PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON NOVEMBER 14, 2018

INFORMATION CONCERNING SOLICITATION AND VOTING

The Board of Directors of Cardiovascular Systems, Inc. (the “Company”) is soliciting your proxy to vote at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held as a virtual meeting via a live webcast available at www.virtualshareholdermeeting.com/CSII2018, on Wednesday, November 14, 2018, at 10:00 a.m. (Central Time), including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting online to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card if you received paper copies of the proxy materials, or follow the instructions below to submit your proxy over the telephone or the Internet.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to provide our beneficial owners and stockholders of record access to our proxy materials over the Internet. Beneficial owners are stockholders whose shares are held in the name of a broker, bank or other agent (i.e., in “street name”). Accordingly, a Notice of Internet Availability of Proxy Materials (the “Notice”) will be mailed on or about October 2, 2018 to our beneficial owners and stockholders of record who owned our common stock at the close of business on September 17, 2018. Beneficial owners and stockholders of record will have the ability to access the proxy materials on a website referred to in the Notice or request a printed set of the proxy materials be sent to them by following the instructions in the Notice. Beneficial owners and stockholders of record who have previously requested to receive paper copies of our proxy materials will receive paper copies of the proxy materials instead of a Notice.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why did I receive in the mail a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

We are pleased to take advantage of the SEC rule that allows companies to furnish their proxy materials over the Internet. Accordingly, we have sent to our beneficial owners and stockholders of record a Notice of Internet Availability of Proxy Materials. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. Our stockholders may request to receive proxy materials in printed form by mail or electronically on an ongoing basis. A stockholder’s election to receive proxy materials by mail or electronically by email will remain in effect until the stockholder terminates its election.

Why did I receive a full set of proxy materials in the mail instead of a Notice of Internet Availability of Proxy Materials?

We are providing paper copies of the proxy materials instead of a Notice to beneficial owners or stockholders of record who have previously requested to receive paper copies of our proxy materials. If you are a beneficial owner or stockholder of record who received a paper copy of the proxy materials, and you would like to reduce the environmental impact and the costs incurred by us in mailing proxy materials, you may elect to receive all future proxy materials electronically via email or the Internet.

Edgar Filing: Cardiovascular Systems Inc - Form DEF 14A

You can choose to receive our future proxy materials electronically by visiting <http://www.proxyvote.com>. Your choice to receive proxy materials electronically will remain in effect until you instruct us otherwise by following the instructions contained in your Notice and visiting <http://www.proxyvote.com>, sending an email to sendmaterial@proxyvote.com, or calling 1-800-579-1639.

The SEC has enacted rules that permit us to make available to stockholders electronic versions of the proxy materials even if the stockholder has not previously elected to receive the materials in this manner. We have chosen this option in connection with the Annual Meeting with respect to both our beneficial owners and stockholders of record.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on September 17, 2018 will be entitled to vote at the virtual Annual Meeting through www.virtualshareholdermeeting.com/CSII2018. On the record date, there were 34,705,999 shares of common stock of the Company outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, on September 17, 2018, your shares were registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote at the virtual Annual Meeting through www.virtualshareholdermeeting.com/CSII2018 or vote by proxy. Whether or not you plan to attend the virtual Annual Meeting, we urge you to vote your shares by completing, signing, dating and mailing your proxy card in the envelope provided, if you received paper copies of the proxy materials, or vote by proxy over the telephone or the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, on September 17, 2018, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the virtual Annual Meeting; however, since you are not the stockholder of record, you may not vote your shares at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are three matters scheduled for a vote:

Election of the following nominees recommended by the Board of Directors to be Class I directors and to hold office until the fiscal 2021 Annual Meeting of Stockholders: Scott Bartos, Edward Brown, and Augustine Lawlor.

Ratification of the appointment by the Audit, Risk Management and Finance Committee of the Company's Board of Directors of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for its fiscal year ending June 30, 2019.

Approval, on an advisory basis, of the compensation paid to the Company's Named Executive Officers.

How do I vote?

For the election of each nominee to the Board of Directors, you may vote "For" or "Against" or abstain from voting. For the ratification of the Audit, Risk Management and Finance Committee's appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2019, you may vote "For" or "Against" or abstain from voting.

For the advisory vote on Named Executive Officer compensation, you may vote "For" or "Against" or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

Edgar Filing: Cardiovascular Systems Inc - Form DEF 14A

If you are a stockholder of record, you may vote at the virtual Annual Meeting, vote by proxy using the enclosed proxy card (if you received paper copies of the proxy materials), vote by proxy over the telephone, or vote by proxy over the Internet. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote at that time even if you have already voted by proxy.

To vote at the Annual Meeting, log in through www.virtualshareholdermeeting.com/CSII2018.

If you received paper copies of the proxy materials, to vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. Please have available the 16-Digit Control Number from the enclosed proxy card, if you received one, or from your Notice. Your vote must be received by 11:59 p.m., Eastern Time (10:59 p.m., Central Time) on November 13, 2018, to be counted.

To vote over the Internet, go to <http://www.proxyvote.com>. Please have available the 16-Digit Control Number from the enclosed proxy card, if you received one, or from your Notice. Your vote must be received by 11:59 p.m., Eastern Time (10:59 p.m., Central Time) on November 13, 2018, to be counted.

We are providing Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies. These costs will also apply to virtual attendance at the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you may have received a Notice of Internet Availability or a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is submitted to your broker or bank. Internet and telephone voting also may be available to you; please see the materials you received from your broker, bank or other agent for further information. To vote online at the virtual Annual Meeting, you will need the 16-digit control number included with your voting instruction card or voting instructions you received from your broker, bank, or other agent.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of September 17, 2018. There is no cumulative voting for election of directors.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted as follows:

- “For” the election of the nominees for director;
- “For” the ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2019; and
- “For” the advisory vote on Named Executive Officer compensation.

If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. Our directors and employees may solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

Edgar Filing: Cardiovascular Systems Inc - Form DEF 14A

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Are proxy materials available on the Internet?

This proxy statement and our fiscal 2018 Annual Report to Stockholders are available at <http://www.proxyvote.com> or <http://www.csi360proxy.com>.

