Shareholders who execute proxies may revoke them with respect to a proposal by attending the Annual Meeting and voting his or her Shares in person, or by submitting a letter of revocation or a later-dated proxy to the Company at the above address prior to the date of the Annual Meeting.

Quorum

A quorum must be present at the Annual Meeting for any business to be conducted. Abstentions will be treated as shares present for quorum purposes. Shares for which brokers have not received voting instructions from the beneficial owner of the shares and do not have discretionary authority to vote the shares on certain proposals (which are considered broker non-votes with respect to such proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Annual Meeting, the shareholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

the Internet or by telephone. Specific instructions to be followed by shareholders of record interested in voting via the Internet or telephone are shown on the enclosed proxy card.

Revoking Your Proxy

If you are a shareholder of record, you can revoke your proxy at any time before it is exercised by (1) delivering a written revocation notice prior to the Annual Meeting to our Corporate Secretary, Linda S. VanDenburgh, at OFS Capital Corporation, 10 South Wacker Drive, Suite 2500, Chicago, Illinois 60606, Attention: Corporate Secretary; (2) submitting a later-dated proxy that we receive no later than the conclusion of voting at the Annual Meeting; or (3) voting in person at the Annual Meeting. If you hold shares of common stock through a broker, bank or other nominee, you must follow the instructions you receive from your nominee in order to revoke your voting instructions. Attending the Annual Meeting does not revoke your proxy unless you also vote in person at the Annual Meeting.

Internet and telephone procedures for voting and for revoking or changing a vote are designed to authenticate shareholders' identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been properly recorded. A shareholder that votes through the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which will be borne by the shareholder.

The Company's most recent annual report on Form 10-K (the Annual Report) will be available on the Company's website at www.ofscapital.com and the Securities and Exchange Commission's (SEC's) website at www.sec.gov or by e-mailing investorrelations@ofscapital.com. The Company has requested that brokers, nominees, fiduciaries, and other persons holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. The Company will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by mail, proxies may be solicited in person and by telephone, facsimile transmission, or telegram by directors, officers, or regular employees of the Company (without special compensation therefor). Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the shareholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

CORPORATE GOVERNANCE

Board Leadership Structure

Our Board monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to us. Among other things, our Board approves the appointment of our investment adviser and our officers, reviews and monitors the services and activities performed by our investment adviser and our executive officers, and approves the engagement, and reviews the performance of, our independent registered public accounting firm.

Chairman and Chief Executive Officer

The Board currently combines the role of Chairman of the Board with the role of Chief Executive Officer (CEO), coupled with a Lead Independent Director position to further strengthen the governance structure. The Board believes this provides an efficient and effective leadership model for the Company. Combining the Chairman and CEO roles fosters clear accountability, effective decision-making, and alignment on corporate strategy.

No single leadership model is right for all companies at all times. The Board recognizes that, depending on the circumstances, other leadership models, such as a separate independent chairman of the board, might be appropriate. Accordingly, the Board periodically reviews its leadership structure.

Moreover, the Board believes that its governance practices provide adequate safeguards against any potential risks that might be associated with having a combined Chairman and CEO. Specifically:

- Three of the five current directors of the Company are independent directors;
- All of the members of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee are independent directors;
- The Board and its committees regularly conduct scheduled meetings in executive session, out of the presence of Mr. Rashid and other members of management;

- The Board and its committees regularly conduct meetings that specifically include Mr. Rashid; and
- The Board and its committees remain in close contact with, and receive reports on various aspects of the Company's management and enterprise risk directly from, the Company's senior management and independent auditors.

Lead Independent Director

The Board has instituted the Lead Independent Director position to provide an additional measure of balance, ensure the Board's independence, and enhance its ability to fulfill its management oversight responsibilities. Robert J. Cresci currently serves as the Lead Independent Director. The Lead Independent Director:

- Presides over all meetings of the directors at which the Chairman is not present, including executive sessions of the independent directors;

- Frequently consults with the Chairman and CEO about strategic policies;

- Provides the Chairman and CEO with input regarding Board meetings;

- Serves as a liaison between the Chairman and CEO and the independent directors; and

- Otherwise assumes such responsibilities as may be assigned to him by the independent directors.

Having a combined Chairman and CEO, coupled with a substantial majority of independent, experienced directors who evaluate the Board and themselves at least annually, including a Lead Independent Director with specified

responsibilities on behalf of the independent directors, provides the right leadership structure for the Company and is best for the Company and its shareholders at this time.

