99.1 Press Release of Barnes & Noble, Inc., dated May 18, 2004

Item 12. Results of Operations and Financial Condition

On May 18, 2004, Barnes & Noble, Inc. (the "Company") issued a press release announcing its financial results for the first quarter ended May 1, 2004. A copy of this press release is attached hereto as Exhibit 99.1.

The information in this Form 8-K/A and the Exhibit attached hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under

the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

### Use of Non-GAAP Financial Information

To supplement the Company's consolidated financial statements presented in accordance with generally accepted accounting principles ("GAAP"), in the press release attached hereto as Exhibit 99.1 the Company uses the non-GAAP financial measure of EBITDA (defined by the Company as operating profit (loss) before depreciation and amortization, less the minority interest in GameStop Corp.'s EBITDA) for the 13 weeks ended May 1, 2004 and May 3, 2003. Additionally, following the Company's acquisition of Bertelsmann AG's interest in barnesandnoble.com inc. ("B&N.com") on September 15, 2003, the Company consolidated the results of B&N.com. Accordingly, the Company is disclosing in the press release attached hereto as Exhibit 99.1 pro forma results as if the Company consolidated B&N.com for all of fiscal 2003.

The Company's management reviews these non-GAAP measures internally to evaluate the Company's performance and manage its operations. In addition, since the Company has historically provided EBITDA results to the investment community, the Company believes that the inclusion of EBITDA results provides a consistent and comparable measure to help investors understand the Company's operating results. Furthermore, since the Company will consolidate B&N.com on a going forward basis, the Company believes that pro forma results (as if the Company consolidated B&N.com) provide investors a better understanding of the Company's current operating results and provide a comparable measure to help investors understand the Company's future operating results. The non-GAAP measures included in the press release attached hereto as Exhibit 99.1 have been reconciled to the comparable GAAP measure as required under SEC rules regarding the use of non-GAAP financial measures. The Company urges investors to carefully review the GAAP financial information included as part of the Company's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and quarterly earnings releases.
