PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To be held on October 8, 2013

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors (the "Board") of Frequency Electronics, Inc., a Delaware corporation (hereinafter called the "Company"), for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the office of the Company, 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, on the 8th day of October 2013, at 10:00 A.M., Eastern Daylight Time, or any adjournment or adjournments thereof. This Proxy Statement together with the accompanying Proxy card was first mailed to stockholders on or about August 29, 2013. Only stockholders of record as of the close of business on August 27, 2013 are entitled to notice of, and to vote at, the meeting.

The Board may use the services of the Company's directors, officers and other regular employees to solicit proxies personally or by telephone and may request brokers, fiduciaries, custodians and nominees to send proxies, proxy statements and other materials to their principals and reimburse them for their out-of-pocket expenses in so doing. The cost of solicitation of proxies, which it is estimated will not exceed \$7,500, will be borne by the Company. Each proxy executed and returned by a stockholder may be revoked at any time thereafter by filing a later dated proxy or by appearing at the meeting and voting in person. Attendance at the meeting will not, in itself, constitute revocation of a proxy.

Voting Securities and Votes Required

The Board has fixed the close of business on August 27, 2013, as the record date for determination of stockholders entitled to notice of, and to vote at, the meeting. On August 27, 2013, the Company had outstanding 8,513,076 shares of common stock, \$1.00 par value per share ("Common Stock") (excluding 650,864 treasury shares), each of which entitled the holder to one vote. No shares of preferred stock were outstanding as of such date. A majority of the outstanding shares of Common Stock, represented in person or by proxy, constitutes a quorum. Rights of appraisal or similar rights of dissenters are not available to stockholders of the Company with respect to any matter to be acted upon at the Annual Meeting.

A stockholder who abstains from voting on any or all proposals will be included in the number of stockholders present at the meeting for the purpose of determining the presence of a quorum. A "broker non-vote" will also be counted for the purpose of determining the presence of a quorum. A "broker non-vote" occurs when a beneficial owner whose shares are held of record by a broker does not instruct the broker how to vote those shares and the broker does not otherwise have discretionary authority to vote on a particular matter.

In the case of broker non-votes, brokers are entitled to vote on the ratification of the independent auditors, but are not entitled to vote on Proposal Number 1 (the election of directors). Broker non-votes will have no effect on the outcome of the election of directors. Please vote your proxy so your vote can be counted. Stockholder abstentions will have no effect on the outcome of the election of directors, but will have the same practical effect as a negative vote on Proposal Number 2 (ratifying the appointment of the independent auditors).

It is expected that the following business will be considered at the meeting and action will be taken thereon.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will be asked to elect five (5) directors ("Director(s)") to the Board to hold office until the next annual meeting of stockholders and until their respective successors are elected and qualified. Cumulative voting is not permitted. The accompanying Proxy will be voted for the election of all five of the members of the Board, each of whose principal occupations are set forth in the following table, if no direction to the contrary is given. In the event that any such nominee is unable or declines to serve, the Proxy may be voted for the election of another person in his place. The Board knows of no reason to anticipate that this will occur.

The director nominees are as follows:

Name	Principal Occupation	Age	Year First Elected Director
Joseph P. Franklin	Chairman of the Board of Directors (Major General, U.S. Army – Ret.)	79	1990
Martin B. Bloch	President, Chief Executive Officer and a Director	77	1961
Joel Girsky	President, Jaco Electronics, Inc., and a Director	74	1986
S. Robert Foley, Jr.	Director (Admiral, U.S. Navy – Retired)	85	1999
Richard Schwartz	Director	77	2004

All directors hold office for a one-year period or until their successors are elected and qualified.

The Company's Board has determined that Messrs. Foley, Girsky, and Schwartz are "independent," as defined in the listing standards of the NASDAQ Stock Market ("NASDAQ"). The composition of the Board, consisting of two (2) officers of the Company (Messrs. Bloch and Franklin) and the three (3) independent directors, is in full compliance with the listing requirements of the NASDAQ.

He is the president and a director of Jaco Electronics, Inc., which is in the business of distributing electronics components and has served in such a capacity for over forty years. Mr. Girsky is the Chairman of the Company's Audit Committee. Mr. Girsky's knowledge of the Company through his service as a director of the Company, as well as his experience as CEO of a publicly-traded company, allow him to bring valuable insight and knowledge to the Board.

He served as Vice President of Raytheon International, Inc. and President of Raytheon Japan from 1995 to 1998. Admiral Foley served in the United States Navy for 35 years, including the position of Commander-In-Chief of the Pacific Fleet. Admiral Foley is also a director of INTELSAT General Corp. Admiral Foley became a member of the Board in 1999. Admiral Foley's leadership background, and his executive management and business experience with a defense-oriented company, allow him to bring valuable insight and knowledge to the Board.

