**Item 4. Description of Securities**

Not Applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not Applicable.

**Item 6. Indemnification of Directors and Officers.**

ARTICLE TEN of the Third Amended and Restated Certificate of Incorporation of the Company ( ARTICLE TEN ) provides that the Company will indemnify, to the fullest extent permitted by the laws of the State of Oklahoma as from time to time in effect, each director and officer of the Company, and may indemnify each employee and agent of the Company, and all other persons whom the Company is authorized to indemnify under the provisions of the Act ( Covered Person ).

The Company will indemnify Covered Persons in connection with a proceeding commenced or brought by that person only if the commencement or bringing of the proceeding was authorized by the Company's Board of Directors. The Company will, to the fullest extent permitted by the Oklahoma General Corporation Act ( OGCA ), pay the expenses (including attorneys' fees) of any Covered Person in defending a proceeding (other than a proceeding commenced or brought by the person without the specific authorization of the Company's Board of Directors), provided that, to the extent required by the OGCA, advancement of expenses will only be made if such person provides an undertaking to repay all amounts advanced if it is determined that he is not entitled to indemnification.

Under the OGCA, other than in actions brought by or on behalf of the Company, indemnification would apply in any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative, where the indemnitee has served in any capacity at the request of the Company, if the proposed indemnitee acted in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. In actions brought by or on behalf of the Company that are settled or in which the proposed indemnitee is found liable to the Company, indemnification is not permitted except in the case of a judicial finding that despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper. The Company may purchase and maintain insurance to protect itself and any Covered Person against liability or expense asserted or incurred by such Covered Person in connection with any proceeding, whether or not the Company would have the power to indemnify such Covered Person against such liability or expense by law or under the indemnification provisions in the Company's Amended and Restated Certificate of Incorporation.

The Company is authorized to enter into contracts with any Director or officer, or, as authorized by the Board of Directors, any other employee or agent of the Corporation in furtherance of the provisions of ARTICLE TEN and may create a trust fund, grant a security interest or use other means (including, without limitation, a letter of credit) to ensure the payment of such amounts as may be necessary to effect indemnification as provided in ARTICLE TEN. With respect to advancement of expenses, the OGCA provides that the Company may advance expenses upon the receipt of an undertaking as described above, on such terms and conditions as it deems appropriate.

**Item 7. Exemption from Registration Claimed.**

Not Applicable.

**Item 8. Exhibits.**

See the Exhibit Index accompanying this Registration Statement.

**Item 9. Undertakings.**

(a) We hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) to reflect in the Prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

PROVIDED, HOWEVER, that undertakings set forth in paragraphs (i) and (ii) of above do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (b) We hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of our annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
  
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and persons controlling our company pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by our company of expenses incurred or paid by a director, officer or controlling person of our company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, our company will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
