99.1 Text of press release of VeriSign, Inc. issued on April 22, 2004.

Item 12 Results of Operations and Financial Condition.

On April 22, 2004, VeriSign, Inc. (VeriSign or the Company) announced its financial results for the fiscal quarter ended March 31, 2004 and certain other information. A copy of this press release is attached hereto as Exhibit 99.1.

The information in this Form 8-K and the Exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Act of 1934, as amended (the Exchange Act), nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Use of Non-GAAP Financial Information

To supplement our consolidated financial statements presented in accordance with generally accepted accounting principles in the United States (GAAP), VeriSign provides non-GAAP measures of operating results, net income and earnings per share that do not include the following financial measures that are normally included in GAAP: amortization and write-down of goodwill and other intangible assets, the net gain or loss on the sale of investments or the write-down of investments, restructuring and other charges and non-cash stock-based compensation charges related to acquisitions.

Management believes that this non-GAAP financial data supplements our GAAP financial statements by providing investors with additional information which allows them to have a clearer picture of the company s core recurring operations. The presentation of this additional information is not meant to be considered in isolation or as a substitute for results prepared in accordance with GAAP. We believe that the non-GAAP information enhances the investors overall understanding of our financial performance and the comparability of the company s operating results from period to period. The non-GAAP pro forma information included in our press release has been reconciled to the comparable GAAP measure as required under SEC rules regarding the use of non-GAAP financial measures. We urge investors to carefully review the GAAP financial information included as part of our Annual Report on Form 10-K, our Quarterly Reports on Form 10-Q, and our quarterly earnings releases.
