In the event of a subsequent termination of Mr. Bornak's employment for any reason, all of Mr. Bornak's stock options become exercisable for the lesser of (i) the remaining applicable term of the particular stock option or (ii) three years from the date of termination. If within one year following a Change in Control the employment of Mr. Bornak is terminated (i) by SeaChange other than for specified cause, death or disability, or (ii) by Mr. Bornak for specified good reason, Mr. Bornak shall be entitled to the following: (a) one times Mr. Bornak's annual base salary plus Mr. Bornak's bonus for the current year calculated on a pro-rated basis; (b) for a period of one year, continued health, life and disability benefits; (c) outplacement services for up to one year following termination; (d) up to \$5,000 of financial planning services; and (e) accrued vacation pay.
