On February 24, 2016, Greatbatch, Inc. (the "Company") sent a notice (the "Blackout Notice") to its directors and officers who are subject to Section 16 of the Securities Exchange Act of 1934, as amended. This Blackout Notice informs these directors and officers that they will be subject to certain trading restrictions with respect to shares of Company common stock as a result of a blackout imposed on participants in the Company's 401(k) Plan (the "Plan") holding units of the Greatbatch Stock Fund in connection with the spin-off of QiG Group, LLC, which will convert into Nuvectra Corporation prior to the completion of the spin-off ("Nuvectra"). The blackout period is expected to begin on March 10, 2016 and end during the week of March 13, 2016.

The Blackout Notice was sent pursuant to Section 306(a) of the Sarbanes-Oxley Act and Regulation BTR, which generally impose restrictions on trading in issuer equity securities by directors and officers who are subject to Section 16 of the Securities Exchange Act of 1934, as amended, in the event that 50% or more of an issuer's plan participants are so restricted with respect to the shares in their plan accounts. Federal law generally requires 30 days advance notice of a blackout period. The Plan administrator was unable to provide this amount of advance notice because the timing with respect to the blackout period was dependent on a closing date for the spin-off transaction, which was not identified until February 23, 2016.

On February 24, 2016, the Plan administrator delivered notice to the Company of the trading restrictions relating to the Plan pursuant to Section 101(i)(2)(E) of the Employee Retirement Income Security Act of 1974, as amended.

A copy of the Blackout Notice is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

**Item 8.01 Other Events.**

On February 24, 2016, the Company issued a press release announcing that the Company's Board of Directors has approved the spin-off of Nuvectra from the Company in the form of a tax-free pro rata dividend involving the distribution on March 14, 2016 of all outstanding shares of Nuvectra common stock to holders of the Company's common stock as of the close of business on March 7, 2016.

The full text of the Company's press release is attached as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated herein by reference.
