RATIONALE AND TRANSACTION BENEFITS

5 ENHANCED COMPETITIVE ADVANTAGE Dominant Sunbelt owner/operator will drive superior deal flow and new growth opportunities Superior cost of capital benefits over full cycle to enhance accretive investment opportunities Platform scale drives operating cost advantages and NOI margin benefits Combined development platforms augment MAA's ability to strategically recycle capital Strengthened platform through integration of best practices of both companies

ENHANCED MARGINS AND SYNERGY OPPORTUNITIES Reconciliation of revenue management program and practices Higher efficiency in on - site product and service procurement Ability to further scale local and regional management operations; G&A efficiencies Cost elimination from duplicate public company costs and platform

ENHANCED PORTFOLIO QUALITY & BALANCED EARNINGS PROFILE Increased presence in high growth markets with favorable demand fundamentals Improved diversification in submarkets with balanced penetration in key urban/infill locations Enhanced ability to increase proactive and opportunistic capital recycling Proven "full cycle" performance strategy strengthened by market and product diversification and enhanced development capabilities

ENHANCED BALANCE SHEET Debt to gross asset ratio declines by 550 basis points Improved investment grade metrics and limited near - term debt maturities Larger scale enhances both debt and equity capital market accessibility and liquidity Positioned to achieve lower cost of capital over the long - term

CONTINUES MAA'S ESTABLISHED STRATEGY WITH AN ENHANCED PLATFORM FOR EXECUTION AND VALUE CREATION

FORWARD LOOKING STATEMENTS REIT WORLD NOV 2016 21 This investor presentation contains forward - looking statements within the meaning of Section 27 A of the U . S . Securities Act of 1933 as amended and Section 21 E of the U . S . Securities Exchange Act of 1934 , as amended . These forward - looking statements, which are based on current expectations, estimates and projections about the industry and markets in which MAA and Post Properties, Inc . operate and beliefs of and assumptions made by MAA management involve uncertainties that could significantly affect the financial results of MAA or Post Properties, Inc . or the combined company . Words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimates,” and variations of such words and similar expressions are intended to identify such forward - looking statements, which generally are not historical in nature . Such forward - looking statements include but are not limited to, statements about the anticipated benefits of the proposed merger between MAA and Post Properties, Inc . , including future financial and operating results, the attractiveness of the value to be received by Post shareholders, and the combined company’s plans, objectives, expectations and intentions . All statements that address operating performance, events or developments that we expect or anticipate will occur in the future – including statements relating to expected synergies, improved liquidity and balance sheet strength – are forward - looking statements . These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict . Although we believe that expectations reflected in any forward - looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward - looking statements . Some of the factors that may affect outcomes and results include, but are not limited to : (i) national, regional and local economic climates, (ii) changes in financial markets and interest rates, or to the business or financial condition of either company or business, (iii) increased or unanticipated competition for the companies’ properties, (iv) risks associated with acquisitions, including the integration of the combined companies’ businesses, (v) the potential liability for the failure to meet regulatory requirements, including the maintenance of REIT status, (vi) availability of financing and capital, (vii) risks associated with achieving expected revenue synergies or cost savings, (viii) risks associated with the companies’ ability to consummate the merger and the timing of the closing of the merger, and (ix) those additional risks and factors discussed in reports filed with the Securities and Exchange Commission (“SEC”) by MAA and Post Properties, Inc . from time to time, including those discussed under the headings “Risk Factors” in their respective most recently filed reports on Forms 10 - K and 10 - Q . Neither MAA nor Post Properties, Inc . undertakes any duty to update any forward - looking statements appearing in this investor presentation .
