**ITEM 5. OTHER EVENTS**

AZZ incorporated (the Registrant ) has reached an agreement in principal to amend its Amended and Restated Revolving and Term Credit Agreement dated as of November 1, 2001 (as since amended the Credit Agreement ) with Bank of America, N. A. (the Administrative Agent ) and other lenders (the Lenders ) in order to maintain the highest level of liquidity and better align its credit facility with the current business environment. This amendment would amend certain terms and provisions of the Credit Agreement by reducing the number of banks in the current banking facility from five banks to three banks, by reducing the Registrant's Revolving Credit Commitment from \$45 million to \$20 million, extending the Leverage Ratio, as defined in the Credit Agreement, of 2.50:1 through 2/27/05 and 2.25:1 for the period ending 2/28/05 and thereafter, adjusting the Fixed Charge Coverage Ratio, as defined in the Credit Agreement, to 1.10:1 for the periods ending 8/31/03 through 2/27/05 and to 1.25:1 for the period ending 2/28/05 and thereafter, and eliminating the Minimum Quarterly EBITDA covenant which is calculated on the last day of each month for the three month period then ended (the EBITDA Covenant ). The EBITDA Covenant requires EBITDA of not less than \$4,000,000 beginning with the three month period ended September 30, 2003 and ending with the month ended January 31, 2005 and not less than \$4,500,000 for the period beginning with the month ended February 28, 2005 and thereafter. EBITDA means the sum of (i) Consolidated Net Income as defined in the Credit Agreement, plus (ii) the sum of all amounts deducted there from during such period in conformity with generally accepted accounting principles, for interest, taxes, depreciation, and amortization. In order to allow time for the documentation and signing of the amendment between the Registrant and the Administrative Agent and Lenders, the Administrative Agent and Lenders have waived compliance by the Registrant with the EBITDA Covenant, for and only for the three-month period ending on September 30, 2003. While Registrant will not be in compliance with the EBITDA Covenant for that three-month period, the Agent and Lenders have agreed that the noncompliance by the Registrant with such Section for such period shall not constitute a default under the Credit Agreement. It is anticipated that this amendment will be executed by no later than October 31, 2003, the next date at which the minimum three month EBITDA Covenant is measured under the Credit Agreement.
