The Trustees

Whirlpool 401(k) Retirement Plan

We have audited the accompanying statements of net assets available for benefits of the Whirlpool 401(k) Retirement Plan as of December 31, 2009 and 2008, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2009 and 2008, and the changes in its net assets available for benefits for the years then ended, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2009 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

**Whirlpool 401(k) Retirement Plan**

**Notes to Financial Statements**

**Years Ended December 31, 2009 and 2008**

**1. Description of Plan**

The Whirlpool 401(k) Retirement Plan (the Plan) is a defined-contribution plan sponsored by Whirlpool Corporation and participating subsidiaries (referred to as the Employer, Company, Plan Sponsor, or Whirlpool). The following description of the Plan provides only general information. Participants should refer to the Whirlpool 401(k) Retirement Plan Summary Plan Description for a more complete description of the Plan's provisions.

**Eligibility**

Essentially all U.S.-based full-time and part-time employees of Whirlpool are eligible to participate upon employment. Participation in the Plan is voluntary. New employees are automatically enrolled in the Plan unless they affirmatively opt out of the Plan. The Plan allows each participant to make tax-deferred contributions to the Plan by payroll deduction, each payroll period, in any whole percentage of eligible earnings up to 50% (15% for highly compensated employees) but not to exceed the maximum allowable annual contribution as determined by the Internal Revenue Code (the IRC). Participants who have attained age 50 by the end of the plan year are eligible to make catch-up contributions subject to the limitations of Section 414(v) of the IRC. Such elections are made and can be adjusted on a daily basis by giving notice to the custodian via the voice response system, the Internet website, or the customer service representative, to be effective, in most cases, as of the beginning of the next payroll period. Certain employees may make additional tax-deferred contributions to the Plan by directing a portion of any annual bonus due to the participant, of one or more designated bonus plans, to be deposited into the Plan. The amount of any such additional tax-deferred contributions may be elected by the employee to equal any whole percentage between 0% and 75% as the participant elects but not to exceed the maximum allowable annual contribution as determined by the IRC. However, the deduction percentage applicable to a participant who is a highly compensated participant may not exceed 15%.

Effective January 1, 2010, all U.S.-based employees are eligible to participate in the Plan. Participants may make tax-deferred contributions to the Plan in any whole percentage of eligible earnings up to 75% but not to exceed the maximum allowable annual contribution as determined by the IRC.

**Table of Contents**

**1. Description of Plan (continued)**

**Contributions and Vesting**

The Plan's provisions for the Employer's matching contribution are to provide up to a 100% match of the first 3% of employee contributions and 50% of the next 2% of employee contributions for the majority of salaried and nonunion hourly employees. Most employees are also eligible to receive a 3% automatic Whirlpool contribution. Employer matching contributions and tax-deferred contributions are 100% vested at all times. Automatic contributions vest after three years of service. Exceptions to the above Company contribution provisions exist and details of such can be found in the related plan documents. Effective January 1, 2010, the automatic contribution is immediately vested for participants who earn at least one hour of service after January 1, 2010.

The Plan was amended on February 26, 2009, to state that the Employer match is a discretionary contribution. The Employer match on participant contributions was suspended for the majority of plan participants for the period from March 7, 2009 through March 7, 2010.

Company contributions may be made in the form of cash or Whirlpool common stock. For the 2009 plan year, \$15,122,922 and \$25,937,371 of the Company's contributions were made in cash and shares of Company stock, respectively. For the 2008 plan year, \$65,178,822 and \$546,702 of the Company's contributions were made in cash and shares of Company stock, respectively. The Plan does not restrict the participant's ability to transfer amounts out of the Whirlpool stock fund, subject to the Company's insider trading policy.

Forfeited nonvested accounts totaled \$313,458 at December 31, 2009, and \$155,657 at December 31, 2008. Any forfeited amounts may be used to offset Employer contributions or pay plan administrative expenses. Forfeitures totaling \$914,734 and \$549,272 were used to offset Employer contributions and plan administrative expenses in 2009 and 2008, respectively.

A self-directed brokerage account is offered whereby participants can choose from investments outside the Plan's fund lineup to invest a portion of their accounts. Special contribution, loan, distribution, withdrawal, and fee allocation rules apply to self-directed brokerage accounts.

**Table of Contents**

**1. Description of Plan (continued)**

The Plan has an employee stock ownership plan (the Whirlpool ESOP Plan) component within its Whirlpool Corporation Common Stock Fund. Automatic contributions made in Company stock are initially invested in the Whirlpool ESOP Plan. Participants have the option to reinvest dividends in additional shares of Whirlpool stock in the Whirlpool ESOP Plan or receive a cash payout quarterly. All dividends are 100% vested.

