Item 5.03 – Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 3, 2014, the Board of Directors (the "Board") of ServisFirst Bancshares, Inc. (the "Company") amended Article V and Article VII of Bylaws of the Company, effective on that date (the "Amended Bylaws"), to allow for the issuance of uncertificated shares of the stock and all other securities of the Company. The Board adopted these amendments to comply with the NASDAQ Listing Rules requirement that securities listed on NASDAQ be eligible for direct registration. The Direct Registration System allows investors to have shares registered in their own names by book-entry. Book-entry allows shares to be owned, recorded and transferred electronically on a system currently administered by The Depository Trust Company without issuance of physical stock certificates, which enables investors and broker-dealers to effect transactions without the risks and delays associated with transferring physical certificates. Investors retain other aspects of direct ownership such as voting rights. Prior to this amendment, the Company's bylaws required that shares of stock in the Company be certificated.

The text of the Amended Bylaws is filed as Exhibit 3.1 to this Current Report.
