PROXY STATEMENT

PROXY QUESTIONS

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

Shareholders who own shares of common stock as of March 24, 2006 may vote at the meeting. There were [] shares of common stock outstanding on that date. Each share has one vote except with respect to the election of directors. Because you may cumulate your votes in the election of directors, you are entitled to as many votes as equal the number of shares held by you at the close of business on the record date, multiplied by the number of directors elected.

WHEN WERE THE ENCLOSED SOLICITATION MATERIALS FIRST GIVEN TO SHAREHOLDERS?

This Proxy Statement and accompanying proxy are first being sent, or given, to shareholders on or about March 31, 2006.

WHAT AM I VOTING ON, AND WHAT ARE THE BOARD'S RECOMMENDATIONS?

You are voting on the following:

the election of six (6) directors;

the ratification of PwC as the Company's independent registered public accounting firm for fiscal year 2006; and

the approval of the reincorporation of the Company in the State of Delaware, including the increase in the authorized number of common shares.

The Board recommends a vote **FOR** the election of six (6) directors, **FOR** the ratification of PwC as the Company's independent registered public accounting firm for 2006 and **FOR** the reincorporation of the Company in Delaware.

WHAT CONSTITUTES A QUORUM OF SHAREHOLDERS?

We must have a quorum to conduct the meeting. A quorum is the presence at the Annual Meeting in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast as of the record date. Since there were [] shares of common stock outstanding on March 24, 2006, the record date, the quorum for the Annual Meeting requires the presence at the meeting in person or by proxy of shareholders entitled to vote at least [] shares. Broker non-votes, abstentions and withhold-authority votes COUNT for purposes of determining a quorum.

HOW MANY VOTES DOES IT TAKE TO ELECT DIRECTORS?

Directors are elected by a plurality of all the votes cast. Because six directors are being elected, this means that the six nominees who receive the highest number of votes will be elected. You may only exercise your cumulative voting rights by submission of a written proxy, voting instruction card, or voting in person at the Annual Meeting. The cumulative voting feature is not available for voting by telephone or the Internet. Withheld votes do not affect the voting calculation.

Table of Contents

HOW MANY VOTES DOES IT TAKE TO RATIFY THE APPOINTMENT OF PwC TO SERVE AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2006?

The proposal to ratify the appointment of PwC to serve as the Company's independent registered public accounting firm for fiscal year 2006 will be approved if a majority of the number of shares represented in person or by proxy vote in favor of its adoption. Abstentions are counted as shares voting on the proposal, thus having the effect as a vote against the proposal. Broker non-votes are not counted as shares voting on this proposal.

HOW MANY VOTES DOES IT TAKE TO APPROVE THE REINCORPORATION OF THE COMPANY IN DELAWARE?

The reincorporation of the Company in Delaware will be approved if more than 50% of the total number of outstanding shares vote in favor of the proposal. Abstentions are counted as shares voting against the proposal. Broker non-votes are not counted as shares voting on this proposal, thus having the effect of a vote against the proposal.

HOW DO I VOTE?

You may vote your shares in person at the Annual Meeting or by proxy. Since many of our shareholders are unable to attend the meeting in person, we send proxy cards and offer electronic and telephone voting to all of our shareholders to enable them to direct the voting of their shares.

IF MY SHARES ARE HELD IN STREET NAME BY MY BROKER, WILL MY BROKER VOTE FOR ME?

If your shares are held by your broker in street name and you do not vote your shares by following the instructions provided by your broker, your broker can vote your shares in the election of directors and the ratification of the appointment of PwC as the Company's independent registered public accounting firm for fiscal year 2006, but your broker may not vote your shares for or against the other proposal set forth above. If you do not provide instructions to your broker on how to vote your shares, and your broker is not permitted to vote on the proposal without instructions from you, then your shares will be counted as broker non-votes for that proposal.

WHAT IS A PROXY?

A proxy is a person you appoint to vote on your behalf. When you vote, you will be designating Kenneth R. Mourton and Charles E. Scharlau as your proxies. We solicit proxies so that all common shares may be voted at the Annual Meeting. You must complete and return the enclosed proxy card or vote by phone or Internet to have your shares voted by proxy.

HOW WILL MY PROXY VOTE MY SHARES?

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

Your proxies will vote according to your instructions. If you complete and return your proxy card but do not indicate your vote on the matters, your proxies will vote FOR the six (6) director nominees and FOR each additional proposal set out above. Also your proxy card or vote by phone or Internet will give your proxies authority to vote, using their best judgment, on any other business that properly comes before the meeting.

Each non-employee director also receives long-term incentive compensation in the form of restricted stock and stock options and the amounts received in 2005 are also set forth in the table. Directors who retire with certain qualifications are appointed to the position of Director Emeritus. Sanders currently holds the position of Director Emeritus with the Company.

- (1) On December 13, 2005, each outside Director was granted 770 shares of restricted stock, vesting 25% per year over four years. The value given represents the number of restricted shares times the fair market value of the Company's stock on the date of grant.
- (2) Each outside Director also received a cash award for the payment of income taxes related to the restricted stock award as follows: Mr. Epley, Mr. Hammerschmidt, and Mr. Scharlau, \$18,342; Mr. Howard and Mr. Mourton, \$15,139; and Mr. Kuuskraa, \$17,734.
- (3) Each outside Director serving as of December 13, 2005, was granted an option to purchase 2,750 shares of the Company's common stock at \$35.94 per share, representing the fair market value of the Company's common stock on the date of grant. The option grant will vest in equal annual installments over the next three years.

The total annual compensation (i.e. total cash compensation plus long-term incentive compensation) paid to each outside director in 2005 was based upon total compensation received by outside directors at 14 peer group companies as provided by independent compensation consultants and was set at the 70th percentile for 2005 (Baseline Compensation). The amount of the long-term incentive compensation payable each year is equal to the difference between (i) Baseline Compensation and (ii) the total cash payable to outside directors for such year. The value of the total long-term incentive compensation payable in 2005 was allocated 50% to stock option awards and 50% to restricted stock awards, with the number of options and shares awarded being determined by reference to the market value of the Company's stock on the date of the award.

In addition to the compensation noted above, the Company also provided health insurance in 2005 for Messrs. Epley, Mourton and Scharlau in the amounts of \$4,362, \$2,285 and \$5,527, respectively. The Company also provides Mr. Scharlau with the use of an office, computer and telephone.

If Proposal No. 3 to reincorporate in Delaware is approved and the Reincorporation is consummated, the corporate governance practices, policies and procedures will not change.

The Board is composed of a majority of directors who qualify as independent directors pursuant to the rules adopted by the SEC applicable to the corporate governance standards for companies listed on the New York Stock Exchange. The Board committee structure includes audit, compensation, and nominating and governance committees consisting entirely of independent directors.

It is the policy of the Board of Directors that a majority of the members of the Board be independent of the Company s management. For a director to be deemed independent, the Board affirmatively determines that the director has no material relationship with the Company or its affiliates (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company or its affiliates) or any member of the senior management of the Company or his or her affiliates. Material relationships include commercial, banking, industrial, consulting, legal, accounting, charitable and familial relationships. For making this determination, the Board has adopted a set of director independence standards that are more stringent than the corporate governance standards adopted by the New York Stock Exchange. Under the Board s independence standards, a director will not be deemed independent if he or she:

is, or within the past five years has been, employed by the Company or any of its affiliates;

is, or within the past five years has been, affiliated with or employed by a present or former auditor of the Company or any of its affiliates;

currently participates, or within the past five years has participated, in an interlocking directorate in which an executive officer of the Company or any of its affiliates serves on the compensation committee of a company that concurrently employs the director;

is, or is a director, executive officer, general partner or significant equity holder (i.e., in excess of 10%) of an entity that is, a paid adviser, paid consultant or paid provider of other professional services to the Company, any of its affiliates, any member of senior management or any affiliates of a member of senior management, if the amount of such payments has exceeded \$60,000 during the current fiscal year of the Company;

is a director, executive officer, general partner or significant equity holder (i.e., in excess of 10%) of a significant purchaser of goods or nonprofessional services from, or supplier of goods or nonprofessional services to, the Company or any of its affiliates;

Table of Contents

is affiliated with or employed by a tax-exempt entity that receives significant contributions (i.e., more than 3% of the annual contributions received by the entity or more than \$100,000 in a single fiscal year, whichever amount is lower) from the Company, any of its affiliates, any member of senior management or any affiliate of a member of senior management; or

is a member of the immediate family of any person who would not qualify as independent under the foregoing standards; provided, that employment of an immediate family member of a director in a non-officer position will not preclude the Board from determining that the director is independent.

Applying these standards, the Board has determined that the following majority of directors qualify as independent – Lewis E. Epley, Jr., Robert L. Howard, Vello A. Kuuskraa and Kenneth R. Mourton. Mr. Hammerschmidt, who will cease to be a director following the Annual Meeting, was also determined to qualify as independent. If Proposal No. 3 to reincorporate in Delaware is approved and the Reincorporation is consummated, the Company's independence standards will not change.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During 2005 the Board of Directors held six meetings, two of which were telephonic. Each director attended all of the Board meetings and all meetings of committees on which he served. The Board has established four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Governance Committee and the Retirement Committee. During 2005, the Audit Committee held four meetings; the Compensation Committee and the Nominating and Governance Committee each held two meetings; and the Retirement Committee held three meetings. If Proposal No. 3 to reincorporate in Delaware is approved and the Reincorporation is consummated, the four standing committees will not change.

Audit Committee – The Audit Committee is composed entirely of non-employee members of the Board, each of whom satisfy the independence requirements for audit committee members under Rule 10A-3 promulgated under the Securities and Exchange Act of 1934 and are independent and financially literate as defined by NYSE rules. Members of the Audit Committee may not simultaneously serve on the audit committee of more than two (2) other public companies. In addition, the Board of Directors has determined that Mr. Kenneth R. Mourton, Audit Committee Chairman, a certified public accountant (inactive), is an audit committee financial expert as defined in Item 401(h) of Regulation S-K and is independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934, as amended. The Audit Committee also includes Messrs. Robert L. Howard, and Vello A. Kuuskraa.

The Audit Committee is responsible to the Board for reviewing the accounting and auditing procedures and financial reporting practices of the Company and for the engagement of, and overseeing all audit work conducted by, the independent registered public accounting firm. The Audit Committee is governed by a Charter that has been approved by the Board of Directors. The Audit Committee meets periodically with the Company's management, internal auditor and independent registered public accounting firm to review the Company's financial information and systems of internal controls and ensure such parties are properly discharging their responsibilities. The independent registered public accounting firm reports directly to the Audit Committee and that periodically meets with the Audit Committee without management representatives present. The Audit Committee maintains an internal audit function that provides management and the Audit Committee with ongoing assessments of the Company's risk management processes and system of internal control and periodically meets with the Audit Committee without management representatives present.

Compensation Committee – The Compensation Committee is composed entirely of non-employee members of the Board, each of whom is independent as defined by NYSE rules. The Compensation Committee is responsible for establishing officer compensation and discretionary awards under the various incentive plans. The Compensation Committee is governed by a Charter that has been approved by the Board of Directors.

Nominating and Governance Committee The Nominating and Governance Committee is composed entirely of non-employee members of the Board, each of whom is independent as defined by NYSE rules. The Nominating and Governance Committee considers candidates for nomination for Board positions, including qualified candidates recommended by shareholders, and oversees the Company's corporate governance matters and practices. Howard and Kenneth R. Mourton presently serve on this committee.

Retirement Committee The Retirement Committee is responsible for administering the Company's pension and retirement plans and for recommending retirement policy to the Board of Directors. Epley, Jr., and John Paul Hammerschmidt presently serve on this committee. Following the Annual Meeting, one of our independent directors will replace Mr. Hammerschmidt on the Retirement Committee.

Presiding Director

One of the Company's non-employee directors serves as the Presiding Director of executive sessions of the non-employee directors of the Company. The Presiding Director is appointed by the non-employee directors each year at the Annual Meeting of the Board of Directors, which is generally held in May. The Presiding Director acts as chair of all executive sessions and is responsible for coordinating the activities of the other non-employee directors, including the establishment of the agenda for executive sessions of the non-employee directors, as required by the Company's Corporate Governance Guidelines and applicable listing standards. The Presiding Director also acts as the liaison director for any informal, confidential communications with the Chief Executive Officer outside of the normal Committee and Board procedures. Mr. Robert L. Howard is the current Presiding Director.

Identifying and Evaluating Nominees for Directors

The Board of Directors is responsible for selecting candidates for Board membership and for extending invitations to join the Board of Directors through the Nominating and Governance Committee. Candidates are selected for their character, judgment, business experience and specific areas of expertise, among other relevant considerations, such as the requirements of applicable law and listing standards. The Board of Directors recognizes the importance of soliciting new candidates for membership on the Board of Directors and that the needs of the Board of Directors, in terms of the relative experience and other qualifications of candidates, may change over time. Candidates for membership on the Board may be provided by any director or shareholder, and the Board may retain professional search firms.

The Nominating and Governance Committee is responsible for screening candidates (in consultation with the Chief Executive Officer), for establishing criteria for nominees and for recommending to the Board a slate of nominees for election to the Board of Directors at the Annual Meeting of Shareholders. After a concurrent review of all candidates by the Committee and the Chief Executive Officer, the Chairman of the Board interviews the potential candidates selected by the Committee and Chief Executive Officer, and reports his conclusions to the Committee, together with a recommendation of final candidates for interview by the members of the Committee. The Nominating and Governance Committee then interviews the final candidates and recommends to the full Board candidates for election based upon the results of the interview.

Final approval of any candidate is made by the full Board of Directors.

Selection Criteria for Nominees for Directors

Each member of the Board brings a unique and valuable perspective to the governance of the Company. When these unique skill sets are combined in an environment of interaction and respect, they provide the overall skill set of the Board and provide a strong governance structure. The Company's Corporate Governance Guidelines, which are available on the Company's website under Corporate Governance at www.swn.com, set forth certain criteria that apply to director candidates. The Nominating and Governance Committee and the Board are guided in general by the following criteria:

Each director should be chosen without regard to sex, race, religion or national origin;

Each director should be an individual of the highest character and integrity and have the ability to work well with others;

Each director should have an inquiring mind, vision and good judgment;

Each director should be free of any conflict of interest which would violate any applicable law or regulation or interfere with the proper performance of the responsibilities of a director;

Each director should possess substantial and significant business experience in specific areas of expertise that would be important to the Company in the performance of the duties of a director;

Each director's skill set should be complementary to the background and experience of other Board members;

Each director should have sufficient time available to devote to the affairs of the Company in order to carry out the responsibilities of a director; and

Each director should have the capacity and desire to represent the balanced, best interests of all shareholders and objectively appraise management performance.