Board's Role in Risk Oversight

Our Board performs its risk oversight function primarily through (i) its standing committees, which report to the entire Board and are comprised solely of independent directors, and (ii) active monitoring of our Chief Compliance Officer and our compliance policies and procedures. For example, management of cybersecurity risks is the responsibility of the full Board. Oversight of other risks is delegated to the committees.

Oversight of our investment activities extends to oversight of the risk management processes employed by OFS Advisor as part of its day-to-day management of our investment activities. The Board anticipates reviewing risk management processes at both regular and special board meetings throughout the year, consulting with appropriate representatives of OFS Advisor as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board's risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. Investors should note, however, that the Board's oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of investments.

We believe that the role of our Board in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a BDC. As a BDC, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, we are limited in our ability to enter into transactions with our affiliates, including investing in any portfolio company in which one of our affiliates currently has an investment.

Related-Party Transactions and Certain Relationships

We have entered into agreements with OFS Advisor and its affiliates in which certain members of our senior management have ownership and financial interests. OFS Advisor and its affiliates manage other assets and funds and may manage other entities in the future, including other BDCs, and these other funds and entities may have similar or overlapping investment strategies. The members of our investment committees serve or may serve as officers, directors or principals of entities that operate in the same or a related line of business as we do, or of investment funds or other investment vehicles managed by OFS Advisor or its affiliates. Similarly, OFS Advisor and/or its affiliates may have other clients with similar, different or competing investment objectives. In serving in these multiple capacities, they may have obligations to other clients or investors in those entities, the fulfillment of which may not be in the best interests of us or our shareholders. OFS Advisor will seek to allocate investment opportunities among eligible accounts in a manner that is fair and equitable over time and consistent with its allocation policy so that we are not disadvantaged in relation to any other client. An investment opportunity that is suitable for multiple clients of OFS Advisor and its affiliates may not be capable of being shared among some or all of such clients and affiliates due to the limited scale of the opportunity or other factors, including regulatory restrictions imposed by the 1940 Act (see discussion below). There can be no assurance that OFS Advisor's or its affiliates' efforts to allocate any particular investment opportunity fairly and equitably among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to us. Not all conflicts of interest can be expected to be resolved in our favor. As a result, we may not be given the opportunity to participate in certain investments made by investment funds, accounts or other investment vehicles managed by OFS Advisor and its affiliates or by members of our investment committees.

Because we have elected to be treated as a BDC under the 1940 Act, we are prohibited under the 1940 Act from participating in certain transactions with our affiliates without the prior approval of our independent directors and, in some cases, of the SEC. Those transactions include purchases and sales, and so-called joint transactions, in which we and one or more of our affiliates are engaging together in certain types of profit-making activities. Any person that

owns, directly or indirectly, five percent or more of our outstanding voting securities will be our affiliate for purposes of the 1940 Act, and we are generally prohibited from engaging in purchases or sales of assets or joint transactions with such affiliates, absent the prior approval of our independent directors. Additionally, without the approval of the SEC, we are prohibited from engaging in purchases or sales of assets or joint transactions with the following affiliated persons: (a) our officers, directors, and employees; (b) OFS Advisor and its affiliates; and (c) OFSAM or its affiliates.

13

We may, however, invest alongside OFSAM and its affiliates or their respective other clients in certain circumstances where doing so is consistent with current law and SEC staff interpretations. For example, we may invest alongside such accounts consistent with guidance promulgated by the SEC staff permitting us and such other accounts to purchase interests in a single class of privately placed securities so long as certain conditions are met, including that OFS Advisor, acting on our behalf and on behalf of other clients, negotiates no term other than price. Co-investment with such other accounts is not permitted or appropriate under this guidance when there is an opportunity to invest in different securities of the same issuer or where the different investments could be expected to result in a conflict between our interests and those of other accounts. Moreover, except in certain circumstances, this guidance does not permit us to invest in any issuer in which OFSAM and its affiliates or a fund managed by OFSAM or its affiliates has previously invested.

With the exception of investments specifically permitted by current law or regulatory guidance, we will not be permitted to co-invest with other funds managed by OFSAM or its affiliates unless we receive exemptive relief from the SEC permitting us to do so.

