The pro forma ratio of earnings to fixed charges of 9.8x and the supplemental pro forma ratio of earnings to fixed charges of 5.0x shown on page 5 of the preliminary prospectus dated September 12, 2006 are based on an assumed blended interest rate and an aggregate principal amount of \$1.25 billion for all tranches. Based on actual interest rates and the aggregate principal amount of \$1.5 billion for all tranches, as of June 30, 2006, these ratios are 8.5x and 4.4x, respectively.

The issuer and the guarantor have filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents the issuer and the guarantor have filed with the SEC for more complete information about the issuer, the guarantor and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at www.sec.gov. Alternatively, the issuer, any underwriter or any dealer participating in the offering will arrange to send you the prospectus if you request it by calling toll-free 1-866-718-1649 (institutional investors) or 1-800-584-6837 (retail investors).

Any disclaimers or other notices that may appear below are not applicable to this communication and should be disregarded. Such disclaimers or other notices were automatically generated as a result of this communication being sent via Bloomberg or another email system.
