Item 2.02. Results of Operations and Financial Condition

In accordance with the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the Company notes that certain statements set forth in this Current Report on Form 8-K provide other than historical information and are forward looking. The actual achievement of any forecasted results, or the unfolding of future economic or business developments in a way anticipated or projected by the Company, involve numerous risks and uncertainties. Among those risks and uncertainties, many of which are beyond the control of the Company, include, without limitation, fluctuations in oil and gas prices; level of fleet additions by competitors and vessel overcapacity; changes in capital spending by customers in the energy industry for exploration, development and production; changing customer demands for different vessel specifications which may make some of our vessels technologically obsolete for certain customer projects or in certain markets; acts of terrorism; unsettled political conditions, war, civil unrest and governmental actions, especially in higher risk countries of operations; foreign currency fluctuations; and environmental and labor laws. Readers should consider all of these risk factors as well as other information contained in this report.

On July 21, 2005, the company issued a press release announcing the following: (1) the company's fiscal 2006 first quarter net earnings for the period ended June 30, 2005, (2) the date, time and telephone number for the company's earnings conference call scheduled on July 26, 2005, and (3) an announcement that a delayed Webcast presentation by Dean Taylor, Chairman, President and CEO, for the company's annual stockholders meeting will be available on Tidewater Inc.'s website, www.tdw.com, beginning at 2:00 pm on July 21, 2005.

The press release is filed as Exhibit 99.1 to this Current Report and is incorporated herein by reference as if fully set forth.
