Item 8.01. Other Events.

StoneMor Partners L.P. (the Company) is filing this Current Report on Form 8-K (the Form 8-K) to update the historical consolidated financial statements and Management's Discussion and Analysis of Financial Condition and Results of Operations included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 (the 2008 Form 10-K) to reflect the adoption of Accounting Standards Codification (ASC) 810-10-65-1, which had been referred to prior to the codification of generally accepted accounting principles as Statement of Financial Accounting Standards (SFAS) No. 160, Noncontrolling Interests in Consolidated Financial Statements an amendment of ARB No. 51.

The historical financial information in Exhibit 99.1 attached hereto has been revised and updated from its previous presentation to reflect the adoption of SFAS No. 160 for the fiscal years ended December 31, 2007 and 2008.

In the first quarter of 2009, the Company reviewed ASC 810-10-65-1, which relates to consolidations and determined that balances historically designated as non-controlling interest in perpetual care trusts in its condensed consolidated balance sheet do not meet the criteria for non-controlling interests. Accordingly, the Company reclassified the amount previously recorded as a commitment and contingency item Non-controlling interests in perpetual care trusts as a liability recorded as Perpetual care trust corpus.

Pursuant to state law, a portion of the proceeds from the sale of cemetery property must be deposited into a perpetual care trust.

The perpetual care trust principal does not belong to the Company and must remain in the trust in perpetuity. The Company consolidates the trust into the Company's financial statements in accordance with ASC 810-10-15-(13 through 22) because the trust is considered a variable interest entity for which the Company is the primary beneficiary.

The fair value of trust assets is recorded as an asset on the Company's balance sheet. Prior to the adoption of ASC 810-10-65-1, this asset was offset by a commitment and contingency titled Non-controlling interest in perpetual care trusts. In accordance with the provisions of ASC 810-10-65-1, the Company reclassified this amount as a liability on its balance sheet titled Perpetual care trust corpus.

This change results in an increase in the Company's total liabilities of approximately \$208.6 million as of December 31, 2007 and \$152.8 million as of December 31, 2008 offset by a decrease in commitments and contingencies of the same amounts for the same period end. There is no impact due to this change on:

Partners' capital as of December 31, 2007 or 2008;

Net income for the years ended December 31, 2006, 2007, or 2008; or

Cash flows for the years ended December 31, 2006, 2007, or 2008.

Item 9.01 Financial Statements and Exhibits.