3

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the virtual Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of four ways:

- You may submit another properly completed proxy card with a later date.
- You may submit a new vote by telephone or Internet.
- You may send a timely written notice that you are revoking your proxy to our Secretary at 1225 Old Highway 8 NW, St. Paul, Minnesota 55112.
- You may attend the virtual Annual Meeting and vote through www.virtualshareholdermeeting.com/CSII2018. Simply attending the virtual Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count “For” and “Against” votes and abstentions and broker non-votes for director elections; “For” and “Against” votes and abstentions for auditor selection ratification; and “For” and “Against” votes and abstentions and broker non-votes for the advisory vote on Named Executive Officer compensation.

Abstentions will not be counted toward the vote total for the election of directors, but abstentions will be counted towards the vote total for each other proposal, and will have the same effect as “Against” votes for those proposals. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the New York Stock Exchange, the ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm is currently considered a routine matter. The election of directors and advisory vote on Named Executive Officer compensation are currently considered non-routine matters under the rules of the New York Stock Exchange.

How many votes are needed to approve each proposal?

For Proposal 1, the election of the Class I directors, a nominee must receive “For” votes representing a majority of the votes cast by the shares present and entitled to vote either in person or by proxy. Votes cast with respect to a nominee include votes “For” or “Against” a nominee and exclude abstentions and broker non-votes.

To be approved, Proposal 2, ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2019, must receive a “For” vote from the majority of shares present and entitled to vote either in person or by proxy. If you “Abstain” from voting, it will have the same effect as an “Against” vote.

Proposal 3, regarding Named Executive Officer compensation, is an advisory vote, which means that the vote is not binding on the Company, our Board of Directors or the Human Resources and Compensation Committee of the Board of Directors. To the extent there is any significant vote against our Named Executive Officer compensation as

disclosed in this proxy statement, the Human Resources and Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares are present at the virtual Annual Meeting or represented by proxy. On the record date, there were 34,705,999 shares outstanding and entitled to vote. Thus, the holders of 17,353,000 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

4

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the Annual Meeting in person or represented by proxy, or the chairman of the Annual Meeting, may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file within three business days of the Annual Meeting.

When are stockholder proposals due for the Fiscal 2019 Annual Meeting?

Any appropriate proposal submitted by a stockholder and intended to be presented at the fiscal 2019 Annual Meeting must be submitted in writing to our Secretary at 1225 Old Highway 8 NW, St. Paul, Minnesota 55112, and received no later than June 7, 2019, to be includable in the Company's proxy statement and related proxy for the fiscal 2019 Annual Meeting. A stockholder proposal will need to comply with the SEC regulations under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Although our Board of Directors will consider stockholder proposals, we reserve the right to omit from our proxy statement a stockholder proposal that we are not required to include under the Exchange Act, including under Rule 14a-8. Additionally, pursuant to the advance notice provisions of the Company's Bylaws, as authorized by applicable state law, in order for stockholders to present director nominations or other business at the fiscal 2019 Annual Meeting, a stockholder's notice of such nomination or other business must be received by our Secretary at the same address no earlier than the close of business on July 17, 2019, and no later than the close of business on August 16, 2019, and must be in a form that complies with the requirements set forth in the Company's Bylaws. You are advised to review the Company's Bylaws for these requirements.

What are "householding" rules and how do they affect me?

The SEC has adopted rules that permit companies and brokers, banks and other nominees to satisfy the delivery requirements for proxy statements and annual reports, with respect to two or more stockholders sharing the same address and who do not participate in electronic delivery of proxy materials, by delivering a single copy of such documents addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

Brokers, banks and other nominees may be "householding" Company proxy materials. This means that only one copy of proxy materials may have been sent to multiple stockholders in a household. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report from the other stockholder(s) sharing your address, please: (i) notify your broker, bank or other nominee, (ii) direct your written request to Investor Relations, 1225 Old Highway 8 NW, St. Paul, Minnesota 55112, or (iii) contact Investor Relations at (877) CSI-0360. The Company will undertake to deliver promptly, upon any such oral or written request, a separate copy of the proxy materials to a stockholder at a shared address to which a single copy of these documents was delivered. Stockholders who currently receive multiple copies of proxy materials at their address and would like to request householding of their communications should notify their broker, bank or other nominee, or contact Investor Relations at the above address or phone number.

PROPOSAL 1
ELECTION OF DIRECTORS

The Board of Directors (the “Board”) is divided into three classes, with each class serving staggered three-year terms. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, will serve for the remainder of the full term of that class and until such director’s successor is elected and qualified.

The term of office of the Class I directors expires at the Annual Meeting. The Board has nominated Scott Bartos, Edward Brown, and Augustine Lawlor for election at the Annual Meeting. Messrs. Bartos, Brown, and Lawlor have served on the Board since 2012, 2009, and 2009, respectively. If elected at the Annual Meeting, Messrs. Bartos, Brown, and Lawlor would serve until the fiscal 2021 annual meeting and until their successors are elected and have qualified, or, if sooner, until the director’s death, resignation or removal.

Directors are elected by a majority of the votes cast in uncontested elections. The election of directors at the Annual Meeting will be uncontested. Under the majority voting standard, a nominee must receive a number of “For” votes that exceeds 50% of the votes cast with respect to that nominee’s election. Votes cast with respect to a nominee include votes “For” or “Against” a nominee and exclude abstentions and broker non-votes. In a contested election, directors will be elected by a plurality vote. A contested election is an election in which the number of candidates for election as directors exceeds the number of directors to be elected. Under the plurality standard, the nominees receiving the most number of “For” votes (among votes properly cast in person or by proxy) will be elected as directors.

If an uncontested nominee for director does not receive a majority of “For” votes, he or she, if a current director, is required to offer to resign from the Board. The Governance/Nominating Committee and the Board will then determine whether the offered resignation should be accepted or rejected, and they may consider any factors they deem relevant in deciding whether to accept the resignation. The Board will publicly disclose its decision regarding the offered resignation within 90 days after the election results have been certified. Any director who has so offered his or her resignation will not be permitted to vote on or participate in the decision regarding that resignation. If an uncontested nominee for director who is not a current director does not receive a majority of “For” votes, he or she will not be elected to the Board.

Unless a contrary choice is specified, shares represented by executed proxies will be voted “For” the election of the nominees named in this proxy statement, or, if a nominee becomes unavailable for election as a result of an unexpected occurrence, “For” the election of a substitute nominee designated by our Board. The nominees have agreed to serve as a director if elected, and we have no reason to believe that the nominees will be unable to serve.

