In addition, this Registration Statement covers an indeterminate number of shares of common stock issuable on conversion of class A preferred stock. No separate consideration will be received for the common stock that is issuable upon conversion of the class A preferred stock.

- (2) This Registration Statement also covers, pursuant to Rule 416(a) under the Securities Act of 1933, any additional shares of class A preferred stock and common stock which become issuable under the Plan by reason of any stock dividend, stock split, recapitalization or other similar transaction in accordance with the adjustment provisions of the Plan.
- (3) The class A preferred stock is not publicly traded, but each share is convertible into one share of common stock. Therefore, the registration fee for the class A preferred stock and the common stock has been determined, in accordance with Rule 457(c) and 457(h) under the Securities Act of 1933, on the basis of \$19.515, the average of the high and low prices of the common stock on the New York Stock Exchange on September 3, 2008.
