[The following quotes were added to Oracle's website on September 29, 2005]

Unisys is an enterprise class client of Oracle's ERP software, as well as a large user of PeopleSoft HR and Siebel CRM applications. We believe the acquisition of Siebel is an important move for Oracle and for the industry, and one that will help us provide seamless integration of our systems and applications to support our operations and clients around the world. *John Carrow, Unisys Chief Information Officer and Vice President of Worldwide Information Technology*

BearingPoint congratulates Oracle on their continued steps to deepen and broaden their enterprise software capabilities and further their industry focus through the acquisition of Siebel Systems. We believe the combination of Oracle and Siebel and their new plans for CRM fusion will further enhance our ability to better serve our mutual clients. *Gail P. Steinel, Executive Vice President, Global Commercial Services Industry, BearingPoint, Inc.*

Companies seeking a leading edge CRM solution have for years been faced with a best of breed choice versus an enterprise suite choice. Oracle's acquisition of Siebel allows companies to get the best of both worlds. This is good news for the marketplace and good news for consulting firms like Hitachi Consulting. *Brian Johnson, Managing Vice President, Customer & Channel Solutions, Hitachi Consulting*

With the Siebel acquisition we continue to see great things happening at Oracle for business partners. It is an exciting time to be working with Oracle as a partner. *Walt Zipperman, CEO, DAZ Systems, Inc.*