The Nominating and Governance Committee evaluates the qualifications of each director candidate against the foregoing criteria in connection with its recommendation to the Board concerning his or her nomination for election or re-election as a director. The Nominating and Governance Committee, with direct input and advice from the Chief Executive Officer, is responsible for assessing the appropriate mix of skills and characteristics required of Board members in the context of the perceived needs of the Board at a given point in time and periodically reviews and updates the criteria as deemed necessary.

Each director's continuation on the Board is reviewed at the expiration of his or her term and before that director is reconsidered for election. In connection with its annual recommendation of a slate of nominees, the Nominating and Governance Committee, in consultation with the Chairman of the Board, reviews and assesses the contributions of those directors selected for re-election. At the conclusion of this process, the Chairman of the Nominating and Governance Committee reports the Committee's conclusions to the full Board.

Shareholder Nominations

The Company's by-laws permit shareholders to nominate directors for consideration at an annual meeting of shareholders. Such nominations must be made pursuant to timely notice in writing to the Secretary of the Company, Mark K. Boling, Southwestern Energy Company, 2350 N. Sam Houston Parkway East, Suite 300, Houston, Texas 77032. To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 50 nor more than 75 days prior to the meeting date; provided, however, that in the event that less than 65 days' notice (45 days' prior notice if Proposal No. 3 to reincorporate in Delaware is approved) of the meeting date is given to shareholders, notice by the shareholder must be received no later than the close of business on the 15th day following the day on which notice of the meeting date was mailed. The written notice must set forth (a) as to each nominee whom the shareholder

proposes to nominate for election or reelection as a director, (i) the name, age, business address and residence address of the nominee, (ii) the principal occupation or employment of the nominee, (iii) the class and number of shares of capital stock of the Company which are beneficially owned by the nominee and (iv) any other information relating to the nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Schedule 14A under the Securities Exchange Act of 1934, as amended and the rules and regulations promulgated thereunder; and (b) as to the shareholder giving the notice, (i) the name and record address of the shareholder and (ii) the class and number of shares of capital stock of the Company that are beneficially owned by the shareholder. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company. If the Reincorporation is approved and consummated, the written notice will also be required to set forth as to the stockholder giving notice (i) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which nominations are to be made by such stockholder and (ii) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in the notice.

The policy of the Nominating and Governance Committee is to consider properly submitted shareholder nominations for directors as described above under Identifying and Evaluating Nominees for Directors. In evaluating such nominations the Nominating and Governance Committee seeks to address the criteria set forth above under Selection Criteria for Nominees for Directors.

Communications to Non-Employee Directors

The Board provides a process for shareholders to send communications to the Presiding Director, the non-employee directors as a group or any of the other directors, including the entire Board. Shareholders may send written communications to the non-employee directors, the Presiding Director or any of the other directors to the Secretary of the Company, Mark K. Boling, Southwestern Energy Company, 2350 N. Sam Houston Parkway East, Suite 300, Houston, Texas 77032. The Secretary will review, sort and summarize the communications and forward them to the intended recipient(s) on a periodic basis, but no less frequently than every calendar quarter.

Attendance at Annual Meeting

It is the Company's policy that the directors who are up for election attend the Annual Meeting of Shareholders. Each member of the Company's Board of Directors attended last year's Annual Meeting of Shareholders.

COMPENSATION COMMITTEE REPORT**Compensation Philosophy**

The Compensation Committee is responsible for establishing and reviewing the compensation policies and programs, and determining the compensation levels for the executive officers, including the Chief Executive Officer (the CEO), of the Company and its subsidiaries. The Compensation Committee believes that compensation should:

relate to the value created for shareholders by being directly tied to the financial performance and condition of the Company and the particular executive officer's contribution thereto;

reward individuals who help the Company achieve its short-term and long-term objectives and thereby contribute significantly to the success of the Company;

help to attract and retain the most qualified individuals in the natural gas and oil and gas producing industries by being competitive with compensation paid to persons having similar responsibilities and duties in other companies in the same and closely related industries; and

reflect the qualifications, skills, experience, and responsibilities of the particular executive officer.

In determining executive compensation, the Compensation Committee uses peer group comparisons for each of the three components of compensation described below (i.e., base salary, annual incentive compensation and long-term incentives). The industry group indices shown in the performance chart reported in this Proxy Statement include a number of the companies that are used for compensation analysis. Executive compensation paid by the Company during 2005 generally corresponded to the 50th to 75th percentile of compensation paid by comparable companies. The Compensation Committee takes into account the Company's financial and operating performance as compared with the industry mean and the individual performance of the Company's executives as compared to the Compensation Committee's expectations of performance for top-level executives in general. The Compensation Committee retains an outside compensation consultant to provide advice and assistance on the Company's compensation policies and to provide the Compensation Committee with information on compensation surveys. In addition, the Compensation Committee receives evaluations from the appropriate levels of management concerning the performance of those executives included in the reporting responsibilities for such management level.

Table of Contents

Section 162(m) of the Internal Revenue Code could potentially limit the ability of the Company to deduct, for federal income tax purposes, certain compensation in excess of \$1,000,000 per year paid to individuals named in the summary compensation table. For 2005, approximately \$1,330,000 of the compensation paid to Harold M. Korell, CEO, and approximately \$70,000 paid to Greg D. Kerley, Chief Financial Officer (the CFO), exceeded the \$1,000,000 deductibility limit. The Compensation Committee periodically reviews ways to maximize the deductibility of compensation payments without compromising the Company's or the Compensation Committee's flexibility in designing effective compensation plans that can meet the Company's objectives and respond quickly to marketplace needs. Although the Compensation Committee will from time to time review the advisability of making changes in compensation plans to reflect changes in government-mandated policies, it will not do so unless it feels that such changes are in the best interest of the Company and its shareholders.

Components of Compensation

Base Salary. In establishing the base salaries for executive officers, the Compensation Committee examines competitive peer group surveys and data in order to determine whether the base pay, together with total compensation is competitive with compensation offered by other companies in the natural gas and oil and gas producing industries which are similar in terms of the complexity of their operations and which offer the most direct competition for competent executives. In addition to the use of this competitive data, base salaries are determined based upon consideration of each particular executive's performance, responsibilities, qualifications, experience and skills.

The Compensation Committee recognizes that changes in base salary affect other elements of compensation including: (i) awards under the Company's Incentive Compensation Plan, (ii) pension benefits, (iii) Company matching portions of 401(k) and nonqualified plan contributions, and (iv) life insurance and disability benefits. As such, adjustments to base salary are only made after consideration of the impact to the executive's entire package.

Annual Incentive Compensation. The Company maintains an Incentive Compensation Plan (the Incentive Plan) applicable to executives with responsibility for the Company's major business segments. The Incentive Plan is designed to encourage the achievement of goals determined at the beginning of each annual performance period, which goals are designed to increase shareholder value. The performance goals of the Incentive Plan may be based on (1) cash flow targets, (2) a defined reserve replacement ratio, (3) targeted present value added for each dollar of capital invested, (4) a favorable return on equity as compared to the Company's peer group, (5) goals for production, expenses, reserve additions and present value added for each dollar of capital invested in the exploration and production group, (6) an adequate financial return in its utility segment while maximizing utility throughput, and (7) gas marketing margins. These criteria are deemed by the Compensation Committee to be critical to increasing shareholder value. The applicability of each of these criteria in determining awards to any particular executive depends on the Compensation Committee's assessment of the responsibilities of that executive.

Each participant in the Incentive Plan is assigned target, minimum, and maximum total award levels that are expressed as a percentage of his or her base salary. A portion of each incentive award is an organizational performance award that is based upon the achievement of the corporate performance objectives pre-established for that executive. If the actual level achieved for a specified corporate performance objective is not at least equal to the predetermined minimum level, then the proportionate amount of the award represented by that performance measure will not be paid. The remaining portion of each award is discretionary based on a subjective evaluation of the executive's individual performance by the Compensation Committee. Awards under the Incentive Plan are payable in cash, restricted shares of common stock of the Company, or a combination of cash and restricted shares of common stock.

Table of Contents

The incentive bonus opportunities under the Incentive Plan vary based on each executive officer's level of responsibility. For 2005, the annual incentive awards were made based on 2005 performance measures and executive bonus percentages approved by the Compensation Committee in December 2004 and in February 2005 in the case of the Named Executive Officers (other than Mr. Hammons who joined the Company in July 2005).

For 2005, the target incentive awards related to the attainment of corporate performance objectives for the Named Executive Officers ranged from 33% to 85% of base salary. If the maximum performance objectives were attained, the incentive award opportunities ranged from 60% to 150% of base salary. If the minimum performance objectives were attained, the incentive award opportunities ranged from 16.5% to 42.5% of base salary. The target total incentive award opportunities for these executives for 2005, including the discretionary component, ranged from 55% to 140% of base salary. The maximum total incentive award opportunities for these executives for 2005, assuming attainment of the maximum performance objectives and the maximum discretionary amount, ranged from 80% to 200% of base salary. Additionally, the Committee may also issue special awards above the maximum percentage based upon an executive's performance during the year or other factors. Assuming attainment of minimum performance objectives and the maximum discretionary amount, the total incentive award opportunities ranged from 55% to 140% of base salary.

For 2005, the performance goals established for the Named Executive Officers, other than Gene Hammons, President of Southwestern Midstream Services Company and Alan N. Stewart, President of Arkansas Western Gas Company, by the Compensation Committee were based on: (1) cash flow per share, (2) reserve replacement ratio, (3) PVI (which we define as the expected present value added discounted at 10% for each dollar invested), and (4) return on equity. Because these factors were weighted approximately equal, a proportionate award would be earned for each performance goal that is met at the pre-established levels. In 2005, the cash flow per share, reserve replacement level, PVI and return on equity of the Company surpassed the maximum performance objectives. Mr. Lane's performance goals were based upon these criteria as well as the Company's production target, which was above the minimum but below the target. Mr. Hammons' award in 2005 was based in part on these criteria but was primarily discretionary. Mr. Stewart's performance goals were based upon (1) utility net operating income, (2) controlling utility expenses, and (3) utility gas sales volumes. In 2005, utility net operating income was above target but below the maximum, utility expenses were below the minimum and utility gas sales volumes were above minimum but below target. The Compensation Committee based the discretionary awards for these executives on a subjective evaluation of the executive's performance. Based upon the additional discretionary authority of the Committee, Messrs. Korell, Lane, Boling and Hammons received incentive compensation amounts in excess of their respective maximum awards for 2005.

Long-Term Incentives. The long-term incentives for the Company are comprised of two plans: (1) a stock incentive plan, the Company's 2004 Stock Incentive Plan (the "Stock Plan") and (2) a goal driven plan, the Southwestern Energy Company 2002 Performance Unit Plan (the "Performance Unit Plan"). The Company's long-term incentive program is designed to provide incentives for key employees to focus on the long-term strategic goals of the Company's business and to attract and retain key employees through share ownership.

The Company's executive officers are eligible to participate in the Stock Plan. Under the Stock Plan, the Compensation Committee may grant options to purchase common stock of the Company and award shares of restricted stock, restricted stock units and stock appreciation rights, each in such amounts as determined by the Compensation Committee. The Stock Plan also allows the Compensation Committee to award cash bonuses when a participant is required to recognize income for federal or state income tax purposes with respect to awards of restricted stock or restricted stock units. The Compensation Committee believes that stock options and other equity-based compensation align the interests of executives and other managers with those of the Company's stockholders because the value of such compensation is directly related to appreciation of the Company's stock price. In 2005, the Compensation Committee granted stock option and shares of restricted stock under the Stock Plan. All stock options granted in 2005 have an exercise price based on the fair market value (as defined in the Stock Plan) of the Company's common stock on the date of grant, have terms of seven years

Table of Contents

and vest over a period of three years. The shares of restricted stock awarded in 2005 vest over a four-year period. The stock options and restricted stock awards made on or after December 8, 2005 are forfeited upon termination of employment other than a termination of employment due to death, disability or retirement at age 65 with at least five (5) years of service to the Company. Stock options and restricted stock awards made prior to December 8, 2005 are forfeited upon termination of employment if not previously vested.

In determining the awards granted to executives in 2005 under the long-term incentive plans, the Compensation Committee considered a number of factors. The awards in 2005 were based upon an analysis of the value of long-term incentive plan awards made by the Company's competitive peer group. The Compensation Committee also evaluated the performance of the Company, the performance and responsibility of the particular executive, and the desirability of providing a particular executive with an adequate incentive to remain with the Company.

The Company also maintains the Performance Unit Plan as a component of its long-term incentive program. The Performance Unit Plan is designed to complement the equity-based compensation awarded under the Stock Plan by providing additional awards for enhancing the long-term value of the Company and mitigating the effect of shareholder dilution. Performance units are long-term cash incentives with a value based on a predetermined set of performance measures.

In 2005, the Compensation Committee awarded a total of 5,275 performance units. Each performance unit has a target value of \$1,000 per unit and vests ratably over a period of three years from the date of the grant. Actual payout is determined by the attainment of certain threshold, target, and maximum performance objectives, which pay 50% of target, 100% of target and 200% of target, respectively, at the end of the three-year period. Performance objectives are calculated weighing three-year total shareholder return versus a peer group and either a performance measure known as a reserve replacement efficiency ratio (determined by dividing pre-tax operating cash flow by finding and development costs) or, in the case of Mr. Stewart, certain utility performance measures relating to return on assets, operating expenses and gas sales, versus a peer group.

Chief Executive Officer Compensation

The compensation levels for the components of Mr. Korell's compensation during 2005 were established by the Compensation Committee in the manner described above for each of the components of executive compensation. In addition to the factors described above, the Compensation Committee also took into consideration Mr. Korell's substantial experience and standing in the industry in determining his base salary and other components of compensation.

For 2005, Mr. Korell's base salary was established at \$460,000. Under the Incentive Plan, Mr. Korell's maximum bonus attainable was set at 200% of base salary, with a target award of 140% of base salary. A portion of the award is based on the achievement of predetermined organizational performance objectives and a portion is discretionary based on a subjective evaluation of Mr. Korell's performance by the Compensation Committee, which may be influenced by the performance of individual business segments. Based on the Company's attainment of the performance measures in 2005, plus the discretionary component awarded (which was increased by an additional 13% at the February 23, 2006 meeting of the Compensation Committee), Mr. Korell received a bonus of \$980,000, or 213% of his base salary. The increase in the discretionary award for Mr. Korell was ratified by the full Board of Directors on February 24, 2006.

During 2005, Mr. Korell received a grant of 60,960 stock options and 17,160 shares of restricted stock under the Stock Plan, all upon the same general terms and conditions approved by the Compensation Committee for all management level employees. The Compensation Committee also awarded Mr. Korell a cash tax bonus of \$349,305 related to the award of the shares of restricted stock in 2005. As additional long-term compensation, the Compensation Committee awarded Mr. Korell 900 performance units under the Performance Unit Plan.

