Edgar Filing: InterDigital, Inc. - Form 8-K

-----

On October 24, 2007, the Honorable Paul J. Luckern, the Administrative Law Judge overseeing the two United States International Trade Commission ("ITC") proceedings involving InterDigital, Inc.'s wholly-owned subsidiaries InterDigital Communications, LLC and InterDigital Technology Corporation (collectively, the "Company") against Samsung Electronics Co. Ltd and certain of its affiliates (collectively, "Samsung"), and against Nokia Corporation and Nokia, Inc. (collectively, "Nokia"), respectively, issued an Order to consolidate the two pending investigations. Pursuant to the Order, the schedules for both investigations have been revised to consolidate proceedings and set a unified evidentiary hearing on April 21-28, 2008, the filing of a single initial determination by Judge Luckern by July 11, 2008, and a Target Date for the consolidated investigations of November 11, 2008, by which date the ITC will issue its final determination. As to the investigation against Nokia, the Order accelerates the previous evidentiary hearing date and ITC Target Date, which were scheduled for June 16, 2008 and December 11, 2008, respectively. As to the investigation against Samsung, the Order modifies the previous evidentiary hearing date and ITC Target Date, which were scheduled for January 30, 2008 and July 28, 2008, respectively.

As compared to the original separate schedules, the Order should result in an accelerated final determination of InterDigital's combined claims with the ITC.
