Item 1.01

Entry Into a Material Definitive Agreement

Agreement and Plan of Merger

Merger. On December 6, 2017, The First Bancshares, Inc., a Mississippi corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Sunshine Financial, Inc., a Florida corporation (“SSNF”), whereby SSNF will be merged with and into the Company (the “Merger”). Pursuant to and simultaneously with entering into the Merger Agreement, the Company’s wholly owned subsidiary bank, The First, A National Banking Association (“The First”), and SSNF’s wholly owned subsidiary bank, Sunshine Community Bank, entered into a Plan of Bank Merger whereby Sunshine Community Bank will be merged with and into The First immediately following the merger of SSNF with and into the Company (the “Bank Merger”).

The Merger Agreement has been unanimously approved by the boards of directors of the Company and SSNF. The transaction is expected to close in the first or second quarter of 2018, subject to customary conditions discussed below.

Merger Consideration. Pursuant to the Merger Agreement, each outstanding share of SSNF common stock issued and outstanding immediately prior to the effective time of the Merger will be converted into the right to receive, at the election of each SSNF shareholder, either (i) \$27.00 in cash, or (ii) 0.93 of a share of First Bancshares’ common stock, provided that the total mix of merger consideration shall be fixed at 75% stock and 25% cash. Each outstanding share of SSNF common stock subject to vesting restrictions shall become vested immediately prior to the effective time of the Merger and will be converted into the right to receive the same merger consideration that other SSNF shareholders are entitled to receive. Each option to purchase shares of SSNF common stock shall be cancelled as of the effective time of the Merger and converted into the right to receive a cash payment equal to the product of (i) the total number of shares of SSNF common stock subject to such option *times* (ii) the excess, if any, of \$27.00 over the exercise price per share of SSNF common stock subject to such option.

Each outstanding share of the Company’s common stock shall remain outstanding and unaffected by the Merger.

Representations and Warranties. The Merger Agreement contains usual and customary representations and warranties that the Company and SSNF made to each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the contract between the Company and SSNF and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating certain terms. Moreover, certain of the representations and warranties are subject to a contractual standard of materiality that may be different from what may be viewed as material to shareholders, and the representations and warranties may have been used to allocate risk between the Company and SSNF rather than establishing matters of fact.

Covenants; No Solicitation. Each party also has agreed to customary covenants, including, among others, covenants relating to the conduct of its business during the interim period between the execution of the Merger Agreement and the consummation of the Merger. Additionally, SSNF has agreed (i) not to initiate, solicit, induce or knowingly encourage or take any action or facilitate any alternative acquisition transaction or, subject to certain exceptions, participate in discussions or negotiations regarding, or furnish any non-public information relating to, any alternative acquisition transaction or (ii) subject to certain exceptions, not to withdraw or modify in a manner adverse to the Company, the recommendation of the SSNF board of directors that SSNF's shareholders approve the Merger Agreement and the Merger. In the event that SSNF receives a proposal with respect to an alternative acquisition transaction that the SSNF board of directors determines is superior to the Merger, the Company will have an opportunity to match the terms of such proposal, subject to certain requirements.

Conditions to Closing. Consummation of the Merger is subject to various customary conditions, including (i) approval of the Merger Agreement and the Merger by shareholders of SSNF; (ii) the receipt of certain regulatory approvals; (iii) no injunctions or other legal restraints preventing the consummation of the Merger; (iv) the U.S. Securities and Exchange Commission (“SEC”) having declared effective the Company’s registration statement covering the issuance of shares of the Company’s common stock in the Merger; (v) the receipt by each party of a tax opinion to the effect that the Merger will qualify as a reorganization within the meaning of 368(a) of the Internal Revenue Code of 1986, as amended; (vi) the accuracy of representations and warranties of the parties and compliance by the parties with their respective covenants and obligations under the Merger Agreement (subject to customary materiality qualifiers) and (vii) the absence of a material adverse effect with respect to the either the Company or SSNF.

Termination; Termination Fee. The Merger Agreement may be terminated in certain circumstances, including: (i) by mutual written agreement of the parties, (ii) by either party if any regulatory approval required for consummation of the transactions contemplated by the Merger Agreement has been denied by final non-appealable action by the relevant governmental authority or an application for such approval has been permanently withdrawn at the request of a governmental authority, (iii) by either party if the approval of the shareholders of SSNF is not obtained, (iv) by either party in the event of a material breach by the other party of any representation, warranty or covenant contained in the Merger Agreement and such breach is not cured within thirty days, (v) by either party if the Merger is not consummated on or before June 30, 2018, subject to automatic extension to August 31, 2018 if the only outstanding closing condition is the receipt of regulatory approvals, (vi) by the Company if SSNF’s board of directors breaches its obligations with respect to giving notice of and making a recommendation in connection with each of the SSNF shareholder meeting, (vii) by SSNF if the price of the Company’s common stock decreases in comparison to the specified ratio provided in the Merger Agreement and the Company elects not to increase the merger consideration. SSNF will pay the Company a termination fee equal to \$1.2 million in the event (i) SSNF receives a superior proposal and the Merger Agreement is terminated because the required SSNF shareholder approval is not obtained or by the Company because of SSNF’s material breach of representations, warranties or covenants and SSNF enters into a superior proposal within 12 months of such termination or (ii) the Merger Agreement is terminated by the Company because SSNF’s board of directors breaches its obligations with respect to giving notice of and making a recommendation in connection with the SSNF shareholder meeting.