Committee s Review of All Components of Compensation

The Compensation Committee has reviewed the aggregate amounts and mix of all components of the CEO s and the other executive officers compensation, including base salary, annual incentive compensation, long-term incentive compensation, accumulated (realized and unrealized) stock option and restricted stock gains, the value to the executive and cost to the Company of all perquisites and other personal benefits, the earnings and accumulated obligations under the Company s non-qualified deferred compensation plan, and the actual projected payout obligations under the Company s supplemental executive retirement plan under several potential severance and change-in-control scenarios. A tally sheet setting forth all the above components was prepared and reviewed affixing dollar amounts under the various payout scenarios for the CEO and the other named executive officers.

Based on the review process set out above, the Compensation Committee finds the CEO s and other executive officers total compensation (and, in the case of the severance and change-in-control scenarios, the potential payouts) in the aggregate to be reasonable and not excessive.

- (1) Consists solely of options to acquire shares of the Company's common stock. All options vest and become exercisable ratably over three years beginning one year from the date of grant or immediately upon death, disability, normal retirement or a change in control. All options expire after seven years from the date of grant but may expire earlier upon termination of employment.

Table of Contents

- (2) The exercise price reflects the fair market value of the Company's common stock on the date of grant.
- (3) Potential realizable values are reported net of the option exercise price, but before taxes associated with exercise. The dollar amounts shown are the result of calculations using 0%, 5% and 10% rates of appreciation from the exercise price on the date of grant until immediately prior to the expiration date as specified by the rules and regulations of the SEC and are not intended to forecast possible future appreciation, if any, of the Company's stock price. The assumed annual appreciation of 5% and 10% on the options granted at \$35.49 would result in the price of the Company's common stock increasing to \$49.94 and \$69.16, respectively, by December 8, 2012. Realization by optionees of the amounts shown is dependent on future increases in the price of the Company's common stock and the continued employment of the optionee with the Company. The options have no value if the Company's common stock does not appreciate, as shown in the 0% column.

- (1) All performance units have a target value of \$1,000 with the actual value determined by the final performance levels achieved for the award performance period of three years. Performance objectives are primarily calculated weighing three-year total shareholder return versus a peer group and either a performance measure known as a reserve replacement efficiency ratio (determined by dividing pre-tax operating cash flow by finding and development costs) or, in the case of Mr. Stewart, certain utility performance measures relating to return on assets, operating expenses and gas sales, versus both a peer group and a predetermined target level.
- (2) Performance units vest 1/3 per year beginning on the first anniversary of the date of the grant. Payout occurs at the end of the three-year period upon achievement of performance criteria.
- (3) Actual payout is determined by the attainment of certain threshold, target and maximum performance objectives, which pay 50% of target, 100% of target and 200% of target, respectively. If minimum threshold levels are not achieved, then no awards will be given.

AGREEMENTS CONCERNING EMPLOYMENT AND CHANGES IN CONTROL

The Company has entered into Severance Agreements with Messrs. Korell, Kerley, Lane, Boling, Hammons and Stewart pursuant to which each of them is entitled to a payment equal to the product of 2.99 and the officer's base amount if within three years after a change in control of the Company, the officer's employment is terminated by the Company without cause. Base amount is defined as base salary as of the executive's termination date plus the maximum bonus opportunity available to the executive under the Incentive Compensation Plan. If the Severance Agreements were triggered in 2006, the Named Executive Officers would be entitled to payments as follows: Mr. Korell, \$4,634,500; Mr. Kerley, \$2,317,250; Mr. Lane, \$2,317,250; Mr. Boling, \$1,747,281; Mr. Hammons, \$1,397,825; and, Mr. Stewart, \$1,211,399. In addition, the officer will be entitled to continued participation in certain insurance plans and fringe benefits from the date of the termination of employment until the earliest of (a) the expiration of three years, (b) death, or (c) the date he is afforded a comparable benefit at comparable cost by a subsequent employer. The officer will also be credited with three additional years of service for pension benefit purposes upon a change in control.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

The named executives are also entitled to the severance benefits described above if within three years after a change in control they voluntarily terminate employment with the Company for good reason.

For purposes of the severance agreements, a change in control includes (i) the acquisition by any person (other than, in certain cases, an employee of the Company) of 15% or more of the Company's voting securities, (ii) approval by the Company's shareholders of an agreement to merge or consolidate the Company with another

Table of Contents

corporation (other than certain corporations controlled by or under common control with the Company), (iii) certain changes in the composition of the Board of Directors of the Company, (iv) any change in control which would be required to be reported to the shareholders of the Company in a proxy statement and (v) a determination by a majority of the Board of Directors that there has been a change in control or that there will be a change in control upon the occurrence of certain specified events and such events occur. Good reason includes (i) a reduction in the employee's employment status or responsibilities, (ii) a reduction in the employee's base salary, (iii) a change in the employee's principal work location, and (iv) certain adverse changes in the Company's incentive or other benefit plans.

The Company's various long-term incentive plans and option agreements issued upon employment provide that all outstanding stock options and all limited, tandem, and stand-alone stock appreciation rights become exercisable immediately upon a change in control. The plans and other option agreements also provide that all performance units and shares of restricted and phantom stock which have not previously vested or been cancelled or forfeited shall vest immediately upon a change in control. For purposes of the plans, a change in control has the same meaning contained in the Company's Severance Agreements as defined above.

The Company's Incentive Compensation Plan provides that all restrictions on shares of restricted stock granted pursuant to the Incentive Plan shall lapse upon a change in control, as defined in the Company's Severance Agreements. This plan also provides that upon a participant's termination of employment under certain conditions on or after a change in control all determined but unpaid Incentive Awards shall be paid immediately, and any undetermined awards shall be determined and paid based on projected performance factors calculated in accordance with the plan.

PENSION PLANS

Prior to January 1, 1998, the Company maintained a traditional defined benefit plan (the Pension Plan) with benefits payable based upon average final compensation and years of service. Effective January 1, 1998, the Company amended its Pension Plan to become a cash balance plan on a prospective basis for its non-bargaining employees. A cash balance plan provides benefits based upon a fixed percentage of an employee's annual compensation.

Eligible officers and employees who were participants in the Pension Plan as of January 1, 1998 are entitled to annual benefits payable upon retirement based upon years of service through December 31, 1997 and average compensation during the five years of highest pay in the last ten years of service before termination.

Under the cash balance provisions of the Pension Plan, which became effective January 1, 1998, each participant has a hypothetical account, for recordkeeping purposes only, to which credits are allocated annually based upon a percentage of the participant's remuneration. The applicable percentage is equal to 6% plus an additional percentage for participants in the Pension Plan as of January 1, 1998. The additional percentage is based upon a participant's age, and is designed to approximate any lost benefits due to the change to a cash balance plan. The additional percentage is equal to 6.3% for Mr. Korell and 3.7% for Mr. Kerley, who were both participants in the plan as of January 1, 1998.

All employee balances in the cash balance account also earn a fixed rate of interest that is credited annually. The interest rate for a particular year is the annual rate of interest of the 30-year treasury securities for November of the prior year with a minimum of 6%. Interest is credited as long as the participant's balance remains in the Pension Plan.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

The Internal Revenue Code (the Code) limits both the amount of compensation that may be used for purposes of calculating a participant's Pension Plan benefit and the maximum annual benefit payable to a participant under the Pension Plan. For the 2005 plan year, (i) a participant's compensation in excess of \$210,000

Table of Contents

is disregarded for purposes of determining average compensation and (ii) the maximum annual Pension Plan benefit permitted under the Code is \$170,000. On May 31, 1989, the Company adopted a Supplemental Retirement Plan (SERP) which provides benefits equal to the amount which would be payable under the Pension Plan in the absence of certain limitations of the Code, less the amount actually paid under the Pension Plan. In the event of a change in control as defined under Agreements Concerning Employment and Changes in Control, the benefits of a participant then employed by the Company would be determined as if the participant had credit for three additional years of service.

At retirement or termination of employment, the vested amount credited to a participant is payable to the participant in the form of a lump sum or in lifetime monthly payments. The estimated combined annual benefit payable upon retirement related to the pre-1998 pension provisions and the cash balance provisions of the Pension Plan and SERP at December 31, 2005, is \$83,598 for Mr. Korell, \$145,517 for Mr. Kerley, \$69,561 for Mr. Lane, \$50,279 for Mr. Boling, \$6,184 for Mr. Hammons, and \$6,571 for Mr. Stewart. These projections are based on the following assumptions; (1) participant remains employed until age 65; (2) the 2005 remuneration remains constant; and (3) interest credit of 6.00% for all years.

The remuneration covered by the Pension Plan includes wages and salaries but excludes incentive awards, bonuses, and fees. The benefit amounts listed above are not subject to any deductions for Social Security benefits or other offset amounts.

EQUITY COMPENSATION PLANS

The following table sets forth certain information as of December 31, 2005, concerning outstanding stock options under all of the Company's equity compensation plans, the weighted average exercise price of the outstanding options and the number of shares available for future issuance under the plans.

Equity compensation plans not approved by shareholders (2)	891,830	2.62	0

Shares remaining available for issuance may be issued under the Southwestern Energy Company 2004 Stock Incentive Plan, which plan provides for grants and awards in the form of stock options, shares of restricted stock, and restricted stock units.

(2) Consists of the Southwestern Energy Company 2002 Employee Stock Incentive Plan and equity compensation that was issued to non-executive officers and new employees upon hiring. Grants generally mirrored the 1993 Stock Incentive Plan or the 2000 Stock

Incentive Plan, but were issued separate and apart from these plans.

Table of Contents**STOCK PERFORMANCE GRAPH**

The following graph compares for the last five years, the performance of the Company's common stock to the S&P Smallcap 600 Index, the S&P Midcap 400 Index and the Dow Jones U.S. Exploration & Production Index (previously known as the Dow Jones Oil Secondary Index). In prior years, the graph has compared the Company's common stock to the S&P Smallcap 600 Index and the Dow Jones U.S. Exploration & Production Index (previously known as the Dow Jones Oil Secondary Index). The comparison to the S&P Midcap 400 Index has been added in the graph because the Company was switched from the S&P Smallcap 600 Index to the S&P Midcap 400 Index in late December 2005. In the future, it is expected that the graph will not include the S&P Smallcap 600 Index. The chart assumes that the value of the investment in the Company's common stock and each index was \$100 at December 31, 1999, and that all dividends were reinvested.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of the Company's common stock, to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC and the New York Stock Exchange, and to furnish the Company with a copy of each such report.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, its directors, executive officers and more than ten percent stockholders complied with all applicable Section 16(a) filing requirements.

PROPOSAL NO. 3

**APPROVAL OF REINCORPORATION OF THE COMPANY FROM ARKANSAS TO
DELAWARE**

Introduction

The Company (also referred to as SWN Arkansas) is a corporation formed under the Arkansas Business Corporation Act of 1987 (as amended, the ABCA) and governed by the laws of the State of Arkansas. The Company's Board of Directors has unanimously approved and recommends that the holders of the Company's outstanding shares approve the reincorporation of the Company in Delaware by means of a merger of the Company with and into a newly formed, wholly owned subsidiary, Southwestern Energy Company, a Delaware Corporation (SWN Delaware). The Delaware corporation will be the surviving corporation in the merger, and the purpose of the merger is to change the Company's jurisdiction of incorporation from Arkansas to Delaware and to effect certain amendments to the Company's charter as described more fully below.

SWN Delaware was incorporated under the Delaware General Corporation Law (the DGCL) on February 24, 2006 under the name Southwestern Energy Company, for the purpose of merging with SWN Arkansas. As of the date and time immediately prior to the effective date of the reincorporation, SWN Delaware will have no material assets or liabilities and will not have carried on any business other than to endorse the proposed merger with SWN Arkansas. Throughout this Proposal No. 3, the terms SWN Arkansas or the Company refer to Southwestern Energy Company, the existing Arkansas corporation, and the term SWN Delaware refers to the new Delaware corporation that is the proposed successor to SWN Arkansas. The principal executive offices of both SWN Arkansas and SWN Delaware are located at 2350 North Sam Houston Parkway East, Suite 300, Houston, Texas 77032, and the telephone numbers of both SWN Arkansas and SWN Delaware are (281) 618-4700.

As discussed in Principal Reasons for the Reincorporation, management believes that reincorporation in Delaware would be beneficial to the Company because Delaware corporate law is more comprehensive, widely used and extensively interpreted than Arkansas corporate law. In addition, management believes that Delaware law is better suited than Arkansas law to protect shareholder's interests in the event of a non-solicited takeover attempt. We are not, however, aware that any person is currently attempting to acquire control of the Company, to obtain representation on our Board of Directors or to take any action that would materially affect the governance of the Company.

We initially considered the possibility of reincorporating in the third quarter of 2005 in connection with an evaluation of alternatives for streamlining our overall corporate structure and businesses. At such time, management undertook a review of the advantages and disadvantages of changing the state of incorporation from Arkansas to Delaware and made a presentation to the Company's Board of Directors on October 24, 2005, with respect to the findings of the review. On December 8, 2005, management made an additional presentation regarding reincorporation in Delaware, reviewing further the advantages and disadvantages of reincorporating in

Table of Contents

Delaware, the mechanics of reincorporating and possible changes to the organizational documents associated with a reincorporation. Based on that review, the Board of Directors unanimously determined that the reincorporation was in the best interest of the Company and approved a resolution to move forward with the reincorporation process subject to further Board approval of the proposal to be submitted for shareholder consideration. On February 24, 2006, the Board of Directors approved the submission of the plan to reincorporate to the shareholders at the Annual Meeting for their approval. At such time, our Board unanimously approved management's proposal to increase the number of authorized shares from 220,000,000 to 540,000,000, the forms of the Agreement and Plan of Merger (the Merger Agreement), Certificate of Incorporation of SWN Delaware (the Delaware Certificate) and the Bylaws of SWN Delaware (the Delaware Bylaws). Throughout this Proposal No. 3, the term Reincorporation refers to the reincorporation of the Company in Delaware by means of the merger of SWN Arkansas with and into SWN Delaware, with SWN Delaware as the surviving corporation governed by the provisions of the Delaware Certificate and the Delaware Bylaws.

Because SWN Delaware will be governed by the DGCL and will have new organizational documents, the proposed Reincorporation, if approved, will result in certain changes in your rights as a shareholder. These differences are summarized under the sections entitled Comparison of the Charters and Bylaws of SWN Arkansas and SWN Delaware and Significant Differences Between the Corporation Laws of Arkansas and Delaware.

Our Board of Directors has unanimously approved and, for the reasons described below, recommends that you approve the proposal to change the Company's state of incorporation from Arkansas to Delaware. If approved by shareholders, we expect that the Reincorporation will become effective as soon as practicable (the Effective Date) following our meeting of shareholders. If shareholders do not approve the Reincorporation, we would not consummate the Reincorporation, the increase in the number of authorized shares of common stock would not be effected and we would continue to operate as an Arkansas corporation.

