Item 8.01. Other Events

On October 28, 2011, a purported derivative lawsuit was filed in the U.S. District Court for the Central District of California against certain of the Company's current or former directors and officers. The complaint in *Padnos v. Yu, et al.*, No. 11-cv-8973 (C.D. Cal.) alleges that the defendants made or issued false and misleading statements about the Company's operations and financial performance in filings with the U.S. Securities and Exchange Commission, and thereby breached their fiduciary duties, enriched themselves, and damaged the Company. The derivative complaint seeks monetary damages and other relief, including costs and expenses. The Company believes the complaint has no merit and intends to vigorously oppose the lawsuit.
