PROXY STATEMENT

Annual Meeting of Stockholders

June 21, 2006

INFORMATION RELATING TO VOTING AT THE ANNUAL MEETING

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Broadway Financial Corporation, a Delaware corporation (the Company), for use at the Annual Meeting of Stockholders of the Company (the Annual Meeting) to be held at the Company's principal executive offices, 4800 Wilshire Boulevard, Los Angeles, California, 90010, at 2:00 p.m., on June 21, 2006, and at any postponement or adjournment thereof. This Proxy Statement and the accompanying form of proxy were first mailed to stockholders on or about May 12, 2006.

The Company was incorporated under Delaware law in September 1995 for the purpose of acquiring and holding all of the outstanding capital stock of Broadway Federal Bank, f.s.b. (Broadway Federal or the Bank) as part of the Bank's conversion from a federally chartered mutual savings and loan association to a federally chartered stock savings bank (the Conversion). The Conversion was completed, and the Bank became a wholly owned subsidiary of the Company, on January 8, 1996. Unless otherwise indicated, references in this Proxy Statement to the Company include the Bank as its predecessor.

The Board of Directors has selected April 22, 2006 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. A total of 1,496,971 shares of the Company's common stock, par value \$.01 per share (the Common Stock), were outstanding at the close of business on that date. A majority of the shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Stockholders will be entitled to cast one vote for each share of Common Stock held by them of record at the close of business on the record date on any matter that may be presented at the Annual Meeting for consideration and action by the stockholders. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted for a vote of the stockholders. A plurality of votes cast is required for the election of directors and the affirmative vote of the majority of shares represented and voting will be required to ratify the appointment of Crowe Chizek and Company LLP (Crowe Chizek) as the Company's independent audit firm. If a broker indicates on its proxy that the broker does not have discretionary authority to vote on a particular matter as to certain shares, those shares will be counted for general quorum purposes but will not be considered as present and entitled to vote with respect to that matter.

All valid proxies received in response to this solicitation will be voted in accordance with the instructions indicated thereon by the stockholders giving such proxies. If no contrary instructions are given, such proxies will be voted FOR the election of the nominees named in this Proxy Statement as directors and FOR approval of the appointment of Crowe Chizek as the Company's independent audit firm for the fiscal year ending December 31, 2006. Although the Board of Directors currently knows of no other matter to be brought before the Annual Meeting, if other matters properly come before the Annual Meeting and may properly be acted upon, including voting on a substitute nominee for director in the event that any director nominee named in this Proxy Statement becomes unwilling or unable to serve before the Annual Meeting, the proxies will be voted in accordance with the best judgment of the persons named in the proxies.

Any stockholder may revoke his or her proxy at any time before it is voted at the Annual Meeting by delivering a letter signed and dated proxy or other written notice of revocation to Beverly A. Dyck, Secretary of the Company, at 4800 Wilshire Boulevard, Los Angeles, California 90010. A proxy will also be considered revoked if the stockholder executing the proxy is present at the Annual Meeting and chooses to vote in person.

The principal solicitation of proxies is being made by mail. The Company has retained U. S. Stock Transfer Corporation, the Company's transfer agent, to assist in the solicitation of proxies for an estimated fee of \$1,600 plus reimbursement of certain expenses. To the extent necessary, proxies may be solicited by officers, directors and employees of the Company, or its wholly owned subsidiaries, none of whom will receive additional compensation, and may be solicited by telephone, personal contact or other means. The Company will bear the cost of the solicitation of proxies, including postage, printing and handling, and will reimburse brokers and other nominee holders of shares for their expenses incurred in forwarding solicitation material to beneficial owners of shares.

Director Compensation

No remuneration was paid to the directors by the Company in 2005. Currently, the Chairman of the Board of Broadway Federal receives a monthly retainer fee of \$3,224, and all other directors of Broadway Federal, who are not employees, receive a monthly retainer fee of \$1,000 each. A fee of \$500 is paid to each director of Broadway Federal, other than the Chairman of the Board and the President, for special Board meetings. Committee meeting fees of \$250 per meeting, except for the Loan and Audit Committees, are also paid to directors of Broadway Federal, other than the Chairman of the Board and the President. Loan Committee and Audit Committee members, other than the President and the Chief Lending Officer, are paid a committee meeting fee of \$500 per meeting.