In order for the proposed Reincorporation to be effective, holders of a majority of the outstanding shares of common stock must approve Proposal No. 3. See Vote Required For Reincorporation Proposal and Board of Directors Recommendation below. You are urged to read carefully this section of this Proxy Statement, including the related Appendices, before voting on the Reincorporation.

Mechanics

The proposed Reincorporation would be effected pursuant to the Merger Agreement in substantially the form attached as **Annex A** to this Proxy Statement. The discussion of the Reincorporation and the Merger Agreement set forth below is qualified in its entirety by reference to the Merger Agreement. Upon completion of the Reincorporation, SWN Arkansas will cease to exist and SWN Delaware, which would be the surviving corporation in the Reincorporation, would continue to operate our business under the name Southwestern Energy Company.

Upon the Effective Date, each outstanding share of common stock of SWN Arkansas will be automatically converted into one share of common stock of SWN Delaware. Each stock certificate representing issued and outstanding shares of common stock of SWN Arkansas will continue to represent the same number of shares of common stock of SWN Delaware. **If SWN Arkansas and SWN Delaware effect the Reincorporation, you would not need to exchange your existing stock certificates of SWN Arkansas for stock certificates of SWN Delaware.** You may, however, exchange your certificates if you so choose.

The common stock of SWN Arkansas is listed on the NYSE and, after the Reincorporation, SWN Delaware's common stock will continue to be traded on the NYSE without interruption, under the same symbol SWN as the shares of common stock of SWN Arkansas are currently traded.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

Pursuant to the Merger Agreement, SWN Arkansas and SWN Delaware promise to take all actions that Delaware law and Arkansas law require for SWN Arkansas and SWN Delaware to effect the Reincorporation.

Table of Contents

The Reincorporation would not only make a change in the legal domicile of the Company and certain other changes of a legal nature which are described in this Proxy Statement but would also make operational the new organizational documents. The Reincorporation would not result in any change in the name, business, management, fiscal year, assets or liabilities or location of the principal offices of the Company. The current directors, officers and employees of the Company will become the directors, officers and employees of SWN Delaware. All employee benefits and stock options of SWN Arkansas will be assumed and continued by SWN Delaware, and each option or right to purchase shares of common stock of SWN Arkansas will automatically be converted into an option or right to purchase the same number of shares of common stock of SWN Delaware, at the same price per share, upon the same terms and subject to the same conditions. Other employee benefit arrangements of SWN Arkansas will also be continued by SWN Delaware upon the terms and subject to the conditions currently in effect. If the Reincorporation is effected, the Company's shareholders' rights plan will be assumed and continued by the surviving corporation. We believe that the proposed Reincorporation will not affect any of our material contracts with any third parties and that our rights and obligations under such material contracts will continue and be assumed by the surviving corporation.

Vote Required for Reincorporation Proposal and Board of Directors' Recommendation

Arkansas law requires the affirmative vote of the holders of a majority of the outstanding shares of common stock of SWN Arkansas to approve the Merger Agreement pursuant to which SWN Arkansas and SWN Delaware would effect the Reincorporation. Approval of the Reincorporation proposal would also constitute an approval of the Merger Agreement, the Delaware Certificate and the Delaware Bylaws. If the shareholders approve the Merger Agreement and the Reincorporation becomes effective, the Delaware Certificate and the Delaware Bylaws in effect immediately prior to the Effective Date would become the Certificate of Incorporation and Bylaws, respectively, of the surviving corporation.

The Board of Directors unanimously approved and recommends that you vote FOR the proposed Reincorporation. The effect of an abstention or a broker non vote is the same as that of a vote against the Reincorporation proposal.

Right to Dissent in Connection with the Proposed Reincorporation

Arkansas law provides shareholders with the right to dissent from corporate actions under a number of circumstances and receive cash for their shares. If the Reincorporation proposal is approved, dissenters' rights under the ABCA would apply. Shareholders who vote against the Reincorporation and comply with all of the provisions of Subchapter 13 of the ABCA may elect to receive payment of the fair value of their shares of SWN Arkansas in lieu of having such shares converted into SWN Delaware common stock in the merger. See "Appraisal Rights of Dissenting Shareholders."

Principal Reasons for the Reincorporation

For many years, Delaware has followed a policy of encouraging corporations to incorporate in that state. More than 50% of all U.S. public corporations and more than 300 of the Fortune 500 companies are incorporated in Delaware. From 1960 through 2002, a total of 400 companies listed on the NYSE reincorporated to change their state of domestication, with approximately 82% choosing to reincorporate in the State of Delaware. In furtherance of Delaware's policy of encouraging corporations to incorporate in Delaware, Delaware has been a leader in adopting, construing and implementing comprehensive and flexible corporate laws that have been responsive to the evolving legal and business needs of modern corporations. The Board and management believe that it is essential to be able to draw upon well established principles of corporate governance in making legal and business decisions. We also believe that Delaware law is better suited than Arkansas law to protect shareholders' interests in the event of an unsolicited takeover attempt. We are not aware that any person is currently attempting to acquire control of the

Company, to obtain representation on our Board of Directors or to take any action that would materially affect the governance of the Company.

Table of Contents

Additionally, our Board of Directors and management believe that, as a Delaware corporation, the Company would be better able to continue to attract and retain qualified directors and officers, in part because Delaware law provides more predictability on the issue of liability of directors and officers than Arkansas law does. The increasing frequency of litigated claims against directors and officers has greatly expanded the risks to directors and officers of exercising their respective duties. The amount of time and money required to respond to and litigate such claims can be substantial and the importance of clear, legal precedent can be high. Our Board and management believe that the Reincorporation may be a significant factor in continuing to attract and retain such individuals, and in freeing them to make corporate decisions on their own merits and for the benefit of shareholders, rather than out of a desire to avoid personal liability. For additional discussion of this matter, see [Significant Differences Between the Corporation Laws of Arkansas and Delaware](#) [Limitation of Liability](#) and [Indemnification](#).

Our Board of Directors and management have considered the following benefits of Delaware's corporate legal framework in deciding to propose reincorporating in Delaware:

The DGCL, which is generally acknowledged to be the most advanced and flexible corporate statute in the country;

The Delaware General Assembly, which each year considers and adopts statutory amendments that the corporation law section of the Delaware State Bar Association proposes in an effort to ensure that the corporate statute continues to be responsive to the changing needs of businesses;

The Delaware Court of Chancery, which handles complex corporate issues with the level of experience and a degree of sophistication and understanding unmatched by any other court in the country, and the Delaware Supreme Court which is also highly regarded;

The well-established body of case law construing Delaware law, which has developed over the last century and which offers significant advantages of clarity and predictability as compared with Arkansas, particularly with respect to officer and director liability; and

The responsiveness and efficiency of the division of corporations of the Secretary of State of Delaware, which uses advanced computer technology.

Any direct benefit that Delaware law provides to corporations indirectly benefits the shareholders, who are the owners of the corporations. For the reasons discussed in this Proxy Statement, we believe that the Company and our shareholders will benefit in the near and longer term from reincorporating in Delaware.

Potential Anti-Takeover Implications of the Reincorporation

Delaware, like many other states, permits a corporation to adopt a number of measures through the amendment of the corporate charter or bylaws which are designed to reduce a corporation's vulnerability to unsolicited takeover attempts. Certain differences between Arkansas and Delaware law, which would be effective upon consummation of the Reincorporation without further action of our Board or shareholders, could have a bearing on unapproved takeover attempts. Section 203 of the DGCL, which will apply to SWN Delaware, restricts certain business combinations with interested shareholders for three years following the date that a person becomes an interested shareholder, unless the Board approves the business combination. For a discussion of this provision and certain other differences between the laws of Arkansas and Delaware that may affect shareholders see [Significant Differences Between the Corporation Laws of Arkansas and Delaware](#) discussed below.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

The Board believes that unsolicited takeover attempts may be unfair or disadvantageous to the Company, to SWN Delaware, and to the owners of their securities because, among other reasons, a non-negotiated takeover bid: (i) may be timed to take advantage of temporarily depressed share prices; (ii) may be designed to foreclose or minimize the possibility of more favorable competing bids or alternative transactions; and (iii) may involve the acquisition of only a controlling interest in the corporation's shares, without affording all shareholders the

Table of Contents

opportunity to receive the same economic benefits. By contrast, in a transaction in which a potential acquiror must negotiate with an independent board of directors, the board can and should take account of the underlying and long-term values of the corporation's business, properties, and other assets, the possibilities for alternative transactions on more favorable terms, possible advantages from a tax-free reorganization, anticipated favorable developments in the corporation's business not yet reflected in the share price, and equality of treatment of all shareholders.

Despite the belief of the Board as to the benefits to shareholders of the Reincorporation, it may be disadvantageous to the extent that it has the effect of discouraging a future takeover attempt which is not approved by SWN Delaware's board of directors, but which a majority of the shareholders may deem to be in their best interests or in which shareholders may receive a substantial premium for their shares over the then current market value or over their cost bases in such shares. As a result, shareholders who might wish to participate in an unsolicited tender offer may not have an opportunity to do so. The Reincorporation was NOT proposed to prevent a change in control, and the Board is not aware of any present attempt to acquire control of the Company, or to obtain representation on the Board.

Increase in Authorized Common Stock

The Delaware Certificate includes an increase of 320,000,000 in the number of authorized shares of common stock. The Board of Directors has included the increase in the authorized number of shares of common stock as part of the Reincorporation because a limited number of shares are available following the Company's two two-for-one stock splits and the equity offering that were effected in 2005. As of March 24, 2006, the Company had [] shares of common stock outstanding, 102,000,000 shares reserved for issuance with respect to the common share purchase rights (the Rights) attached to the common stock and an aggregate of [] shares reserved for issuance under its existing equity compensation plans and agreements. As a result, the Company does not have, and SWN Delaware would not have, a sufficient number of available authorized shares to effect any further stock splits or any shares that are not reserved that may be issued for other business purposes.

The Board of Directors believes the availability of additional authorized shares will enable SWN Delaware to act with flexibility when and as the need arises to issue additional shares in the future without the delays necessitated by having to obtain a shareholder vote (except as otherwise required by law or by the rules of any securities exchange on which the shares are listed) and to take advantage of changing market and financial conditions in a more timely manner. Among the possible reasons for issuing additional shares would be to increase SWN Delaware's capital through sales of its common stock, to engage in other types of capital transactions, and to satisfy existing contractual commitments. Other than the existing Amended and Restated Rights Agreement relating to the Rights and equity compensation plans and agreements which SWN Delaware will assume, SWN Delaware has no plan, agreement or arrangement for the issuance of any shares of common stock in connection with any such transaction or contractual commitment. If the Reincorporation is approved, the Board of Directors may issue such additional authorized shares of common stock without further shareholder approval in return for such consideration in money, property, or other things of value as the Board of Directors, in its discretion, shall determine. In some instances, shareholder approval for the issuance of additional shares may be required by law or by the requirements of the New York Stock Exchange, on which the Company's common stock is now listed and SWN Delaware's common stock will be listed, or the obtaining of such approvals may be otherwise necessary or desirable. In particular, the NYSE requires shareholder approval for acquisition transactions where the issuance could increase the number of shares outstanding by 20% or more and for an increase in shares reserved for issuance under certain equity compensation plans for the Company's employees. In such cases, further shareholder authorization will be solicited.

The Company's Board of Directors has not proposed the increase in the amount of authorized shares with the intention of discouraging tender offers or takeover attempts of the Company. However, the availability of additional authorized shares for issuance could render more difficult or discourage a merger, tender offer, proxy contest or other attempt to obtain control of the Company.

Comparison of the Charters and Bylaws of SWN Arkansas and SWN Delaware

There are significant similarities between the Delaware Certificate and the Company's current amended and restated articles of incorporation (the Arkansas Articles). For example, both the Delaware Certificate and the Arkansas Articles provides for the authorization of 10,000,000 shares of preferred stock. The Delaware Certificate and the Arkansas Articles each entitle the Board to determine the rights, preferences, privileges and restrictions of the authorized but unissued preferred stock at the time of issuance. In addition, neither the Delaware Certificate nor the Arkansas Articles provides for a classified Board of Directors.

The following discussion is a summary of the material differences between the Arkansas Articles and bylaws (the Arkansas Bylaws) of SWN Arkansas and the Delaware Certificate and Delaware Bylaws. All statements herein are qualified in their entirety by reference to the respective corporation laws of Arkansas and Delaware and the full text of the Arkansas Articles and Arkansas Bylaws and the Delaware Certificate and Delaware Bylaws. Approval by our shareholders of the Reincorporation will automatically result in the adoption of all the provisions set forth in the Delaware Certificate and the Delaware Bylaws. A copy of the Delaware Certificate is attached as **Annex B to this Proxy Statement** and a copy of the Delaware Bylaws is attached as **Annex C**. The Arkansas Articles and Arkansas Bylaws are on file with the SEC and are available from the Company upon request.

Capitalization

The Arkansas Articles currently authorize the Company to issue up to 220,000,000 shares of common stock, par value \$0.10 per share and 10,000,000 shares of preferred stock, \$0.01 par value per share. The Delaware Certificate provides that the Company will have 540,000,000 authorized shares of common stock, \$0.01 par value per share, and 10,000,000 shares of preferred stock, \$0.01 par value per share. Both the Arkansas Articles and the Delaware Certificate entitle the Board to determine the rights, preferences, privileges and restrictions of the authorized and unissued preferred stock at the time of issuance; provided, however, that no shares of any series of preferred stock may be issued without the approval of shareholders if (A) the voting rights of the shares of such series would be materially disproportionate to the voting rights of the shares of common stock or (B) the shares of such series would be convertible into a materially disproportionate number of shares of common stock, in each case taking into account the issue price of the shares of such series and the fair market value of the shares of common stock at the time of such issuance.

Cumulative Voting

Cumulative voting entitles a shareholder to cast as many votes as there are directors to be elected, multiplied by the number of shares registered in such shareholder's name. The shareholder may cast all of such votes for a single nominee or may distribute them among any two or more nominees. Under Arkansas law, shareholders of a corporation do not have the right to cumulative voting unless provided in the articles of incorporation. The Arkansas Articles grant shareholders of the Company the right to cumulative voting.