RICHARD SCHWARTZ, age 77, was a trustee and chairman of the Finance Committee of Cooper Union in New York City, a position he held from 2004 through 2008. Prior to his retirement in 2000, Mr. Schwartz was Chief Executive Officer and Chairman of ATK. He served in senior executive positions at ATK and predecessor companies beginning in 1990. Mr. Schwartz's extensive industry experience, his prior board and executive management experience and his demonstrated leadership capabilities allow him to bring valuable insight and knowledge to the Board.

In addition, the chairman of the Audit Committee receives a stipend of \$10,000. Company officers do not receive additional compensation for their service on the Board or for attendance at Board meetings or committee meetings. Directors who are not officers do not participate in Company-sponsored pensions or deferred compensation programs.

S. Robert Foley	30,000	41,600	71,600

(1) The amounts in this column do not represent actual cash payments, but represent the aggregate grant date fair value of stock appreciation rights awarded during the 2013 fiscal year computed in accordance with FASB ASC Topic 718. The assumptions used in determining the grant date fair values of these awards are set forth in the notes to the Company's consolidated financial statements, which are included in its Annual Report on Form 10-K for the year ended April 30, 2013, as filed with the Securities and Exchange Commission ("SEC").

(2) Each non-officer Director received stock appreciation rights ("SARs") to receive, upon exercise, the number of shares of Common Stock equal to the appreciated value of 46,000 shares of Common Stock between the award

date and the exercise date. During fiscal years 2013, 2012, 2011, 2010 and 2009 each director was granted a SAR based on 10,000, 10,000, 10,000, 10,000 and 6,000 shares, respectively. Each such award was outstanding at the end of fiscal year 2013, and each Director was vested in 21,000 shares of such awards as of April 30, 2013. In addition, Mr. Schwartz has an option to acquire 30,000 shares of Common Stock in which he is fully vested as of April 30, 2013. The grant dates and exercise prices for these awards are listed in notes (11) and (12) under the “Stock Ownership of Certain Beneficial Owners and Management,” below.

Vote Required and Board Recommendation

Assuming the presence of a quorum at the Annual Meeting, the affirmative vote of a plurality of the votes cast by holders of shares of Common Stock represented at the Annual Meeting and entitled to vote is required for the election of directors.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 1 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" THE NOMINEES NAMED ABOVE.

PROPOSAL NO. 2

APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, upon recommendation of the Audit Committee, has appointed the firm of EisnerAmper LLP, ("EisnerAmper"), independent accountants, to be the Company's external auditors for the fiscal year commencing May 1, 2013, and recommends to stockholders that they vote for ratification of that appointment.

It is anticipated that a representative of EisnerAmper will be present at the meeting. Such representative will be given the opportunity to make a statement and will be available to respond to appropriate questions.

In connection with the audits of the Company's financial statements for the years ended April 30, 2013 and 2012 and the subsequent interim period through July 29, 2013, there have been no disagreements with EisnerAmper on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EisnerAmper would have caused EisnerAmper to make reference thereto in their reports on the Company's financial statements for such years.

No reportable event of the type described in Item 304(a)(1)(v) of Regulation S-K occurred during the years ended April 30, 2013 and 2012 and the subsequent interim period through July 29, 2013.

During the Company's two fiscal years ended April 30, 2013 and 2012 and the subsequent interim period through July 29, 2013, the Company has not consulted with EisnerAmper or the predecessor firms regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or reportable event (within the meaning of Item 304(a)(1)(v) of Regulation S-K).

AUDIT AND NON-AUDIT FEES

The following table presents the aggregate fees and expenses paid or accrued by the Company for professional services rendered by the Company's auditors, EisnerAmper in fiscal years 2013 and 2012. Other than as set forth below, no professional services were rendered or fees billed by EisnerAmper during fiscal years 2013 and 2012.

Service	2013	2012
Audit Fees (1)	\$ 335,000	\$ 390,698
Audit-Related Fees (2)	45,000	42,500
Tax Fees (3)	-	-
All Other Fees (4)	-	-
TOTAL	\$ 380,000	\$ 433,198

(1) Audit fees consist of professional services rendered for the audit of the Company's annual financial statements, the reviews of the quarterly financial statements, issuance of consents and assistance with and review of documents filed with the SEC.

5

- (2) Other audit-related services provided by EisnerAmper include the annual audit of the Company's employee benefit plans as well as accounting consultations regarding significant transactions during the fiscal year.
- (3) Tax fees consist of fees for services rendered to the Company for tax compliance, tax planning and advice. Beginning in fiscal year 2009, the Company engaged another accounting firm to provide such services.
- (4) No other services were performed by EisnerAmper in connection with financial information systems design and implementation or otherwise.

