Item 2.02 Results of Operations and Financial Condition.

On February 9, 2005, Infonet Services Corporation ("Infonet") issued a press release announcing its operating results for the third quarter ended December 31, 2004. A copy of the press release is furnished as Exhibit 99.1 to this report and is hereby incorporated herein by reference. The press release contains a discussion of the non-GAAP financial measure of EBITDA, or earnings before interest, taxes, depreciation and amortization. EBITDA is provided to enhance the investor's overall understanding of Infonet's current financial performance and prospects for the future. Specifically, Infonet believes that because it has invested significant cash in long-lived assets that provide leverage as revenue grows, EBITDA is a meaningful measure of operating performance. In addition, EBITDA is one of several measures of Infonet's operating performance utilized by Infonet's management in setting and awarding executive incentive compensation. The presentation of this additional information is not meant to be considered in isolation or as a substitute for results prepared in accordance with accounting principles generally accepted in the United States.

Infonet will host an investor conference call and audio Web cast to review the third quarter results on Thursday, February 10, 2005, at 9:00 a.m. Eastern Standard Time (2:00 p.m. in London; 6:00 a.m. in Los Angeles). Participants within the United States should call 1-800-500-0177. Outside the United States, participants should call 1-719-457-2679. For a replay of the call within the United States, call 1-888-203-1112; outside the United States, call 1-719-457-0820. The replay will be available from noon, Eastern Standard Time on Thursday, February 10, 2005, through 1:00 a.m. on Tuesday, February 15, 2005. The confirmation code for the replay is 343909.
