**ANNUAL STOCKHOLDERS MEETING**

**PROXY STATEMENT**

The Board of Directors (the "Board") of Ingles Markets, Incorporated (the "Company") furnishes you with this Proxy Statement to solicit proxies to be voted at the 2008 Annual Meeting of Stockholders of the Company. The meeting will be held at the Grove Park Inn, 290 Macon Avenue, Asheville, North Carolina, on Tuesday, February 12, 2008 at 1:00 p.m. local time, for the purposes set forth in the Notice of Annual Meeting of Stockholders that accompanies this Proxy Statement. The proxies also may be voted at any adjournments or postponements of the meeting. The Company is sending this Proxy Statement to each holder of record of the Company's Class A Common Stock, \$0.05 par value per share ("Class A Common Stock") and Class B Common Stock, \$0.05 par value per share ("Class B Common Stock"), as of December 21, 2007, the record date for the meeting (the "Record Date"). Class A Common Stock and Class B Common Stock are sometimes referred to collectively in this Proxy Statement as "Common Stock."

The Company's principal executive offices are located at 2913 U.S. Highway 70 West, Asheville (Black Mountain), North Carolina 28711. This Proxy Statement and the accompanying forms of proxy are first being sent or given to stockholders on or about January 11, 2008.

**Execution and Revocation of Proxies**

If a stockholder completes and signs one of the enclosed proxies as instructed and returns the proxy to the Secretary of the Company in care of the Company's transfer agent, LaSalle Bank, N.A., so that it is received at or before the Annual Meeting, the shares of Common Stock represented by the proxy will be voted at the Annual Meeting in accordance with the instructions on the proxy. Proxies that are not properly executed or are not received by the Secretary at or before the Annual Meeting will not be effective.

A duly authorized person should sign each proxy on the stockholder's behalf if the stockholder is a corporation or partnership. If the shares of Common Stock represented by a proxy are registered in more than one name, each registered owner should sign the proxy. If an authorized person executes the proxy pursuant to a power of attorney or as an executor, administrator, trustee or guardian, the person should include his or her full title on the proxy and enclose a certificate or other evidence of appointment with the proxy when delivering it to the Secretary. Proxies that are not properly executed will not be effective.

A stockholder can revoke a proxy at any time prior to the exercise of the authority granted under that proxy. A proxy may be revoked by a stockholder in any of the following ways:

by attending the Annual Meeting and giving oral notice of the stockholder's election to vote in person;

by delivering to the Secretary an instrument revoking the proxy; or

Edgar Filing: INGLES MARKETS INC - Form DEF 14A

by delivering a later-dated, properly executed proxy with respect to shares covered by the original proxy.

## **Table of Contents**

### **Action to Be Taken under the Proxy Cards**

Unless instructed otherwise on a proxy, shares of Common Stock represented by a properly executed proxy will be voted at the Annual Meeting **For** the election of each of the Board nominees named under the heading **ELECTION OF DIRECTORS Identification Of Directors and Executive Officers**. As of the date of this Proxy Statement, the Company's management knows of no other matter to be brought before the Annual Meeting. Should any other matter properly come before the Annual Meeting, all shares of Common Stock represented by effective proxies will be voted, at their discretion, by the persons acting under such proxies.

### **Voting Rights**

Only holders of record of shares of Class A Common Stock or Class B Common Stock at the close of business on the Record Date are entitled to vote at the meeting or adjournments or postponements of the meeting. At the close of business on the Record Date, there were 12,355,785 shares of Class A Common Stock and 12,156,476 shares of Class B Common Stock outstanding.

**Quorum Requirements.** The presence in person or by proxy of holders of a majority of the outstanding shares of Class A Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class A Common Stock. The presence in person or by proxy of holders of a majority of the outstanding shares of Class B Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class B Common Stock. If holders of shares possessing a majority of the aggregate votes represented by the Class A Common Stock and Class B Common Stock, taking into account the ten votes per share attributable to the Class B Common Stock, are present at the Annual Meeting in person or by proxy, a quorum will be present for purposes of any other matter that may be presented at the Annual Meeting. Abstentions with respect to a proposal and broker non-votes are counted for purposes of establishing a quorum. A broker non-vote occurs if a broker does not receive instructions from the beneficial owner of shares held in street name for certain types of proposals and the broker indicates it does not have authority to vote such shares.

