New Oriental Announces Share Repurchase Program

Beijing, February 14, 2008 New Oriental Education & Technology Group Inc. (NYSE: EDU), the largest provider of private educational services in China (New Oriental or the Company), today announced that its board of directors has approved a share repurchase program. The board has authorized New Oriental to repurchase up to one million of its own American Depositary Shares (ADSs) during the period from February 25, 2008 to December 31, 2008. The repurchases will be made from time to time on the open market at prevailing market prices, in negotiated transactions off the market, in block trades, pursuant to a 10b5-1 plan (which allows New Oriental to repurchase its ADSs during periods in which it may be in possession of material non-public information) or otherwise. The timing and extent of any purchases will depend upon market conditions, the trading price of ADSs and other factors, and subject to the restrictions relating to volume, price and timing under applicable law, including Rule 10b-18 under the Securities Exchange Act of 1934. New Oriental expects to implement this share repurchase program in a manner consistent with market condition and the interest of the shareholders. New Oriental's board of directors will review the share repurchase program periodically, and may authorize adjustment of its terms and size accordingly. New Oriental plans to fund repurchases made under this program from available cash balance.