The participant's contribution and the Employer's matching and automatic cash contributions are invested in funds selected by the employee. If a participant does not make an affirmative investment election, any contributions will be invested in the applicable target retirement fund with a target year closest to the year in which the participant will reach age 65.

**Benefit Payments**

Upon termination, a participant with an account balance of \$1,000 or less will receive a single lump-sum distribution equal to the value of his or her account. Participants with account balances exceeding \$1,000 may elect to receive a lump-sum distribution, a monthly installment option, or rollover their account balance to an eligible retirement plan.

**Participant Accounts**

Deposits and withdrawals from each investment fund and transfers among investment funds are made at the direction of the participants. The Employer is responsible for determining that such transactions are in accordance with the Plan.

Income, including market value adjustments, under each of these funds is allocated to the participants' accounts daily based on each participant's equity in the fund. Self-directed brokerage accounts are segregated accounts within the trust fund and are treated for investment purposes as an investment of the account of the participant who has the self-directed brokerage account.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

## **Table of Contents**

### **1. Description of Plan (continued)**

Plan investments are made in the manner specified in the trust agreement and in accordance with the stated investment policies of the respective funds. To the extent monies available for investment are not immediately invested as provided in the investment policy of each fund, such monies are temporarily invested in short-term, fixed income investments. All investments are made in light of a continuing evaluation of economic and market conditions that may cause such investment policy to vary from time to time.

#### **Loans**

The Plan provides for loans to participants in amounts up to the lesser of \$50,000 or 50% of a participant's account balance, with a minimum loan amount of \$500. Such loans are allocated to a separate loan account and treated for investment purposes as an investment of the account of the participant who received the loan.

#### **Plan Termination**

The Employer has not expressed any intent to terminate the Plan; however, it is free to do so at any time subject to the provisions of the IRC and the Employee Retirement Income Security Act of 1974.

### **2. Significant Accounting Policies**

#### **Investments Held by the Trust**

All the investments of the Plan are held by the trust. The custodian invests all assets of the trust according to the participants' directions. Contributions, loan distributions and repayments, and benefit payments are specifically identified to the fund or funds within the trust to which assets of the Plan are credited. Except with respect to self-directed brokerage accounts and participant loans, which are segregated accounts, investment income and related expenses of the trust are allocated to the investment funds daily based on each investment fund's proportionate share of the current value of the trust assets.

**Table of Contents**

**Whirlpool 401(k) Retirement Plan**

**Notes to Financial Statements (continued)**

**2. Significant Accounting Policies (continued)**

**Investment Valuation**

Whirlpool common stock is valued at the last reported sales price on a national securities exchange on the last business day of the plan year. Mutual funds are valued at quoted market prices, which represent the net asset values of shares at year-end. The fair value of the participation units and shares owned by the Plan in the common and collective funds is based on the net asset value at year-end. The net asset value is based on the fair value of the underlying investments as determined by the fund sponsor. Participant loans are stated at their outstanding balances, net of loans deemed to be distributed, which approximate fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Common and Collective Trust Fund invests in fully benefit-responsive investment contracts. These investment contracts are recorded at fair value based on the fair value of the underlying investment contracts. Since these contracts are fully benefit responsive, an adjustment is reflected in the statements of net assets available for benefits to present these investments at contract value. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value represents contributions plus earnings, less participant withdrawals and administrative expenses. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund.

**Administrative Expenses**

In general, the Plan's expenses, except for broker commissions, self-directed brokerage account fees, portfolio transaction fees, and investment management fees (all of which are paid by participants) are paid by Whirlpool.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the trustees to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

## **Table of Contents**

### **2. Significant Accounting Policies (continued)**

#### **New Accounting Pronouncement**

In January 2010, the Financial Accounting Standards Board issued Accounting Standards Update 2010-06, *Improving Disclosures about Fair Value Measurements* (ASU 2010-06). ASU 2010-06 amended ASC 820 to clarify certain existing fair value disclosures and require a number of additional disclosures. The guidance in ASU 2010-06 clarified that disclosures should be presented separately for each class of assets and liabilities measured at fair value and provided guidance on how to determine the appropriate classes of assets and liabilities to be presented. ASU 2010-06 also clarified the requirement for entities to disclose information about both the valuation techniques and inputs used in estimating Level 2 and Level 3 fair value measurements. In addition, ASU 2010-06 introduced new requirements to disclose the amounts (on a gross basis) and reasons for any significant transfers between Levels 1, 2, and 3 of the fair value hierarchy and present information regarding the purchases, sales, issuances, and settlements of Level 3 assets and liabilities on a gross basis. With the exception of the requirement to present changes in Level 3 measurements on a gross basis, which is delayed until 2011, the guidance in ASU 2010-06 becomes effective for reporting periods beginning after December 15, 2009. Plan management is currently evaluating the effect that the provisions of ASU 2010-06 will have on the Plan's financial statements.