The following is a brief biography for each of the Class I director nominees, and each person whose term of office as a Class II or Class III director will continue after the Annual Meeting.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

Under the Nasdaq Stock Market (“Nasdaq”) listing standards, a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by the board of directors. Our Board consults with the Company’s counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, the Board, following the determination of the Governance/Nominating Committee, has affirmatively determined that the following directors are independent within the meaning of the applicable Nasdaq listing standards: Messrs. Bartos, Blackey, Brown, and Lawlor, Ms. Aronson and Dr. Cohn. In making this determination, the Board and the Governance/Nominating Committee reviewed all relevant transactions or relationships between each director, nominee, or any of his or her family members, and the Company, its senior management and its independent registered public accounting firm, including the previously-disclosed transaction between the Company and TVA Medical, Inc. (“TVA”), a company for which Dr. Cohn was at the time a director and a stockholder, pursuant to which the Company provided certain laboratory support services to TVA at fair market value rates of less than \$12,000 in the aggregate.

In making its determination as to the independence of the above-listed directors, the Board found that none of these directors had a material or other disqualifying relationship with the Company. Mr. Ward, the Company’s President and Chief Executive Officer, is not an independent director by virtue of his service as an officer of the Company.

BOARD LEADERSHIP STRUCTURE

We have historically had separate individuals serving as Chairman of the Board and as President and Chief Executive Officer. However, in connection with the appointment of Mr. Ward to serve as our President and Chief Executive Officer in August 2016, the Board gave thoughtful and rigorous consideration to its governance structure and determined at that time that having the same individual serve as the President and Chief Executive Officer and as the Chairman of the Board best serves the interests of the Company and our stockholders. The Board believes that Mr. Ward's extensive knowledge of, and experience in, the medical device industry will allow him to provide focused, long-term leadership and direction for the Board and executive management. As the President and Chief Executive Officer, Mr. Ward is additionally responsible for setting the strategic direction of the Company and managing the day-to-day leadership and performance of the Company. The combined roles provide clear accountability on both short- and long-term goals and a single focus for the Company's long-term growth.

Additionally, because we believe independent directors and management have different perspectives and roles in strategy development, the Board appointed Mr. Brown as Lead Independent Director, with the following responsibilities:

- chair all executive sessions of independent directors and any Board meetings where the Chairman/CEO is not present;
- provide feedback from executive sessions of the independent directors to the Chairman/CEO;
- call meetings of the independent directors when necessary;
- act as liaison between the independent directors and the Chairman/CEO;
- work with the Chairman to develop agendas for the Board and committee meetings;
- respond directly to stockholder and other stakeholder questions and comments that are directed to the Lead Independent Director or to the independent directors as a group, when appropriate;
- be available for consultation and direct communication with major stockholders, if they request;
- retain consultants and advisors that report directly to the Board; and
- perform such other duties as the Board may from time to time delegate.

The Lead Independent Director promotes active participation of the independent directors and strengthens the role of the Board in fulfilling its oversight responsibility and fiduciary duties to our stockholders.

OVERSIGHT OF RISK MANAGEMENT

The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each, and the Board receives regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks. The Human Resources and Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements, and, in fiscal 2018, performed a risk assessment of the Company's compensation programs and confirmed that the Company does not appear to have compensation programs that would encourage excessive risk-taking. The Audit, Risk Management and Finance Committee oversees our disclosure and internal controls and regularly assesses financial and accounting processes, and reviews and assesses the Company's major enterprise, financial condition and operational risks. As a part of this responsibility, the Audit, Risk Management and Finance Committee oversees our compliance program. The Governance/Nominating Committee manages risks associated with the independence of the Board and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks and has overall risk management oversight responsibility.

CODE OF ETHICS AND BUSINESS CONDUCT

The Company has adopted the Cardiovascular Systems, Inc. Code of Ethics and Business Conduct, which applies to all officers, directors and employees and was last amended on July 26, 2016. We intend to maintain the highest standards of ethical business practices and compliance with all laws and regulations applicable to our business. The Code of Ethics and Business Conduct, as amended, is available on our website at <http://www.csi360.com> in the “Corporate Governance” section. We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of our Code of Ethics and Business Conduct by either posting such information on our website at the web address and location specified above or filing a Form 8-K.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Stockholders may communicate directly with the Board. All communications should be directed to the Company's Secretary at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board or for non-management directors, and the Company's Secretary will forward the communications to all specified directors. If no director is specified, the communication will be forwarded to the entire Board. Stockholder communications to the Board should be sent to:

DIRECTOR ATTENDANCE AT ANNUAL MEETINGS OF STOCKHOLDERS

Directors' attendance at annual meetings of our stockholders can provide stockholders with an opportunity to communicate with directors about issues affecting the Company. We encourage, but do not require, our directors and nominees for director to attend annual meetings of stockholders. All of our then-current directors attended our last annual meeting of stockholders, held on November 15, 2017.

MEETINGS OF THE BOARD OF DIRECTORS

The Board met eight times during the fiscal year ended June 30, 2018. All directors attended at least 75% of the aggregate number of meetings of the Board and of the committees on which they served and that were held during the period for which they were directors or committee members. In addition, the directors often communicate informally to discuss the affairs of the Company and, when appropriate, take formal action by written consent, in accordance with the Company's charter and bylaws and Delaware law.

Below is a description of each committee of the Board as such committees are presently constituted. The Board has determined that each current member of each committee meets the applicable SEC and Nasdaq rules and regulations regarding “independence” and that each member is free of any relationship that would impair his individual exercise of independent judgment with regard to the Company.