Certain Relationships and Related Transactions

The Company's current loan policy provides that all loans made by the Company or its subsidiaries to its directors and executive officers must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of collectibility or present other unfavorable features.

On September 30, 1999, the Bank made a \$550,000 loan to Maddox & Stabler LLC. Mr. A. Odell Maddox is a director of the Company and the Bank. The loan is secured by a 24-unit multi-family property located in Los Angeles, California. The terms of the 30-year loan include an initial interest rate of 8% fixed for the first five years and a variable rate thereafter equal to 2.50% over the one-year Treasury Bill rate. Since inception, payments on the loan have been made as agreed. As of March 31, 2006, the outstanding balance of the loan was \$503,377.

Severance Agreements

The Company and the Bank have entered into severance agreements with each of Messrs. Paul Hudson, Johnson, Heywood and Sarpong. Each agreement provides that if, within three years of any Change in Control (as defined in the agreement), the officer's employment is terminated, either by the officer following a demotion or other specified adverse treatment or by the Company or the Bank other than for Cause (as defined in the agreement), then the officer will receive a severance payment equal to the sum of (A) the officer's unpaid salary and bonus or other incentive compensation for the remainder of the year in which employment is terminated, and (B) a specified multiple of the highest Annual Compensation (as defined in the agreement) paid to the officer in any of the three years preceding termination of employment. The multiple is 2.5 for Mr. Hudson, 1.5 for each of Messrs. Johnson and Heywood and 1 for Mr. Sarpong. In addition to these payments, any stock options and similar rights held by the officer will become fully vested and exercisable, and the health and other benefits coverage provided to the officer will be continued for one year after termination of employment.

COMPENSATION/BENEFITS COMMITTEE REPORT

The Compensation/Benefits Committee of the Company is comprised of three Directors who are non-employee directors. This Committee approves all of the policies under which compensation is paid or awarded to the Company's officers.

The Executive Compensation Program of the Company consists of the following elements: (1) annual payment of base salary; (2) bonus payments made for performance against pre-determined objectives; (3) annual grants of equity and (4) benefits both qualified and non-qualified. As described below, each element of the Company's Executive Compensation Program is designed to achieve a purpose. Each purpose is different but in combination the Committee believes that the total compensation program will allow the Company to attract, motivate and retain a high caliber executive management team. It should be noted that all grants of stock are made under the shareholder approved long-term incentive plan.

The Committee has established a strategy for each element of compensation in use with the executive team. The strategy is as follows by element:

Base Salary Target market median and adjust the base on a periodic basis to insure target is maintained.

Bonus or Short Term Incentive This plan is designed to provide each Executive Incentive Plan participant with the opportunity to know in advance of the plan year as a percentage of base salary what they may receive if targets are achieved. The plan has minimum and maximum thresholds and requires that objectives be determined for both the Company overall and the individual participant. Bonus payments result as a combination of Company and individual achievement. Company objectives are set by the Board in advance of the plan year and individual objectives are established by the CEO for plan participants.

Equity Grants Executives are considered for equity grants on an annual basis. Grants are made at market value and are designed to tie the Executive's return to that of shareholders and to provide the Company with a retention tool that serves as an incentive for the Executive to remain with the organization.

Benefits Benefits are targeted at market. The Company's strategy is not to lead the market in benefits but rather to maintain an overall package that is attractive and competitive in the market.

The Committee believes that its principal responsibility is to incent and reward executive performance that will lead to long-term enhancement of shareholder value; therefore, as in prior years, and subject to the

performance goals approved by the Board, all of the Committee's judgments regarding executive compensation were primarily based upon the committee's assessment of each executive officer's leadership performance and potential to enhance long term shareholder value.

Key factors affecting the Committee's judgments included the nature and scope of the executive officers responsibilities, their effectiveness in leading the Company's initiatives to increase shareholder value, productivity and growth. The Committee also considered the compensation practices and performances of other peer organizations that are most likely to compete with the Company for the services of executive officers. Based upon all factors which it considered relevant, and in light of the Company's overall performance, the Committee considered it appropriate and in the best interest of the shareholders to set the overall level of the Company's salary, bonus, and other incentive compensation awards in alignment with the philosophy outlined above.