Under Delaware law, cumulative voting in the election of directors is not permitted unless specifically provided for in a company's charter or bylaws. The Delaware Certificate and the Delaware Bylaws do not provide for cumulative voting because the Board believes that all directors should be elected by a plurality of votes of shareholders.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

The Board of Directors believes that each director elected to the Board should represent the interests of all shareholders. The elimination of cumulative voting should help ensure that each director acts in the best interests of all shareholders, because shareholders holding a majority of the voting shares will have the power to elect every director to be elected at any annual meeting. In making the determination to eliminate cumulative voting, the Board considered the governance criteria used by certain institutional investors in determining

Table of Contents

whether the failure to provide cumulative voting for the election of directors is disadvantageous to shareholders and found that, following the Reincorporation, SWN Delaware will meet the criteria under which it is acceptable not to provide for cumulative voting because:

SWN Delaware's board of directors will be elected annually;

A majority of SWN Delaware's board will be composed of independent directors;

The Company's nominating committee is composed solely of independent directors;

SWN Delaware's shareholders will be able to call special meetings or to act by written consent with less than 90 days' notice;

There will be no classes of SWN Delaware stock with superior voting rights;

SWN Delaware's board of directors will not have the sole right to change the size of the board beyond the range that is being approved by shareholders in connection with the Reincorporation;

The Company's shareholder rights plan, which is being assumed by SWN Delaware, does not have a "dead-hand" provision that permits it to only be removed by the incumbent directors;

The process by which SWN Delaware's directors will be chosen is described in this Proxy Statement;

The Company (as the predecessor of SWN Delaware) has total shareholder returns which greatly exceed its industry peers as shown under "Stock Performance Graph" above; and

Following the Reincorporation, SWN Delaware will have a confidential voting policy in effect substantially in the form attached hereto as **Annex E**.

Shareholder Action by Written Consent

Under Arkansas and Delaware law, shareholders are permitted to act by written consent in lieu of a shareholder meeting. The Arkansas Bylaws currently permit shareholders to take action by written consent, provided that the consent is signed by the minimum number of shareholders necessary to authorize such action at a meeting where all shares entitled to vote thereon were present and vote. However, under Arkansas law, if the shareholder action is on a proposal to increase the capital stock or bonded indebtedness of a corporation, such action may only be taken by written consent without a meeting upon the unanimous consent of all shareholders of the corporation. Under Delaware law, a corporation can restrict the ability of shareholders to act by written consent in lieu of a meeting by so providing in the corporation's certificate of incorporation. The Delaware Certificate will provide shareholders with the same right to act by written consent as provided under Arkansas law. Under the Delaware Certificate, shareholders will be permitted to act by written consent in lieu of a meeting if the consent is signed by the number of shareholders necessary to authorize such action at a meeting where all shares entitled to vote thereon were present and vote; provided, however, that if the proposed shareholder action would have the effect of increasing the Company's capital stock or indebtedness, such action may only be taken by written consent without a meeting upon the unanimous consent of all the Company's shareholders.

Special Meetings of Shareholders

Under Arkansas law, a special meeting of shareholders may only be called by the board of directors, holders of shares entitled to cast not less than ten percent (10%) of the votes at such meeting and such additional persons as are authorized by the articles of incorporation or the bylaws. Under Delaware law, a special meeting of shareholders may be called by the board of directors or any other person authorized to do so in the certificate of incorporation or the bylaws. The Delaware Certificate and the Delaware Bylaws authorize the Board, the Chairman of the Board, the President, and holders of twenty-five percent (25%) or more of the voting shares of the Company to call a special meeting of shareholders.

Table of Contents

Size of the Board of Directors

Arkansas law provides that the number of directors of the corporation may be fixed in the articles of incorporation or bylaws of a corporation or a range may be established for the number of directors, with the board of directors given authority to fix the exact number of directors within such range. The Arkansas Articles state that the number of directors may not be less than three and the Arkansas Bylaws establish a range of six to eight for the number of directors and authorize the Board to fix the exact number of directors within the range by resolution or unanimous written consent. Changes in the number of directors of more than thirty percent (30%) above or below the number of directors last approved by shareholders or changes in the range for the size of the board of directors can only be adopted with the approval of holders of a majority of the outstanding voting stock of the Company.

Delaware law provides that the number of directors of a corporation, or the range of authorized directors may be fixed or changed by the board of directors acting alone by amendment to the corporation's bylaws, unless the directors are not authorized to amend the bylaws or the number of directors is fixed in the certificate of incorporation, in which case shareholder approval is required. The Delaware Certificate states that the number of directors may not be less than three and the Delaware Bylaws establish a range of six to ten for the number of directors and provide that the number of directors shall be fixed within these limits from time to time by resolution of a majority of the directors provided that changes in the size of the board of more than thirty percent (30%) above or below these limits can only be adopted with the approval of holders of a majority of the outstanding voting stock of the Company.

Filling Vacancies on the Board of Directors

Under Arkansas law, any vacancy on the Board, including newly created directorships, may be filled by the shareholders or the Board. If the number of directors is less than a quorum, a vacancy may be filled by a majority of directors then in office, even if less than a quorum. A vacancy created by removal of a director elected by a voting group of shareholders, if it is filled by shareholders, must be filled by shareholders of that voting group.

Under Delaware law, vacancies and newly created directorships may be filled by a majority of directors then in office, even if less than a quorum, or by a sole remaining director, unless otherwise provided for in a corporation's certificate of incorporation or bylaws (or unless the certificate of incorporation directs that a particular class of stock is to elect such director(s), in which case a majority of the directors elected by such class, or a sole remaining director so elected, shall fill such vacancy or newly created directorship). The Delaware Bylaws provide that any vacancy, including any vacancy created by the removal of a director by the shareholders of SWN Delaware, may be filled only by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director.

Monetary Liability of Directors

The Arkansas Articles and the Delaware Certificate both provide for the elimination of personal monetary liability of directors to the fullest extent permissible under the law of the respective states. The provision eliminating monetary liability of directors set forth in the Delaware Certificate is potentially more expansive than the corresponding provision in the Arkansas Articles due to differences between Arkansas and Delaware law. For a more detailed explanation of the foregoing, see [Significant Differences Between the Corporation Laws of Arkansas and Delaware](#) Indemnification, below.

Indemnification

The Delaware Certificate permits SWN Delaware to indemnify its officers and directors to the fullest extent permitted under Delaware law. The Delaware Bylaws require SWN Delaware to indemnify and hold harmless each person who was or is a party, or threatened to be made a party, or is involved in any proceeding by

Table of Contents

reason of the fact that he or she is or was, or has agreed to become, a director, officer, employee or agent of SWN Delaware, or is or was serving at the request of SWN Delaware as a director, officer, or employee, or in a similar capacity with another entity, or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses, (including attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred and suffered by or for him or her in connection with such proceeding or in any related appeal, provided that if the proceeding was initiated by the indemnified person, such proceeding must be authorized by the board of directors of the corporation.

Expenses incurred by an officer or director in defending an action may be paid in advance, under Delaware law, if such director or officer undertakes to repay such amounts if it is ultimately determined that he or she is not entitled to indemnification. In addition, Delaware law authorizes a corporation to purchase indemnity insurance for the benefit of its officers, directors, employees and agents whether or not the corporation would have the power to indemnify against the liability covered by the policy.

The indemnification provisions under the ABCA are substantially the same as those under DGCL. The Arkansas Articles authorized the Company to provide indemnification of agents for breach of duty to the Company and its shareholders and the Arkansas Bylaws require the Company to indemnify its directors and officers to the fullest extent not prohibited under Arkansas law and to provide advancement of litigation expenses. In addition, the Arkansas Bylaws allow the Company to indemnify its officers, employees and agents pursuant to Arkansas law.

For a further discussion of indemnification see *Significant Differences Between the Corporation Laws of Arkansas and Delaware Indemnification*.

Bylaw Amendments

Both the Arkansas Bylaws and the Delaware Bylaws allow the stockholders or the Board to adopt, amend, alter or repeal the bylaws, with the exception, in the case of the Delaware Bylaws, of the bylaw establishing the size of the board which can only be amended, altered or repealed by the Board through the approval of a majority of the entire Board of Directors then in office.

Significant Differences Between the Corporation Laws of Arkansas And Delaware

The following provides a summary of major substantive differences between the corporation laws of Arkansas and Delaware. It is not an exhaustive description of all differences between the two states' laws.

Arkansas Constitutional Provisions Requiring Shareholder Approval of Certain Actions

Article 12, Section 8 of the Arkansas Constitution provides that the stock and bonded indebtedness of a corporation shall not be increased without the consent of the persons holding the larger amount in value of stock, which consent must be obtained at a meeting where notice of such meeting has been provided not less than 60 days in advance of such meeting. The Delaware Constitution does not have an analogous provision.

Shareholder Approval of Certain Business Combinations

Delaware. Under Section 203 of the DGCL, a Delaware corporation is prohibited from engaging in a business combination with an interested stockholder for three years following the date that such person or entity becomes an interested stockholder. With certain exceptions, an interested stockholder is a person or entity who or which owns, individually or with or through certain other persons or entities, 15% or more of the corporation's outstanding voting shares (including any rights to acquire shares pursuant to an option, warrant, agreement, arrangement, or understanding, or upon the exercise of conversion or exchange rights, and shares with respect to which the person or entity has voting rights only). The three-year moratorium imposed by Section 203 on business combinations does not apply if (i) prior to the date on which such stockholder becomes

Table of Contents

an interested stockholder the board of directors of the subject corporation approves either the business combination or the transaction that resulted in the person or entity becoming an interested stockholder; (ii) upon consummation of the transaction that made him or her an interested stockholder, the interested stockholder owns at least 85% of the corporation's voting shares outstanding at the time the transaction commenced (excluding from the 85% calculation shares owned by directors who are also officers of the subject corporation and shares held by employee stock plans that do not give employee participants the right to decide confidentially whether to accept a tender or exchange offer); or (iii) on or after the date such person or entity becomes an interested stockholder, the board approves the business combination and it is also approved at a stockholders' meeting by 66 2/3% of the outstanding voting shares not owned by the interested stockholder. Although a Delaware corporation to which Section 203 applies may elect not to be governed by Section 203, the Board intends that SWN Delaware be, and SWN Delaware has elected to be, governed by Section 203.

The Company believes that Section 203 will encourage any potential acquiror to negotiate with SWN Delaware's board of directors. Section 203 also might have the effect of limiting the ability of a potential acquiror to make a two-tiered bid for SWN Delaware in which all stockholders would not be treated equally. Shareholders should note, however, that the application of Section 203 to SWN Delaware will confer upon the board of directors the power to reject a proposed business combination in certain circumstances, even though a potential acquiror may be offering a substantial premium for SWN Delaware's shares over the then-current market price. Section 203 would also discourage certain potential acquirors unwilling to comply with its provisions.

Arkansas. Arkansas law does not impose any restrictions or prohibitions on business combinations with shareholders and does not provide protection to shareholders against coercive two-tiered bids for a corporation in which the shareholders are not treated equally.

Classified Board of Directors

A classified board is one on which a certain number, but not all, of the directors are elected on a rotating basis each year.

Delaware. Delaware law permits a corporation to establish a classified board of directors, pursuant to which the directors can be divided into as many as three classes with staggered three-year terms of office, with only one class of directors standing for election each year. The Delaware Certificate does not provide for a classified board.

Arkansas. Under Arkansas law, if a corporation has nine or more directors, the articles of incorporation may provide for a staggered board of directors with as many as three classes with staggered three-year terms of office and with only one class of directors standing for election each year. The Arkansas Articles do not provide for a classified board.

Removal of Directors

Delaware. Under Delaware law, any director or the entire board of directors of a corporation that does not have a classified board of directors or cumulative voting may be removed with or without cause with the approval of at least a majority of the outstanding shares entitled to vote at an election of directors. The Delaware Certificate and the Delaware Bylaws do not provide for a classified board or cumulative voting, and, therefore, directors can be removed with or without cause.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

Arkansas. Under Arkansas law, any director may be removed, with or without cause, if the votes cast in favor of removal exceed the votes cast against removal; provided, however, if cumulative voting is authorized, a director may not be removed if the number of votes cast against removal would be sufficient to elect him or her. The Company currently has cumulative voting, which could adversely affect the ability of shareholders to remove a director.

Limitation of Liability

Arkansas law and Delaware law both permit a corporation to adopt a charter provision eliminating or limiting, with exceptions, the monetary liability of a director to the corporation or its shareholders for breach of the director's duty.

Delaware. The Delaware Certificate eliminates the liability of directors to the corporation or its stockholders for monetary damages for breach of fiduciary duty as directors to the fullest extent permitted by Delaware law, as that law exists currently and as it may be amended in the future. Under Delaware law, such a provision may not eliminate or limit a director's monetary liability for: (i) breaches of the director's duty of loyalty to the corporation or its stockholders; (ii) acts or omissions not in good faith or involving intentional misconduct or knowing violations of law; (iii) the payment of unlawful dividends or stock repurchases or redemptions; or (iv) transactions in which the director received an improper personal benefit. The Delaware Certificate does not eliminate or limit a director's liability for violations of federal law (such as the federal securities laws) and certain state laws (including state securities laws), or affect the availability of non-monetary remedies such as injunctive relief or rescission.

Arkansas. Arkansas law permits Arkansas corporations to include, in their charters, a provision eliminating or limiting the monetary liability of the corporation's directors to the corporation or its shareholders for breaches of their duties as directors, subject to exceptions that are similar but not identical to the exceptions specified by Delaware law. The Arkansas Articles presently include a comparable provision under Arkansas law.

Indemnification

Delaware. Delaware law generally permits the indemnification of expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred in the defense or settlement of a direct, derivative, or third-party action, provided there is a determination by a majority vote of a disinterested quorum of the directors or a committee of disinterested directors, by independent legal counsel, or by the stockholders, that the person seeking indemnification acted in good faith and in a manner he or she reasonably believed to be in (or not opposed to) the best interests of the corporation and, with respect to any criminal action, had no reasonable cause to believe the conduct was unlawful. Without court approval, however, no indemnification may be made in respect of any action by the corporation, including any derivative action, in which the person was adjudged liable.

Delaware law requires indemnification of reasonable defense expenses incurred by a director or officer, in any such proceeding, to the extent the director or officer was successful in the defense of the proceeding. Expenses incurred by an officer or director in defending an action may be advanced before the conclusion of a proceeding, under Delaware law, if the individual undertakes to repay such amounts if it ultimately is determined that he or she is not entitled to indemnification. In addition, Delaware law authorizes a corporation to purchase insurance for the benefit of its officers and directors whether or not the corporation would have the power to indemnify against the liability covered by the policy but subject to limits imposed by insurance law.

Arkansas. Arkansas law permits an Arkansas corporation to indemnify any director, officer, employee, or agent of the corporation for expenses (including attorneys' fees), judgments, fines, and settlement amounts to the extent that, as determined by a majority vote of a disinterested quorum of directors, by independent legal counsel in a written opinion if a disinterested quorum of directors so directs or such quorum is not obtainable, or by the shareholders, the individual acted in good faith and in a manner he or she believed to be in (or not opposed to) the best interests of the corporation and, with respect to any criminal action, had no reasonable cause to believe the conduct was unlawful. Arkansas law does not permit indemnification if the person is held liable to the corporation, including in a derivative action, except to the extent that the court concludes that despite the adjudication of liability but in view of all the circumstances, the person is fairly and reasonably entitled to

indemnification for those expenses that the court deems proper.

