Item 7.01. Regulation FD Disclosure

On September 24, 2010, Seahawk Drilling, Inc. (the Company) is posting on its website at www.seahawkdrilling.com a report entitled Drilling Fleet Status Report as of September 24, 2010 (the Fleet Status Report). A copy of the Fleet Status Report is attached hereto as Exhibit 99.1. The Company hereby incorporates by reference into this Item 7.01 the Fleet Status Report, which is furnished in accordance with Rule 101(e)(1) under Regulation FD and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (Exchange Act), and will not be incorporated by reference into any registration statement filed under the Securities Act of 1933, as amended (Securities Act), unless specifically identified therein as being incorporated by reference. The Fleet Status Report provides summary information about the drilling rig status and contract information covering the Company's fleet of offshore drilling rigs.

The information and statements made in the Fleet Status Report that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. These forward-looking statements include statements concerning estimated duration of client contracts, contract dayrate amounts, future contract commencement dates and locations, planned shipyard projects and other out of service time. Such statements are subject to a number of risks, uncertainties and assumptions, including without limitation, early termination by the customer pursuant to the contract or otherwise, cancellation or completion of certain contracts earlier than expected, operational difficulties, shipyard and other delays and other factors described in the Company's reports and other documents filed with the Securities and Exchange Commission (SEC), which are available free of charge at the SEC's website at www.sec.gov or the Company's website at www.seahawkdrilling.com. The Company cautions you that forward-looking statements are not guarantees of future performance and that actual results or developments may differ materially from those projected or implied in these statements.