Audit, Risk Management and Finance Committee

11

The Audit, Risk Management and Finance Committee of the Board (the “Audit Committee”) was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee the Company’s corporate accounting and financial reporting processes and audits of its financial statements. The Audit Committee is composed of Brent G. Blackey, Chair, Martha Goldberg Aronson and Scott Bartos. The Board has adopted an Audit, Risk Management and Finance Committee Charter, which was last amended on July 26, 2017 and is available on our website at <http://www.csi360.com> in the “Corporate Governance” section. The functions of the Audit Committee include, among other things:

- serving as an independent and objective party to monitor the Company’s financial reporting process and internal control system;
- appointing, compensating and overseeing the Company’s independent auditors;
- coordinating, reviewing and appraising the audit efforts of the Company’s independent auditors and management and the internal auditing or similar department or persons performing the functions of such department (to the extent the Company has such a department);
- communicating directly with the independent auditors, the financial and senior management, the internal auditing department, and the Board regarding the matters related to the Audit Committee’s responsibilities and duties;
- monitoring, overseeing and reviewing the Company’s risk management and ethical and legal compliance programs and exercising principal oversight responsibility with respect to certain of the Company’s material financial matters;
- reviewing and overseeing the performance of our Compliance Officer and Compliance Committee and management’s implementation of our compliance program, monitoring our compliance with the Corporate Integrity Agreement we entered into with the Office of the Inspector General of the U.S. Department of Health and Human Services, and fulfilling any obligations imposed on the Audit Committee under the Corporate Integrity Agreement; and
- reviewing and making recommendations to the Board regarding the financial policies of the Company, the Company’s capital structure and the Company’s current and anticipated financial requirements, and overseeing management of the financial affairs of the Company.

Our independent registered public accounting firm, legal counsel and management periodically meet privately with our Audit Committee.

Each Audit Committee member is a non-employee director of our Board. The Board reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all current members of the Company’s Audit Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards and Rule 10A-3(b)(1) under the Exchange Act).

Audit Committee Financial Expert

The Board has determined that Mr. Blackey is the “audit committee financial expert,” as defined in Item 407(d)(5)(ii) of Regulation S-K, as amended. As noted above, Mr. Blackey is independent within the meaning of Nasdaq’s listing standards. A description of Mr. Blackey’s experience is set forth above under “Directors Continuing In Office Until The Fiscal 2019 Annual Meeting.” The designation of Mr. Blackey as the audit committee financial expert does not impose on Mr. Blackey any duties, obligations or liability that are greater than the duties, obligations and liability imposed on Mr. Blackey as a member of the Audit Committee and the Board in the absence of such designation or identification.

Report of the Audit Committee of the Board of Directors

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management and the independent auditors;
- (2) discussed with the independent auditors the material required to be discussed by Auditing Standard No. 1301 (Communications with Audit Committees), with and without management present; and
- (3) received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and discussed with the independent accountant the independent accountant's independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2018, as filed with the Securities and Exchange Commission.

Human Resources and Compensation Committee

Our Human Resources and Compensation Committee (the "Compensation Committee") consists of three directors: Edward Brown, Chair, Augustine Lawlor and Martha Goldberg Aronson. All members of the Company's Compensation Committee were appointed by the Board, and consist entirely of directors who are "outside directors" for purposes of the prior version of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), "non-employee directors" for purposes of Rule 16b-3 under the Exchange Act, and "independent," as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards.

The Board has adopted a Human Resources and Compensation Committee Charter, which was last amended on November 16, 2016 and is available on our website at <http://www.csi360.com> in the "Corporate Governance" section. The functions of the Compensation Committee include, among other things:

- setting annual base compensation and approving incentive compensation for all of our executive officers, other than the Chief Executive Officer;
- reviewing corporate goals and objectives relevant to Chief Executive Officer compensation, the Chief Executive Officer's performance in light of those goals and objectives, and recommending to the independent directors of the Board the Chief Executive Officer's compensation;
- oversight responsibility for the Company's equity incentive plans and the incentive compensation plans for our executive officers, including the delegation of routine or ministerial activities to management;
- reviewing and approving employment agreements and severance agreements for our executive officers, except for the Chief Executive Officer, which are subject to input from the Board when appropriate, including change in control provisions, plans or agreements;
- reviewing director compensation and recommending appropriate adjustments for submission for approval to the Board;
- reviewing the Company's processes to recruit, retain and develop management resources, including its executive personnel appraisal, development and selection processes, with a focus on the Company's commitment to diversity;
- reviewing and discussing with management the Compensation Discussion and Analysis and other executive compensation-related disclosures required by the SEC to be included in the Company's annual Form 10-K and annual proxy statement and recommending to the Board whether the Compensation Discussion and Analysis should be included in the Company's annual Form 10-K and annual proxy statement;
- reviewing and discussing the Company's incentive compensation and other compensation arrangements to determine whether they encourage excessive risk-taking and the relationship between risk management policies and practices and compensation, and evaluating any changes to or additional compensation policies and practices that could mitigate any such risk; and
- overseeing the preparation and authorizing the filing of the Human Resources and Compensation Committee Report required to be included in the annual proxy statement.

During fiscal 2018, the Compensation Committee retained Willis Towers Watson to provide independent executive compensation consulting services. Willis Towers Watson helped the Compensation Committee determine competitive compensation levels for our executive officers, including base salary, incentive compensation, stock options and restricted stock awards. Specifically, Willis Towers Watson provided competitive compensation data from

comparable publicly-held healthcare equipment, research and development focused, or direct sales force companies, as well as incentive design observations. Willis Towers Watson also assisted the Compensation Committee in setting compensation for our directors to recommend to the Board for approval. In fiscal 2018, Willis Towers Watson also provided consulting services to the Company's human resources department in connection with its talent management strategy and development process and a privacy compliance review. The Compensation Committee approved these consulting services, after considering the potential effect on Willis Towers Watson's independence.

Willis Towers Watson meets the independence standards specified by the SEC.

Our Chief Executive Officer may not be present during any Compensation Committee or Board voting or deliberations with respect to his compensation. Our Chief Executive Officer may, however, be present during any other voting or deliberations regarding compensation of our other executive officers, but may not vote on such items of business. In fiscal 2018, the Compensation Committee met without the Chief Executive Officer present to review and recommend to the Board the compensation of the Chief Executive Officer, with input from the Compensation Committee's third-party compensation consultant on his annual salary, equity award compensation and cash incentive compensation for the year, and the Board met without the Chief Executive Officer present to approve his compensation. For all other executive officers in fiscal 2018, the Compensation Committee met with the Chief Executive Officer to consider and determine executive compensation, based on recommendations by the Chief Executive Officer and the Compensation Committee's third-party compensation consultant.

