Item 15. Indemnification of Directors and Officers

Under Section 78.7502(1) of the Nevada Revised Statutes, a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (except an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if such person: (i) is not liable for a breach of fiduciary duties that involved intentional misconduct, fraud or a knowing violation of law; or (ii) acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 78.7502(2) of the Nevada Revised Statutes further provides that a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred in connection with the defense or settlement of the action or suit if such person: (i) is not liable for a breach of fiduciary duties that involved intentional misconduct, fraud or a knowing violation of law; or (ii) acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

To the extent that a director, officer, employee or agent of a Nevada corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (1) and (2) of Section 78.7502, as described above, or in defense of any claim, issue or matter therein, the corporation shall indemnify him or her against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense.

Table of Contents

The Registrant's Amended and Restated Articles of Incorporation provide that no director or officer of the Registrant shall be personally liable to the corporation or its shareholders for damages for breach of fiduciary duty as a director or officer, except for liability (i) for acts or omissions that involve intentional misconduct, fraud or a knowing violation of law, or (ii) for the payment of dividends in violation of the Section 300 of Chapter 78 of the Nevada Revised Statutes. The Amended and Restated Articles of Incorporation further provide that the liability of directors and officers of the Registrant shall be limited to the fullest extent authorized by Nevada law, as amended.

The Registrant's Restated Bylaws, as well as individual indemnification agreements the Registrant has entered into with directors of the corporation:

provide for mandatory indemnification, to the fullest extent permitted by law, of any present or former director or officer of the Registrant or any of its affiliates or subsidiaries who has served as such a director or officer on or after the effective date of the Restated Bylaws (each, an indemnitee) for all expenses, liabilities, losses or other specified amounts resulting from a legal proceeding arising from any occurrence that takes place after the adoption of the Restated Bylaws and that relates to the fact that such indemnitee is or was a director or officer of the Registrant or any of its affiliates or subsidiaries or at the request of the Registrant served in one of several specified capacities with respect to another entity;

provide that the Registrant is not required to indemnify an indemnitee in connection with any legal proceeding initiated by the indemnitee except under certain specified circumstances;

require the advancement of expenses to an indemnitee upon receipt of an undertaking by the indemnitee to repay if it is ultimately determined that the indemnitee is not entitled to be indemnified by the Registrant;

provide that (1) when making a determination of whether an indemnitee is entitled to indemnification under the Restated Bylaws, there is a presumption that the indemnitee is entitled to indemnification and the Registrant has the burden of proof to overcome that presumption, and (2) that, in an indemnitee's lawsuit to enforce his or her right to indemnification under the Restated Bylaws, the Registrant must prove with clear and convincing evidence that the indemnitee is not entitled to indemnification;

require the Registrant to indemnify an indemnitee for expenses (and, if requested by an indemnitee, to advance such expenses on such terms and conditions as the Board deems appropriate) that are incurred by an indemnitee in a lawsuit to enforce the indemnitee's indemnification rights under the Restated Bylaws;

provide that rights to indemnification under the Restated Bylaws are non-exclusive, have certain survival rights and are deemed to be contractual rights; and

provide that the Registrant has the power to purchase insurance or make other financial arrangements on behalf of an indemnitee for any liability and any related expenses, except that no such financial arrangement may provide protection for a person adjudged by a court of competent jurisdiction to be liable for intentional misconduct, fraud or a knowing violation of law, except with respect to indemnification or advancement of expenses ordered by a court.

In addition, the Registrant has purchased insurance coverage to insure its directors and officers against certain liabilities that they may incur in their capacity as such.

provided, however, that subparagraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. Provided, however, that no statement made

- (5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to existing provisions or arrangements whereby the Registrant may indemnify a director, officer or controlling person of the Registrant against liabilities arising under the Securities Act, or otherwise, the Registrant has been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than for the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
- (d) The undersigned Registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act (the "Act") in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Act.
