## **Background**

On April 14, 2016, NRM VII Holdings I, LLC (“NRM”) filed a complaint against us and the current members of our Board of Directors in the Superior Court of California, County of San Diego, which complaint was amended on July 25, 2016. The complaint relates to the automatic conversion of NRM’s shares of our Series B convertible preferred stock into shares of our common stock on April 8, 2016. We refer to the action pending against us and the members of our Board of Directors pursuant to the complaint as the “Action”.

Upon the automatic conversion of NRM’s shares of our Series B convertible preferred stock into shares of our common stock on April 8, 2016, we became obligated to pay NRM accrued dividends in the amount of approximately \$914,000 (the “accrued dividends”). The accrued dividends obligation to NRM is reflected in current liabilities on our consolidated balance sheet at September 30, 2016.

### **Item 1.01 Entry into a Material Definitive Agreement.**

On November 12, 2016, we entered into a settlement agreement with NRM to settle the Action. Pursuant to the settlement agreement, NRM has agreed to dismiss with prejudice the Action upon receipt of a cash payment of \$2.0 million, which payment will be made to NRM by our insurance carrier on or before December 3, 2016.

The settlement agreement contains mutual releases covering all claims that we or our affiliates, or NRM or its affiliates, have or may have against the other party or such other party’s affiliates in connection with the Action or otherwise as of the date of the settlement agreement.

The foregoing description of the settlement agreement is only a summary and is qualified in its entirety by the terms of the settlement agreement, a copy of which is attached to this report as Exhibit 99.1.

### **Item 8.01 Other Events.**

Upon NRM’s receipt of the settlement payment described under Item 1.01 of this report, our accrued dividends payment obligation to NRM will be extinguished. We have agreed to repay our insurance carrier an aggregate amount equal to the accrued dividends as follows: \$100,000 on December 3, 2016, approximately \$204,800 on January 2, 2017, approximately \$304,800 on April 3, 2017 and approximately \$304,800 on July 3, 2017.
