The 4,700,000 shares deregistered by this Post-Effective Amendment No. 1 will be registered, by a subsequently filed registration statement on Form S-8 for the Equity Plan, and the associated registration fee paid by the Registrant to register shares issuable under its 1997 Stock Option Plan on the Registration Statement will be carried forward and applied to the registration fee necessary to register shares issuable under the Registrant's Equity Plan. Please note, however, that shares remain subject to outstanding options previously granted under the Registrant's 1997 Stock Option Plan and consequently, the Registration Statement will remain in effect to cover the potential exercise of such outstanding options.
