PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS**

INTRODUCTION TO UNAUDITED PRO FORMA FINANCIAL STATEMENTS

On January 28, 2004, the operating partnership subsidiary of the Company, through its newly formed and wholly owned subsidiary Marina Mile L.L.C., purchased Pond Apple Creek Apartments, a 306-unit multifamily apartment community which is located in Ft. Lauderdale, Florida from Pond Apple Creek Associates Limited Partnership. The seller was an unaffiliated third party.

The total acquisition cost of \$23,200,428, including the purchase price, closing costs and mortgage recording taxes, was funded through a \$17,400,000 first mortgage and an equity investment from the Operating Partnership of \$5,931,503, net of operating prorrations of \$90,846.

The Company operates the Property as a multifamily apartment community under the name The Berkshires at Marina Mile (Marina Mile).

The Property's source of revenue is primarily its tenant rental revenue. Other revenue includes fee items such as application, relet, pet, nonsufficient fund, laundry, late, cable and damage fees. The rental market in the Fort Lauderdale multifamily market has been strong in the past and continues to do so although recent construction in the Fort Lauderdale submarket has caused both occupancies and rents to decrease in 2002 and the first half of 2003. Physical occupancy dropped 3% and 0.3% in the City of Fort Lauderdale and Broward County, respectively. Pond Apple Creek Apartments charge rents that are competitive in the area, with rental rates for 1 bedroom to 2 bedrooms ranging from \$840-\$1,040 per month. Physical occupancy for Marina Mile at December 31, 2003 was approximately 92%.

The Company expects to spend approximately \$1,570,000 on non-recurring capital improvements during 2004. The expenditures will include replacing the roofs, screening in porches, repainting the Property's exterior, landscaping and renovating the clubhouse. Normal capital improvements such as those during rental turnovers (i.e. interior painting) and capital improvements for the overall maintenance of the Property will be determined as those projects become necessary.

The Company, after reasonable inquiry, is not aware of any material factors relating to Marina Mile other than those stated above that would cause the reported financial information not to be indicative of future operating results.

The following unaudited pro forma financial statements give effect to the acquisition by the Company of Marina Mile. The unaudited pro forma balance sheet as of December 31, 2003 presents the financial position of the Company as if the acquisition of Marina Mile, which occurred subsequent to December 31, 2003, had occurred on December 31, 2003. The unaudited pro forma statement of operations for the year ended December 31, 2003 reflects the results of operations of Marina Mile as if the acquisition of Marina Mile had been completed as of January 1, 2003.

These unaudited pro forma financial statements do not represent the Company's financial condition or results of operations for any future date or period. Actual future results could be materially different from these pro forma results. These unaudited pro forma financial statements should be read in conjunction with the audited financial statements of the Company and the related management's discussion and analysis of financial condition and results of operations included in our Form 10-K for the year ended December 31, 2003. In addition, in conjunction with these unaudited pro forma financial statements, you should read the financial statement on the Property contained elsewhere in this Form 8-K/A.