On January 15, 2016, we filed an exemptive application with the SEC to permit us to co-invest with funds or entities managed by OFS Advisor in certain negotiated transactions where co-investing would otherwise be prohibited under the 1940 Act. Any such order, if granted by the SEC, will be subject to certain terms and conditions. There can be no assurance when or if such exemptive relief will be granted by the SEC. If such relief is granted, then we will be permitted to co-invest with our affiliates if a required majority (as defined in Section 57(o) of the 1940 Act) or our independent directors make certain conclusions in connection with a co-investment transaction, including that (1) the terms of the transaction, including the consideration to be paid, are reasonable and fair to us and our shareholders and do not involve overreaching by us or our shareholders on the part of any person concerned and (2) the transaction is consistent with the interests of our shareholders and is consistent with our investment objective and strategies. There can be no assurance when or if such exemptive relief will be granted by the SEC.

Where we are or may in the future be permitted to invest alongside OFSAM and its affiliates or their respective other clients, OFS Advisor will, to the extent consistent with applicable law, regulatory guidance, or exemptive relief, allocate investment opportunities in accordance with its allocation policy. Under this allocation policy, if two or more investment vehicles with similar or overlapping investment strategies are in their investment periods, an available opportunity will be allocated based on the provisions governing allocations of such investment opportunities in the relevant organizational, offering or similar documents, if any, for such investment vehicles. In the absence of any such provisions, OFS Advisor will consider the following factors and the weight that should be given with respect to each of these factors:

investment guidelines and/or restrictions, if any, set forth in the applicable organizational, offering or similar documents for the investment vehicles;

risk and return profile of the investment vehicles;

suitability/priority of a particular investment for the investment vehicles;

if applicable, the targeted position size of the investment for the investment vehicles;

level of available cash for investment with respect to the investment vehicles;

total amount of funds committed to the investment vehicles; and

the age of the investment vehicles and the remaining term of their respective investment periods, if any.

In situations where co-investment with other accounts is not permitted or appropriate, OFS Advisor will need to decide which account will proceed with the investment. The decision by OFS Advisor to allocate an opportunity to another entity could cause us to forego an investment opportunity that we otherwise would have made. These restrictions, and similar restrictions that limit our ability to transact business with our officers or directors or their affiliates, may limit the scope of investment opportunities that would otherwise be available to us.

Our senior management, members of OFS Advisor's investment committee, members of OFS SBIC I, LP's investment committee and other investment professionals from OFSAM or its other affiliates may serve as directors of, or in a similar capacity with, companies in which we invest or in which we are considering making an investment. Through these and other relationships with a company, these individuals may obtain material non-public information that might restrict our ability to buy or sell the securities of such company under the policies of the company or applicable law.

We have entered into an Investment Advisory and Management Agreement with OFS Advisor and will pay OFS Advisor a base management fee and incentive fee. The incentive fee will be computed and paid on income that we may not yet have received in cash. This fee structure may create an incentive for OFS Advisor to invest in certain types of securities. Additionally, we rely on investment professionals from OFS Advisor to assist our Board with the valuation of our portfolio investments. OFS Advisor's base management fee and incentive fee are based on the value of our investments and there may be a conflict of interest when personnel of OFS Advisor are involved in the valuation process for our portfolio investments. In addition, the incentive fee payable by us to OFS Advisor may create an incentive for OFS Advisor to cause us to make more speculative investments or increase our debt outstanding more than would be the case in the absence of such compensation arrangement.

We have entered into a license agreement with OFSAM under which OFSAM grants us a non-exclusive, royalty-free license to use the name OFS.

We have entered into an Administration Agreement, pursuant to which OFS Capital Services, LLC (OFS Services) furnishes us with office facilities, equipment, necessary software licenses and subscriptions and clerical, bookkeeping and record keeping services at such facilities. Under our Administration Agreement, OFS Services performs, or oversees the performance of, our required administrative services, which include, among other things, being responsible for the financial records that we are required to maintain and preparing reports to our shareholders and all other reports and materials required to be filed with the SEC or any other regulatory authority.

OFS Advisor is an affiliate of OFSC, with which it has entered into a Staffing and Corporate Services Agreement (the Staffing Agreement). Under this agreement, OFSC makes available to OFS Advisor experienced investment professionals and access to the senior investment personnel and other resources of OFSC and its affiliates. The Staffing Agreement provides OFS Advisor with access to deal flow generated by the professionals of OFSC and its affiliates and commits the members of OFS Advisor's investment committee to serve in that capacity. OFS Advisor capitalizes on the significant deal origination and sourcing, credit underwriting, due diligence, investment structuring, execution, portfolio management and monitoring experience of OFSC's investment professionals.

OFSC also has entered into a Staffing and Corporate Services Agreement with OFS Services. Under this agreement, OFS Services makes available to OFSC the administrative resources of OFS Services.