Compensation Committee Interlocks and Insider Participation

As indicated above, the Compensation Committee consists of Messrs. Brown and Lawlor and Ms. Aronson. No member of the Compensation Committee has ever been an executive officer or employee of ours. None of our officers currently serves, or has served during the last completed year, on the compensation committee or the board of directors of any other entity that has one or more officers serving as a member of the Board or the Compensation Committee.

Governance/Nominating Committee

Our Governance/Nominating Committee consists of three directors: Augustine Lawlor, Chair, William E. Cohn and Scott Bartos. All members of the Company's Governance/Nominating Committee are "non-employee directors" for purposes of Rule 16b-3 under the Exchange Act, and "independent," as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards.

The Board has adopted a Governance/Nominating Committee Charter, which was last amended on November 12, 2014, and is available on our website at <http://www.csi360.com> in the "Corporate Governance" section. The functions of the Governance/Nominating Committee include, among other things:

- developing, reviewing and revising as appropriate, for adoption by the Board, the Principles of Corporate Governance by which the Company and the Board will be governed;
- developing and recommending to the Board policies and processes designed to provide for effective and efficient governance, including, but not limited to: policies for evaluation of the Board and the chairperson; the director nomination process, including Board membership criteria, minimum qualifications for directors, and stockholder nomination of directors; stockholder-director communications; stockholder communication regarding stockholder proposals; director attendance at annual meetings; and succession planning for the Board chairperson and other Board leaders;
- annually reviewing the composition of the Board against a matrix of skills and characteristics focused on the governance and business needs and requirements of the Company, and reporting to the Board regarding suggested changes in Board composition that will guide the committee in the selection, recruitment and recommendation of directors;
- meeting as necessary to consider the nomination and screening of Board member candidates and evaluating the performance of the Board and its members; and
- overseeing organization, membership and evaluation of Board committees and committee members, and making appropriate recommendations to the Board with respect to such matters.

The Governance/Nominating Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Governance/Nominating Committee also intends to consider such

factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Governance/Nominating Committee considers diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. The Governance/Nominating Committee does not have a formal diversity policy and does not follow any ratio or formula with respect to diversity in order to determine the appropriate composition of the Board. In the case of incumbent directors whose terms of office are set to expire, the Governance/Nominating Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair

the directors' independence. In the case of new director candidates, the Governance/Nominating Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Governance/Nominating Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Governance/Nominating Committee meets to discuss and consider the candidates' qualifications and then selects a nominee by majority vote.

The Governance/Nominating Committee will consider director candidates recommended by business and professional sources, including executive search firms, and director candidates recommended by stockholders. The Governance/Nominating Committee intends to evaluate all director candidates in the same manner, including the minimum criteria set forth above, whether or not the candidate was recommended by a stockholder. To nominate a director for the fiscal 2019 Annual Meeting, stockholders must submit such nomination in writing to our Secretary at 1225 Old Highway 8 NW, St. Paul, Minnesota 55112 not later than the close of business on August 16, 2019, nor earlier than the close of business on July 17, 2019; provided, however, that in the event that the date of the fiscal 2019 annual meeting changes more than 30 days from November 14, 2019, the written proposal must be delivered not earlier than the close of business on the 120th day prior to the date of the fiscal 2019 Annual Meeting and not later than the close of business on the later of the 90th day prior to the date of the fiscal 2019 Annual Meeting or the 10th day following the day on which public announcement of the date of the fiscal 2019 Annual Meeting is first made by the Company. You are advised to review the Company's Bylaws for requirements relating to director nominees.

VOTE REQUIRED

The Board recommends that you vote "FOR" the election of each of the nominees to the Board set forth in this Proposal 1. The election of each of the nominees requires a majority of the votes cast by the shares present in person or represented by proxy and entitled to vote on the election of directors at the Annual Meeting at which a quorum is present.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has appointed PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2019, and the Board has directed that the appointment of the independent registered public accounting firm be submitted for ratification by the stockholders at the Annual Meeting. PricewaterhouseCoopers LLP also served as the Company's independent registered public accounting firm for the fiscal year ended June 30, 2018 and has been the Company's independent registered public accounting firm since February 25, 2009. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The Audit Committee is directly responsible for the appointment, compensation (including the negotiations therefor), retention and oversight of PricewaterhouseCoopers LLP. The Audit Committee and its Chair are directly involved in the selection of the lead engagement partner of PricewaterhouseCoopers LLP when there is a required rotation. While the Audit Committee periodically considers whether there should be a regular rotation of the Company's independent auditors, members of the Audit Committee and the Board believe that the continued retention of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm is in the best interests of the Company and its stockholders.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. However, the appointment of PricewaterhouseCoopers LLP is being submitted to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the appointment of PricewaterhouseCoopers LLP. Abstentions will have the same effect as Against votes.

In connection with the audit of the fiscal 2018 financial statements, the Company entered into an engagement agreement with PricewaterhouseCoopers LLP that sets forth the terms by which PricewaterhouseCoopers LLP performed audit services for the Company.

The following table presents the aggregate fees for the fiscal years ended June 30, 2018 and June 30, 2017 billed by PricewaterhouseCoopers LLP. All fees described below were approved by the Audit Committee.

PRE-APPROVAL POLICIES AND PROCEDURES

Pursuant to its written charter, the Audit Committee is required to pre-approve the audit and non-audit services performed by our independent auditors. The Audit Committee may not approve non-audit services prohibited by applicable regulations of the SEC if such services are to be provided contemporaneously while serving as independent auditors. The Audit Committee has delegated authority to the Chairman of the Audit Committee to approve the commencement of permissible non-audit related services to be performed by the independent auditors and the fees payable for such services, provided that the full Audit Committee subsequently ratifies and approves all such services. For fiscal 2018, all audit and non-audit services performed by our independent auditors were pre-approved in accordance with such pre-approval policies. The Audit Committee has determined that the rendering of the services other than audit services by PricewaterhouseCoopers LLP is compatible with maintaining the principal accountant's independence.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis describes the material elements of compensation awarded to each of the following executive officers (the “Named Executive Officers”) for fiscal 2018:

- Scott R. Ward Chairman, President and Chief Executive Officer
- Laurence L. Betterley Former Chief Financial Officer
- Jeffrey S. Points Chief Financial Officer
- Kevin J. Kenny Former Chief Operating Officer
- Rhonda J. Robb Chief Operating Officer
- Laura J. Gillund Chief Talent Officer
- Alexander Rosenstein General Counsel and Corporate Secretary

We experienced the following changes in our executive officers during the year ended June 30, 2018:

Mr. Kenny’s employment with us ended effective January 31, 2018, and on January 24, 2018, Ms. Robb was appointed as our Chief Operating Officer.

