EXPLANATORY NOTE

The Watsco, Inc. Amended and Restated 2001 Incentive Compensation Plan (the "Plan") was approved, adopted and ratified on May 29, 2009 to increase, by 1,000,000 shares, the number of shares of the Registrant's Common stock, par value \$.50 per share and Class B Common stock, par value \$.50 per share, available for issuance thereunder. This Registration Statement is being filed pursuant to General Instruction E of Form S-8 to register such additional 1,000,000 shares of the Registrant's common stock. Such shares are additional securities of the same class as other securities for which a previously filed Registration Statement on Form S-8 (Registration Statement No. 333-86006), filed with the Securities and Exchange Commission (the "SEC") on April 11, 2002, is effective. The contents of the above listed Registration Statement is incorporated by reference herein, except for Items 3, 8 and 9 of such previously filed Registration Statement, which is replaced and superseded by Items 3, 8 and 9 set forth in this Registration Statement.

After giving effect to the amendment to the Plan and the effectiveness of this Registration Statement on Form S-8, the total number of shares registered on Form S-8 and available for grant under the Plan will be 4,000,000.

Item 4. Description of Securities

Description of Capital Stock

The following description of the terms of our Common stock, our Class B common stock and our Preferred stock sets forth certain general terms and provisions of these securities. This section also summarizes relevant provisions of the Florida Business Corporation Act, which we refer to as Florida law. The terms of our Amended and Restated Articles of Incorporation and Amended Bylaws, as well as the terms of Florida law, are more detailed than the general information provided below. Therefore, you should carefully consider the actual provisions of these documents.

Authorized and Outstanding Shares

As of June 4, 2009, under our Amended and Restated Articles of Incorporation, as amended, we had the authority to issue:

- 60,000,000 shares of Common stock, par value \$0.50 per share;
- 10,000,000 shares of Class B common stock, par value \$0.50 per share; and
- 10,000,000 shares of Preferred stock, par value \$0.50 per share, which are issuable in series on terms determined by our Board of Directors, of which none are currently designated.

As of June 4, 2009:

- 24,788,236 shares of our Common stock, excluding 6,322,650 treasury shares, were outstanding;
- 3,905,174 shares of our Class B common stock, excluding 48,263 treasury shares, were outstanding;
- No shares of our preferred stock were outstanding; and

389,637 shares of our Common and Class B common stock have been reserved for issuance under the Plan. After giving effect to the amendment to the Plan and the effectiveness of this Registration Statement on Form S-8, the total shares of our Common and Class B common stock reserved for issuance under the Plan increases to 1,389,637.

Rights of Our Common Stock

Preemptive Rights. The holders of our Common stock do not have preemptive rights to purchase or subscribe for any stock or other securities of ours.

Voting Rights. Each outstanding share of our Common stock is entitled to one vote per share.

Dividends. Holders of our Common stock are entitled to receive dividends or other distributions when and if declared by our Board of Directors. The right of our Board of Directors to declare dividends, however, is subject to any rights of the holders of other classes of our capital stock and our preferred stock and the availability of sufficient funds under Florida law to pay dividends. In addition, our credit facility contains certain restrictions on our ability to pay dividends.

Liquidation Rights. In the event of the liquidation of our Company, subject to the rights, if any, of the holders of other classes of our capital stock, the holders of our Common stock are entitled to receive any of our assets available for distribution to our shareholders ratably in proportion to the number of shares held by them.

Listing. We list our Common stock on the New York Stock Exchange under the symbol WSO.

Rights of Our Class B Common Stock

Our Class B common stock is substantially identical to our Common stock except (i) Common stock is entitled to one vote on most matters and each share of Class B common stock is entitled to ten votes; (ii) shareholders of Common stock are entitled to elect 25% of the Board of Directors (rounded up to the nearest whole number) and Class B shareholders are entitled to elect the balance of the Board of Directors; (iii) cash dividends may be paid on Common stock without paying a cash dividend on Class B common stock and no cash dividend may be paid on Class B common stock unless at least an equal cash dividend is paid on Common stock and (iv) Class B common stock is convertible at any time into Common stock on a one-for-one basis at the option of the shareholder.

