**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On March 15, 2011, the Board of Directors of Harte-Hanks, Inc. approved amendments to the severance benefits available to its named executive officers (and other corporate officers) under certain circumstances. These new terms are embodied in a new severance agreement with each such officer. These severance agreements are designed to attract and retain key talent by providing compensation in the event of a change in control of Harte-Hanks. The Board of Directors also approved a new form of agreement for named executive officers (and other corporate officers) to provide standardized non-competition, non-solicitation, confidentiality and other restrictive covenants in favor of Harte-Hanks.

Harte-Hanks previously entered into severance agreements with each of its named executive officers and other corporate officers. Harte-Hanks severance agreement with Mr. Peter E. Gorman (Executive Vice President and President, Shoppers) also provided compensation in certain non-change in control circumstances, reflecting Mr. Gorman's position at the time he first entered such agreement and the then-current terms applicable to similarly situated executives.

The severance agreements were amended to better reflect current best practices for corporate governance while still providing significant retention and motivation incentives. The amendments effected by the new agreements: (1) remove any excise-tax gross-up relating to Section 280G of the Internal Revenue Code of 1986; (2) remove the modified single-trigger feature (which allowed executive officers to receive severance compensation after a change in control without a termination of employment either (x) without cause or (y) for good reason); (3) broaden the definition of cause; (4) increase the multiple of annual salary and bonus payable as severance compensation (from 1.0 to 1.5 for our Vice Presidents, from 2.0 to 2.5 for our Senior Vice Presidents and Executive Vice Presidents, and from 2.0 to 3.0 for our Chief Executive Officer); (5) increase the reimbursement made in respect of COBRA expenses; and (6) add an acknowledgement that certain payments may be subject to clawback or recoupment of in connection with financial or other misdeeds. In contrast to the severance agreements with other named executive officers, Mr. Gorman's new severance agreement still provides for compensation in certain non-change in control circumstances.

These new severance and restrictive covenant agreements with the company's named executive officers were effective March 15, 2011.

The foregoing description of compensatory arrangements and the changes thereto does not purport to be a complete description of such arrangements, and is qualified in its entirety by reference to the full text of the agreements, which are filed as exhibits to this Form 8-K and are incorporated by reference in this Item 5.02(e).