Table of Contents

Arkansas law requires indemnification of reasonable defense expenses incurred by a director, officer, employee or agent, in any such proceeding, to the extent the director, officer, employee or agent was successful in the defense of the proceeding. Expenses incurred by an officer or director in defending an action may be advanced before the conclusion of a proceeding, under Arkansas law, if the individual undertakes to repay such amounts if it ultimately is determined that he or she is not entitled to indemnification. In addition, Arkansas law authorizes a corporation to purchase insurance for the benefit of its officers, directors, employees, and agents whether or not the corporation would have the power to indemnify against the liability covered by the policy.

SWN Arkansas has indemnification agreements with its officers and directors indemnifying them to the fullest extent not prohibited under Arkansas law, and SWN Delaware will assume SWN Arkansas' obligations under those agreements and will amend the agreements to indemnify the directors and officers to the fullest extent permitted under the DGCL.

Inspection of Shareholder List and Books and Records

Arkansas law provides a shareholder and his, her or its agent or attorney with a right to inspect (beginning two business days after notice of a meeting is given) and copy the corporation's shareholder list. Arkansas law also permits any shareholder, on at least five business days advance written demand to the corporation, to inspect (i) the articles of incorporation and bylaws of the corporation and all amendments thereto that are in effect, (ii) board resolutions of the corporation relating to the creation of any class of shares that are still outstanding, (iii) minutes of shareholder meetings, records of actions taken by shareholders without a meeting and all written communications to shareholders, including financial statements, for the past three years, (iv) the names and addresses of the current directors and officers and (v) the most recent annual franchise tax report delivered to the Arkansas Secretary of State. In addition, a shareholder satisfying specified conditions is entitled to inspect (i) excerpts of minutes of any meeting of the board of directors and records of any actions of any committee of the board of directors and of actions taken by the board of directors without a meeting, (ii) accounting records, and (iii) the record of shareholders, in each case to the extent directly connected to the purpose of such inspection. Delaware law also permits any stockholder of record, upon compliance with procedures specified in the DGCL, to inspect a list of stockholders entitled to vote at a meeting and the corporation's other books and records for any proper purpose reasonably related to such person's interest as a stockholder. However, Delaware law contains no provision comparable to the other specific rights of inspection provided by Arkansas to shareholders.

Dividends and Repurchases of Shares

Delaware. Delaware law permits a corporation to declare and pay dividends out of surplus or, if there is no surplus, out of net profits for the fiscal year in which the dividend is declared and/or for the preceding fiscal year as long as the amount of capital of the corporation following the declaration and payment of the dividend is not less than the aggregate amount of the capital represented by the issued and outstanding shares of all classes having a preference upon the distribution of assets. In addition, Delaware law generally provides that a corporation may redeem or repurchase its shares only if the capital of the corporation is not impaired and such redemption or repurchase would not impair the capital of the corporation.

Arkansas. Under Arkansas law, a corporation may not make any distribution to its shareholders if, after giving effect to the distribution: (i) the corporation would not be able to pay its debts as they become due in the usual course of business or (ii) the corporation's total assets would be less than the sum of its total liabilities plus (unless the articles of incorporation permit otherwise) the amount that would be needed, if the corporation were to be dissolved at the time of distribution, to satisfy the preferential rights upon dissolution of shareholders whose preferential rights are superior to those receiving the distribution.

Shareholder Voting

Amendment of Charter Documents. Under Arkansas and Delaware law, the provisions of a corporation's charter document may be amended by the affirmative vote of the holders of a simple majority of the outstanding shares entitled to vote on such an amendment.

Statutory Mergers. Both Arkansas and Delaware law generally require that the holders of a majority of the shares of the constituent corporations in a statutory merger approve the merger. However, Delaware law does not require a vote of stockholders of the surviving corporation in a merger (unless the corporation provides otherwise in its certificate of incorporation) if (i) the merger agreement does not amend the corporation's existing certificate of incorporation; (ii) each share of the surviving corporation outstanding immediately before the effective date of the merger is an identical outstanding share after the merger; and (iii) either (x) no shares of common stock of the surviving corporation and no shares, securities, or obligations convertible into such stock are to be issued or delivered under the plan of merger, or (y) the authorized unissued shares or shares of common stock of the surviving corporation to be issued or delivered under the plan of merger plus those initially issuable upon conversion of any other shares, securities, or obligations to be issued or delivered under such plan do not exceed 20% of the shares of common stock of such corporation outstanding immediately prior to the effective date of the merger. Arkansas law contains a similar exception to its voting requirements for mergers where (i) the number of voting shares outstanding after the merger plus the number of voting shares issuable as a result of the merger (either by conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger) will not exceed by more than 20% the total number of voting shares outstanding immediately before the merger and (ii) the number of shares entitled to distributions (participating shares) outstanding after the merger plus the number of participating shares issuable as a result of the merger (either by conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger) will not exceed by more than 20% the total number of participating shares outstanding immediately before the merger.

Appraisal Rights

Under both Arkansas and Delaware law, a shareholder of a corporation participating in certain major corporate transactions may, under varying circumstances, be entitled to appraisal rights, pursuant to which such shareholder may receive cash in the amount of the fair market value of his, her or its shares in lieu of the consideration he, she or it would otherwise receive in the transaction.

Delaware. Under Delaware law, such fair market value is determined exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, and such appraisal rights are not available: (i) with respect to the sale, lease, or exchange of all or substantially all of the assets of a corporation; (ii) with respect to a merger or consolidation by a corporation the shares of which are either listed on a national securities exchange or are held of record by more than 2,000 holders if such stockholders receive only shares of the surviving corporation or shares of any other corporation that are either listed on a national securities exchange or held of record by more than 2,000 holders, plus cash in lieu of fractional shares of such corporations; or (iii) to stockholders of a corporation surviving a merger if no vote of the stockholders of the surviving corporation is required to approve the merger under Delaware law.

Arkansas. Under Arkansas law, a shareholder has a right of appraisal with respect to (i) a plan or merger that requires the approval of the shareholder, (ii) a merger of a parent corporation with its subsidiary effected without shareholder approval, (iii) a plan of share exchange in which the corporation's shares will be acquired that requires the approval of the shareholder, (iv) a sale or exchange of all or substantially all of the property (other than in the usual and regular course of business) that requires the approval of the shareholder, including a sale in dissolution but excluding a sale for cash pursuant to a plan by which all or substantially all of the net proceeds will be distributed to shareholders within one year of the sale, (v) certain amendments of the articles of incorporation that materially and adversely affect rights of a holder of shares and (vi) any corporate action taken

Table of Contents

pursuant to a shareholder vote to the extent that the articles of incorporation, bylaws or a resolution of the board of directors provide that voting or nonvoting shareholders are entitled to dissent and obtain payment for their shares. Accordingly, shareholders have more limited appraisal rights under Delaware law. **DISSENTERS RIGHTS ARE AVAILABLE TO SHAREHOLDERS OF THE COMPANY WITH RESPECT TO THE REINCORPORATION.** See Appraisal Rights of Dissenting Shareholders.

Dissolution

Delaware. Under Delaware law, unless the board of directors approves a proposal to dissolve, the dissolution must be unanimously approved by all the stockholders entitled to vote thereon. Only if a dissolution is initially approved by the board of directors may the dissolution be approved by a simple majority of the outstanding shares of the corporation's stock entitled to vote. In the event of such a board-initiated dissolution, Delaware law allows a Delaware corporation to include in its certificate of incorporation a supermajority (greater than a simple majority) voting requirement in connection with dissolutions. The Delaware Certificate contains no such supermajority voting requirement.

Arkansas. Under Arkansas law, in order for a corporation to dissolve (i) the corporation's board of directors must recommend such dissolution (which recommendation may be conditioned on any basis) to the shareholders and (ii) shareholders representing a majority (or such other greater vote required by the articles of incorporation or the directors as a condition to the dissolution proposal) of all votes entitled to be cast must approve such dissolution; provided that no recommendation is required if the board determines that because of a conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to shareholders.

Interested Director Transactions

Under both Arkansas and Delaware law, certain contracts or transactions in which one or more of a corporation's directors has an interest are not void or voidable simply because of such interest, provided that certain conditions are met, such as obtaining required disinterested board approval, fulfilling the requirements of good faith and full disclosure, or proving the fairness of the transaction. With minor exceptions, the conditions are similar under Arkansas and Delaware law.

Loans to Officers and Employees

Delaware. Under Delaware law, a Delaware corporation may make loans to, guarantee the obligations of, or otherwise assist its officers or other employees and those of its subsidiaries (including directors who are also officers or employees) when such action, in the judgment of the directors, may reasonably be expected to benefit the corporation.

Arkansas. Under Arkansas law, any loan or guaranty to or for the benefit of a director of a corporation requires either (i) the approval of a majority of votes represented by outstanding voting shares excluding the shares of the director to be benefited or (ii) a determination by the board of directors that the loan or guarantee benefits the corporation and the approval of the specific loan or a general plan authorizing loans and guarantees. Arkansas law does not expressly limit or prohibit a corporation from making a loan to or guaranteeing the obligation of its officers or other employees and those of its subsidiaries.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

Both SWN Arkansas and SWN Delaware (assuming the Reincorporation is consummated) are prohibited from making loans to their respective executive officers and directors pursuant to Section 402 of the Sarbanes-Oxley Act of 2002.

Shareholder Derivative Suits

Delaware. Under Delaware law, a shareholder may bring a derivative action on behalf of the corporation only if the stockholder was a shareholder of the corporation at the time of the transaction in question or if his, her or its stock thereafter devolved upon him, her or it by operation of law.

Table of Contents

Arkansas. Arkansas law provides that a shareholder may bring a derivative action on behalf of the corporation only if the shareholder was a shareholder of the corporation at the time of the transaction in question or he, she or it became a shareholder through transfer by operation of law from one who was a shareholder at that time.

Certain United States Federal Income Tax Consequences

The following is a discussion of certain United States federal income tax considerations that may be relevant to the Company's shareholders who receive shares of SWN Delaware Common Stock in exchange for their shares of SWN Arkansas Common Stock as a result of the Reincorporation. The discussion is addressed only to shareholders that hold their SWN Arkansas Common Stock as a capital asset and addresses only the specific United States federal income tax consequences set forth below and does not address any other federal, state, local or foreign income, estate, gift, transfer, sales, use, or other tax consequences that may result from the Reincorporation or any other transaction, including any transaction undertaken in connection with the Reincorporation. The discussion does not address all of the tax consequences of the Reincorporation that may be relevant to particular shareholders of the Company, such as dealers in securities, or those shareholders who acquired their shares upon the exercise of options, nor does it address the tax consequences to holders of options or other rights to acquire shares of SWN Arkansas Common Stock. **In view of the varying nature of such tax consequences, each shareholder is urged to consult his, her or its own tax advisor as to the specific tax consequences of the Reincorporation, including the applicability of federal, state, local, and foreign tax laws.**

We believe that the Reincorporation will be treated as a tax-free reorganization within the meaning of Section 368(a) of the Code. Subject to the qualifications discussed above, the following tax consequences generally will result for shareholders of SWN Arkansas Common Stock under that treatment:

No gain or loss will be recognized by holders of SWN Arkansas Common Stock upon receipt of SWN Delaware Common Stock pursuant to the Reincorporation;

The aggregate tax basis of the SWN Delaware Common Stock received by each shareholder in the Reincorporation will be equal to the aggregate tax basis of the SWN Arkansas Common Stock surrendered in exchange therefor;

The holding period of the SWN Delaware Common Stock received by each shareholder of the Company will include the period for which such shareholder held the SWN Arkansas Common Stock surrendered in exchange therefor, provided that the SWN Arkansas Common Stock was held by the shareholder as a capital asset at the time of the Reincorporation; and

The Reincorporation will not constitute a taxable event to the Company for U.S. federal income tax purposes.

State, local, or foreign income tax consequences to shareholders may vary from the federal tax consequences described above. The Company has not requested a ruling from the Internal Revenue Service, nor an opinion from its outside legal counsel, with respect to the federal income tax consequences of the Reincorporation under the Code. In any case, such an opinion would neither bind the IRS nor preclude it from asserting a contrary position.

Securities Act Consequences

Edgar Filing: SOUTHWESTERN ENERGY CO - Form PRE 14A

The shares of the SWN Delaware common stock to be issued in exchange for shares of SWN Arkansas common stock are not being registered under the Securities Act of 1933, as amended (the Securities Act). In that regard, SWN Delaware is relying on Rule 145(a)(2) under the Securities Act, which provides that a merger which has as its sole purpose a change in the domicile of a corporation does not involve the sale of securities for purposes of the Securities Act, and on interpretations of that rule by the SEC, which indicate that the making

Table of Contents

of certain changes to the charter documents of the Company which could otherwise be made only with the approval of the shareholders of either corporation does not render Rule 145(a)(2) inapplicable.

After the Reincorporation, SWN Delaware will continue to file periodic reports and other documents with the SEC and provide to its stockholders the same type of information that SWN Arkansas has previously filed and provided. Stockholders holding restricted shares of SWN Arkansas common stock will have shares of SWN Delaware common stock that are subject to the same restrictions on transfer as those to which their present shares are subject, and their stock certificates, if surrendered for replacement certificates representing shares of SWN Delaware common stock, will bear the same restrictive legend as appears on their present stock certificates. For purposes of computing compliance with the holding period requirement of Rule 144 under the Securities Act, it is expected that stockholders will be deemed to have acquired their shares of SWN Delaware common stock on the date full payment of the purchase price was made for the shares of SWN Arkansas common stock. In summary, SWN Delaware and its stockholders will be in the same respective positions under Rule 144 after the merger as were SWN Arkansas and its shareholders prior to the merger.

Interest of Certain Persons in, or in Opposition to, Matters to be Acted Upon

As the Company anticipates that the officers and directors of SWN Delaware (who are currently the officers and directors of the Company) will enter into new indemnification agreements, they may be deemed to have a personal interest in the Reincorporation. Other than as set forth in the preceding sentence, no person who has been a director or officer of the Company at any time since the beginning of the last fiscal year, nominee for election as a director of the Company, nor associate of the foregoing persons has any substantial interest, direct or indirect, in the Company's change of state of incorporation that differs from that of other shareholders of the Company. No director of the Company opposed the Reincorporation.

Appraisal Rights of Dissenting Shareholders

If the Reincorporation is consummated, dissenting holders of the Company's common stock will be entitled to demand payment by the Company of the fair value of their shares by complying with the provisions set forth in Subchapter 13 of the ABCA. Under Section 4-27-1301 of the ABCA, fair value is defined, with respect to a dissenter's shares, as the value of the shares immediately before the effectuation of the corporate action to which the dissenter objects, excluding any appreciation or depreciation in anticipation of such action, unless exclusion would be inequitable. The following is a brief summary of Sections 4-27-1320 through 4-27-1328 of the ABCA, which set forth the procedure for exercising dissenters' rights with respect to the Reincorporation and demanding statutory appraisal rights. This summary is qualified in its entirety by reference to Subchapter 13 of the ABCA, the text of which is attached as **Annex D** to this Proxy Statement.

