PRUDENTIAL GRANTED DUBAI FINANCIAL SERVICES AUTHORITY LICENCE

Prudential plc has announced that it has received a licence from the Dubai  
Financial Services Authority (DFSA) to operate as an authorised firm from the  
Dubai International Financial Centre (DIFC).

Prudential will initially target a largely untapped and growing wealth  
management opportunity across the United Arab Emirates by providing investors in  
the region access, through financial intermediaries, to its existing  
international fund range. Prudential also plans to launch new funds backed by  
assets from the region as well as Sharia-compliant funds that will be available  
internationally.

## Edgar Filing: PRUDENTIAL PLC - Form 6-K

The funds that will be available initially include the International Opportunities Funds (Luxembourg), Prudential ICICI Mutual Funds (India) and the M&G Funds (UK) range.

Ajay Srinivasan, Chief Executive, Fund Management, Prudential Corporation Asia, said: "The Middle East has great potential for wealth management and this base at the DIFC gives us the opportunity to leverage our successful fund management operation to both access new customers and also cater to the growing Islamic finance sector.

"In due course, we plan to launch conventional and Sharia-compliant funds backed by regional assets and these will also be made available to international investors."

within relevant industries; and the impact of changes in capital, solvency or accounting standards, and tax and other legislation and regulations in the jurisdictions in which Prudential and its affiliates operate. This may for example result in changes to assumptions used for determining results of operations or re-estimations of reserves for future policy benefits. As a result, Prudential's actual future financial condition, performance and results may differ materially from the plans, goals, and expectations set forth in Prudential's forward-looking statements. Prudential undertakes no obligation to update the forward-looking statements contained in this statement or any other forward-looking statements it may make.
