Item 4.01 Changes in Registrant's Certifying Accountant.

(a) On January 20, 2015, AmpliPhi Biosciences Corporation (the "Company") dismissed PBMares, LLP ("PBMares") as its independent registered public accounting firm. The reports of PBMares on the Company's financial statements for each of the last two fiscal years contained an uncertainty modification that there was substantial doubt about the Company's ability to continue as a going concern. Otherwise, such reports did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to audit scope or accounting principles. The decision to change auditors was approved by the Audit Committee of the Board (the "Audit Committee").

During the Company's two most recent fiscal years, and in the interim period ending on the date of the Company's dismissal of PBMares, the Company has not had any disagreements with PBMares on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to PBMares' satisfaction, would have caused them to make reference thereto in their reports on the Company's financial statements for such periods.

During the Company's two most recent fiscal years, and in the interim period ending on the date of the Company's dismissal of PBMares, there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company has requested that PBMares furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. A copy of the letter from PBMares, dated January 22, 2015, is filed as Exhibit 16.1 to this Form 8-K.

(b) The Company has engaged Ernst & Young LLP ("E&Y") as its new independent accountant as of January 20, 2015. During the Company's two most recent fiscal years, and in the interim period ending on the date of the Company's engagement of E&Y, the Company did not consult with E&Y regarding any of the matters described in Item 304(a)(2)(i) and (ii) of Regulation S-K. The Audit Committee and the Board have approved this engagement.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits:

Exhibit 16.1 Letter to Securities and Exchange Commission from PBMares, LLP, dated January 22, 2015.