**Election of Directors.** If a quorum of each class is present at the Annual Meeting, the holders of Class A Common Stock, voting as a class, will elect two directors, and the holders of Class B Common Stock, voting as a class, will elect seven directors. For purposes of the election of directors, each stockholder will have one vote for each share of Common Stock held by the stockholder as of the Record Date. Pursuant to the North Carolina Business Corporation Act, directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. Thus, abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the vote.

Because the Company was a public corporation on the Record Date, cumulative voting will not be applicable to the election of directors at the Annual Meeting.

**Other Matters.** Unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act, holders of Class A Common Stock and Class B Common Stock would vote as a single class with respect to any other matter that may be voted upon at the Annual Meeting. In any such vote, stockholders would be entitled to one vote for each share of Class A Common Stock held as of the Record Date and ten votes for each share of Class B Common Stock held as of the Record Date. For purposes of any such vote, if a quorum is present, a proposal will pass if the votes cast for the action exceed the votes cast against the action, unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act. Shares not voted with respect to any such matters (whether by abstention or broker non-vote) would not be included in vote totals and would not impact the vote. As of the date of this Proxy Statement, the Company knows of no matters other than the election of directors to be presented for action at the Annual Meeting.

**Table of Contents**

**ELECTION OF DIRECTORS**

Each member of the Board is elected for a term of one year and until their successors are elected and qualified or until their earlier death, resignation or removal from office. The Company's Articles of Incorporation and Bylaws provide that the Board may from time to time fix by resolution the number of directors that constitutes the Board, which shall be not less than five nor more than eleven. The Board has determined by resolution that the number of directors will be fixed at nine for purposes of this election. In accordance with the Company's Articles of Incorporation and Bylaws, two of the nine directors will be elected by a vote of the holders of the Class A Common Stock and the remaining seven directors will be elected by a vote of the holders of the Class B Common Stock.

**Identification of Directors and Executive Officers**

**The Board has nominated, and recommends a vote FOR, Fred D. Ayers and John O. Pollard as directors to be elected by the holders of the Class A Common Stock and Ronald B. Freeman, Charles L. Gaither, Jr., Robert P. Ingle, Robert P. Ingle, II, James W. Lanning, Charles E. Russell and Laura Ingle Sharp as directors to be elected by the holders of the Class B Common Stock.**

All of these nominees are currently directors. Proxies received by the Board will be voted **For** the election of all of the nominees unless stockholders specify a contrary choice in their proxy. It is not anticipated that any nominee for election as a director will become unable to accept the nomination, but if such an event should occur the person or persons acting under the proxies will vote for any substitute nominee who may be designated by the Board. The person or persons acting under the proxies will vote for no more or fewer than nine nominees, unless the Board votes to change the number of directors, or fewer than nine individuals are nominated at the Annual Meeting.

**Committees of the Board of Directors**

The Board had three standing committees during fiscal 2007: an Executive Committee, an Audit/Compensation Committee and a Human Resources Advisory Committee. The Company did not have a separate nominating committee during fiscal 2007. The Company qualifies as a Controlled Company under the Nasdaq Marketplace Rules as Mr. Robert P. Ingle controls more than 50% of the Company's voting power, as evidenced by the Company's ownership records. As a Controlled Company, the continued listing requirements of Nasdaq do not require that the Company have a nominating committee.

## **Table of Contents**

***The Executive Committee.*** The Executive Committee can exercise the powers of the full Board between meetings of the Board, except for powers that may not be delegated to a committee of the Board under the North Carolina Business Corporation Act. During fiscal 2007, the Executive Committee consisted of Messrs. Robert P. Ingle, Robert P. Ingle, II, Ronald B. Freeman and James W. Lanning.