Pre-Approved Services

Prior to engaging EisnerAmper to render the above services during fiscal year 2013, and pursuant to its charter, the Audit Committee approved the engagement for each of the services and determined that the provision of such services by the external auditor was compatible with the maintenance of EisnerAmper's independence in the conduct of its auditing services.

The procedures used by the Audit Committee for the pre-approval of all audit and permissible non-audit services provided by the independent auditors are described below.

Before engagement of EisnerAmper as independent auditors for fiscal year 2013, the independent auditors will submit a detailed description of services expected to be rendered during that year within each of four categories of services to the Audit Committee for approval.

Audit Services include audit work performed on the Company's financial statements, as well as work that generally only the independent auditors can reasonably be expected to provide, including statutory audits, comfort letters, consents and assistance with and review of documents filed with the SEC.

Audit-Related Services are for assurance and related services that are traditionally performed by the independent auditors, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements and discussions surrounding the proper application of financial accounting and/or reporting standards.

Tax Services include all services, except those services specifically related to the audit of the financial statements, performed by the independent auditors' tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting. As indicated above, the Company has engaged another accounting firm to provide such services which will thus not impair EisnerAmper's independence.

Other Services are those associated with services not captured in the other categories. The Company generally does not request such services from the independent auditors.

Prior to engagement, the Audit Committee pre-approves independent auditor services within each category. The fees are budgeted and the Audit Committee requires the independent auditors to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditors for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditors.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member(s) to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Vote Required and Board Recommendation

The affirmative vote of a majority of the shares of common stock represented at the Annual Meeting and entitled to vote is required for the ratification of EisnerAmper as the Company's independent auditors for the 2014 fiscal year.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 2 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables the Company’s stockholders to vote to approve, on a non-binding advisory basis, the compensation of the Company’s Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules.

The Company’s objective is to provide a fair and competitive compensation package to its Named Executive Officers that rewards long-term performance and enhances shareholder value. In order to achieve its goals, the Company is dependent on its ability to attract, retain and motivate individuals who can achieve superior technical, operational and financial results. This approach has enabled the Company to attract and retain the executive talent that has resulted in increased revenues and profitability in recent years and has established the basis for sustaining such growth in the future. For an overview of the compensation of the Company’s Named Executive Officers, see “Executive Compensation,” below

The Company is asking for non-binding approval of the compensation of its Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules, which disclosures include the disclosures under the section “Executive Compensation,” the summary compensation table and the narrative discussion following the summary compensation table. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s Named Executive Officers and the policies and practices described in this Proxy Statement, as disclosed under the “Executive Compensation” section. Accordingly, shareholders are asked to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on a non-binding advisory basis, the compensation of the Named Executive Officers pursuant to the compensation disclosure rules of the SEC as described in the Executive Compensation, the summary compensation tables and the narrative discussion in the Company’s Proxy Statement for the 2013 Annual Meeting of Stockholders.”

While the Company intends to carefully consider the voting results of this proposal, this vote is advisory and therefore not binding on the Company, the Compensation Committee or the Board. Accordingly, and given that some of the compensation to be paid is a contractual obligation with the applicable executives, regardless of the outcome of this advisory vote, such compensation may still be payable. The Board and the Compensation Committee value the opinions of the Company’s stockholders, and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Vote Required and Board Recommendation

The affirmative vote of a majority of the shares of common stock represented at the Annual Meeting and entitled to vote is required for advisory approval of this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE SEC’S EXECUTIVE COMPENSATION DISCLOSURE RULES.

PROPOSAL NO. 4

ADVISORY VOTE ON THE FREQUENCY OF HOLDING FUTURE ADVISORY VOTES ON EXECUTIVE
COMPENSATION

The Dodd-Frank Act also enables the Company's stockholders to vote, on a non-binding advisory basis, on the frequency with which they would prefer to cast a non-binding advisory vote on the compensation of the Company's Named Executive Officers. By voting on this proposal, stockholders may indicate whether they would prefer a non-binding advisory vote on Named Executive Officer compensation once every one, two or three years. In addition to the advisory vote on executive compensation discussed in Proposal No. 3, pursuant to Section 14A of the Exchange Act, the Company is required at least every six years to hold an advisory vote to determine the frequency of the advisory stockholder vote on executive compensation.