Voting Agreements

In connection with entering into the Merger Agreement, directors and certain shareholders of SSNF have entered into voting agreements (the “Voting Agreements”), pursuant to which each such shareholder agreed to vote his, her or its shares of SSNF common stock in favor of approval of the Merger Agreement and transactions contemplated therein and against certain other actions, proposals, transactions or agreements that would be detrimental to the consummation of the Merger. The Voting Agreements generally prohibit the sale or transfer of the shares held by each such shareholder until the earlier of (i) termination of the Merger Agreement and (ii) receipt of the approval of the shareholders of SSNF. The Voting Agreements terminate upon the earlier of (i) the consummation of the Merger, (ii) the amendment of the Merger Agreement in any manner that materially and adversely affects any rights of the shareholder, (iii) the termination of the Merger Agreement or (iv) three years from the date of the Voting Agreements.

Director Non-Compete Agreements

In connection with entering into the Merger Agreement, each of the directors of SSNF and Sunshine Community Bank entered into a Non-Competition and Non-Disclosure Agreement with the Company, which contains provisions related to the non-disclosure of confidential information and trade secrets, non-solicitation of customers with whom such directors had material contact, non-competition within a restricted territory and non-recruitment of employees.

Cautionary Statements Regarding Forward-Looking Information.

This Current Report contains “forward-looking statements” as defined in the Private Securities Litigation Reform Act of 1995. In general, forward-looking statements usually use words such as “may,” “believe,” “expect,” “anticipate,” “intend,” “will,” “should,” “plan,” “estimate,” “predict,” “continue” and “potential” or the negative of these terms or other comparable terminology, including statements related to the expected timing of the closing of the Merger, the expected returns and other benefits of the Merger, to shareholders, expected improvement in operating efficiency resulting from the Merger, estimated expense reductions resulting from the transactions and the timing of achievement of such reductions, the impact on and timing of the recovery of the impact on tangible book value, and the effect of the Merger on the Company’s capital ratios. Forward-looking statements represent management’s beliefs, based upon information available at the time the statements are made, with regard to the matters addressed; they are not guarantees of future performance. Forward-looking statements are subject to numerous assumptions, risks and uncertainties that change over time and could cause actual results or financial condition to differ materially from those expressed in or implied by such statements.

Factors that could cause or contribute to such differences include, but are not limited to (1) the risk that the cost savings and any revenue synergies from the Merger may not be realized or take longer than anticipated to be realized, (2) disruption from the Merger with customers, suppliers, employee or other business partners relationships, (3) the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger Agreement, (4) the risk of successful integration of SSNF’s business into the Company, (5) the failure to obtain the necessary approvals by the shareholders of SSNF, (6) the amount of the costs, fees, expenses and charges related to the Merger, (7) the ability by the Company to obtain required governmental approvals of the Merger, (8) reputational risk and the reaction of each of the companies’ customers, suppliers, employees or other business partners to the Merger, (9) the failure of the closing conditions in the Merger Agreement to be satisfied, or any unexpected delay in closing of the Merger, (10) the risk that the integration of SSNF’s operations into the operations of the Company will be materially delayed or will be more costly or difficult than expected, (11) the possibility that the Merger may be more expensive to complete than anticipated, including as a result of unexpected factors or events, (12) the dilution caused by the Company’s issuance of additional shares of its common stock in the merger transaction, and (13) general competitive, economic, political and market conditions. Additional factors which could affect the forward looking statements can be found in the cautionary language included under the headings “Management’s Discussion and

Analysis of Financial Condition and Results of Operations” and “Risk Factors” in the Company’s Annual Reports on Form 10-K for the year ended December 31, 2016, under the heading “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in SSNF’s Annual Reports on Form 10-K for the year ended December 31, 2016, and other documents subsequently filed by the Company and SSNF with the SEC. Consequently, no forward-looking statement can be guaranteed. Neither the Company nor SSNF undertakes any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. For any forward-looking statements made in this Current Report on Form 8-K, the exhibits hereto or any related documents, the Company and SSNF claim protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995.