***The Audit/Compensation Committee.*** The Board has established, through the Company's Bylaws, an Audit/Compensation Committee. When acting in its capacity as Audit Committee, this committee acts under the authority of and has the responsibilities described in the Company's Audit Committee Charter. The Audit Committee Charter is attached as Appendix A to this proxy statement and is available on the Company's website at [www.ingles-markets.com](http://www.ingles-markets.com). In this capacity, the committee is responsible for, among other things, engaging the Company's independent auditors, approving the fees and services to be provided by the auditors, overseeing the auditors, reviewing and evaluating significant matters relating to the audit and internal controls of the Company and reviewing the scope and results of audits by, and recommendations of, the Company's independent auditors. In addition, the committee reviews the audited financial statements of the Company and considers major changes and questions of choice regarding appropriate accounting principles and practices to be followed in the preparation of the Company's financial statements.

When the committee is acting as the Compensation Committee, the Board has empowered the committee to:

approve compensation levels and increases in compensation of each executive officer and of other employees of the Company whose annual base salary is in excess of \$100,000; and

approve all incentive payments to executive officers and any incentive payments in excess of \$25,000, paid in cash or property, in any calendar year to any other employee.

Furthermore, the committee, when acting as the Compensation Committee, administers the Company's employee benefit plans and other compensation matters where independent, disinterested administration is required by applicable tax or securities laws and regulations. Where such laws or regulations require that grants or awards under the Company's stock-based employee benefit plans be made by the full Board or by a committee of non-employee or outside directors, the committee or the Board, as appropriate, makes such decisions.

During fiscal 2007, the Audit/Compensation Committee consisted of Messrs. Pollard, Russell and Ayers. The Board has determined that each member of the committee is independent for purposes of the provisions of the Sarbanes-Oxley Act of 2002 and the Nasdaq Marketplace Rules regarding audit committees. The Board has also determined that Mr. Russell is an audit committee financial expert as defined under the rules of the Securities and Exchange Commission, who is independent of management of the Company.

***The Human Resources Advisory Committee.*** The Human Resources Advisory Committee was established in August 1998 to oversee certain of the Company's human resources compliance policies and programs. During fiscal 2007, Ms. Sharp and Mr. Freeman served as members of this committee.

### **Compensation Committee Interlocks and Insider Participation in Compensation Decisions**

All compensation decisions made during fiscal 2007 that were not made exclusively by the Board or the Audit/Compensation Committee were made by the Chief Executive Officer, in certain instances in consultation with the President and Chief Operating Officer and/or the Chairman of the Board. Messrs. Pollard, Russell and Ayers, who were the members of the Audit/Compensation Committee during fiscal 2007, were not officers or employees of the Company or its subsidiaries during fiscal 2007 or any prior fiscal year.

**Table of Contents**

Mr. Pollard does not have any employment relationship with the Company. However, prior to his retirement in 2006, Mr. Pollard was an attorney with the law firm of McGuireWoods, LLP which, from time to time, handles labor matters for the Company.

The Company believes that the transactions described above were conducted on terms that are no less favorable to the Company than could have been obtained from unaffiliated third parties in arm's length transactions.

**Meetings of the Board of Directors and Committees**

The Board held four formal meetings during fiscal 2007. The Executive Committee held no formal meetings during fiscal 2007, but met periodically on an informal basis. The Audit/Compensation Committee held six formal meetings during fiscal 2007, and met periodically on an informal basis during Board meetings and as required for other purposes. The Human Resources Advisory Committee held no formal meetings during fiscal 2007, but received updates on human resource issues as needed at quarterly Board meetings. Each director attended at least 75% of all meetings of the Board and of the committees of the Board on which he or she served during fiscal 2007. See Committees of the Board of Directors.

Directors who are not officers of the Company are paid an annual retainer of \$10,000 plus \$1,000 for each Board or Committee meeting they attend in person. Audit/Compensation Committee members other than the Chairman are also paid an additional annual retainer of \$15,000 for service on such Committee, and the Chairman of the Audit/Compensation Committee is paid an additional annual retainer of \$20,000.

The following director compensation table sets forth, for the fiscal year ended September 29, 2007, the cash and certain other compensation paid by the Company to its outside directors.

