**LOWEST FARES AIRTRAVEL GROWING RAPIDLY**

Ryanair, Europe's largest low fare airlines today ( Tuesday, 5<sup>th</sup> August 2008 ) announced that it carried 5.66 million

passengers in July , a 19% (900,000 passenger) increase when compared to July 2007 .

Ryanair is confident that traffic growth will remain strong as

Ryanair continues to offer passengers the

guaranteed lowest airfares and no fuel surcharge s this winter.

These strong growth figures prove that low fares travel is growing rapidly as competitors raise their high fares and fuel surcharges.

Stephen McNamara  
 , Head  
 of  
 Communications

, said:  
 "

*Ryanair's latest passenger figures show that we are rapidly growing passenger*

*numbers this year.*

*The most significant thing about today's figures is that we carried over 15million passengers in the last three months*

*. Passengers are increasingly attracted to Ryanair's guaranteed lowest fares and our promise of no fuel surcharges ever*  
 ".

The following are Ryanair's passenger and load factor statistics for July

2008:
