Item 1.01. Entry into a Material Definitive Agreement.

On September 28, 2010, Green Plains Renewable Energy, Inc. (Green Plains) announced that it has entered into a definitive agreement to acquire Global Ethanol, LLC (Global). Global owns two operating ethanol plants which are located in Lakota, IA and Riga, MI and have a combined annual production capacity of approximately 157 million gallons.

The definitive agreement provides that the proposed acquisition will be accomplished through a merger of a newly formed wholly-owned subsidiary of the Green Plains with Global. Green Plains estimates the total value of the merger transaction at approximately \$169.2 million, including approximately \$147.6 million for the ethanol production facilities and the balance in working capital. Upon closing of the merger, the outstanding units of Global will be exchanged, in the aggregate, for 4,386,027 shares of restricted common stock of Green Plains, warrants to purchase 700,000 shares of restricted common stock of Green Plains and \$20.0 million in cash. The total value of the transaction includes the assumption of approximately \$98.7 million of outstanding debt. The warrants will not be transferable, except in certain limited circumstances, and will be exercisable for a period of three years from the closing date at a price of \$14.00.

The parties have made customary representations and warranties in the definitive agreement and agreed to certain customary covenants and indemnities. The closing of the transaction, which is expected to occur during the fourth quarter of 2010, is subject to customary closing conditions and regulatory approvals.

The foregoing summary of the definitive agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the definitive agreement, which will be filed as an exhibit to the earlier of the following filings: (1) Green Plains current report on Form 8-K announcing the closing of the merger transaction or (2) Green Plains quarterly report on Form 10-Q for the quarter ended September 30, 2010.