On February 6, 2018, we announced the retirement of Mr. Betterley and entered into a transition agreement with him. Under the transition agreement, Mr. Betterley ceased to be our Chief Financial Officer on February 6, 2018, at which time he ceased to be an executive officer of the Company and became our Vice President, Administration, through August 15, 2018.

Effective February 7, 2018, we appointed Mr. Points, previously our Vice President, Controller and Treasurer, as our Chief Financial Officer.

Executive Summary

Fiscal 2018 included several key strategic milestones:

Revenue increased 5.9% to \$217.0 million. Peripheral revenue grew 5% to \$161.4 million. Coronary revenue grew 8.7% to \$55.6 million.

Net income improved to \$1.7 million, representing the first year of positive net income in the Company’s history.

Operating expenses increased \$8.3 million, or 5%, to \$175.3 million, reflecting the expansion of our sales organization and increased enrollment in the ECLIPSE clinical trial.

Cash position improved to \$116.3 million due to increased earnings and positive cash flows.

In February 2018, the Coronary OAS Micro Crown received reimbursement approval in Japan, followed by the first commercial sales in Japan.

In January 2018, we announced our relationship with OrbusNeich® to be the exclusive U.S. distributor of OrbusNeich balloon products.

Enrollment in our ECLIPSE clinical trial approached 400 as of June 30, 2018. ECLIPSE is a prospective, multi-center, randomized clinical trial of approximately 2,000 subjects with severely calcified coronary lesions in the United States.

Our performance in fiscal 2018 was very strong. However, we set aggressive performance targets for our executive cash incentive compensation program for the year and did not meet these targets. Our performance in relation to the target levels of cash incentive compensation that were established at the beginning of the year resulted in achievement at 55.9% of target. However, as described below under “Annual Incentive,” the Compensation Committee and the Board adjusted the adjusted EBITDA portion of the annual incentive with respect to certain unplanned, one-time expenses,

resulting in a payout at 63.9% of target.

We believe our compensation programs appropriately rewarded our executive team for the Company's performance in fiscal 2018. The Compensation Committee believes that the most effective compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company and that aligns executives' interests with those of the stockholders by rewarding performance above established goals, with the ultimate objective of improving stockholder value. The Compensation Committee evaluates both performance and compensation to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains

18

competitive relative to the compensation paid to similarly situated executives of our peer companies. Accordingly, the Compensation Committee believes executive compensation packages that we provide to our executives should include both cash and stock-based compensation that reward performance as measured against established goals.

Say on Pay Results and Stockholder Engagement

At our Annual Meeting held November 15, 2017, our stockholders had the opportunity to cast a non-binding advisory vote on our executive compensation. Approximately 92% of the shares voted at the meeting approved our executive compensation. The Compensation Committee welcomed this feedback and intends to continue its practice of linking Company performance with executive compensation decisions. In addition to this vote result, the Compensation Committee and management gather direct input and feedback from our stockholders. We will continue to engage in discussions with stockholders who seek to provide input on executive compensation matters. We appreciate and consider all feedback and strive to provide clear and understandable information about our compensation design and performance measures.

Overview of Compensation and Process

The Compensation Committee worked with management and with Willis Towers Watson to design the executive compensation programs for fiscal 2018, following the belief that compensation should reflect the value created for the stockholders while furthering the company's strategic goals. In doing so, we instituted our compensation programs to achieve the following goals:

- align the interests of management with those of stockholders;
- provide fair and competitive compensation;
- integrate compensation with our business plans;
- reward both business and individual performance; and
- attract and retain key executives that are critical to our success.

These objectives emphasize pay for performance by providing an incentive opportunity for performance at or above plan, and for threshold performance below plan but at a level determined by the Compensation Committee to merit rewarding. The compensation package for each executive officer is comprised of three elements: (i) base salary that reflects individual performance and is designed primarily to be competitive with salary levels in the industry; (ii) annual incentive awards contingent upon specific corporate revenue and adjusted EBITDA goals; and (iii) long-term, stock-based incentive awards that strengthen the alignment of interests between the executive officers and our stockholders.

Our Compensation Committee, in consultation with its independent compensation consultant, administers our compensation program for the Named Executive Officers. The Compensation Committee regularly invites a representative of its independent compensation consultant to participate in Compensation Committee meetings and seeks the consultant's views regarding various compensation related issues. In connection with the annual review of executive officer and director compensation, at the request of the Compensation Committee, the compensation consultant provides the Committee with data regarding the compensation paid to executive officers and directors of companies deemed to be comparable to us (the "Compensation Peer Group").

In establishing relevant peers that are similar to us, the Compensation Committee considered several factors, namely: companies in the healthcare equipment industry with an emphasis on research and development, companies with similar financial scope (e.g., revenue, EBITDA and market capitalization), and companies with a significant sales force. The Compensation Committee believes that the companies listed below generally meet some or all of these criteria.

Edgar Filing: Cardiovascular Systems Inc - Form DEF 14A

For fiscal 2018, the Compensation Peer Group consisted of the following companies:

Accuray Incorporated	Endologix, Inc.	Natus Medical, Inc.
ABIOMED, Inc.	Fluidigm Corporation	Nxstage Medical, Inc.
AngioDynamics Inc.	Glaukos Corporation	Penumbra, Inc.
AtriCure, Inc.	Insulet Corporation	SeaSpine Holdings Corporation
ATRION Corp	K2M Group Holdings, Inc.	The Spectranetics Corporation*
CryoLife Inc.	LeMaitre Vascular, Inc.	

* The Spectranetics Corporation was acquired in August 2017.

In setting fiscal 2018 compensation, the Compensation Committee used the data assembled by Willis Towers Watson from the Compensation Peer Group set forth above to assist in its determination of base salaries, target incentive compensation under the Fiscal 2018 Executive Officer Bonus Plan, and target equity awards.