We list our Class B common stock on the American Stock Exchange under the symbol WSOB.

Rights of Our Preferred Stock

We are authorized to issue Preferred stock with such designation, rights and preferences as may be determined from time to time by our Board of Directors. Accordingly, the Board of Directors is empowered, without shareholder approval, to issue preferred stock with dividend, liquidation, conversion, voting or other rights which could adversely affect the voting power or other rights of the holders of our Common stock and Class B common stock and, in certain instances, could adversely affect the market price of this stock. In the event of issuance, the Preferred stock could be utilized, under certain circumstances, as a method of discouraging, delaying or preventing a change in control of the Company or make removal of management more difficult.

Anti-Takeover Effects of Provisions of the Charter and Bylaws and of Florida Law

Our Amended and Restated Articles of Incorporation and Amended Bylaws, contain provisions that could discourage, delay or prevent a tender offer or takeover attempt at a price which many shareholders may find attractive. The existence of these provisions could limit the price that investors might otherwise pay in the future for shares of our Common stock and Class B common stock.

Articles of Incorporation and Bylaws

Blank Check Preferred Stock. As noted above, our Preferred stock could be issued quickly and utilized, under certain circumstances, as a method of discouraging, delaying or preventing a change in control of the Company or make removal of management more difficult.

Election of Directors. Our Amended and Restated Articles of Incorporation provides for the filling of vacancies occurring on the Board of Directors by certain votes of the remaining directors. These provisions may discourage a third party from voting to remove incumbent directors and simultaneously gaining control of the Board of Directors by filling the vacancies created by that removal with its own nominees.

Classified Board. Our Amended and Restated Articles of Incorporation provides for the Board of Directors to be divided into three classes serving staggered terms. Approximately one-third of the Board of Directors will be elected each year. The provision for a classified board could prevent a party who acquires control of a majority of the outstanding voting stock from obtaining control of the Board of Directors until the second annual stockholders meeting following the date the acquiring party obtains the controlling stock interest. The classified board provision could discourage a potential acquiror from making a tender offer or otherwise attempting to obtain control of the Company and could increase the likelihood that incumbent directors will retain their positions.

Florida Anti-Takeover Legislation

Florida has enacted legislation that may deter or frustrate takeovers of Florida corporations. The Florida Control Share Act generally provides that shares acquired in excess of certain specified thresholds will not possess any voting rights unless such voting rights are approved by a majority vote of a corporation's disinterested shareholders. The Florida Affiliated Transactions Act generally requires supermajority approval by disinterested directors or shareholders of certain specified transactions between a corporation and holders of more than 10% of the outstanding voting shares of the corporation (or their affiliates).

Indemnification

Our Amended and Restated Articles of Incorporation provide for indemnification of our officers and directors to the fullest extent allowed by applicable law. We have also obtained liability insurance for our officers and directors in the amount of \$40 million. At the present time, there is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which indemnification will be required or permitted. We are not aware of any threatened litigation or proceeding which may result in a claim for indemnification.

Insofar as indemnification for liabilities arising under the Securities Act, may be permitted to directors, officers or persons controlling us under the provisions that we describe above or otherwise, we have been informed that in the opinion of the Securities and Exchange Commission, this indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Transfer Agent and Registrar

The transfer agent and registrar for the common stock is American Stock Transfer & Trust Company.

Item 5. Interests of Named Experts and Counsel

The validity of the Common stock and Class B Common stock offered hereby will be passed upon for the Registrant by Greenberg Traurig, P.A., Miami, Florida. Cesar Alvarez, a Director of the Registrant, is the Chief Executive Officer of Greenberg Traurig. Greenberg Traurig receives customary fees for legal services.

Item 8. Exhibits

The exhibits to this Registration Statement are listed in the Index to Exhibits on the page following the Signatures page to this Registration Statement.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent not more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Miami, State of Florida on June 5, 2009.