A shareholder who wishes to assert dissenters' rights in connection with the Reincorporation must comply with the following procedures:

File a Written Demand To obtain such fair value, a dissenting shareholder must deliver to the Company before the vote is taken at the Annual Meeting a written notice of his intent to demand payment for his shares if the Reincorporation is effectuated.

Not Vote in Favor of the Reincorporation A shareholder will not have the right to dissent if he votes in favor of the Reincorporation. If any form of proxy with respect to the Reincorporation is signed and returned to the Company, but no instruction is indicated thereon with respect to the approval and adoption of the Reincorporation, and if the proxy is unrevoked, the proxy will be voted in favor of the Reincorporation and will be considered a vote for the Reincorporation with respect to the right to dissent of the

shareholder giving the proxy.

Notification by SWN Delaware If the Reincorporation is authorized at the Annual Meeting, the Company, or SWN Delaware, as the surviving corporation, as the case may be, will notify within ten

Table of Contents

days after the date of consummation of the Reincorporation all shareholders who have timely filed an objection to such action. The notice will be accompanied by a copy of Subchapter 13 of the ABCA and will:

state where payment demand must be sent and where and when certificates for certificated shares must be deposited;

inform holders of uncertificated shares to what extent transfer of the shares will be restricted after the payment demand is received;

supply a form for demanding payment (the Payment Demand) that includes the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action and requires the person asserting dissenters' rights to certify whether or not he acquired beneficial ownership of the shares before that date; and

set a date (the Payment Demand Deadline), not less than thirty (30) or more than sixty (60) days after the date the notice is delivered, by which SWN Delaware must receive the completed Payment Demand.

Demand for Payment A shareholder who has timely filed a written objection, has not voted in favor of the Reincorporation, deposits certificates for certificated shares in accordance with the terms of the Company's notice discussed above and returns the Payment Demand to the Company or SWN Delaware on or prior to the Payment Demand Deadline will receive the fair value of his shares. A shareholder who fails to return the Payment Demand by the Payment Demand Deadline will be bound by the terms of the Reincorporation.

Payment As soon as the Reincorporation is effected, or upon receipt of a timely Payment Demand, SWN Delaware will pay each dissenter who complied with the requirements the amount SWN Delaware estimates to be the fair value of his shares, plus accrued interest. The payment will be accompanied by a statement of the estimate of the fair value of the shares, an explanation as to how interest was calculated and certain required financial statements of the Company in addition to a copy of Subchapter 13 of the ABCA. The statement will also advise the dissenter of his right under Section 4-27-1328 of the ABCA, in certain circumstances, to notify the Company or SWN Delaware within thirty days (30) of receiving the payment, of his own estimate of the fair value of his shares and amount of interest due, and demand payment of his estimate.

Judicial Appraisal of Shares If a demand for payment under Section 4-27-1328 of the ABCA remains unsettled, the Company or SWN Delaware will, within sixty (60) days after receiving such demand, commence a proceeding and file a petition relating to all dissenters whose demands remain unsettled in the Washington County Circuit Court, Washington County, Arkansas, asking for a finding and determination of the fair value and accrued interest of such shares, and shall serve each dissenter with a copy of the petition.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE REINCORPORATION PROPOSAL. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED FOR THE REINCORPORATION PROPOSAL UNLESS A VOTE AGAINST THE PROPOSAL OR ABSTENTION IS SPECIFICALLY INDICATED.

EXHIBIT A

AUDIT AND NON-AUDIT SERVICES PRE-APPROVAL POLICY

I. Statement of Principles

The Audit Committee of the Board of Directors (the Audit Committee) is responsible for the appointment, compensation and oversight of the work of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor's independence from the Company. The SEC has issued rules specifying the types of services that an independent auditor may not provide to its audit client, as well as the audit committee's administration of the engagement of the independent auditor. Accordingly, the Audit Committee has adopted, and the Board of Directors has ratified, this Audit and Non-Audit Services Pre-Approval Policy (the Policy), which sets forth the procedures and the conditions pursuant to which services proposed to be performed by the independent auditor may be pre-approved. As set forth in this Policy, unless a type of service has received the pre-approval of the Audit Committee as set forth in the appendices to this Policy, it will require separate pre-approval by the Audit Committee if it is to be provided by the independent auditor.

In making its pre-approval determinations, the Audit Committee will consider whether the applicable services are consistent with the SEC's rules on auditor independence. The Audit Committee will also consider whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company's business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Company's ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative.

The Audit Committee is also mindful of the relationship between fees for audit and non-audit services in deciding whether to pre-approve any such services and may determine, for each fiscal year, the appropriate ratio between the total amount of fees for Audit, Audit-related and Tax services and the total amount of fees for certain permissible non-audit services classified as All Other services.

The appendices to this Policy describe the Audit, Audit-related, Tax and All Other services that have the pre-approval of the Audit Committee. The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers a different period and states otherwise. The Audit Committee may add or subtract to the list of pre-approved services from time to time, based on subsequent determinations.

The purpose of this Policy is to set forth the procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent auditor to management.

The independent auditor has reviewed this Policy and believes that implementation of the policy will not adversely affect the auditor's independence.

II. Delegation

As provided in the SEC's rules, the Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

III. Audit Services

Although the fee levels for the annual Audit services engagement are included as items 1 and 2 on Appendix A to this Policy, the actual Audit services engagement terms and fees will be subject to the specific

A-i

Table of Contents

pre-approval of the Audit Committee as set forth in an engagement letter executed by the chairman of the Audit Committee and the independent auditor. Audit services shall include the annual financial statement audit (including required quarterly reviews) and other procedures required to be performed by the independent auditor to be able to form an opinion on the Company's consolidated financial statements, and may include subsidiary audits and equity investment audits. These other procedures include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal control, and consultations relating to the audit or quarterly reviews. Audit services also include the attestation engagement for the independent auditor's report on management's report on internal controls for financial reporting. The Audit Committee will monitor the Audit services engagement as necessary, but no less than on a quarterly basis, and will also approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other items.

In addition to the annual Audit services engagement approved by the Audit Committee, the Audit Committee may grant pre-approval to other Audit services, which are those services that only the independent auditor reasonably can provide. Other Audit services may include statutory audits or financial audits for subsidiaries or affiliates of the Company and services associated with SEC registration statements, periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings.

The Audit Committee has pre-approved the Audit services identified as items 3, 4 and 5 on Appendix A. All other Audit services not listed on Appendix A must be separately pre-approved by the Audit Committee.

IV. Audit-related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and that are traditionally performed by the independent auditor. Because the Audit Committee believes that the provision of Audit-related services does not impair the independence of the auditor and is consistent with the SEC's rules on auditor independence, the Audit Committee may grant pre-approval to Audit-related services. Audit-related services include, among others, due diligence services pertaining to potential business acquisitions/dispositions; accounting consultations related to accounting, financial reporting or disclosure matters not classified as Audit services; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; financial audits of employee benefit plans; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters; and assistance with internal control reporting requirements.

The Audit Committee has pre-approved the Audit-related services on Appendix B. All other Audit-related services not listed on Appendix B must be separately pre-approved by the Audit Committee.

V. Tax Services

The Audit Committee believes that the independent auditor can provide Tax services to the Company such as tax compliance, tax planning and tax advice without impairing the auditor's independence and the SEC has stated that the independent auditor may provide such services. Therefore, the Audit Committee believes it may grant pre-approval to those Tax services that have historically been provided by the auditor, that the Audit Committee has reviewed and believes would not impair the independence of the auditor, and that are consistent with the SEC's rules on auditor independence. The Audit Committee will not permit the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the sole business purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations. The Audit Committee will consult with the Controller or outside counsel to

determine that the tax planning and reporting positions are consistent with this policy.

A-ii

Table of Contents

Pursuant to the preceding paragraph, the Audit Committee has pre-approved the Tax services on [Appendix C](#). All Tax services involving large and complex transactions not listed on [Appendix C](#) must be separately pre-approved by the Audit Committee, including: tax services proposed to be provided by the independent auditor to any executive officer or director of the Company, in his or her individual capacity, where such services are paid for by the Company.

VI. All Other Services

The Audit Committee believes, based on the SEC's rules prohibiting the independent auditor from providing specific non-audit services, that other types of non-audit services are permitted. Accordingly, the Audit Committee believes it may grant pre-approval to those permissible non-audit services classified as All Other services that it believes are routine and recurring services, would not impair the independence of the auditor and are consistent with the SEC's rules on auditor independence.

The Audit Committee has not yet pre-approved any services in the All Other category. At such time (if ever) that the Audit Committee elects to pre-approve any such services by the independent auditor, the same shall be described on [Appendix D](#). Permissible All Other services not listed on [Appendix D](#) must be separately pre-approved by the Audit Committee.

A list of the SEC's prohibited non-audit services is attached to this policy as [Exhibit 1](#). The SEC's rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

VII. Pre-Approval Fee Levels or Budgeted Amounts

Pre-approval fee levels or budgeted amounts for all services to be provided by the independent auditor will be established periodically by the Audit Committee. Any proposed services exceeding these levels or amounts by more than ten percent (10%) will require specific pre-approval by the Audit Committee. The pre-approved fee levels set forth in the Appendices to this Policy do not include out-of-pocket expenses incurred by the independent auditor.

The Audit Committee is mindful of the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services. For each fiscal year, the Audit Committee may determine the appropriate ratio between the total amount of fees for Audit, Audit-related and Tax services, and the total amount of fees for services classified as All Other services.

VIII. Procedures

All requests or applications for services to be provided by the independent auditor that do not require separate approval by the Audit Committee will be submitted to the Company's Controller and must include a detailed description of the services to be rendered. The Controller will determine whether such services are included within the list of services that have received the pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditor.

Requests or applications to provide services that require separate approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditor and the Controller, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has designated the internal auditor to monitor the performance of all services provided by the independent auditor and to determine whether such services are in compliance with this Policy.

A-iii

Table of Contents

The internal auditor will report to the Audit Committee on a periodic basis on the results of its monitoring. Both the internal auditor and management will immediately report to the chairman of the Audit Committee any breach of this Policy that comes to the attention of the internal auditor or any member of management.

The Audit Committee will also review the internal auditor's annual internal audit plan to determine that the plan provides for the monitoring of the independent auditor's services.

IX. Additional Requirements

The Audit Committee has determined to take additional measures on an annual basis to meet its responsibility to oversee the work of the independent auditor and to assure the auditor's independence from the Company, such as reviewing a formal written statement from the independent auditor delineating all relationships between the independent auditor and the Company, consistent with Independence Standards Board Standard No. 1, and discussing with the independent auditor its methods and procedures for ensuring independence.

Any other proper business may be transacted at the Annual Meeting.

2.3 **Nature of Business at Meetings of Stockholders.** No business may be transacted at an Annual Meeting, other than business that is either (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors (or any duly authorized

committee thereof), (b) otherwise properly brought before the Annual Meeting by or at the direction of the Board of Directors (or any duly authorized committee thereof) or (c) otherwise properly brought before the Annual Meeting by any stockholder of the Corporation (i) who is a stockholder of record on the date of the giving of the notice provided for in this Section 2.3 and on the record date for the determination of stockholders entitled to notice of and to vote at such Annual Meeting and (ii) who complies with the notice procedures set forth in this Section 2.3.

At any meeting of stockholders, only such business shall be conducted as shall have been properly brought before the meeting. For business to be properly brought before a meeting by a stockholder, the stockholder must have given timely notice thereof to the Secretary of the Corporation. To be timely, such notice must be delivered to or mailed and received at the principal executive offices of the Corporation not less than 50 nor more than 75 days prior to the meeting date; provided, however, that in the event that less than 45 days' notice of the meeting date is given to stockholders, notice by the stockholder must be so received no later than the close of business on the 15th day following the day on which notice of the meeting date was mailed.

Such stockholder's notice shall set forth as to each matter the stockholder proposes to bring before the meeting: (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting, (ii) the name and address of the stockholder proposing such business, (iii) the class and number of shares of capital stock of the Corporation that are owned beneficially or of record by such stockholder, (iv) a description of all arrangements or understandings between such stockholder and any other person or persons (including their names) in connection with the proposal of such business by such

stockholder and any material interest of such stockholder in such business and (v) a representation that such stockholder intends to appear in person or by proxy at the Annual Meeting to bring such business before the meeting. The presiding officer of the meeting shall, if the facts warrant, determine that business was not properly brought before the meeting in accordance with the foregoing procedure and, if he should so determine, he may so declare to the meeting and any such business not properly brought shall not be transacted. Notwithstanding the provisions of this paragraph, so long as the Corporation is subject to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), business consisting of a proposal properly included in the Corporation's proxy statement with respect to a meeting pursuant to such Rule may be transacted at a meeting.

2.4 Nomination of Directors. Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation, except as may be otherwise provided in the Certificate of Incorporation with respect to the right of holders of preferred stock of the Corporation to nominate and elect a specified number of directors in certain circumstances. Nominations of persons for election to the Board of Directors at any Annual Meeting, or at any Special Meeting of Stockholders called for the purpose of electing directors, may be made (a) by or at the direction of the Board of Directors (or any duly authorized committee thereof) or (b) by any stockholder of the Corporation (i) who is a stockholder of record on the date of the giving of the notice provided for in this Section 2.4 and on the record date for the determination of stockholders entitled to notice of and to vote at such meeting and (ii) who complies with the notice procedures set forth in this Section 2.4.

In addition to any other applicable requirements, for a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation. To be timely, a stockholder's notice shall be delivered to or mailed and received at the principal executive offices of the Corporation not less than 50 nor more than 75 days prior to the meeting date; provided, however, that in the event that less than 45 days' notice of the meeting date is given to stockholders, notice by the stockholder must be so received no later than the close of business on the 15th day following the day on which notice of the meeting date was mailed. Such stockholder's notice shall set forth (a) as to each nominee whom the stockholder proposes to nominate for election or reelection as a director, (i) the name, age, business address and residence address of the nominee, (ii) the principal occupation or employment of the nominee, (iii) the class and number of shares of capital stock of the Corporation that are owned beneficially or of record by the nominee and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice, (i) the name and record address of the stockholder, (ii) the class and number of shares of capital stock of the Corporation that are beneficially owned by the stockholder, (iii) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder and (iv) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as a director of the Corporation. The presiding officer of the meeting shall, if the facts warrant, determine that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he may so declare to the meeting and the defective nomination shall be disregarded.