Review, Approval or Ratification of Transactions with Related Persons

The Audit Committee of our Board is required to review and approve any transactions with related persons (as such term is defined in Item 404 of Regulation S-K).

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the Company's directors and executive officers, and any persons holding more than 10% of its common stock, are required to report their beneficial ownership and any changes therein

to the SEC and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based on the Company's review of Forms 3, 4 and 5 filed by such persons and information provided by the Company's directors and officers, the Company believes that during the fiscal year ended December 31, 2015, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

Director Independence

In accordance with rules of The NASDAQ Global Select Market, the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Company's Nominating and Corporate Governance Committee and through a questionnaire completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in The NASDAQ Global Select Market rules. The NASDAQ Global Select Market rules provides that a director of a BDC shall be considered to be independent if he or she is not an interested person of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an interested person to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the following directors and director nominees are independent and have no relationship with the Company, except as director of the Company: Messrs. Abrams and Cresci and Ms. Healy.

Annual Evaluation

Our directors perform an evaluation, at least annually, of the effectiveness of the Board and its committees. This evaluation includes an annual questionnaire and Board committee discussion.

Communications with Directors

Shareholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to OFS Capital Corporation, 10 South Wacker Drive, Suite 2500, Chicago,

Illinois 60606, Attention: Chief Compliance Officer. Any communication to report potential issues regarding accounting, internal controls and other auditing matters will be directed to the Audit Committee. Appropriate OFS Capital Corporation personnel will review and sort through communications before forwarding them to the addressee(s).

The Nominating and Corporate Governance Committee is responsible for selecting, researching and nominating directors for election by our shareholders, selecting nominees to fill vacancies on the Board or a committee of the Board and overseeing the evaluation of the Board and our management.

The Nominating and Corporate Governance Committee will consider nominees to the Board recommended by a shareholder, if such shareholder complies with the advance notice provisions of our bylaws. Our bylaws provide that a shareholder who wishes to nominate a person for election as a director at a meeting of shareholders must deliver written notice to our Corporate Secretary. This notice must contain, as to each nominee, all of the information relating to such person as would be required to be disclosed in a proxy statement meeting the requirements of Regulation 14A under the Exchange Act, and certain other information set forth in the bylaws. Ms. Healy serves as chairman of the Compensation Committee. The Compensation Committee operates pursuant to a charter approved by our Board. Currently none of the Company's executive

officers are directly compensated by the Company. However, the Company reimburses its administrator for the allocable portion of overhead and other expenses incurred by the administrator in performing its obligations under an administration agreement, including an allocable share of the compensation of certain of the Company's executive officers with finance and compliance responsibilities. The Compensation Committee met once during the fiscal year ended December 31, 2015.

If the shareholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to continue to retain BDO. Even if the selection is ratified, the Audit Committee and the Board may direct the appointment of a different independent registered public accounting firm at any time during the year of they determine that such a change would be in the best interests of the Company and its shareholders.

BDO has advised the Company that neither the firm nor any present member or associate of it has any financial interest, direct or indirect, in the Company or its affiliates.

It is expected that a representative of BDO will be present at the Annual Meeting, will have an opportunity to make a statement if he or she so chooses, and will be available to answer questions.

The Company engaged BDO to act as its independent registered public accounting firm for the fiscal years ended 2014 and 2015.

All of the audit and non-audit services described above for which BDO billed the Company for the fiscal year ended December 31, 2015 were pre-approved by the Audit Committee.

Audit Committee Report*

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and the Company's independent registered public accounting firm all of the Company's financial statements filed with the SEC for each quarter during fiscal year 2015 and for the year ended December 31, 2015. Management advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles (GAAP), and reviewed significant accounting issues with the Audit Committee. The Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by PCAOB Auditing Standard No. 16.

The Audit Committee of the Board has established a pre-approval policy that describes the permitted audit, audit-related, tax, and other services to be provided by the Company's independent registered public accounting firm.

Pursuant to the policy, the Audit Committee pre-approves the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such service does not impair the firm's independence.

Any requests for audit, audit-related, tax, and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

The Audit Committee received and reviewed the written disclosures from the independent registered public accounting firm required by the applicable Public Company Accounting Oversight Board rule regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with the firm its independence. The Audit Committee has reviewed the audit fees paid by the Company to the independent registered public accounting firm. It has also reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting the independent registered public accounting firm from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements as of and for the year ended December 31, 2015, be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, for filing with the SEC. The Audit Committee also recommended the selection of BDO USA, LLP to serve as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2016.