Name	Fees Earned or Paid in Cash	Total
	(\$)	(\$)
Fred D. Ayers	29,000	29,000
John O. Pollard	29,000	29,000
Charles E. Russell	33,000	33,000
Laura Ingle Sharp	14,000	14,000

**Director Nominations**

All of the nominees for director are existing directors standing for reelection, and as noted above, the Company did not have a standing nominating committee in fiscal 2007. Historically, the Board of Directors has not considered a nominating committee necessary in that there have been few vacancies on the Company's Board, and vacancies have been filled through discussions between the Chairman, the Chief Executive Officer and the Chief Financial Officer of the Company with input from other Board members as needed. Under the Company's Articles of Incorporation, 25% of the directors of the Company are elected by the holders of Class A Common Stock, and the remaining directors are elected by holders of the Class B Common Stock. Mr. Ingle, the Chief Executive Officer of the Company, is also the majority holder of shares of Class B Common Stock.

The Company has not received director candidate recommendations from its stockholders and does not have a formal policy regarding consideration of such recommendations. However, any recommendations received from stockholders will be evaluated in the same manner that potential nominees suggested by board members, management or other parties are evaluated. The Company does not intend to treat stockholder recommendations in any manner different from other recommendations.

The Board has not adopted a policy with respect to minimum qualifications for board members. Conversely, with respect to each individual vacancy, the Board has determined the specific qualifications and skills

## **Table of Contents**

required to fill that vacancy and to complement the existing qualifications and skills of the other Board members. Historically, the Company has not engaged third parties to assist in identifying and evaluating potential nominees, but would do so in those situations where particular qualifications are required to fill a vacancy and the Board's and management's contacts are not sufficient to identify an appropriate candidate.

### **Stockholder Communication with Board Members**

The Company maintains contact information, both telephone and email, on its website under the heading "Contact Information." By following the "Contact Information" link, a stockholder will be given access to the Company's telephone number and mailing address as well as a link for providing email correspondence to Investor Relations. Communications sent to Investor Relations and specifically marked as a communication for the Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications received via telephone for the Board are forwarded to the Board by an officer of the Company.

### **Board Member Attendance at Annual Meetings**

The Company generally requires that all directors attend the annual meeting of stockholders, absent extraordinary circumstances. All directors attended the annual meeting of stockholders held in 2007.

### **Code of Ethics**

The Company has adopted a Code of Ethics that applies to its senior financial officers, including without limitation, its Chief Executive Officer, Chief Financial Officer and Controller. The full text of the Code of Ethics is published on the Company's website at [www.ingles-markets.com](http://www.ingles-markets.com) under the caption "Corporate Governance." In the event that the Company makes any amendments to, or grants any waivers of, any provision of the Code of Ethics applicable to its principal executive officer, principal financial officer or principal accounting officer, the Company intends to promptly disclose such amendment or waiver on its website.

**AUDIT/COMPENSATION COMMITTEE REPORT**

The Audit/Compensation Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the Company's financial statements and the financial reporting process including the systems of internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit/Compensation Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of accounting principles, the reasonableness of significant adjustments, and the clarity of disclosures in the financial statements. The Audit/Compensation Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit/Compensation Committee under generally accepted auditing standards, including the Statement on Auditing Standards No. 61 (communication with audit committees). In addition, the Audit/Compensation Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 and discussed with the independent auditors the auditors' independence from management and the Company. The Audit/Compensation Committee approved the selection of the Company's independent auditors for fiscal 2007 and has considered the compatibility of any non-audit services performed with the auditors' independence.

The Audit/Compensation Committee discussed with the independent auditors the overall scope and plans for their audit of the Company's financial statements. The Audit/Compensation Committee meets with the independent auditors to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit/Compensation Committee held six meetings during fiscal 2007.

In reliance on the reviews and discussions referred to above and the report of the independent auditors, the Audit/Compensation Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended September 29, 2007 for filing with the Securities and Exchange Commission.

**EXECUTIVE COMPENSATION AND OTHER INFORMATION**

**Compensation Discussion and Analysis**

The following discussion and analysis is intended to provide an understanding of the actual compensation earned by each of the Company's named executive officers ( Executive Officers ), and describes the Company's compensation objectives and policies as applied to these Executive Officers.

**Compensation Philosophy.** The objectives of the Company's compensation program are to (1) attract, motivate, develop and retain top quality executives who will drive long-term shareholder value and (2) deliver competitive total compensation packages based upon both Company and individual performance. The Company wants its executives to balance the risks and related opportunities inherent in its industry and in the performance of their duties and share the upside opportunity and the downside risks once actual performance is measured.