2.5 Special Meetings. Unless otherwise required by law or by the Certificate of Incorporation, Special Meetings of Stockholders, for any purpose or purposes, may be called by either (i) the Chairman, (ii) the President, (iii) the Secretary, (iv) the Board of Directors or (v) holders of twenty-five percent (25%) or more of the voting shares of the Corporation. Table of Contents

2.6 **Notice.** Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting shall be given which shall state the place, date and hour of the meeting, and, in the case of a Special Meeting, the purpose or purposes for which the meeting is called. Unless otherwise required by law, written notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to notice of and to vote at such meeting. Whenever any notice is required by these By-Laws to be given, personal notice is not meant unless expressly so stated, and any notice so required shall be deemed to be sufficient if given by depositing the same in a post office box in a sealed postage paid wrapper, addressed to the person entitled thereto at his last known post office address, and such notice shall be deemed to have been given on the date of such mailing. Any notice required to be given under these By-Laws may be waived by the person entitled thereto. Stockholders not entitled to vote shall not be entitled to receive notice of any meetings except as otherwise provided by statute.

2.7 **Adjournments.** Any meeting of the stockholders may be adjourned from time to time to reconvene at the same or some other place, and notice need not be given of any such adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the adjourned meeting in accordance with the requirements of Article VI hereof shall be given to each stockholder of record entitled to notice of and to vote at the meeting.

2.8 **Quorum.** Unless otherwise required by applicable law or the Certificate of Incorporation, the holders of a majority of the Corporation's capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business. A quorum, once established, shall not be broken by the withdrawal of enough votes to leave less than a quorum. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, in the manner provided in Section 2.7 hereof, until a quorum shall be present or represented.

2.9 **Voting.** Unless otherwise required by law, the Certificate of Incorporation or these By-Laws, any question, with the exception of the election of directors, brought before any meeting of the stockholders shall be decided by the vote of the holders of a majority of the total number of votes of the Corporation's capital stock represented and entitled to vote thereat, voting as a single class. Directors shall be elected by a plurality of voting power of the total number of votes of the Corporation's capital stock represented and entitled to vote thereat, voting as a single class. Unless otherwise provided in the Certificate of Incorporation, and subject to Section 2.12 of this Article II, each stockholder represented at a meeting of the stockholders shall be entitled to cast one (1) vote for each share of the capital stock entitled to vote thereat held by such stockholder. Such votes may be cast in person or by proxy as provided in Section 2.11 of this Article II. The Board of Directors, in its discretion, or the officer of the Corporation presiding at a meeting of the stockholders, in such officer's discretion, may require that any votes cast at such meeting shall be cast by written ballot.

2.10 **Proxies.** Each stockholder entitled to vote at a meeting of the stockholders may authorize another person or persons to act for such stockholder as proxy, but no such proxy shall be voted upon after three years from its date, unless such proxy provides for a longer period. Without limiting the manner in which a stockholder may authorize another person or persons to act for such stockholder as proxy, the following shall constitute a valid means by which a stockholder may grant such authority:

(i) A stockholder may execute a writing authorizing another person or persons to act for such stockholder as proxy. Execution may be accomplished by the stockholder or such stockholder's authorized officer, director, employee or agent signing such writing or causing such person's signature to be affixed to such writing by any reasonable means, including, but not limited to, by facsimile signature.

(ii) A stockholder may authorize another person or persons to act for such stockholder as proxy by transmitting or authorizing the transmission of a telegram, cablegram or other means of electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such telegram, cablegram or transmission, provided that any such telegram or cablegram must either set forth or be submitted with information from which it can be determined that the telegram, cablegram or electronic transmission was authorized by the stockholder. If it is determined that such telegrams, cablegrams or electronic transmissions are valid, the inspectors or, if there are no inspectors, such other persons making that determination shall specify the information on which they relied.

Any copy, facsimile telecommunication or other reliable reproduction of the writing, telegram, cablegram or transmission authorizing another person or persons to act as proxy for a stockholder may be substituted or used in lieu of the original writing, telegram, cablegram or transmission for any and all purposes for which the original writing, telegram, cablegram or transmission could be used; provided, however, that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing, telegram, cablegram or transmission.

2.11 List of Stockholders Entitled to Vote. The officer of the Corporation who has charge of the stock ledger of the Corporation shall prepare and make, at least ten (10) days before every meeting of the stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting (i) either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held or (ii) during ordinary business hours, at the principal place of business of the Corporation. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

2.12 Record Date. In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of the stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of the stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of the stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

2.13 Stock Ledger. The stock ledger of the Corporation shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list required by Section 2.11 of this Article II or the books of the Corporation, or to vote in person or by proxy at any meeting of the stockholders.

2.14 Conduct of Meetings. The Board of Directors of the Corporation may adopt by resolution such rules and regulations for the conduct of any meeting of the stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the presiding officer of any meeting of the stockholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such presiding officer, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the presiding officer of the meeting, may include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) the determination of when the polls shall open and close for any given matter to be voted on at the meeting; (iii) rules and procedures for maintaining

order at the meeting and the safety of those present; (iv) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the presiding officer of the meeting shall determine; (v) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (vi) limitations on the time allotted to questions or comments by participants.

2.15 **Inspectors of Election.** In advance of any meeting of the stockholders, the Board of Directors, by resolution, the Chairman or the President shall appoint one or more inspectors to act at the meeting and make a written report thereof. One or more other persons may be designated as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of the stockholders, the presiding officer of the meeting shall appoint one or more inspectors to act at the meeting. Unless otherwise required by applicable law, inspectors may be officers, employees or agents of the Corporation. Each inspector, before entering upon the discharge of the duties of inspector, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of such inspector's ability. The inspector shall have the duties prescribed by law and shall take charge of the polls and, when the vote is completed, shall make a certificate of the result of the vote taken and of such other facts as may be required by applicable law.

5.1 **Form of Certificates.** Every holder of stock in the Corporation shall be entitled to have a certificate signed by, or in the name of the Corporation (i) by the Chairman of the Board of Directors, or the President or a Vice President and (ii) by the Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary of the Corporation, certifying the number of shares owned by such stockholder in the Corporation.

5.2 **Signatures.** Any or all of the signatures on a certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

5.3 **Lost Certificates.** The Board of Directors may direct a new certificate to be issued in place of any certificate theretofore issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issue of a new certificate, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate, or such owner's legal representative, to advertise the same in such manner as the Board of Directors shall require and/or to give the Corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate or the issuance of such new certificate.

5.4 **Transfers.** Stock of the Corporation shall be transferable in the manner prescribed by applicable law and in these By-Laws. Transfers of stock shall be made on the books of the Corporation only by the person named in the certificate or by such person's attorney lawfully constituted in writing and upon the surrender of the certificate therefor, properly endorsed for transfer and payment of all necessary transfer taxes; provided, however, that such surrender and endorsement or payment of taxes shall not be required in any case in which the officers of the Corporation shall determine to waive such requirement. Every certificate exchanged, returned or surrendered to the Corporation shall be marked "Cancelled," with the date of cancellation, by the Secretary or Assistant Secretary of the Corporation or the transfer agent thereof. No transfer of stock shall be valid as against the Corporation for any purpose until it shall have been entered in the stock records of the Corporation by an entry showing from and to whom transferred.

5.5 **Dividend Record Date.** In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

5.6 Record Owners. The Corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and to hold liable

for calls and assessments a person registered on its books as the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise required by law.

5.7 Transfer and Registry Agents. The Corporation may from time to time maintain one or more transfer offices or agencies and registry offices or agencies at such place or places as may be determined from time to time by the Board of Directors.

ARTICLE VI

NOTICES

6.1 Notices. Whenever written notice is required by law, the Certificate of Incorporation or these By-Laws, to be given to any director, member of a committee or stockholder, such notice may be given by mail, addressed to such director, member of a committee or stockholder, at such person's address as it appears on the records of the Corporation, with postage thereon prepaid, and such notice shall be deemed to be given at the time when the same shall be deposited in the United States mail. Written notice may also be given personally or by telegram, telex or cable.

6.2 Waivers of Notice. Whenever any notice is required by applicable law, the Certificate of Incorporation or these By-Laws, to be given to any director, member of a committee or stockholder, a waiver thereof in writing, signed by the person or persons entitled to notice, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting, present in person or represented by proxy, shall constitute a waiver of notice of such meeting, except where the person attends the meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any Annual or Special Meeting or any regular or special meeting of the directors or members of a committee of directors need be specified in any written waiver of notice unless so required by law, the Certificate of Incorporation or these By-Laws.

ARTICLE VIII

INDEMNIFICATION

8.1 Power to Indemnify in Actions, Suits or Proceedings other than Those by or in the Right of the Corporation. Subject to Section 8.3 of this Article VIII, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation), by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

8.2 Power to Indemnify in Actions, Suits or Proceedings by or in the Right of the Corporation. Subject to Section 8.3 of this Article VIII, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

8.3 Authorization of Indemnification. Any indemnification under this Article VIII (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the present or former director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Sections 8.1 and 8.2, as the case may be. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (i) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) by a committee of such directors designated by a majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion or (iv) by the stockholders. Such determination shall be made, with respect to former directors and officers, by any person or persons having the authority to act on the matter on behalf of the Corporation. To the extent, however, that a present or former director or officer of the

Table of Contents

Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding described above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, without the necessity of authorization in the specific case.

8.4 Good Faith Defined. For purposes of any determination under Section 8.3, a person shall be deemed to have acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, or, with respect to any criminal action or proceeding, to have had no reasonable cause to believe such person's conduct was unlawful, if such person's action is based on the records or books of account of the Corporation or another enterprise, or on information supplied to such person by the officers of the Corporation or another enterprise in the course of their duties, or on the advice of legal counsel for the Corporation or another enterprise or on information or records given or reports made to the Corporation or another enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Corporation or another enterprise. The provisions of this Section 8.4 shall not be deemed to be exclusive or to limit in any way the circumstances in which a person may be deemed to have met the applicable standard of conduct set forth in Sections 8.1 and 8.2, as the case may be.

8.5 Indemnification by a Court. Notwithstanding any contrary determination in the specific case under Section 8.3, and notwithstanding the absence of any determination thereunder, any director or officer may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under Sections 8.1 and 8.2. The basis of such indemnification by a court shall be a determination by such court that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Sections 8.1 and 8.2, as the case may be. Neither a contrary determination in the specific case under Section 8.3 nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the director or officer seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this Section 8.5 shall be given to the Corporation promptly upon the filing of such application. If successful, in whole or in part, the director or officer seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

8.6 Expenses Payable in Advance. Expenses (including attorneys' fees) incurred by a director or officer in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation as authorized in this Article VIII. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the Corporation deems appropriate.

8.7 Nonexclusivity of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Certificate of Incorporation, these By-Laws, any agreement, a vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, it being the policy of the Corporation that indemnification of the persons specified in Sections 8.1 and 8.2 shall be made to the fullest extent permitted by law. The provisions of this Article VIII shall not be deemed to preclude the indemnification of any person who is not specified in Sections 8.1 and 8.2 but whom the Corporation has the power or obligation to indemnify under the provisions of the DGCL, or otherwise.

8.8 Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in

Table of Contents

any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power or the obligation to indemnify such person against such liability under the provisions of this Article VIII.

8.9 Certain Definitions. For purposes of this Article VIII, references to the Corporation shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors or officers, so that any person who is or was a director or officer of such constituent corporation, or is or was a director or officer of such constituent corporation serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued. The term "other enterprise" as used in this Article VIII shall mean any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of which such person is or was serving at the request of the Corporation as a director, officer, employee or agent. For purposes of this Article VIII, references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the Corporation" shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director or officer with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner not opposed to the best interests of the Corporation as referred to in this Article VIII.

8.10 Survival of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

8.11 Indemnification of Employees and Agents. The Corporation may, to the extent authorized from time to time by the Board of Directors, provide rights to indemnification and to the advancement of expenses to employees and agents of the Corporation similar to those conferred in this Article VIII to directors and officers of the Corporation.

ARTICLE IX

AMENDMENTS

9.1 Amendments. These By-Laws may be altered, amended or repealed, in whole or in part, or new By-Laws may be adopted by the stockholders or by the Board of Directors; provided, however, that notice of such alteration, amendment, repeal or adoption of new By-Laws be contained in the notice of such meeting of the stockholders or Board of Directors, as the case may be. All such amendments must be approved by either the holders of at least a majority of the outstanding capital stock entitled to vote thereon or by a majority of the entire Board of Directors then in office.

9.2 Entire Board of Directors. As used in this Article IX and in these By-Laws generally, the term "entire Board of Directors" means the total number of directors which the Corporation would have if there were no vacancies.

3. *Fair value* , with respect to a dissenter s shares, means the value of the shares immediately before the effectuation of the corporate action to which the dissenter objects, excluding any appreciation or depreciation in anticipation of the corporate action unless exclusion would be inequitable;

5. *Record shareholder* means the person in whose name shares are registered in the records of a corporation or the beneficial owner of shares to the extent of the rights granted by a nominee certificate on file with a corporation;
6. *Beneficial shareholder* means the person who is a beneficial owner of shares held in a voting trust or by a nominee as the record shareholder;

(i) If shareholder approval is required for the merger by ss. 4-27-1103 or the articles of incorporation and the shareholder is entitled to vote on the merger; or

(ii) If the corporation is a subsidiary that is merged with its parent under ss. 4-27-1104;

The rights of a partial dissenter under this subsection are determined as if the shares as to which he dissents and his other shares were registered in the names of different shareholders.

B. A beneficial shareholder may assert dissenters' rights as to shares held on his behalf only if:

1. He submits to the corporation the record shareholder's written consent to the dissent not later than the time the beneficial shareholder asserts dissenters' rights; and

4-27-1330. COURT ACTION.

A. If a demand for payment under ss. 4-27-1328 remains unsettled, the corporation shall commence a proceeding within sixty (60) days after receiving the payment demand and petition the court to determine the fair value of the shares and accrued interest. If the corporation does not commence the proceeding within the sixty-day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.

B. The corporation shall commence the proceeding in the circuit court of the county where the corporation's principal office (or, if none in this state, its registered office) is located. If the corporation is a foreign corporation without a registered office in this state, it shall commence the proceeding in the county in this state where the registered office of the domestic corporation merged with or whose shares were acquired by the foreign corporation was located.

C. The corporation shall make all dissenters (whether or not residents of this state) whose demands remain unsettled parties to the proceeding as in an action against their shares and all parties must be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law.

D. The jurisdiction of the court in which the proceeding is commenced under subsection B. of this section is plenary and exclusive. The court may appoint one (1) or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the powers described in the order appointing them, or in any amendment to it. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

E. Each dissenter made a party to the proceeding is entitled to judgment:

(1) For the amount, if any, by which the court finds the fair value of his shares, plus interest, exceeds the amount paid by the corporation; or

The court shall assess the costs against the corporation, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds the dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment under ss. 4-27-1328.

AD-5

Table of Contents

B. The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

1. Against the corporation and in favor of any or all dissenters if the court finds the corporation did not substantially comply with the requirements of ss.ss. 4-27-1320 4-27-1328; or

2. Against either the corporation or a dissenter, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this chapter.

C.