After careful consideration of the frequency alternatives, the Board believes that conducting a non-binding, advisory vote on executive compensation on an annual basis is appropriate for the Company and its stockholders at this time because such timing for the advisory vote will ensure our stockholders are engaged in executive officer compensation decisions. While the Company's executive compensation programs are designed to promote a long-term connection between pay and performance, the Board recognizes that awards to the Company's Named Executive Officers are typically made annually, and improvements to compensation plans are often considered and adopted on an annual basis. Given that the executive compensation advisory vote provisions are new for the Company, holding an annual advisory vote on executive compensation provides more direct and immediate feedback on the Company's compensation disclosures. However, because the SEC rules governing the "say-on-pay" and "say-on-frequency" votes are newly adopted, the Company will continue to monitor developments in executive compensation practices and evaluate the appropriateness and effectiveness of seeking a say-on-frequency vote every year, and the Company may change its recommendation on the desired frequency in the future.

The Board believes that an annual advisory vote on executive compensation is consistent with the Company's practice of seeking input and engaging in dialogue with its shareholders on corporate governance matters (including the practice of having all directors elected annually and annually providing stockholders the opportunity to ratify the Company's selection of independent accounting firm) and the Company's executive compensation philosophy, policies and practices. While the Board values the opinions of the Company's stockholders and will consider the outcome of this say-on-frequency vote when making future decisions on the frequency with which to hold the advisory vote on executive compensation, this vote is advisory, which means that the vote on frequency is not binding on the Company, the Board or the Compensation Committee.

Vote Required and Board Recommendation

The affirmative vote of a majority of the shares of common stock represented at the Annual Meeting and entitled to vote is required for advisory approval of this proposal. With respect to this proposal, if none of the frequency alternatives (one year, two years or three years) receives a majority vote, the Company will consider the frequency that receives the highest number of votes by stockholders to be the frequency that has been approved by the Company's stockholders. However, because this vote is advisory and not binding on the Company or the Board, the Board may decide that it is in the best interests of the Company and the stockholders to hold an advisory vote on executive compensation more or less frequently than the option approved by the Company's stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO HOLD FUTURE NON-BINDING ADVISORY VOTES ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS EVERY ONE YEAR (AS OPPOSED TO EVERY TWO YEARS OR EVERY THREE YEARS).

OTHER BUSINESS

As of the date of this Proxy Statement, the only business which the Board intends to present and knows that others will present at the meeting are hereinabove set forth. If any other matter or matters are properly brought before the meeting or any adjournments thereof, it is the intention of the persons named in the accompanying Proxy to vote the Proxy on such matters in accordance with their judgment.

PROPOSALS OF STOCKHOLDERS

In accordance with the rules promulgated by the SEC, any stockholder who wishes to submit a proposal for inclusion in the proxy material to be distributed by the Company in connection with the 2014 Annual Meeting of Stockholders must submit such proposal to the Company no later than April 20, 2014.

Assuming that the Company's 2014 Annual Meeting of Stockholders is held on schedule, the Company must receive notice of a stockholder's intention to introduce a nomination or other item of business at that meeting by July 8, 2014. If the Company does not receive notice by that date, or if the Company meets certain other requirements of the SEC rules, the persons named as proxies in the proxy materials relating to that meeting will use their discretion in voting the proxies when these matters are raised at the meeting.

All of the officers named above are fully vested in the shares attributable to their accounts.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors, officers and any person who is the beneficial owner of more than 10% of the Company's equity securities ("10% stockholder") to file reports of ownership and reports of changes in ownership of the Company's Common Stock and other equity securities with the SEC. Directors, executive officers and 10% stockholders are required to furnish the Company with copies of all Section 16(a) forms they file. Based on a review of the copies of such reports furnished to it, the Company believes that during the fiscal year ended April 30, 2013, the Company's directors, officers and 10% stockholders complied with all Section 16(a) filing requirements applicable to them, with the following exception:

Due to a reporting oversight by one of the Company's vice presidents, a Form 4 reporting sales on April 25, 2013 aggregating 1,000 shares was not timely filed. The Form 4 was filed with the SEC on May 6, 2013.

CERTAIN INFORMATION AS TO COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

During the past fiscal year, five (5) meetings of the Board were held. Each of the Company's directors attended, in person or telephonically, all of the meetings of the Board and of the meetings of committees of the Board of which such director was a member that were held during the past fiscal year.

In addition to attendance at Board meetings, the Board encourages, but does not require, all directors to attend annual meetings of the Company's stockholders. All of the Company's directors attended the Company's 2012 Annual Meeting of Stockholders.

Audit Committee

The Audit Committee consists of the Company's three independent directors, Messrs. Foley, Girsky, and Schwartz. Each of these directors is independent in accordance with the independence standards for audit committee membership set forth in Section 10A(m)(3) of the Exchange Act and the listing standards of The NASDAQ Stock Market, upon which the Company's Common Stock is listed and trades. The Board has determined that each member of the Audit Committee is able to read and understand fundamental financial statements. In addition, the Board has determined that Mr. Girsky, chairman of the Audit Committee, satisfies the SEC's criteria as an "audit committee financial expert."