The Audit/Compensation Committee is responsible for administering executive compensation. The duties of this committee are set forth beginning on page 3 under the heading **ELECTION OF DIRECTORS Committees of the Board of Directors Audit/Compensation Committee**. To achieve the objectives of the Company's compensation program, the Company's Chief Executive Officer and the Audit/Compensation Committee have set forth a compensation program for its Executive Officers that is reviewed annually. It includes the following elements:

Base annual cash salary;

Annual cash incentive bonuses; and

Retirement, health and other benefits.

The Company had a nonqualified stock option plan under which an aggregate of 8,000,000 shares of the Company's Class A Common Stock could have been issued to officers and other key employees until January 1, 2007. Accordingly, as of September 29, 2007 no shares of the Company's Class A Common Stock were available for future issuance under the plan and all remaining unexercised options had expired. The Company believes that the volume of trading in the Company's Class A Common Stock and the substantial financial and voting control exercised by Mr. Robert P. Ingle result in the elements of executive compensation listed above being more appropriate for its Executive Officers.

The Company does not have any Employment, Change in Control, or Severance Agreements with any of its Executive Officers. The Company believes in trust, loyalty and commitment from both the Company and the Executive Officers, and believes that such type of agreements are not necessary to achieve its goals and the needs of the Executive Officers.

**Factors Considered in Determining Compensation.** The Company's Chief Executive Officer periodically reviews the compensation paid by the Company to its Executive Officers and other employees. Based on the Company's general performance and that of the individual Executive Officer, he makes final subjective determinations (in certain instances in consultation with the President and Chief Operating Officer and/or the Chairman of the Board) with respect to any changes to be made to that compensation. Bonuses paid to officers of the Company's subsidiary, Milkco, Inc., are based on a percentage of Milkco's earnings before taxes and payment of bonuses.

Neither the full Board nor the Audit/Compensation Committee generally reviews or ratifies the Chief Executive Officer's decisions relating to executive compensation unless otherwise required by the Company's Bylaws, by resolutions adopted by the Board or by the North Carolina Business Corporation Act. Decisions are made by the Board or the Audit/Compensation Committee if such decisions require the adoption of documents relating to employee benefit plans or programs. In addition, the Audit/Compensation Committee is required by resolution of the

Board of Directors to approve any increases in compensation that the Company will pay to an employee whose base salary is in excess of \$100,000, all incentive compensation that the Company will pay to Executive Officers and any incentive payments that the Company will pay to any other employee in excess of \$25,000. Prior to the expiration of the Company's 1997 Nonqualified Stock Option Plan, decisions about grants or awards under that plan were made either by the Audit/Compensation Committee or by the Board, as appropriate, where Rule 16b-3 of the Securities Exchange Act 1934, as amended (the Exchange Act), or Section 162(m) of the Internal Revenue Code required that such grants or awards be made by the full Board or by a committee of non-employee or outside directors. No such grants or awards were made during fiscal year 2007.

The Internal Revenue Code generally provides that corporate deductions will be disallowed for annual compensation in excess of \$1 million paid to certain executive officers of publicly held corporations. Performance-based compensation is excluded from the cap. Although the \$1 million compensation deduction cap would be applicable to the Executive Officers named in the **SUMMARY COMPENSATION TABLE** their compensation levels for fiscal year 2007 were below the cap. Nevertheless, the Chief Executive Officer and the Audit/Compensation Committee, as appropriate, intend to consider the Internal Revenue Code's compensation deductibility cap when they determine compensation levels and to evaluate appropriate alternatives to mitigate any adverse impact this limitation may have on the deductibility of executive compensation paid by the Company and its subsidiaries. The Company believes all compensation paid to Executive Officers for fiscal year 2007 is deductible under the Internal Revenue Code.

### **Elements of Executive Compensation**

**Base Salary.** Base salary is used to attract and retain the Executive Officers and is determined using comparisons with industry competitors and other relevant factors including the seniority of the individual, the functional role of the position, the level of the individual's responsibility, the ability to replace the individual, etc. The base salaries paid to the Executive Officers during fiscal year 2007 are shown in the Summary Compensation Table presented in this proxy statement.