#### **3. Fair Value Measurements**

Fair value is measured based on an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. As such, fair value is a market-based measurement that should be based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, a three-tier fair value hierarchy is established, which prioritizes the inputs used in measuring fair values as follows: (Level 1) observable inputs such as quoted prices in active markets; (Level 2) inputs, other than the quoted price in active markets, that are observable either directly or indirectly; and (Level 3) unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

**Table of Contents****Whirlpool 401(k) Retirement Plan****Notes to Financial Statements (continued)****3. Fair Value Measurements (continued)**

See Note 2 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used to measure fair values at December 31, 2009.

Assets measured at fair value are as follows:

December 31	Total	Quoted Prices (Level 1)	Other Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<b>2009</b>				
Mutual funds:				
U.S. equities	\$ 444,132,907	\$ 444,132,907	\$	\$

Lifecycle funds	269,764,790	269,764,790		
<b>Total mutual funds</b>	<b>941,019,402</b>	<b>941,019,402</b>		
Common and collective fund	294,888,500		294,888,500	
Whirlpool Corporation common stock	176,965,769	176,965,769		
Participant loans	39,246,048			39,246,048
<b>Total investments</b>	<b>\$ 1,452,119,719</b>	<b>\$ 1,117,985,171</b>	<b>\$ 294,888,500</b>	<b>\$ 39,246,048</b>
<b>2008</b>				
Mutual funds	\$ 729,240,760	\$ 729,240,760	\$	\$
Common and collective fund	270,071,364		270,071,364	
Whirlpool Corporation common stock	81,718,071	81,718,071		
Participant loans	43,019,137			43,019,137
<b>Total investments</b>	<b>\$ 1,124,049,332</b>	<b>\$ 810,958,831</b>	<b>\$ 270,071,364</b>	<b>\$ 43,019,137</b>

**Table of Contents****3. Fair Value Measurements (continued)**

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2009:

	<b>Participant Loans</b>
Balance, January 1, 2008	\$ 46,584,041
Purchases, sales, issuances, and settlements (net)	(3,564,904)
Balance, December 31, 2008	43,019,137
Purchases, sales, issuances, and settlements (net)	<b>(3,773,089)</b>
Balance, December 31, 2009	<b>\$ 39,246,048</b>

**4. Investments**

The fair value of individual investments that represent 5% or more of the Plan's assets is as follows:

	<b>December 31</b>	
	<b>2009</b>	<b>2008</b>
American Funds Euro Pacific Growth Fund	<b>\$ 111,171,650</b>	\$ 82,830,906
American Funds Growth Fund of America	<b>157,787,825</b>	120,590,247
Dodge & Cox Stock Fund	<b>104,950,029</b>	83,908,453
PIMCO Total Return Fund	<b>111,036,737</b>	91,069,938
Vanguard Target Retirement 2020 Fund	<b>75,320,500</b>	60,121,085
Vanguard Retirement Savings Trust V	<b>294,888,500</b>	270,071,364
Whirlpool Corporation common stock	<b>176,965,769</b>	81,718,071

**5. Income Tax Status**

The Plan has received a determination letter from the Internal Revenue Service dated May 1, 2002, stating that the Plan is qualified under Section 401(a) of the IRC and that the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps, if any, to maintain the Plan's compliance with the IRC.

**Table of Contents**

**6. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**7. Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<b>December 31</b>	
	<b>2009</b>	<b>2008</b>
Net assets available for benefits per the financial statements	<b>\$ 1,458,015,825</b>	\$ 1,133,039,900
Adjustment from contract value to fair value	<b>6,374,949</b>	(3,530,711)
<b>Net assets per the Form 5500</b>	<b>\$ 1,464,390,774</b>	<b>\$ 1,129,509,189</b>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500:

	<b>Year Ended</b>
	<b>December 31</b>
	<b>2009</b>
Net increase in net assets available for benefits per the financial statements	\$ 324,975,925
Adjustment from contract value to fair value at beginning of year	3,530,711
Adjustment from contract value to fair value at end of year	6,374,949
<b>Net increase in net assets available for benefits per the Form 5500</b>	<b>\$ 334,881,585</b>