The Audit Committee has procedures in place to receive, retain and handle complaints received regarding accounting, internal controls or auditing matters and to allow for the confidential and anonymous submission by anyone of concerns regarding questionable accounting or auditing matters.

The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of the Company's financial statements. The functions of the Audit Committee include, without limitation, (i) responsibility for the appointment, compensation, retention and oversight of the Company's independent auditors, (ii) review and pre-approval of all audit and non-audit services provided to the Company by the independent auditors, other than as may be allowed by applicable law, and (iii) review of the annual audited and quarterly consolidated financial statements. The Audit Committee Charter, which describes all of the Audit Committee's responsibilities, is posted on the Company's website at <http://www.frequencyelectronics.com>.

The Audit Committee held four (4) meetings during the last fiscal year. For the Audit Committee's report, see "Report of the Audit Committee," below.

Compensation Committee

The Compensation Committee consists of the three independent directors, Messrs. Foley, Girsky, and Schwartz. The Compensation Committee adopted a formal charter, which is posted on the Company's website at <http://www.frequencyelectronics.com>. The Compensation Committee is responsible for determining remuneration arrangements for the highest paid executives and oversees the Company's stock option, bonus and other incentive compensation plans. The Compensation Committee may not delegate these responsibilities. The Compensation Committee held four (4) meetings during fiscal year 2013.

The Company's President and Chief Executive Officer, Martin Bloch, recommends to the Compensation Committee base salary, bonus payouts from the short-term incentive pool and long-term incentive grants for the Company's officers (other than himself) and other eligible employees (see Executive Compensation section below). Mr. Bloch makes these recommendations to the Compensation Committee based on input from the Company's Director of Human Resources using compensation data as described below, as well as qualitative judgments regarding individual performance. Mr. Bloch is not involved with any aspect of determining his own pay. Mr. Bloch's compensation is based upon an employment agreement dated March 17, 2008, a description of which is found below.

In order to assess whether the compensation program that the Company provides to its executive officers is competitive, its human resources department annually participates in a survey of electronics companies in the New York metropolitan area. This survey compares base salaries by job type as well as benefits offered by other

companies in the electronics industry. The Compensation Committee has established salaries and benefits which are in the mid-range of those companies which participate in this survey.

Director Nominations

Due to the relatively small size of its Board, the Company does not have a formal nominating or corporate governance committee. New director nominations, which are infrequent, and compliance with corporate governance rules, are reviewed and approved by the independent directors. By Board resolution, the Company has determined that if a new director is to be nominated, the independent directors of the Company (currently Messrs. Foley, Girskey, and Schwartz) will conduct interviews of qualified candidates and, as appropriate, will recommend selected individuals to the Board. The independent directors consider director candidates based on criteria approved by the Board, including such individuals' backgrounds, skills, expertise, accessibility and availability to serve constructively and effectively on the Board. The Board has no formal policy on the consideration to be given to diversity in the nomination process, other than to seek candidates who have skills and experience that are appropriate to the position and complementary to those of the other board members or candidates using the criteria identified above. The Company may retain a director search firm to assist it in identifying qualified director nominees.

Director Candidates Proposed by Stockholders

The Company will consider recommendations for director candidates submitted in good faith by stockholders of the Company. A stockholder recommending an individual for consideration by the Board (and the independent directors) must provide (i) evidence in accordance with Rule 14a-8 of the Exchange Act of compliance with the stockholder eligibility requirements, (ii) the written consent of the candidate(s) for nomination as a director, (iii) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director, and (iv) all information regarding the candidate(s) and the stockholder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board, including, without limitation, name, age, business and residence address and principal occupation or employment during the past five years. Stockholders should send the required information to the Company at 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, Attention: Corporate Secretary.

In order for a recommendation to be considered by the Company for the 2014 Annual Meeting of Stockholders, the Company's Corporate Secretary must receive the recommendation no later than 5:00 p.m., local time, on April 21, 2014. Such recommendations must be sent via registered, certified or express mail (or other means that allows the stockholder to determine when the recommendation was received by the Company). The Company's Corporate Secretary will send properly submitted stockholder recommendations to the independent directors for consideration at a future meeting. Individuals recommended by stockholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the independent directors.

CORPORATE GOVERNANCE MATTERS

Communications with Directors

Stockholders and other interested parties may communicate directly with any Director, including any non-management member of the Board, by writing to the attention of such individual at the following address: Frequency Electronics, Inc., 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, Attention: Corporate Secretary. The Company's Secretary will distribute any stockholder communications received to the Director(s) to whom the letter is addressed or to all of the Directors if addressed to the entire Board.

