The Option Price under each Option shall be not less than the Market Price on the Grant Date. The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than five years after the Grant Date. Options shall not be assignable (or transferable) by the Optionee.

3.2

Limits on Shares Issuable on Exercise of Options

The maximum number of Shares which may be issuable pursuant to options granted under the Plan shall be 11,000,000 shares. The number of shares issuable to any one Optionee under the Plan, together with all of the Company's other previously established or proposed share compensation arrangements, shall not exceed 5% of the total number of issued and outstanding shares on a non-diluted basis. The number of Shares which may be reserved for issue pursuant to options granted to Insiders under the Plan, together with all of the Company's other previously established or proposed shares compensation

arrangements, in aggregate, shall not exceed 20% of the total number of issued and outstanding Shares on a non-diluted basis. The number of Shares which may be issuable under the Plan together with all of the Company's other previously established or proposed share compensation arrangements, within a one-year period:

(a)

to any one Optionee, who is an Insider and any Associates of such insider, shall not exceed 5% of the outstanding issue;

(b)

no more than 2% of the issued shares of the Company may be granted to any one Consultant in any 12 month period;

(c)

For the purposes of subsection (a) above, outstanding issue is determined on the basis of the number of Shares that are outstanding immediately prior to the Share issuance in question; excluding Shares issued pursuant to Share compensation arrangements over the preceding one-year period.

3.3

Option Agreements

Each Option shall be confirmed by the execution of an Option agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

3.4

Minimum Exercise Price

The Minimum exercise price of an incentive stock option granted by the Issuer, must not be less than the Discounted Market Price. If, pursuant to Section 2.12 of the TSX Venture Exchange policy, the Issuer does not issue a press release to fix the price, the Discounted Market Price is the last closing price of the Listed Shares before the date of the stock option grant (less the applicable discount). The Issuer will not grant incentive stock options at less than \$0.10 per share.

4.

EXERCISE OF OPTION

4.1

When Options may be exercised

Subject to Sections 4.3 and 4.4, an Option may be exercised to purchase any number of shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 5:00 p.m. local time on the Expiry Date and shall not be exercisable thereafter.

4.2

Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option price for each such Share. Upon notice and payment there will be a binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's cheque payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque is not honoured upon presentation in which case the Option shall

not have been validly exercised.

4.3

Vesting of Option Shares

The Board, subject to the policies of the TSX Venture Exchange, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Current policies of the TSX Venture Exchange provide that minimum vesting requirements shall be 12.5% of the Option upon TSX Venture Exchange approval and 12.5% every three months thereafter which is the vesting period hereby adopted by the Board.

4.4

Termination of Employment

If an Optionee ceases to be a director, officer or Service Provider of the Company or one of the Company's subsidiaries, his or her Option shall be exercisable as follows:

(a)

Death

If the Optionee ceases to be a director, officer, employee or Consultant of the Company or a subsidiary of the Company, due to his or her death or, in the case of an Optionee that is a company, the death of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of

(i) 120 days after the date of death or Disability; and

(ii) the Expiry Date.

(b)

Termination for Cause

If the Optionee, or in the case of an Option granted to an Optionee who falls under the definition of Consultant set out in subsection 2.5(b), the Optionee's employer, ceases to be a director, officer or Consultant of the Company or a subsidiary of the Company as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of the Optionee who satisfies the definition, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c)

Early Retirement-Voluntary Resignation or Termination Other than for Cause

If the Optionee or, in the case of an Option granted to an Optionee who falls under the definition of Consultant set out in sub-paragraph 2.5(b), the Optionee's employer ceases to be a director, officer, employee or Consultant of the Company or a subsidiary of the Company due to his or her retirement at the request of her or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 30 days after the Optionee or, in the case of an Option granted to an Optionee who falls under the definition of Consultant set out in sub-paragraph 2.5(b), the Optionee's employer, ceases to be a director, officer, employee or Consultant of the Company or a subsidiary of the Company. For greater certainty, an option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this paragraph 4.4 occurred, shall not be or become exercisable in respect of such Unissued Option Shares and shall be cancelled.

4.5 Exclusion from Several Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of an option granted to an Optionee who falls under the definition of Consultant set out in subsection 2.5(b), the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option shares which were not Vested at that time or which, if Vested were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of or form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.6

Shares not Acquired

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a Share Reorganization) then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

(a)

the Option Price will be adjusted to a price per Share which is the product of:

(i)

the Option Price in effect immediately before that effective date or record date and

(ii)

a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and

(b)

the number of Unissued Option Shares will be adjusted by multiplying (in) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection (a)(ii).

5. DISTRIBUTION

5.1

Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

(a)

shares of the Company, other than the Shares;

(b)

evidences of indebtedness;

(c)

any cash or other assets, excluding cash dividends (other than cash dividends which the Board of Directors of the company has determined to be outside the normal course); or

(d)

rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a Special Distribution), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.2

Corporate Reorganization

Whenever there is:

(a)

a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the company, other than as described in sections 5.1;

(b)

a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or

(c)

a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation;

(any such event being herein called a "Corporate Reorganization") the Optionee will have an option to purchase (at the times, for the consideration and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if; on the effective date thereof; he had been the holder of all Unissued Option shares or if appropriate, as otherwise determined by the Directors.

5.3

Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Directors may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.4

Regulatory Approval

Any adjustment to the Option Price of the number of Unissued Option Shares, purchasable under the Plan pursuant to the operation of any one of paragraphs 5.1, 5.2 or 5.3 is subject to the approval of the Exchanges and any other governmental authority having jurisdiction.

5.5

Disinterested Shareholder

Disinterested Shareholder approval, as defined by the Exchange, will be obtained for any reduction in the exercise price if the Optionee is an Insider of the Company at the time of the proposed amendment.

6.

MISCELLANEOUS

6.1

Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2

Necessary Approvals

The Plan shall be effective only upon the approval of the shareholders of the Company given by way of an ordinary resolution. Any Options granted under this Plan prior to such approval shall only be exercised upon the receipt of such approval. The obligations of the Company to sell and deliver Shares in accordance with the Plan are subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3

Administration of the Plan

The Board shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in section 5.4, the interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4

Amendments to the Plan

The Directors may from time to time, subject to applicable law and to the prior approval, if required, of the Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or options granted thereunder will be subject to the approval of the shareholders.

6.5

Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the President or Secretary of the Company.

6.6

No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.7

Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.8

No Assignment or Transfer

No Optionee may assign or transfer any of his or her rights under the Plan.

6.9

Rights of Optionee

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting gifts or any right to receive dividends, warrants or rights under any rights Offering).

6.10

Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.11

Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the Province of British Columbia.

6.12

Time of Essence

Time is of the essence of this Plan and each Option agreement. No extension of time will be determined to be or to operate as a waiver of the essentiality of time.

6.13

Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionee relative to the subject matter hereof and supercedes all prior agreements, undertakings and understandings, whether oral or written.
