**Item 8.01. Other Events**

On July 21, 2008, HCC Insurance Holdings, Inc. (the "Company") announced in a press release that it reached a settlement with the United States Securities and Exchange Commission("SEC") by consenting to the entry of a permanent injunction against future violations of the reporting, books and records, and internal controls provisions of the federal securities laws. The Company neither admitted nor denied the allegations contained in the SEC's complaint.

The settlement, together with the federal court's recent final order disposing of the class action litigation, resolves completely the previously disclosed SEC investigation into the Company's historical stock option granting practices. The SEC made no allegations of fraud against the Company, and the Company was not required to pay any civil penalty, fine, or money damages as part of the settlement.

A copy of the Company's press release announcing the settlement is attached hereto as Exhibit 99.1 and incorporated by reference herein.