Communications that are intended for the non-management directors generally should be marked "Personal and Confidential" and sent to the attention of the Chairman of the Audit Committee. The Chairman will distribute any communications received to the non-management member(s) to whom the communication is addressed.

Executive Sessions of Independent Directors

The independent directors regularly meet without any management directors or employees present. Such executive sessions are held at least annually and as often as necessary to fulfill the independent directors' responsibilities.

Code of Ethics

All directors, officers and employees of the Company must act ethically and in accordance with the Company's Code of Ethics (the "Code of Ethics"). The Code of Ethics satisfies the definition of "code of ethics" under the rules and regulations of the SEC and is available on the Company's website at <http://www.frequencyelectronics.com>. The Code of Ethics is also available in print to anyone who requests it by writing to the Company at the following address: Frequency Electronics, Inc., 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, Attention: Ethics Officer. Annually, the Company's Directors review the Code of Ethics and the report of the Company's Ethics Committee.

Board Leadership Structure

The positions of Chairman of the Board and Chief Executive Officer are currently held by different persons. The Board believes that having a separate Chairman allows the Chief Executive Officer, Mr. Bloch, to focus on the day-to-day management of the Company while enabling the Board to maintain an independent perspective on the activities of the Company and executive management.

Board Risk Oversight

The Company's senior management manages the day-to-day risks facing the Company under the oversight and supervision of the Board, which oversees the Company's risk management strategy, focusing on the adequacy of the Company's risk management and mitigation processes. The Board's role in the risk oversight process includes receiving regular reports from senior management on areas of material risk, including operational, financial, legal and regulatory and strategic and reputational risks. The full Board receives these reports to enable it to understand the Company's risk identification, risk management and risk mitigation strategies. While the full Board is ultimately responsible for risk oversight at the Company, the Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk in the areas of financial reporting and internal controls. In performing its functions, the Audit Committee has access to management and is able to engage advisors, if deemed necessary. The Board receives regular reports from the Audit Committee regarding its areas of focus.

REPORT OF THE AUDIT COMMITTEE

The members of the Audit Committee have been appointed by the Board. The Audit Committee is comprised of three non-employee directors, each of whom satisfies the independence standards for audit committee membership set forth in Section 10A(m)(3) of the Exchange Act and the independence requirements of the NASDAQ. The Audit Committee is governed by a charter that has been approved and adopted by the Board and which is reviewed and reassessed annually by the Audit Committee.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Exchange Act except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements for the fiscal year ended April 30, 2013, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, management and the independent auditors have represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee has also discussed with the independent auditors any matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with the independent accountant the independent accountant's independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the

Company's financial reporting. The Audit Committee held four meetings during fiscal year 2013.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended April 30, 2013 for filing with the Securities and Exchange Commission.

Summary Compensation Table

	2012	209,500	155,944	37,190	114,233	38,222	555,089

Notes:

- (1) The Company pays bonuses based on operating profits at each of its operating units or, in the case of Mr. Bloch, on consolidated pretax profits. Mr. Mancini is awarded a bonus based on the revenues and operating profits generated by the FEI-NY, Gillam-FEI and FEI-Zyfer segments.
- (2) The amounts in this column do not represent actual cash payments to the Named Executive Officers. Each value primarily (see Notes 3 and 4, below) represents the aggregate grant date fair value of stock option and SARs awarded by the Company during fiscal years 2013 and 2012 computed in accordance with FASB ASC TOPIC 718. The assumptions used in determining the grant date fair values of these awards are set forth in the notes to the Company's consolidated financial statements, which are included in its Annual Report on Form 10-K for the years ended April 30, 2013 and 2012, as filed with the SEC.
- (3) In December 2011, the Company celebrated the 50th anniversary of its founding. As an expression of appreciation to all of its employees, including the Named Executive Officers, the Company awarded each

employee of its European and United States subsidiaries, 50 shares of the Company's common stock. The value of these shares to each individual at the time of the gift was \$390 and is included in the fiscal year 2012 amount above.

- (4) Other than the 50th anniversary gift (see Note 3, above) and contributions of Common Stock to the accounts of participants in the Company's profit sharing plan and trust under section 401(k) of the Internal Revenue Code of 1986, the Company did not make any other awards of Common Stock to any employees during fiscal years 2013 and 2012. The fair market value of contributions to the 401(k) accounts of participants, including the Named Executive Officers, may not exceed \$3,000 in a calendar year.
- (5) The amounts in this column do not represent actual cash payments to the Named Executive Officers. The Company has entered into certain deferred compensation agreements with key employees (including the Named Executive Officers) providing for the payment of benefits upon retirement or death or upon the termination of employment not for cause. The values in the table above reflect the change in the actuarially calculated deferred compensation liability for each of the Named Executive Officers for fiscal years 2013 and 2012. These non-cash amounts are included in the Company's general and administrative expenses for the fiscal years ended April 30, 2013 and 2012, respectively. The fiscal year 2013 amounts for Mr. Bloch and Mr. Hechler, shown as credits, reflect a declining liability for the Company due to Mr. Bloch's and Mr. Hechler's age and the number of years of their employment past normally expected retirement age. In fiscal year 2012, Mr. Hechler's annual benefit was increased, resulting in an increase in the actuarial liability as well.