In making compensation decisions, the Compensation Committee compares all elements of total compensation to the companies in the Compensation Peer Group. The Compensation Committee reviews the compensation paid to executives in the Compensation Peer Group and performance evaluations presented by management in determining the appropriate aggregate and individual compensation levels for the performance year. In conducting its review, the Compensation Committee considers quantitative performance results of the Company and the overall need of the Company to attract, retain and motivate the executive team.

Base Salaries

Base salary is an important element of our executive compensation program as it provides executives with a competitive, fixed, non-contingent earnings stream to support annual living and other expenses. As a component of total compensation, we generally target base salaries at the median of Compensation Peer Group salaries for comparable positions, a level that we believe is sufficient to attract and retain an experienced management team that will successfully grow our business and create stockholder value. Base salaries are reviewed regularly and adjusted to reward individual performance and contributions to our overall business objectives. We seek to do so in a manner that does not detract from the executives' incentive to realize additional compensation through our performance-based compensation programs.

The Compensation Committee reviews the Chief Executive Officer's salary annually at the end of each fiscal year. The Compensation Committee may recommend that the Board make adjustments to the Chief Executive Officer's base salary based upon the Compensation Committee's review of his current base salary, incentive cash compensation and equity-based compensation, as well as his performance and comparative market data. The Compensation Committee reviews other executives' salaries at the end of each fiscal year, with input from the Chief Executive Officer. The Compensation Committee may approve adjustments to other executives' base salary based upon the Chief Executive Officer's recommendations and the reviewed executive's responsibilities, experience and performance, as well as comparative market data.

In utilizing comparative data, the Compensation Committee seeks to approve or recommend to the Board, as the case may be, salaries for each executive at a level that is appropriate after giving consideration to experience for the relevant position and the executive's performance. The Compensation Committee reviews performance for both the Company (based upon achievement of strategic initiatives) and each individual executive. Based upon these factors, the Compensation Committee may approve or recommend to the Board, as the case may be, adjustments to base salaries to better align individual compensation with comparative market compensation, to provide merit-based increases based upon individual or Company achievement, or to account for changes in roles and responsibilities.

For fiscal 2018, the Named Executive Officers received the base salary increases noted below. The Board approved the base salary for Mr. Ward, and the Compensation Committee approved the base salaries for each of the other Named Executive Officers, for the fiscal year ended June 30, 2018:

Name	2018 Base Salary	2017 Base Salary	Percentage Increase	
Scott R. Ward	\$650,000	\$630,000	3.2	%
Laurence L. Betterley	\$379,212	\$375,457	1.0	%
Jeffrey S. Points ⁽¹⁾	\$275,000	N/A	N/A	
Kevin J. Kenny ⁽²⁾	\$430,000	\$430,000	—	%
Rhonda J. Robb ⁽³⁾	\$450,000	N/A	N/A	
Laura J. Gillund	\$312,530	\$300,510	4.0	%
Alexander Rosenstein ⁽¹⁾	\$283,592	N/A	N/A	

(1) Mr. Points and Mr. Rosenstein were not Named Executive Officers for the fiscal year ended June 30, 2017.

(2) Mr. Kenny's employment with the Company ended effective January 31, 2018.

(3) Ms. Robb was appointed as the Company's Chief Operating Officer on January 24, 2018.

Annual Incentive

Each Named Executive Officer has a target cash incentive that is a percentage of his or her base salary. In fiscal 2018, target incentive levels as a percentage of base salary were:

- 15% for the President and Chief Executive Officer;
- 90% for the former and current Chief Operating Officer;
- 75% for the former Chief Financial Officer;
- 65% for the Chief Talent Officer;
- 60% for the current Chief Financial Officer; and
- 50% for the General Counsel and Corporate Secretary.

The Compensation Committee structures the Company's annual cash incentive program to reward its Named Executive Officers based on the Company's fiscal year performance. Each year, after the Company's annual financial planning process, the Compensation Committee and the Board establish the financial objectives that need to be achieved by the Company for the Named Executive Officers to earn the cash incentive. These financial objectives vary from year to year, depending on the Company's business goals. In fiscal 2018, the cash incentive compensation program was based on the Company's achievement of revenue and adjusted EBITDA financial goals in order to continue to align executive compensation with the interests of our stockholders.

Target amounts were split one-half for achievement of revenue targets and one-half for achievement of adjusted EBITDA targets. For the purposes of the performance goal measurement, adjusted EBITDA is defined as EBITDA with stock compensation added back into the calculation and an adjustment for cash incentive compensation paid to management above or below 100% target levels for that particular fiscal year.

The fiscal 2018 performance goals were aggressive and structured to encourage significant growth:

	Revenue (in millions)	Adjusted EBITDA ⁽¹⁾ (in millions)	Achievement as a % of Target
Threshold	\$215.9	\$14.0	50%
Target	\$232.0	\$21.0	100%
Maximum	\$243.5	\$27.9	200%
Actual	\$217.0	\$16.5	55.9%

(1) The following is a reconciliation of the actual adjusted EBITDA result to the most comparable U.S. GAAP measure (in thousands):

	Year Ended June 30, 2018
Net income	\$1,712
Other (income) and expense, net	390
Provision for income taxes	132
Income from operations	2,234
Add: Stock-based compensation	10,302
Add: Depreciation and amortization	3,934
Adjusted EBITDA	\$16,470

The actual achievement under the criteria established at the beginning of fiscal 2018 by measure was 53.6% of target for revenue and 58.3% of target for adjusted EBITDA. Since these measures are equally weighted, the total achievement under the annual incentive plan was 55.9% of target, as noted above. However, the Compensation Committee and the Board considered that there were various unplanned, one-time severance and legal expenses of

\$2.2 million in the aggregate incurred in fiscal 2018 that affected the Company's adjusted EBITDA, and determined to use their discretion to add these expenses back into adjusted EBITDA for purposes of calculating the payout to the executive officers. As a result of this adjustment, the payout for the adjusted EBITDA portion of the annual incentive was 74.2% of target, and the total payout was 63.9% of target. As part of their determination, and in accordance with the Company's 2014 Equity Incentive Plan, the Compensation Committee and the Board determined that it was advisable for the awards not to qualify as "performance-based" compensation under Section 162(m) of the Internal Revenue Code.