In fiscal year 2007, Mr. Robert P. Ingle received a salary of \$100,000 and no bonus. The Audit/Compensation Committee believes that overall compensation paid to Mr. Ingle for fiscal year 2007, and years prior, was on the low end of the competitive compensation scale paid to other similarly situated chief executive officers in the industry. It should be noted that Mr. Ingle receives on an annual basis dividends of \$.60 on each share of the Company's Class B Common Stock owned by him.

**Cash Incentive Bonus Awards.** With the exception of Mr. Robert P. Ingle, annual cash bonuses are a significant component of each Executive Officer's compensation, reflecting the Company's belief that management's contribution to long-term shareholder returns comes from maximizing earnings and the potential of the Company.

Other Executive Officers of the Company received a bonus, the amounts of which were subjectively determined taking into consideration Company profitability and the Executive Officer's performance for the fiscal year to which the bonus relates. This subjective determination is made by Mr. Ingle, the President and Chief Operating Officer and/or the Chairman of the Board, as appropriate, and approved by the Audit/Compensation Committee. The bonus paid to Mr. Gaither, President of the Company's subsidiary, Milkco, Inc., is based on a percentage of Milkco's earnings before taxes and payment of bonuses.

### **Retirement, Health and Other Benefits.**

**Investment/Profit Sharing Plan.** The Company maintains the Ingles Markets, Incorporated Investment/Profit Sharing Plan (the Profit Sharing Plan) to provide retirement benefits to eligible employees, including Executive Officers. The Profit Sharing Plan includes 401(k) employee elective contributions, discretionary employer matching contributions, and discretionary profit sharing contribution features. The assets of the Profit Sharing Plan are held in trust for participants and are distributed upon the retirement, disability, death or other termination of employment of the participant. Quarterly, the Board, in its discretion, determines the amount of

---

**Table of Contents**

any Company profit sharing contributions, and the amount of any matching contributions to be made based on participants' 401(k) contributions for the quarter. During fiscal 2007, the Company matched employee contributions at a rate of \$0.50 for each dollar of employee contributions up to 3% of the employee's salary.

Employees who participate in the Profit Sharing Plan may contribute to their 401(k) account between one percent and fifty percent (in increments of one percent) of their compensation by way of salary reductions that cannot exceed a maximum amount that varies annually in accordance with the Internal Revenue Code. The Company also makes available to Profit Sharing Plan participants the ability to direct the investment of their 401(k) accounts (including the Company's matching contributions) in various investment funds, including a fund holding Class A Common Stock of the Company.

The Company's discretionary profit sharing contributions to the participants' profit sharing accounts are held in a separate fund (the Ingles Fund) that invests primarily in shares of the Company's Class B Common Stock and also includes cash reserves to facilitate distributions from the fund. See **SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS** regarding the shares of Class B Common Stock held by the Profit Sharing Plan. The Company has not made any discretionary profit sharing contributions to the Profit Sharing Plan for fiscal year 2007.

Company discretionary employer matching contributions to the Profit Sharing Plan totaled \$1,109,000 for fiscal year 2007. \$598,000 was contributed in cash and an additional \$511,000 was funded from accumulated forfeitures under the Plan. These contributions were allocated to the matching contribution accounts in each participant's 401(k) accounts. The Company's contributions to each of the Executive Officers are reflected in the Summary Compensation Table. As of September 29, 2007, all of the Executive Officers who are named in the Summary Compensation Table were 100% vested in their accounts, with the exception of Mr. Freeman who is 40% vested based on his time of service with the Company since 2005. Participants' interests in employer contributions allocated to their accounts vest over six years.

*Nonqualified Investment Plan.* During fiscal year 2005, the Company adopted an Executive Nonqualified Excess Plan to provide benefits similar to the Investment/Profit Sharing Plan to certain of the Company's management employees who are otherwise limited in their employee elective contributions under the 401(k) feature of the Profit Sharing Plan. Employees who participate in the Executive Nonqualified Excess Plan may contribute between one percent and fifty percent (in increments of one percent) of their compensation by way of salary reductions. In addition, the Company may make discretionary matching contributions. The Company's contributions to each of the Executive Officers are reflected in the Summary Compensation Table. During fiscal year 2007, the Company matched employee contributions at a rate of \$0.25 for each dollar of employee contributions up to 2% of the employee's salary. As of September 29, 2007, all of the Executive Officers who are named in the Summary Compensation Table were 100% vested in their accounts, with the exception of Mr. Freeman who is 40% vested based on his time of service with the Company since 2005. Participants' interests in contributions allocated to their accounts vest over six years. Company contributions to the Plan were approximately \$44,000 in fiscal year 2007.

