## **ING CEO Ralph Hamers to present at Bank of America Merrill Lynch Conference**

Today, ING CEO Ralph Hamers will address the Bank of America Merrill Lynch Annual Banking, Insurance & Diversified Financials CEO Conference in London.

In his presentation, Ralph Hamers will elaborate on the transformation in the banking industry and how ING is taking advantage of these developments with the Bank's business model and the implementation of ING's 'Think Forward' strategy. He will give an update of the strategy while highlighting several recent innovations that are aimed at creating a differentiating customer experience, which is at the core of the Bank's Think Forward Strategy. Ralph Hamers will also discuss ING's business in Germany, one of the countries where ING is focused on building a more sustainable balance sheet by growing both its retail and commercial banking lending. ING is the third largest privately owned bank in Germany and contributed 17% of ING Bank's pre-tax profit in the first half of 2015.

In addition, Ralph Hamers will highlight ING's strong first half 2015 results, that were announced in August, and ING's strengthened capital position.

Today's presentation by Ralph Hamers can be viewed/downloaded via ING's corporate website [www.ing.com](http://www.ing.com) or via [www.slideshare.net](http://www.slideshare.net).
