auditors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the voting on the proposal.

## AUDIT AND OTHER FEES PAID TO INDEPENDENT ACCOUNTANT

Fees billed by the Company’s independent accountant for the fiscal years ended June 30, 2011 and 2010 were \$105,550 and \$105,550, respectively.

### Audit Fees

The aggregate fees billed by the Company’s independent accountant for the audit of the Company’s annual financial statements were \$59,500 and \$82,500 for the fiscal years ended June 30, 2011 and 2010, respectively.

### Audit Related Fees

These fees include review of quarterly reports on Form 10-Q as filed by Kentucky First. The Company’s independent accountant received \$14,000 for the fiscal year ended June 30, 2011 and \$13,500 for the fiscal year ended June 30, 2010.

### Tax Fees

The aggregate fees billed by the Company’s independent accountant for tax services for the fiscal years ended June 30, 2011 and 2010 were \$8,500 and \$20,550, respectively. Such amounts include fees for tax compliance services, including preparation of federal and state income tax returns. The Fiscal 2010 fees also include assistance with the

Company's challenge to the Internal Revenue Service regarding the denial of a refund claimed for the fiscal year ended June 30, 2006 and amending the Fiscal 2009 income tax return.

#### All Other Fees

The aggregate fees billed by the Company's independent accountant for all other services, exclusive of the fees disclosed above, rendered during the fiscal years ended June 30, 2011 and 2010 were \$0 and \$14,000 respectively. For the year ended June 30, 2011, these services consisted of services performed in preparation for the issuance of an opinion on the Company's compliance with internal control procedures mandated by the Sarbanes Oxley Act, Section 404. The enactment of the Dodd-Frank Wall Street Reform and Consumer Protection Act on July 21, 2010, exempted the Company from this responsibility and the preparatory work was cancelled.

#### Pre-Approval of Services by the Independent Auditor

The Audit Committee does not have a policy for the pre-approval of nonaudit services to be provided by the Company's independent accountants. Any such services would be considered on a case-by-case basis. All nonaudit services provided by the independent auditors in fiscal years 2011 and 2010 were approved by the Audit Committee. However, certain services such as the review of the Company's public filings, review of the Company's tax returns, and general discussions with management regarding accounting issues, which may be construed as necessary for the accurate completion of the audit, are approved in advance on an annual basis. The Committee has also approved the engagement of Crowe Horwath to prepare the company's consolidated tax return for the year ended June 30, 2011.

#### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to regulations promulgated under the Exchange Act, the Company's officers and directors and all persons who own more than 10% of the Common Stock ("Reporting Persons") are required to file reports detailing their ownership and changes of ownership in the Common Stock and to furnish the Company with copies of all such ownership reports that are filed. Based solely on the Company's review of the copies of such ownership reports which it has received in the past fiscal year or with respect to the past fiscal year, or written representations that no annual report of changes in beneficial ownership were required, the Company believes that during fiscal year 2011 all Reporting Persons have complied with these reporting requirements.

#### OTHER MATTERS

The Board of Directors is not aware of any business to come before the Annual Meeting other than those matters described above in this proxy statement and matters incident to the conduct of the Annual Meeting. However, if any other matters should properly come before the Annual Meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the determination of a majority of the Board of Directors.

#### MISCELLANEOUS

The cost of soliciting proxies will be borne by the Company.