*Insurance.* The Company currently makes available to its Executive Officers and all employees a comprehensive health, dental, life and disability insurance program. The health care insurance offers a variety of coverage options, at the employee's discretion. The Company maintains, at its expense, for the benefit of each of its full-time employees life insurance policies in amounts up to \$150,000 based on the W-2 compensation of the employee. The premiums paid by the Company for the benefit of Executive Officers are included in the Summary Compensation Table.

(2) Each share of Class B Common Stock is convertible, at any time at the option of the holder, into one share of Class A Common Stock. If the holder of any shares of Class B Common Stock transfers the shares to anyone other than a qualified transferee as defined in the Company's Articles of Incorporation, then each share of Class B Common Stock will automatically convert into a share of Class A Common Stock. Accordingly, for each holder of Class B Common Stock the number of shares and percentage of Class A Common Stock set

However, these converted shares are not used to calculate such percentages for any other stockholder in this table. The number of shares and percentage of Class A Common Stock held by all directors and executive officers as a group also reflects the conversion into Class A Common Stock of each share of Class B Common Stock held by each director and executive officer. Because the Class B Common Stock converts into Class A Common Stock on a one to one basis, the number of shares of Class B Common Stock noted in the table above also represents the number of shares of Class A Common Stock each holder would beneficially own upon conversion of the Class B Common Stock beneficially owned by them.

**CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS**

Mr. Pollard, a director of the Company, was, until his retirement in March 2006, an attorney with the law firm of McGuireWoods, LLP which, from time to time, handles labor matters for the Company.

The Company believes that the transactions described above have been and will continue to be on terms no less favorable to the Company than those available from unaffiliated third parties in transactions negotiated at arms-length. The Company does not intend to enter into any transactions in the future with or involving any of its officers or Directors or any members of their immediate family on terms that would be less favorable to the Company than those that would be available from unaffiliated third parties in arms-length transactions.

**RELATIONSHIP WITH INDEPENDENT AUDITORS**

Ernst & Young LLP has served as the independent auditors for the Company and its subsidiaries since March 1989. Representatives of Ernst & Young LLP are expected to be present at the 2008 Annual Meeting. These representatives will have the opportunity to make a statement if they desire to do so and will respond to appropriate questions. Ernst & Young LLP has been engaged to review the financial statements included in the Company's Form 10-Q for the quarter ended December 29, 2007. The Audit/Compensation Committee has not yet engaged in discussions regarding the engagement of independent auditors for the remainder of the Company's 2008 fiscal year.

**Principal Accountant Fees and Services**

As reflected in the table below, the Company incurred fees in fiscal years 2006 and 2007 for services performed by Ernst & Young LLP related to such periods.

	Year Ended	
	September 29, 2007	September 30, 2006

## **Table of Contents**

Audit-related fees are fees for services performed during the respective years by the independent auditors for audits of the Company's employee benefit plan and other services that are reasonably related to the performance of the audit or review of the registrant's financial statements including review of SEC comment letters;

Tax fees are fees for services performed during the respective years by the independent auditors for professional services related to certain tax compliance, tax advice, and tax planning; and

All other fees are fees for any other services performed during the period, of which none were paid to Ernst & Young LLP in fiscal 2007 or 2006.

The Company's Audit/Compensation Committee pre-approved all services described above for fiscal 2007, including non-audit services, and has determined that these fees and services are compatible with maintaining the independence of Ernst & Young LLP. The Company's Audit/Compensation Committee requires that each service provided by Ernst & Young LLP be pre-approved by the committee. However, the committee has empowered Charles E. Russell, the chair of the committee to grant such approval on its behalf as to matters that arise between Audit/Compensation Committee meetings.
