Item 2.02. Results of Operations and Financial Condition.

On March 30, 2011, the Company issued a press release announcing the preliminary financial and operating results for the quarter and year ended December 31, 2010 as well as additional information related to natural gas reserves and 12b-25 filing, which is furnished herewith as Exhibit 99.1. The Company's press release announcing its preliminary financial results for its quarter and year ended December 31, 2010 contains financial measures not deemed to be in accordance with accounting principles generally accepted in the United States of America (GAAP). Generally, a non-GAAP financial measure is a numerical measure of the Company's performance, financial position, or cash flows that either excludes or includes amounts that are not normally excluded from or included in the most directly comparable measure calculated and presented in accordance with GAAP. Pursuant to the requirements of Regulation G, the Company has provided quantitative reconciliations within the press release of the non-GAAP financial measures to the most directly comparable GAAP financial measures.

The information in this Form 8-K and Exhibit 99.1 shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to liabilities of that Section.
