Item 8.01. Other Events.

Pursuant to the Consent and Undertaking dated July 26, 1978 of The Boeing Company (the Company), the Company has agreed to file a statement with the Commission reflecting changes to certain policies and procedures governing the appointment of foreign consultants. In particular, Company Policy POL-14, Consultant Services (POL-14), establishes guidelines for the selection, use and approval of consultant services generally. As relates to the appointment of foreign sales consultants, POL-14 is implemented through Company Procedure PRO-1557, International Service Contractors (PRO-1557).

POL-14 was revised on June 9, 2009 to transfer the responsibility for matters related to the administration and review of, as well as the approval authority for amendments to, the policy from the Senior Vice President and General Counsel to the Corporate President and Chief Financial Officer. This change was made in order to place the responsibility for the content of the policy with the corporate function having greatest operational responsibility with respect to its implementation.

POL-14 and PRO-1557 are attached hereto as Exhibits 99.1 and 99.2, respectively.
