ITEM 1.01. Entry into a Material Definitive Agreement

On October 1, 2006, Gilead Sciences, Inc., a Delaware corporation (Gilead), Mustang Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Gilead (Purchaser), and Myogen, Inc., a Delaware corporation (Myogen), entered into a definitive Agreement and Plan of Merger (the Merger Agreement) which contemplates the acquisition by Gilead, through Purchaser, of all of the outstanding common stock of Myogen in a two-step transaction comprised of a cash tender offer for all of the issued and outstanding shares of Myogen common stock (the Offer), followed by a merger of Purchaser with and into Myogen (the Merger). In the Offer, Gilead will pay \$52.50 per share of Myogen common stock, net to the holder thereof in cash. In addition, upon the acquisition by Purchaser of shares of Myogen common stock tendered in the Offer, all outstanding options to acquire Myogen common stock will be converted into options to acquire Gilead common stock based on a formula set forth in the Merger Agreement.

The Merger Agreement provides that Purchaser will commence the Offer as promptly as practicable after the date of the Merger Agreement, and in any event within 10 business days thereafter. The obligation of Purchaser to accept for payment and pay for shares of Myogen common stock validly tendered in the Offer (and not withdrawn) is subject to customary conditions described in the Merger Agreement, including, among other things, that (i) more than 50% of the shares of Myogen common stock (determined on a diluted basis) have been validly tendered (and not withdrawn), (ii) regulatory clearances have been obtained and (iii) other conditions set forth in Annex A to the Merger Agreement have been satisfied.

The Merger Agreement further provides that, following the consummation of the Offer (and if necessary the adoption of the Merger Agreement by the holders of a majority of Myogen s outstanding shares) and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will be merged with and into Myogen, and Myogen will become a wholly-owned subsidiary of Gilead, and that upon consummation of the Merger, each then-outstanding share of Myogen common stock held by persons other than Gilead and Purchaser will be converted into the right to receive \$52.50 in cash.

The description of the Merger Agreement in this Current Report on Form 8-K is qualified in its entirety by reference to the full text of the Merger Agreement attached hereto as Exhibit 2.1, which is incorporated by reference herein. The Merger Agreement contains representations and warranties Myogen, Gilead and Purchaser made to each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the contract among Myogen, Gilead and Purchaser and may be subject to important qualifications and limitations agreed by Myogen, Gilead and Purchaser in connection with negotiating its terms. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to stockholders or may have been used for the purpose of allocating risk among Myogen, Gilead and Purchaser rather than establishing matters as facts.

ITEM 8.01. Other Events

On October 2, 2006, Gilead and Myogen issued a joint press release, a copy of which is filed as Exhibit 99.1 hereto and incorporated by reference herein, announcing the execution of the Merger Agreement.