(6) The amounts shown in this column are composed of the following:

Name	Costs of Purchased or Leased Automobile	Health, Life, Disability Insurance & Medical Reimbursement (a)	Additional Life Insurance Premiums (b)	Financial Planning Advice and other (b)	Total All Other Compensation
Martin Bloch					
2013	\$84,596	\$ 40,107	\$24,063	\$23,213	\$ 171,979
2012	4,985	34,825	24,063	16,414	80,287
Markus Hechler					
2012	12,174	27,637	0	0	39,811
2011	11,167	21,695	0	0	32,862
Oleandro Mancini					
2012	10,389	24,379	0	0	34,768
2011	19,316	18,906	0	0	38,222

(a) All employees of the Company are eligible for health, term life and disability insurance the premiums for which are partially paid by the Company. Reimbursement of medical costs is available only to officers.

(b) Mr. Bloch's compensation includes financial planning advice and Company-paid premiums for additional whole life insurance policies, the beneficiaries of which are Mr. Bloch's heirs.

Narrative Disclosure of Summary Compensation Table

Short-Term Incentives

The Company maintains short-term incentive bonus programs for certain employees which are based on operating profits and certain other relevant criteria of the individual subsidiaries to which the employees are assigned. The Company's employment agreement with its Chief Executive Officer includes a bonus formula based on consolidated pre-tax profits. These plans are designed to create incentives for superior performance and to allow the Company's executive officers to share in the success of the Company by rewarding the contributions of individual officers. Focused on short-term or annual business results, these plans enable the Company to award designated executives with annual cash bonuses based on their contributions to the profits of the Company.

Long-Term Incentives

As part of its comprehensive compensation program, the Company stresses long-term incentives through awards of shares of its Common Stock under the Employee Stock Ownership Plan ("ESOP") and through the grant of stock appreciation rights ("SARs") or options to purchase Common Stock through various employee stock award plans. Grants and awards are aimed at attracting new personnel, recognizing and rewarding current executive officers for special individual accomplishments, and retaining high-performing officers and key employees by linking financial benefit to the performance of the Company (as reflected in the market price of Common Stock) and to continued employment with the Company. The number of shares granted to executive officers under the Company's ESOP is determined on a pro-rata basis. Grants of SARs, stock options and other equity awards are generally determined on an individual-by-individual basis. The factors considered are the individual's performance and

potential for contributing to the Company's future growth, the number of stock options and awards previously granted to the individual and the Company's financial and operational performance.

The Company does not maintain any compensation plans for its executive officers or directors or for any of its other employees which provide compensation intended to serve as incentive for performance to occur over a period longer than one fiscal year other than the ESOP and stock award plans discussed above. The fair values of awards under these plans are shown in the Summary Compensation Table above.

Nonqualified Deferred Compensation Agreements

The Company has no tax-qualified defined benefit or actuarial retirement plans in effect. It has entered into certain deferred compensation agreements with key employees, including its officers, providing for the payment of benefits upon retirement or death or upon the termination of employment not for cause. The Company pays compensation benefits out of its working capital but has also purchased whole or universal life insurance (of which it is the sole beneficiary) on the lives of each of the participants to cover the optional lump sum obligations under the deferred compensation agreements upon the death of the participant. The annual premiums paid during fiscal year 2013 were less than the increase in cash surrender value of the whole and universal life insurance policies.

The deferred compensation for participants in the program is reviewed annually by the Compensation Committee. The annual benefit may be increased based upon recent performance, length of service, economic conditions and other factors. The annual benefit to be provided to each of the Named Executive Officers upon his retirement is as follows:

Martin Bloch, CEO	\$235,000
Markus Hechler, Exec VP	90,000
Oleandro Mancini, VP	70,000

Such benefits are payable for the remaining life of the individual with a minimum payment over ten years (25 years for Mr. Bloch) to either the employee or his beneficiaries. Benefits may be paid in a lump sum in the case of a participant's death, disability or early termination of employment without cause. The change in actuarial value in nonqualified deferred compensation benefits under the deferred compensation agreements for each of the Named Executive Officers are presented in the Summary Compensation Table.