Salary payments made in 2005 were made to insure Executives are at market median. Bonus payments made in 2006 for 2005 performance were the result of performance achieved against pre-determined objectives. Equity grants resulted from the Committee's desire to recognize the importance of linking the executive's gain to that of shareholders and to further emphasize the Board's desire for retention of the executive over the long term.

Basis for the Chief Executive Officer Compensation

For 2005, Mr. Hudson earned \$256,746 in salary and bonus as shown in the summary compensation table on page 9. The Committee considered this level of payment appropriate in view of Mr. Hudson's effectiveness in leading the Company.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the Company's systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, as well as the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States of America, including SAS 61. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services provided by the auditor with the auditors' independence.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-KSB filed with the Securities and Exchange Commission for the year ended December 31, 2005. The Committee has also recommended to the Board the selection of the Company's independent auditors.

This report of the Audit Committee shall not be deemed incorporated by reference into the Company's filings under the Securities Act of 1933, or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed Crowe Chizek and Company LLP as the Company's independent audit firm for the fiscal year ending December 31, 2006. It is anticipated that representatives of Crowe Chizek will be present at the Annual Meeting. The Crowe Chizek representatives will be given an opportunity to make a statement, if they desire to do so, and will be available to respond to any appropriate questions from stockholders. Crowe Chizek performed the independent audit of the Company's financial statements for the fiscal year ended December 31, 2005. KPMG LLP (KPMG) was the Company's independent auditor for the fiscal year ended December 31, 2004.

Change of Auditors for 2005

The Audit Committee of the Board of Directors of the Company made a decision to seek competitive bids for the audit of the Company's consolidated financial statements for the year ending December 31, 2005. KPMG, the incumbent independent auditor was invited to submit their bid. In a letter addressed to the Chairman of the Company's Audit Committee, received on April 19, 2005, KPMG declined to stand for re-appointment as principal accountants of the Company. After a comprehensive review of proposals received for audit services from several other public accountants, the Audit Committee recommended that the Board of Directors engage Crowe Chizek and Company LLP as the Company's independent auditor for the fiscal year ending December 31, 2005. The Company's Board of Directors approved the selection of Crowe Chizek and Company LLP as the Company's new independent auditor on April 20, 2005.

The reports of KPMG on the Company's consolidated financial statements, as of and for the fiscal years ended December 31, 2004 and December 31, 2003, did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with its audits of the Company's consolidated financial statements for the fiscal years ended December 31, 2004 and December 31, 2003, there were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused it to make reference thereto in its report on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2004 and December 31, 2003.

During the two most recent fiscal years ended December 31, 2004 and December 31, 2003 and the subsequent interim period through April 20, 2005, the Company did not consult with Crowe Chizek and Company LLP regarding the application of accounting principles to a specific transaction, either proposed or completed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Item 304(a)(2)(i) and (ii) of Regulation S-B.

Principal Accountant Fees and Services

Before the Company's independent accountants are engaged to render non-audit services for the Company or the Bank, the Audit Committee approves each engagement. The Audit Committee also preapproved all of the audit and audit-related services provided by Crowe Chizek for the year ended December 31, 2005. The following table sets forth the aggregate fees billed to us by Crowe Chizek for the year indicated.

	2005
Audit fees (1)	\$ 126,500
Audit-related fees (2)	1,215
Tax fees	
All other fees (3)	25,456
Total fees	\$ 153,171

- (1) Aggregate fees billed for professional services rendered for the audit of the Company's consolidated annual financial statements included in the Company's Annual Report on Form 10-KSB and for the reviews of the Company's consolidated financial statements included in the Company's Quarterly Reports on Form 10-QSB.
- (2) Consultation fees billed for professional services rendered for the accounting of the Bank's Director Emeritus Plan.
- (3) Fees billed for Section 302 and Section 404 software and license fees and related training.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports (Forms 3, 4 and 5) of stock ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent (10%) stockholders are required by SEC rules to furnish the Company with copies of all Section 16(a) reports they file.

To the best of our knowledge, all such reports were filed on a timely basis, except for late filings of Form 3 and Form 4 on behalf of Mr. Rick McGill and Forms 4 for Messrs. Davidson and Maddox.
