Issuance of Senior Notes due 2018

On September 29, 2010, UHS Escrow Corporation (the Escrow Issuer), a wholly owned subsidiary of Universal Health Services, Inc. (the Company), completed its previously announced offering of \$250 million aggregate principal amount of 7% senior notes due 2018 (the Senior Notes). The Senior Notes were offered only to qualified institutional buyers under Rule 144A and to non-U.S. persons outside the United States in reliance on Regulation S under the Securities Act of 1933, as amended (the Securities Act). The Senior Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. The Escrow Issuer issued the Senior Notes in connection with the Company's proposed acquisition of Psychiatric Solutions, Inc. (PSI), pursuant to an Agreement and Plan of Merger, dated May 16, 2010, by and among the Company, PSI, and Olympus Acquisition Corp., a wholly owned subsidiary of the Company, pursuant to which the Company shall acquire all the issued and outstanding common stock of PSI and PSI shall become a wholly owned subsidiary of the Company (the PSI acquisition).

The Senior Notes were issued and sold in accordance with the Purchase Agreement, dated September 15, 2010, among the Company, the Escrow Issuer, certain subsidiaries of the Company (the UHS Subsidiary Guarantors), and J.P. Morgan Securities LLC, Deutsche Bank Securities Inc., Credit Agricole Securities (USA) Inc., Mitsubishi UFJ Securities (USA), Inc., RBS Securities Inc. and SunTrust Robinson Humphrey, Inc. (collectively, the Initial Purchasers), pursuant to an Indenture, dated as of September 29, 2010 (the Indenture), between the Escrow Issuer and Union Bank, N.A., as trustee. In connection with the issuance and sale of the Senior Notes, the following agreements were also entered into: (i) an Escrow and Security Agreement, dated as of September 29, 2010 (the Escrow and Security Agreement), among the Escrow Issuer, Union Bank, N.A., as trustee and escrow agent, and the Initial Purchasers, pursuant to which the proceeds of the offering and certain additional amounts from the Company were deposited into escrow pending consummation of the PSI acquisition and the satisfaction of other conditions described under Escrow and Security Agreement below no later than December 31, 2010; and (ii) a Registration Rights Agreement, dated as of September 29, 2010 (the Registration Rights Agreement), between the Company, the Escrow Issuer, the UHS Subsidiary Guarantors and the Initial Purchasers.

Indenture and Senior Notes

The Indenture, and the form of Senior Notes, which is attached as an exhibit to the Indenture, provides, among other things, that the Senior Notes will be general unsecured, senior obligations of the Company. Upon consummation of the PSI acquisition, the Escrow Issuer will merge with and into the Company, which will receive the funds held in escrow and will assume the obligations of the Escrow Issuer under the Indenture and the Senior Notes (the Escrow Release), and the UHS Subsidiary Guarantors and certain existing subsidiaries of PSI that will guarantee the indebtedness under the Company's senior credit facility (the new Senior Credit Facility) to be entered into in connection with the PSI acquisition (collectively with the UHS Subsidiary Guarantors, the Future Guarantors) will execute a supplemental indenture, pursuant to which the Senior Notes will be unconditionally guaranteed on a senior unsecured basis by the Future Guarantors that guarantee the indebtedness under the new Senior Credit Facility or other indebtedness of the Company or any Future Guarantor for so long as such other indebtedness is so guaranteed. The Senior Notes will rank equally in right of payment with any existing and future senior indebtedness of the Company and will be effectively subordinated to all existing and future secured indebtedness of the Company to the extent of the value of the pledged assets. The Senior Notes will be senior in right of payment to any future subordinated obligations of the Company and will be structurally subordinated to obligations of any of the Company's subsidiaries that do not guarantee the Senior Notes.