Supplemental Separation Benefits

Included in the deferred compensation agreements of certain executive officers and certain key employees are provisions for supplemental separation benefits. Under the agreements, in the event of a change in control or ownership of part or all of the Company which gives rise to discharge of any officer or employee without cause, then such officer or employee will receive supplemental severance pay equal to one and one-half times the employee's average base salary plus cash bonus from the previous five calendar years prior to the change of control if such discharge occurs in the first year after the change of control. If discharge occurs more than one year but less than two years after the change of control, then the employee will receive two-thirds of the five-year average of base salary and bonus.

Chief Executive Officer Employment Agreement

Pursuant to his employment agreement, Mr. Bloch's base annual salary is \$400,000. Mr. Bloch also receives additional compensation of up to \$52,000 in the form of financial planning advice and Company-paid premiums for life insurance coverage, the beneficiaries of which are Mr. Bloch's heirs. Mr. Bloch's employment agreement provides a fixed annual bonus of 6% of the pre-tax profit of the Company with a cap on the pre-tax profit at \$20,000,000, as well as separation benefits in the event of a change in control or ownership of part or all of the Company, continuation

of disability, medical and life insurance, the cost of an annual physical examination and a new automobile every three years. Mr. Bloch was awarded SARs based on 327,000 shares of the Common Stock and the market value of the Company's stock on the date of grant. The SARs are exercisable for a period of ten (10) years from the date of grant. (See "Outstanding Equity Awards at Fiscal Year-End" and notes (9) and (13) under "Stock Ownership of Certain Beneficial Owners and Management," above.)

Employee Benefit Plans

Officers, including the Named Executive Officers, are eligible to participate in the Company's profit sharing plan and trust under section 401(k) of the Internal Revenue Code of 1986. This plan permits eligible employees to defer a portion of their income through voluntary contributions to the plan. Under the provisions of the plan, the Company makes discretionary matching contributions of the Company's Common Stock, the fair market value of which may not exceed \$3,000 in a calendar year. All participants in the plan become fully vested in the Company contribution after six years of employment. All of the Named Executive Officers are fully vested in the shares attributable to their accounts. (See footnote (13) of "Stock Ownership of Certain Beneficial Owners and Management.")

In addition, Mr. Bloch and Mr. Hechler are participants in the Company's Stock Bonus Plan and the ESOP which replaced it. The ESOP began in 1990 and no additional shares of Common Stock were allocated to participants after fiscal year 2000. (See footnote (13) of "Stock Ownership of Certain Beneficial Owners and Management.")

Other Compensation

Officers (other than Mr. Bloch) and certain key employees are provided with a leased automobile to use for both business and personal purposes. The operating costs of the vehicle are paid by the Company. The value of any personal use is included in the taxable income of each employee. Officers of the Company are also reimbursed for out-of-pocket medical expenses incurred by the officers and their families. Such reimbursement is also included in the officers' taxable income.

Outstanding Equity Awards at Fiscal Year-End

The following table includes certain information with respect to the value of all unexercised options or SARs previously awarded to the Named Executive Officers outstanding at the end of the fiscal year, April 30, 2013. The Company has not made any stock awards which were outstanding at the end of such fiscal year.

(1) Stock options and SARs are generally exercisable cumulatively at 25% per year beginning one year after the date of grant. In the case of Mr. Bloch's award of 40,000 SARs on March 17, 2008, the SAR was 50% exercisable one year after the grant date and fully exercisable two years after the grant date. In general, awards expire ten years after the date of grant but such terms may be modified at the discretion of the Company's Compensation Committee. Grants are made at the market value of Common Stock on the date of grant.

- i- Independent Contractor Stock Option Plan- Under the terms of this plan, adopted in fiscal year 1998, options to acquire shares of the Company's Common Stock may be granted to individuals who provide services to the Company but who are not

employees. The option price, number of shares, timing and duration of option grants is at the discretion of the Independent Contractor Stock Option Committee. In recent grants, the option price was equal to the then fair market value of the Company's Common Stock, a portion of each grant was immediately exercisable and the options expire in ten years from date of grant. With the adoption of the 2005 Stock Award Plan, no additional shares may be issued from this plan.

- ii- 1993 Non-Statutory Stock Option Plan- Under the terms of this plan, adopted in fiscal year 1993, stock options may be granted to employees, officers and directors of the Company at a price at least equal to the fair market of the Company's Common Stock on the date of grant. Options generally are exercisable over a four-year period beginning one year after date of grant and expire ten years after the grant date. After fiscal year 2003, no additional shares were issuable from this plan. The remaining outstanding options not exercised by the end of fiscal year 2013 are held by a consultant to the Company who is the son of the Company's president. These options expire one year after termination of the consulting agreement.
