FORWARD-LOOKING STATEMENTS

This report contains statements about Fifth Third Bancorp (Fifth Third) that we believe are forward-looking statements within the meaning of Sections 27A of the Securities Act of 1933, as amended, and Rule 175 promulgated thereunder, and 21E of the Securities Exchange Act of 1934, as amended, and Rule 3b-6 promulgated thereunder, that involve inherent risks and uncertainties. These statements relate to our financial condition, results of operations, plans, objectives, future performance or business. They usually can be identified by the use of forward-looking language such as will likely result, may, are expected to, is anticipated, estimate, forecast, projected, intends to, or may include other words or phrases such as believes, plans, trend, objective, continue, remain, or similar expressions, or future or conditional verbs such as would, should, could, might, can, or similar verbs. You should not place undue reliance on these statements, as they are subject to risks and uncertainties, including but not limited to those described in the risk factors set forth in our most recent Form 10-K. When considering these forward-looking statements, you should keep in mind these risks and uncertainties, as well as any cautionary statements we may make. Moreover, you should treat these statements as speaking only as of the date they are made and based only on information then actually known to us.

There are a number of important factors that could cause our future results to differ materially from historical performance and these forward-looking statements. Factors that might cause such a difference include, but are not limited to: (1) general economic conditions and weakening in the economy, specifically, the real estate market, either national or in the states in which Fifth Third, one or more acquired entities and/or the combined company do business, are less favorable than expected; (2) deteriorating credit quality; (3) political developments, wars or other hostilities may disrupt or increase volatility in securities markets or other economic conditions; (4) changes in the interest rate environment reduce interest margins; (5) prepayment speeds, loan origination and sale volumes, charge-offs and loan loss provisions; (6) our ability to maintain required capital levels and adequate sources of funding and liquidity; (7) changes and trends in capital markets; (8) competitive pressures among depository institutions increase significantly; (9) effects of critical accounting policies and judgments; (10) changes in accounting policies or procedures as may be required by the Financial Accounting Standards Board or other regulatory agencies; (11) legislative or regulatory changes or actions, or significant litigation, adversely affect Fifth Third, one or more acquired entities and/or the combined company or the businesses in which Fifth Third, one or more acquired entities and/or the combined company are engaged; (12) ability to maintain favorable ratings from rating agencies; (13) fluctuation of Fifth Third's stock price; (14) ability to attract and retain key personnel; (15) ability to receive dividends from its subsidiaries; (16) the potentially dilutive effect of future acquisitions on current shareholders' ownership of Fifth Third; (17) effects of accounting or financial results of one or more acquired entities; (18) difficulties in combining the operations of acquired entities; (19) ability to secure confidential information through the use of computer systems and telecommunications networks; and (20) the impact of reputational risk created by these developments on such matters as business generation and retention, funding and liquidity.

You should refer to our periodic and current reports filed with the SEC for further information on other factors which could cause actual results to be significantly different from those expressed or implied by these forward-looking statements. Copies of those filings are available at no cost on the SEC's Web site at www.sec.gov or on our Web site at www.53.com. We undertake no obligation to release revisions to these forward-looking statements or reflect events or circumstances after the date of this report.

Item 8.01 Other Events

On April 29, 2008, Fifth Third and Fifth Third Capital Trust VII (the "Trust") entered into an Underwriting Agreement with Morgan Stanley & Co. Incorporated, Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, UBS Securities LLC and Wachovia Capital Markets, LLC as representatives of the several Underwriters named in the Underwriting Agreement, for the sale of \$350,000,000 (in aggregate liquidation amount) of 8.875% Trust Preferred Securities, liquidation amount \$25 per security, which were registered pursuant to an automatic shelf registration statement on Form S-3 and Post-Effective Amendment No. 1 thereto (SEC File Nos. 333-141560 and 333-141560-09) (collectively, the "Registration Statement") filed with the Securities and Exchange Commission on April 28, 2008. The Underwriting Agreement also provides the underwriters with an option, exercisable for 30 days, to buy an additional \$50,000,000 (in aggregate liquidation amount) of the 8.875% Trust Preferred Securities. If such option would be exercised, the Trust assets would be increased in a like principal amount of JSNs.

A copy of the Underwriting Agreement is filed as Exhibit 1.1 to this Report on Form 8-K and is incorporated by reference into the Registration Statement.