Edgar Filing: Cardiovascular Systems Inc - Form DEF 14A

Incentive compensation amounts earned under the criteria established at the beginning of fiscal 2018, and as adjusted in accordance with the determination described above, were as follows:

Fiscal 2018

	Target \$	\$ Incentive Compensation	Incentive as a % of Base Salary	Incentive as a % of Base Salary Achievement	\$ Incentive Compensation Actual Payout	Actual Incentive Compensation as a % of Base Salary
Scott R. Ward	\$747,500	\$ 418,208	64.3	%	\$ 477,728	73.5 %
Laurence L. Betterley	\$284,409	\$ 159,120	42.0	%	\$ 181,766	47.9 %
Jeffrey S. Points ⁽¹⁾	\$131,469	\$ 77,791	28.3	%	\$ 88,862	32.3 %
Kevin J. Kenny ⁽²⁾	\$387,000	\$ 126,301	29.4	%	\$ 144,277	33.6 %
Rhonda J. Robb ⁽³⁾	\$172,934	\$ 94,412	21.0	%	\$ 107,848	24.0 %
Laura J. Gillund	\$203,145	\$ 113,655	36.4	%	\$ 129,830	41.5 %
Alexander Rosenstein	\$141,796	\$ 79,331	28.0	%	\$ 90,622	32.0 %

(1) Target bonus level as a percentage of base salary for Mr. Points was 50% from July 1, 2017 through February 6, 2018, and 60% from February 7, 2018 through June 30, 2018.

(2) Mr. Kenny's incentive compensation for fiscal year 2018 was pro-rated for the portion of the year in which he was employed by the Company, resulting in a payout of \$144,277.

(3) Ms. Robb's target for fiscal 2018 was pro-rated for the portion of the year in which she was employed by the Company.

The Compensation Committee approved a clawback feature for the fiscal 2018 annual incentive program in the event of a required restatement of the Company's financial statements.

Discretionary Bonuses

The Board and the Compensation Committee have the authority to grant discretionary bonuses. In making a determination to grant a discretionary bonus, the Board and the Compensation Committee will consider several factors, such as extraordinary individual or Company performance, achievement of major Company milestones, contribution to increase in stockholder value, amount of total compensation compared to the Compensation Peer Group, and retention. There were no discretionary bonuses granted for fiscal 2018.

Long-Term Incentives

We provide long-term incentives to the Named Executive Officers through grants of equity. Under our 2017 Equity Incentive Plan (the "2017 Plan") and our prior equity incentive plans, which the 2017 Plan replaced, we may make grants of restricted stock awards, stock options, restricted stock units, performance share awards, performance unit awards and stock appreciation rights to officers and other employees. We adopted these plans to give us flexibility in the types of awards that we could grant to our executive officers and other employees in order to meet our business needs. In fiscal 2018, we used equity vehicles to emphasize performance, stockholder alignment and retention.

In fiscal 2018, the Compensation Committee approved equity grants to the Named Executive Officers, other than Mr. Ward, and recommended to the Board for approval equity grants to Mr. Ward. In each case, the Compensation Committee or the Board, as applicable, approved an aggregate dollar amount of equity for each Named Executive Officer, which awards were granted in the share amounts set forth in the table below based on the grant date closing price of our common stock.

Each Named Executive Officer has a target equity incentive that is a fixed percentage of his or her salary. In fiscal 2018, target equity incentive levels as a percentage of base salaries were:

- 375% for the President and Chief Executive Officer,
- 225% for the former Chief Financial Officer,
- 225% for the former Chief Operating Officer, and
- 125% for the other Named Executive Officers.

Beginning in fiscal 2019, Ms. Robb and Mr. Points will be eligible for a target equity incentive of 200% and 150%, respectively, of their annual base salaries. During fiscal 2018, Mr. Points had a target equity incentive of 50% of his annual base salary.

The value was then split to provide 60% of the value in performance-based vesting shares, based on target level performance, and 40% in time-based restricted stock in order to more heavily align these incentives with performance and stakeholder interests. Prior to his appointment as Chief Financial Officer, Mr. Points received grants of restricted stock for fiscal 2018 with a target equity incentive value that was split to provide 40% of the value in performance-based vesting shares, based on target level performance, and 60% in time-based restricted stock.

For fiscal 2018, the Board and the Compensation Committee determined that the performance-vesting restricted stock would vest entirely based on total stockholder return and the measurement period would be three years, in each case in order to align executive incentives with long-term stockholder interests. Accordingly, the performance-vesting restricted stock granted in fiscal 2018 will vest based on our total stockholder return relative to total stockholder return of the Compensation Peer Group,

as measured by the closing prices of our stock and the Compensation Peer Group members for the 90 trading days preceding July 1, 2017 compared to the closing prices of our stock and the Compensation Peer Group members for the 90 trading days preceding July 1, 2020, as follows:

If our total stockholder return is below the 25th percentile of total stockholder return of the Compensation Peer Group, the Named Executive Officer will forfeit all shares of stock subject to the award;

If our total stockholder return is at least equal to the 25th percentile of total stockholder return of the Compensation Peer Group, the risks of forfeiture on the shares will lapse with respect to 25% of the shares of stock subject to the award, plus a pro rata portion of the remaining shares, interpolated to the median total stockholder return of the Compensation Peer Group, such that the risks of forfeiture will lapse with respect to 50% of the shares subject to the award if our total stockholder return is equal to the median total stockholder return of the Compensation Peer Group; and

If our total stockholder return is greater than the median total stockholder return of the Compensation Peer Group, the risks of forfeiture on the shares will lapse with respect to greater than 50% of the remaining shares of stock subject to the award, such that the risks of forfeiture will lapse with respect to 100% of the remaining shares subject to the award if our total stockholder return is equal to or greater than the 85th percentile of total stockholder return of the Compensation Peer Group.

Vesting of the performance-vesting restricted stock will be determined on the date that our Annual Report on Form 10-K for the fiscal year ending June 30, 2020 is filed.

The performance-vesting restricted stock was granted to each Named Executive Officer at the maximum number of shares that could be earned, which is 200% of the target number of shares allocated to performance-vesting restricted stock. Any shares not earned will be forfeited upon confirmation of the performance level actually achieved.

The maximum number of shares subject to each type of award is set forth in the table below:

2018 Restricted Stock Awards
